PROPOSED CHANGE OF AUDITORS

This announcement is made by Nsing Technologies Inc. (the "**Company**", and together with its subsidiaries, the "**Group**") pursuant to Rule 13.51(4) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

In accordance with the Company Law of the People's Republic of China, the Securities Law of the People's Republic of China, Rules Governing the Listing of Shares on the Chinext of Shenzhen Stock Exchange, the Guidelines No. 2 of Shenzhen Stock Exchange for Self-regulation of Listed Companies — Standardized Operation of Companies Listed on the ChiNext Market, the Articles of Association, and other relevant laws, regulations and regulatory documents, and in order to meet the requirements of the Company's overall audit work, the board of directors of the Company (the "**Board**") and its audit committee have considered and approved the proposal to appoint Deloitte Touche Tohmatsu Certified Public Accountants LLP ("**Deloitte Hua Yong**") as the Company's domestic audit firm for 2026 upon the expiry of the term of China Audit Asia Pacific Certified Public Accountants LLP ("**China Audit Asia Pacific**") at the upcoming annual general meeting of the Company and re-appoint Deloitte Touche Tohmatsu ("**Deloitte Hong Kong**") as the Company's overseas audit firm for 2026.

Deloitte Hua Yong is a member of the same audit network as Deloitte Hong Kong. As the Group's business operations continue to grow in scale and complexity, the Board considers it important to ensure that the domestic and international audit functions are closely aligned. The appointment of Deloitte Hua Yong in substitution for China Audit Asia Pacific will strengthen coordination between the PRC audit team and the international audit team by leveraging shared audit platforms, resources, and communication channels within the same network. This is expected to improve overall audit efficiency, reduce the risk of inconsistencies in audit findings, and facilitate the consistent application of audit methodologies, professional standards, and accounting judgements across the A share and H share financial statements. In addition, having both the domestic and international auditors within the same network will enable more streamlined communication and a more cohesive approach to addressing complex or cross-border accounting and regulatory matters.

Deloitte Hua Yong has extensive experience in providing audit services to A share and dual-listed companies, including companies of a comparable size and operating in similar industries to the Group. It possesses a thorough understanding of both PRC accounting standards and international financial reporting standards, and has a well-established track record of delivering high-quality audit services. Having regard to the foregoing, the Board is of the view that Deloitte Hua Yong is well suited to meet the Group's current and future development and financial reporting needs.

The Board also proposes to grant an authorisation to the Company’s management to negotiate audit fees with Deloitte Hua Yong and Deloitte Hong Kong, based on the Company’s specific business scale, industry, audit requirements, and scope of audit, at the 2025 annual general meeting of the Company. In principle, the audit fees for 2026 shall not exceed RMB2,500,000 (excluding value-added tax). This proposed appointment and re-appointment are subject to the approval by the Company’s shareholders at the 2025 annual general meeting.

The Company has communicated with China Audit Asia Pacific regarding the decision of the Board not to renew their engagement as the Company's domestic audit firm, and China Audit Asia Pacific has confirmed that it has no objection to, and no disagreement with, such decision. Furthermore, the Company and China Audit Asia Pacific confirm that there are no disagreement between the Company and China Audit Asia Pacific, and there are no other matters that need to be brought to the attention of the shareholders of the Company. The Board hereby expresses its gratitude to China Audit Asia Pacific for their professional services and support to the Company in the past.
