Dear Sir or Madam,

PROPOSALS FOR RE-ELECTION OF RETIRING DIRECTORS, GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES AND NOTICE OF ANNUAL GENERAL MEETING

1. INTRODUCTION

The purpose of this circular is to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolutions to be proposed at the AGM.

* *For identification purpose only*

2. RE-ELECTION OF RETIRING DIRECTORS

In accordance with Bye-law 84 of the Bye-laws, Mr. Lu Chin Chu, Mr. Wong Hak Kun and Dr. Yang Ju-Huei shall retire from office by rotation at the AGM. Mr. Chou Wei-Te and Mr. Chau Chi Ming, who were appointed as executive Directors by the Board on June 1, 2025 and August 11, 2025 respectively, shall also retire from office at the AGM pursuant to the Bye-law 83(2) of the Bye-laws. All of them, being eligible, shall offer themselves for re-election thereat.

When considering the re-election of the aforesaid Directors, the Nomination Committee had reviewed the structure, size, composition and skills matrix of the Board and the biographical details of each of the retiring Directors and their meeting of nomination criteria (including but not limited to, character and integrity, accomplishment, experience and knowledge in the relevant industry and commitment to devote sufficient time and attention to the Company's affairs as Board member) as set out in the nomination policy of the Company, as well as considered the diversity aspects (including but not limited to, gender, age, cultural and educational background, professional experience, skills, knowledge and length of services) as set out in the Board diversity policy of the Company, and took the view that all of them are of sufficient calibre and experience and had devoted sufficient time and efforts to the Company's affairs. The key perspectives, skills and experiences of each of Mr. Wong Hak Kun and Dr. Yang Ju-Huei that can bring to the Board, and how different background of each of them contributes to diversity of the Board are summarized below:

Mr. Wong Hak Kun has professional qualifications in account and audit, extensive experience in audit, assurance and management and broad range of knowledge gained from directorship in companies listed in Hong Kong and other jurisdiction, which enables him to, inter alia, (a) provide valuable strategic insights and foster effective decision making of the Board; (b) provide guidance and advice on the affairs of the Company, especially relating to the Company's financial reporting and financial control, risk management and internal control, with independent judgement from a balanced and objective perspective; and (c) contribute to the Board with his skills and experience through active participation in the meetings of the Board, the Audit and Risk Management Committee and the Remuneration Committee.

Dr. Yang Ju-Huei has strong academic background and leadership experience in public organization and companies listed in Taiwan, which enables her to, inter alia, (a) provide independent and balanced insights and views to the Company's affairs with her academic background in economics and experience in financial industry; and (b) contribute to the Board with her skills and experience through active participation in the meetings of the Board, the Audit and Risk Management Committee and the Remuneration Committee.

The Nomination Committee had also reviewed and assessed the annual written independence confirmations of all independent non-executive Directors with reference to the criteria as set out under Rule 3.13 of the Listing Rules. Having considered that (a) the said confirmation had been received from each independent non-executive Director; (b) none of them was involved in the daily management of the Group, the Nomination Committee affirmed that they remained independent and free of any relationship with any substantial shareholder, fellow Directors and management of the Company which could interfere with the exercise of their independent judgment.

Taking into consideration of the above, the Nomination Committee is of the view that (a) each of the retiring Directors has the required skills, qualification, experience, integrity and independence to continue their directorships in the Company; and (b) the diverse background of each retiring Director would contribute to the diversity of the Board. Therefore, the Nomination Committee recommended the Board to propose the re-election of Mr. Lu Chin Chu, Mr. Chou Wei-Te, Mr. Chau Chi Ming, Mr. Wong Hak Kun and Dr. Yang Ju-Huei as the Directors at the AGM.

The Board accepted the Nomination Committee's recommendation accordingly and separate ordinary resolutions relating to the re-election of each retiring Director will be proposed at the AGM for Shareholders' consideration and approval. Each retiring Director abstained from voting on the relevant resolutions at the Board meeting regarding his/her own re-election.

Details of the said Directors proposed to be re-elected at the AGM are set out in Appendix I to this circular.

3. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the last annual general meeting of the Company held on May 23, 2025, ordinary resolutions were passed to grant general mandates to the Directors to repurchase Shares and issue new Shares. As at the Latest Practicable Date, the number of Shares in issue was 1,604,556,486 and the Company did not have any treasury shares.

