POSITIVE PROFIT ALERT

This announcement is made by Yidu Tech Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company announces to the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on its preliminary assessment of the Group’s unaudited consolidated management accounts for the fiscal year ended March 31, 2026 (“**FY2026**”), and other information currently available to the Board, the Group expects to record (i) a net profit in the range of approximately RMB55 million to RMB70 million for FY2026, as compared to a net loss of approximately RMB135,223,000 for the fiscal year ended March 31, 2025 (“**FY2025**”); and (ii) a profit attributable to the owners of the Company in the range of approximately RMB41 million to RMB56 million for FY2026, as compared to a loss attributable to the owners of the Company of approximately RMB117,788,000 recorded for FY2025.

The Board considers that the expected turnaround from loss to profit attributable to the owners of the Company was primarily due to (i) a significant increase in new orders across the Group’s core business segments, as the Group’s products have been continuously upgraded with AI capabilities, which enhanced the value proposition and competitiveness of the Group’s offerings; and (ii) an improvement in gross profit margin, resulting from the higher value-add of upgraded AI-integrated products, operational efficiency gains, and economies of scale.

The information contained in this announcement represents a preliminary assessment by the Board based on the Group’s unaudited consolidated management accounts for FY2026, and other information currently available to the Board. Such information has not been reviewed by the auditors or the audit committee of the Company. The Company is still in the process of finalizing its annual results for FY2026. Shareholders and potential investors of the Company are advised to refer to the details of the Group’s annual results announcement for FY2026, which is expected to be published before the end of June 2026.

Shareholders and potential investors should exercise caution when they deal or contemplate dealing in the shares or other securities of the Company.
