VOLUNTARY ANNOUNCEMENT
UNAUDITED LIDAR SHIPMENT VOLUME FOR THE FIRST QUARTER OF 2026

This announcement is published by Seyond Holdings Ltd. (the "**Company**" or "**Seyond**" and, together with its subsidiaries, the "**Group**") on a voluntary basis to inform the shareholders of the Company and potential investors of the latest business development of the Group.

The Company is pleased to announce that, in the first quarter of 2026, the total LiDAR shipment volume reached approximately 181,400 units, representing a year-over-year increase of approximately 340%. The Falcon series contributed approximately 65,500 units, increasing approximately 90% year-over-year, while the Robin series contributed approximately 115,600 units, increasing approximately 1,594% year-over-year. The Company maintained strong shipment momentum, reflecting continued market adoption across the product portfolio of the Company.

INFORMATION ABOUT THE COMPANY

Seyond, a leading global provider of image-grade LiDAR technology, is listed on the Main Board of The Stock Exchange of Hong Kong Limited. Founded in 2016, the Company has built a comprehensive global R&D and manufacturing ecosystem, committed to building a safer, smarter and more efficient mobility future.

With strong R&D capabilities and profound technological expertise, Seyond continuously develops industry-leading LiDAR products and solutions. It drives the rapid iteration of its product lines including the Falcon Platform, Robin Platform and fully solid-state Hummingbird Platform, while ensuring high performance, reliability and cost competitiveness.

Backed by deep insights into application scenarios and forward-looking product strategy, Seyond's products and solutions are widely deployed in intelligent vehicles, autonomous driving, broad robotics, intelligent transportation, smart ports, intelligent shipping, smart railway, smart mining and other sectors. The Company has established in-depth partnerships with numerous leading enterprises worldwide.

At present, Seyond's LiDAR solutions have achieved large-scale commercial deployment in many countries and regions across the globe. By delivering innovative software and hardware technologies, Seyond continues to empower a safer and smarter future for all.

Please note that the figures disclosed in this announcement are unaudited, have not been confirmed by the Company's auditor, do not constitute, represent or indicate the Group's total revenue or full financial performance and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to review the Group's financial results carefully once they are published, and are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
Seyond Holdings Ltd.