These mandates will lapse at the conclusion of the AGM. Ordinary resolutions will therefore be proposed at the AGM to renew these general mandates in order to give the Directors flexibility to repurchase or issue Shares in the circumstances as they consider appropriate. The relevant resolutions, in summary, are:

(a) the Issue Mandate to allot, issue or deal with Shares up to a maximum of 10% of the number of the Shares in issue as at the date of passing such resolution (i.e. a maximum amount of 160,455,648 Shares) on the basis that no further Shares are issued or repurchased prior to the date of the AGM;

(b) the Repurchase Mandate to repurchase Shares on the Stock Exchange up to a maximum of 10% of the number of the Shares in issue as at the date of passing such resolution (i.e. a maximum amount of 160,455,648 Shares) on the basis that no further Shares are issued or repurchased prior to the date of the AGM; and

(c) the Extension Mandate to increase the total number of the Shares which may be allotted and issued under the Issue Mandate by an additional number of the Shares which may be repurchased under the Repurchase Mandate.

Such proposed resolutions are set out in resolutions 5A, 5B and 5C in the notice of the AGM respectively.

The explanatory statement containing all the information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the ordinary resolution concerning the Repurchase Mandate as required by the Listing Rules is set out in Appendix II to this circular.

Dr. Yang was previously a director of CTBC Investment Co., Ltd., which is a subsidiary of CTBC Financial Holding Co., Ltd., a company listed on TWSE, from February 1, 2018 to November 26, 2024, during which she completed three terms of service. She was also an independent director of Feei Cherng Develop Technology Co., Ltd. (a company listed on the Taipei Exchange) from May 24, 2024 to August 21, 2024.

Save as disclosed above, Dr. Yang (a) does not have any other former name or alias; (b) did not hold other position in any members of the Group; (c) did not hold any directorship in other listed public companies, the securities of which are listed on any securities market in Hong Kong or overseas in the last three years; (d) does not have other major appointments or professional qualifications; (e) does not have any relationship with any Director, senior management, substantial shareholders (as defined in the Listing Rules) or controlling shareholders of the Company; and (f) did not have any interest in the Shares within the meaning of Part XV of the SFO Securities and Futures Ordinance as at the Latest Practicable Date.

Pursuant to the appointment letter entered into between the Company and Dr. Yang, Dr. Yang is appointed for a fixed term of three years commencing from June 1, 2023. Her term of service is subject to retirement by rotation and re-election at least once every three years in accordance with the Bye-laws and the Listing Rules or at such time as may be required by resolution of the Board. Dr. Yang is entitled to receive a Director's fee of HK$285,000 (equivalent to approximately US$37,000) per annum for holding her office as an independent non-executive Director. The Director's fee and the terms under the appointment letter are determined by the Board with the recommendation of the Remuneration Committee with reference to the Company's profitability as well as the Company's remuneration policy and guidelines.

Save as disclosed above, the Board is not aware of any other information that is required to be disclosed pursuant to Rule 13.51(2) of the Listing Rules or any other matters that need to be brought to the attention of the Shareholders in relation to the proposed re-election of Dr. Yang.

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide Shareholders with all the information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution in relation to the Repurchase Mandate to be proposed at the AGM.

(a) Share capital

At the AGM, an ordinary resolution will be proposed to approve the Repurchase Mandate. Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the number of the Shares in issue on the date the resolution granting the Repurchase Mandate is passed. As at the Latest Practicable Date, there were in issue an aggregate of 1,604,556,486 Shares and the Company does not have any treasury shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares are issued or repurchased prior to the date of the AGM, would accordingly result in up to 160,455,648 Shares being repurchased by the Company. All the Shares repurchased by the Company pursuant to the Repurchase Mandate will be cancelled and will not be held as treasury shares.

(b) Reasons for repurchases

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share of the Company and its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

(c) Source of funds

Repurchases must be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association and Bye-laws and the applicable laws in Bermuda. A listed company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

It is presently proposed that any repurchase of Shares would be made out of capital paid up on the repurchased Shares, funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of any premium payable on such repurchase, from funds of the Company otherwise available for dividend or distribution or from the Company's share premium account.

(d) Impact of repurchases

There might be a material adverse impact on the working capital requirements of the Company or the gearing level (as compared with the position disclosed in the audited financial statements of the Company for the year ended December 31, 2025 as set out in the Company's annual report) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(e) Takeovers Code

If as a result of a share repurchase a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights according to Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, PCC, a controlling shareholder of the Company, was interested in 824,143,835 Shares, representing approximately 51.36% of the number of issued Shares. If the Repurchase Mandate was exercised in full, the shareholding of PCC in the Company would be increased to approximately 57.06%. If the present shareholdings and capital structure of the Company remain the same, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Mandate. In addition, the Company will not purchase its Shares which will reduce the total number of issued shares of the Company in public hands to below 25%.

(f) Undertaking

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their close associates have any present intention to sell any Shares to the Company or its subsidiaries if the Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of Bermuda. Neither this explanatory statement nor the proposed Repurchase Mandate has any unusual features.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so if the Repurchase Mandate is approved by the Shareholders.

(g) Share prices

The highest and lowest market prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months up to the Latest Practicable Date were as follows:

	Price per Share

	HK$	*HK$*
2025

(h) Share repurchases made by the Company
