AND
NOTICE OF THE ANNUAL GENERAL MEETING**

1. INTRODUCTION

This circular is to provide, as the Shareholders, with information on the following resolutions proposed to be tabled at the AGM. The information in this circular enables you to make an informed decision on the resolutions to be tabled at the AGM.

Such general mandate will lapse at the conclusion of the AGM.

At the AGM, the Ordinary Resolution no. 4 will therefore be proposed for the Shareholders to consider and, if thought fit, approve a new general mandate to be granted to the Directors to exercise all powers of the Company to allot, issue and deal with new Shares (including any sale or transfer of the Treasury Shares) during the period as set forth in the Ordinary Resolution no. 4 of up to 20% of the total number of Shares in issue (excluding the Treasury Shares) as of the date of passing of the Ordinary Resolution no. 4. As of the Latest Practicable Date, the total number of Shares in issue was 2,099,818,000 and they were all fully paid up. The number of Treasury Shares was nil. Details of the Share Issue Mandate and the extension of the Share Issue Mandate are set forth in the Ordinary Resolutions nos. 4 and 6 as referred to in the AGM Notice. These mandates will lapse on the earliest of:

- (a) the conclusion of the next annual general meeting of the Company;
- (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles, or any other applicable laws to be held; or

The poll results will be published on the Stock Exchange's website and the Company's website after the conclusion of the AGM.

10. RECOMMENDATION

The Directors are of the opinion that the grant of the Share Issue Mandate and the Share Repurchase Mandate, the extension of the Share Issue Mandate, the re-election of retiring Directors and the re-appointment of auditor are all in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the resolutions to be proposed at the AGM.

11. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully
For and on behalf of the Board
TING Man Yi
Chairman

This appendix serves as the Explanatory Statement, as required by the Listing Rules, to provide all the information to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution to be proposed at the AGM in relation to the granting of the Share Repurchase Mandate for your consideration.

1. LISTING RULES RELATING TO THE SHARE REPURCHASE

The Listing Rules permit companies with a primary listing on the main board of the Stock Exchange to purchase their securities subject to certain restrictions.

2. SHAREHOLDERS' APPROVAL

All proposed repurchase of securities on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by a specific approval for a particular transaction.

3. THE SHARE REPURCHASE PROPOSAL

The resolution set forth as Ordinary Resolution no. 5 relates to the granting of a general and unconditional mandate to the Directors to repurchase on the Stock Exchange or any other stock exchange on which the Shares of the Company may be listed and recognised by The Securities and Futures Commission of Hong Kong, Shares up to a maximum of 10% of the total number of Shares in issue (excluding the Treasury Shares) as of the date of the passing of the resolution.

As of the Latest Practicable Date, there were 2,099,818,000 Shares in issue. The number of Treasury Shares was nil. Subject to the passing of the resolution granting the Share Repurchase Mandate at the AGM and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed under the Share Repurchase Mandate to repurchase a maximum of 209,981,800 Shares (excluding the Treasury Shares) during the period ending on the earliest of the conclusion of the next annual general meeting of the Company; the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles to be held; or the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

4. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of repurchase the Shares, they believe that it is in the interests of the Company and the Shareholders for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares of the Company on the market. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

5. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for such purpose in accordance with the memorandum of association of the Company, the Articles and the applicable laws and regulations of the Cayman Islands.

6. IMPACT OF REPURCHASE

As compared with the financial position of the Company as of 31 December 2025 (being the date of its latest published audited accounts), the Directors consider that there is no material adverse impact on the working capital or gearing position of the Company if the Share Repurchase Mandate is exercised in full during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level of the Company (as compared with the position disclosed in its most recent published audited accounts) which in the opinion of the Directors are from time to time appropriate for the Company.

7. SHARE PRICE

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:

Month	Price Per Share	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2025		
April	0.135	0.103
May	0.123	0.095
June	0.140	0.096
July	0.118	0.092
August	0.128	0.095
September	0.107	0.093
October	0.105	0.081
November	0.084	0.063
December	0.080	0.059
2026		
January	0.081	0.056
February	0.085	0.065
March	0.070	0.051
April (up to the Latest Practicable Date)	0.163	0.050

8. GENERAL INFORMATION AND UNDERTAKINGS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as such term is defined under the Listing Rules) has any present intention to sell any Shares to the Company or any of its subsidiaries, if the Share Repurchase Mandate is approved by the Shareholders.

As of the Latest Practicable Date, none of the core connected person (as such term is defined under the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell he/she/its Shares to the Company or its subsidiaries, nor he/she/it undertaken not to do so, in the event that the Share Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the Share Repurchase Mandate in accordance with the Listing Rule, the memorandum of association of the Company, the Articles and the applicable laws and regulations of the Cayman Islands.

The Directors confirm that this Explanatory Statement contains the information required under Rule 10.06(1)(b) of the Listing Rules and has neither the Explanatory Statement nor the proposed share repurchase has unusual features.

9. STATUS OF REPURCHASED SHARES

Subject to the applicable requirements under the Listing Rules, if the Company repurchases Shares pursuant to the Share Repurchase Mandate, the Company may cancel such repurchased Shares and/or hold them as the Treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any Treasury Shares deposited with CCASS pending sale or transfer on the Stock Exchange, the Company shall:

- (a) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the Treasury Shares deposited with CCASS, i.e. the voting rights are suspended unless and until the Treasury Shares are transferred out of treasury;
- (b) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions; and
- (c) take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as the Treasury Shares.

10. SHARE REPURCHASE MADE BY THE COMPANY

There was no repurchased by the Company, or any of its subsidiaries, of any listed securities of the Company during the six months prior to the Latest Practicable Date.

11. TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of rule 32 of the Takeovers Code.

Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As of the Latest Practicable Date, Longerview Investments Limited, being the substantial Shareholder (as defined in the Listing Rules) of the Company, together with its associates, was beneficially interested in 1,490,000,000 Shares representing 70.96% of the issued share capital of the Company. In the event that the Directors exercise the Share Repurchase Mandate in full in accordance with the terms of the Ordinary Resolution no. 5 to be proposed at the AGM, the interests of Longerview Investments Limited, together with its associates, in the Company would be increased to 78.84% of the issued share capital, which will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code but will reduce the amount of Shares held by the public to below 25% of the total number of issued Shares of the Company.

The Directors have no intention to exercise the Share Repurchase Mandate to such extent as would result in the amount of Shares being held by the public to fall below 25% of the total issued share capital of the Company nor to the extent that would result in an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. Save as the above, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the Share Repurchase Mandate.

The following sets forth the details of the Directors who will retire and, being eligible, offer themselves for re-election at the AGM pursuant to the Articles.
