PROFIT WARNING

This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of Bojun Education Company Limited (the “**Company**”, together with its subsidiaries and the consolidated affiliated entities, the “**Group**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on preliminary review by the management of the Company on the unaudited management accounts of the Group for the six months ended 28 February 2026 (the “**Reporting Period**”), the Group is expected to record a net loss in the range of approximately RMB51.3 million to RMB62.7 million for the Reporting Period as compared to a net loss of approximately RMB9.9 million for the six months ended 28 February 2025.

The Board considers that the further increase in the expected loss is primarily attributable to the decrease in revenue from the vocational education segment. For the six months ended 28 February 2026, the Company’s revenue amounted to approximately RMB180.8 million, representing a decrease of approximately RMB26.7 million as compared with that of the six months ended 28 February 2025, of which the vocational education segment recorded a decrease in revenue of approximately RMB24.5 million. In particular, (i) revenue from secondary vocational education decreased by approximately RMB11.2 million, primarily due to a decline in the total number of junior high school graduates, coupled with the continuous expansion of high school recruitment nationwide, resulting in a structural reduction in

student enrolment; and (ii) revenue from higher vocational education decreased by approximately RMB13.3 million, primarily due to the decrease in relevant government subsidies, collectively leading to a certain decline in revenue.

This announcement is only based on the preliminary review by the management of the Company on the unaudited management accounts of the Group, which have not been finalised nor reviewed or audited by the auditors or the audit committee of the Company.

The Company is in the process of finalising the interim results of the Group for the Reporting Period. The overall financial results of the Group for the Reporting Period will only be ascertained when all the relevant results and treatments are finalised. The interim results announcement of the Group for the Reporting Period is expected to be announced on or around 23 April 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
