Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a buy-back of Shares will benefit the Company and the Shareholders as a whole.

Buy-back of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Cayman Companies Act, the Listing Rules and any applicable laws. The Cayman Companies Act provides that the amount of capital repaid in connection with a buy-back of Shares may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the buy-back of Shares or out of capital subject to and in accordance with the Cayman Companies Act. The amount of premium payable on buy-back may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are bought back in the manner provided for in the Cayman Companies Act.

The Directors would only exercise the power to buy back in circumstances where they consider that the buy-back would be in the best interests of the Company. The Directors consider that if the Buy-back Mandate was to be exercised in full at the current prevailing market value, it may not have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2025, being the date to which the latest published audited consolidated financial statements of the Company were made up. The

Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

## GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their close associates, as defined in the Listing Rules, currently intend to sell any Shares to the Company or its subsidiaries, in the event that the Buy-back Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to repurchase Shares pursuant to the Buy-back Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the Articles of Association.

The Company has confirmed that neither the explanatory statement nor the proposed share repurchase has any unusual features.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Buy-back Mandate is exercised.

If as a result of a buy-back of Shares by the Company pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Glorious Peace Limited ("**Glorious Peace**") holds a total of 1,160,994,737 Shares, representing approximately 53.71% of the issued Shares. Ping An Insurance (Group) Company of China, Ltd. and An Ke Technology Company Limited are deemed to be interested in all of the Shares held by Glorious Peace under Part XV of the SFO, representing approximately 53.71% of the issued Shares.

In the event that the Directors exercise in full the Buy-back Mandate, the shareholding of Glorious Peace in the Company will be increased to approximately 59.68% of the issued share capital. To the best knowledge and belief of the Directors, such increase would not give rise to any obligation to make a mandatory offer under Rule 26 of the Takeovers Code, and the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any buy-back of Shares pursuant to the Buy-back Mandate.

The Listing Rules prohibit the Company from making buy-back on the Stock Exchange if the result of the buy-back would be that less than 21.3% (the lower public float percentage according to the waiver in respect of public float requirement the Company has been granted by the Stock Exchange) of the issued share capital of the Company would be in public hands. The Directors do not propose to buy back Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

### SHARE BUY-BACKS MADE BY THE COMPANY

No share buy-back has been made by the Company within six months before the Latest Practicable Date (whether in the Stock Exchange or other stock exchanges).

### STATUS OF BOUGHT-BACK SHARES

The Company has no present intention to cancel any Shares it bought back through the Buy-back Mandate and/or hold them as treasury shares. The arrangement to deal with the bought-back Shares shall be subject to the market conditions and the capital management needs of the Company at the relevant time of the buy-backs, and shall be in compliance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands. Further disclosures will be made by the Company as and when there are any buy-backs of the Company through the Buy-back Mandate.

The Company may re-deposit its treasury shares into CCASS only if it has an imminent plan to resell or transfer these treasury shares on the Stock Exchange and will complete such resale or transfer as soon as possible. For any treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for these treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.
