PROFIT WARNING

FOR THE YEAR ENDED 31 DECEMBER 2025

This announcement is made by United Strength Power Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Directors**”) of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts (the “**Unaudited Consolidated Management Accounts**”) of the Group for the year ended 31 December 2025 (the “**Reporting Year**”) and the latest information currently available, the Company expects that the Group will record a net loss for the Reporting Year ranging from approximately RMB0.5 million to RMB1.0 million, as compared to a net profit of RMB70.7 million for the year ended 31 December 2024. Based on information currently available to the Board, the Board considers that the expected loss is primarily attributable to, amongst others, (i) the decrease in sales volume of petroleum products which was due to the decrease in market demand as a result of more vehicle customers having shifted to use new energy vehicles and (ii) the decrease in gross profit margin as a result of the decrease in average selling price of petroleum products during 2025.

As the Company is still in the process of preparing and finalising the results of the Group for the Reporting Year, the information contained in this announcement is only based on a preliminary assessment made by the Board with reference to the latest information currently available and the Unaudited Consolidated Management Accounts, which has not been reviewed by the audit committee of the Board, and therefore may be subject to adjustments as appropriate. Particulars of the Group’s business performance will be disclosed in its results announcement for the Reporting Year, which is expected to be published before end of March 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
