PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every twenty (20) issued and unissued Shares of par value of HK$0.01 each be consolidated into one (1) Consolidated Share of par value of HK$0.20 each.

PROPOSED CAPITAL REDUCTION AND SHARE SUB-DIVISION

The Board further proposes that immediately following the Share Consolidation becoming effective, the Capital Reduction and the Share Sub-division will be implemented, pursuant to which:

(i) the issued share capital of the Company will be reduced by cancelling the paid up capital to the extent of HK$0.19 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK$0.20 to HK$0.01; and

(ii) immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares of par value of HK$0.20 each be sub-divided into twenty (20) New Shares of par value of HK$0.01 each.

PROPOSED CHANGE IN BOARD LOT SIZE

As of the date of this announcement, the Existing Shares in issue are traded on the Stock Exchange in the board lot size of 8,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Consolidation becoming effective, the board lot size for trading on the Stock Exchange be changed from 8,000 Existing Shares to 10,000 New Shares.

GENERAL

The EGM will be held to consider and, if thought fit, pass the resolutions to approve, among other things, the Capital Reorganisation. The register of members of the Company will be closed from Thursday, 4 June 2026 to Wednesday, 10 June 2026 (both days inclusive) for determining the identity of the Shareholders entitled to attend and vote at the EGM. The record date for determining the entitlement to attend and vote at the EGM is Wednesday, 10 June 2026.

A circular containing, among other things, (i) further details of the Capital Reorganisation and the Change in Board Lot Size; and (ii) a notice convening the EGM, is expected to be despatched to the Shareholders on or before Tuesday, 19 May 2026.

Shareholders should take note that the Capital Reorganisation and the Change in Board Lot Size are conditional upon the fulfilment of certain conditions set out in the paragraph headed "Conditions of the Capital Reorganisation". Therefore, the Capital Reorganisation and the Change in Board Lot Size may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company, and if they are in any doubt about their position, they should consult their professional advisers.

PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every twenty (20) Existing Shares of par value of HK$0.01 each be consolidated into one (1) Consolidated Share of par value of HK$0.20 each.

Effect of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company amounted to HK$200,000,000 divided into 20,000,000,000 ordinary Shares of HK$0.01 each, of which 11,095,376,835 Existing Shares had been allotted and issued as fully paid or credited as fully paid. Assuming that no further Existing Shares are issued or repurchased from the date of this announcement until the effective date of the Share Consolidation, immediately after the Share Consolidation becoming effective, the authorised share capital of the Company will become HK$200,000,000 divided into 1,000,000,000 ordinary Shares of HK$0.20 each, of which 554,768,841 Consolidated Shares will be in issue which are fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank *pari passu* in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation, the Change in Board Lot Size and the payment to be made to Shareholders in relation to fractional Consolidated Shares to which they would otherwise be entitled as mentioned in the paragraph headed "Fractional entitlement to the New Shares" below, the implementation of the Share Consolidation will not alter the underlying assets, business operations, management or financial position of the Group or the proportionate interests or rights of the Shareholders, save that any fractional Consolidated Shares will not be allocated to Shareholders who may otherwise be entitled.

PROPOSED CHANGE IN BOARD LOT SIZE

As of the date of this announcement, the Existing Shares in issue are traded on the Stock Exchange in the board lot size of 8,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Consolidation becoming effective, the board lot size for trading on the Stock Exchange be changed from 8,000 Existing Shares to 10,000 New Shares.

Based on the closing price of HK$0.022 per Existing Share (equivalent to the theoretical closing price of HK$0.44 per New Share) as at the date of this announcement, (i) the market value of each board lot of 8,000 Existing Shares is HK$176; (ii) the market value of each board lot of 8,000 New Shares would be HK$3,520, assuming the Share Consolidation has become effective; and (iii) the estimated market value of each board lot of 10,000 New Shares would be HK$4,400 on the assumption that the Change in Board Lot Size has also become effective.

The Change in Board Lot Size will not result in any change in the relative rights of the Shareholders.

REASONS FOR THE SHARE CONSOLIDATION AND CHANGE IN BOARD LOT SIZE

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of the issuer approaches the extremities of HK$0.01 or HK$9,995, the Stock Exchange reserves the right to require the issuer either to change the trading method or to proceed with consolidation or splitting of its securities. Further, the "Guide on Trading Arrangements for Selected Types of Corporate Actions" issued by the Hong Kong Exchanges and Clearing Limited (the "**Guide**") has further stated that (i) the market price of the shares at a level less than HK$0.10 each will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK$2,000.

Based on the closing price of HK$0.022 per Existing Share as at the date of this announcement and the current board lot size of 8,000 Existing Shares, the value per current board lot of 8,000 Existing Shares is HK$176, which is less than HK$2,000. The Directors consider that the Share Consolidation will bring about a corresponding upward adjustment in the trading price per Consolidated Share on the Stock Exchange. Based on the closing price of HK$0.022 per Existing Share (equivalent to the theoretical closing price of HK$0.44 per New Share) as quoted on the Stock Exchange as at the date of this announcement, the expected market value of each board lot of 10,000 New Shares, assuming the Share Consolidation and the Change in Board Lot Size have become effective, would be HK$4,400, which is greater than HK$2,000 and therefore complies with the requirement as set out in the Guide.

Furthermore, the Share Consolidation is intended to make investing in the Shares more attractive to a broader range of investors, in particular to institutional investors whose house rules might otherwise prohibit or restrict trading in securities that are priced below a prescribed floor, and thus help to further broaden the shareholder base of the Company.

The Share Consolidation and the Change in Board Lot Size will not have any material adverse effect on the financial position of the Company nor result in any change in the relative rights of the Shareholders and are in the interests of the Company and the Shareholders as a whole.

In view of the above reasons, the Company considers the Share Consolidation and the Change in Board Lot Size are justifiable notwithstanding the potential costs and impact arising from the creation of odd lots to Shareholders. Accordingly, the Board is of the view that the Share Consolidation and the Change in Board Lot Size are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

PROPOSED CAPITAL REDUCTION AND SHARE SUB-DIVISION

The Board further proposes that immediately following the Share Consolidation becoming effective, the Capital Reduction and the Share Sub-division will be implemented, pursuant to which:

(i) the issued share capital of the Company will be reduced by cancelling the paid up capital to the extent of HK$0.19 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK$0.20 to HK$0.01; and

(ii) immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares of par value of HK$0.20 each be sub-divided into twenty (20) New Shares of par value of HK$0.01 each.

Each of the New Shares arising from the Capital Reduction and the Share Sub-division shall rank *pari passu* in all respects with each other in accordance with the memorandum and articles of association of the Company and have the rights and privileges and be subject to the restrictions as contained in the memorandum and articles of association of the Company.

Effect of the Capital Reduction and the Share Sub-division

Immediately upon the Share Consolidation, the Capital Reduction and the Share Sub-division becoming effective and assuming no further Shares or (as the case may be) Consolidated Shares will be issued or repurchased from the date of this announcement up to and including the date of which the Capital Reduction and the Share Sub-division shall become effective, the authorised share capital of the Company shall be HK$200,000,000 divided into 20,000,000,000 New Shares with par value of HK$0.01 each, of which 554,768,841 New Shares will be in issue and fully paid or credited as fully paid.

Based on the 11,095,376,835 Shares in issue as at the date of this announcement or (as the case may be) 554,768,841 Consolidated Shares in issue as at the date of which the Share Consolidation becoming effective, and assuming no further Shares or (as the case may be) Consolidated Shares will be issued or repurchased prior to the date of which the Capital Reduction and the Share Sub-division shall become effective, a credit amounting to approximately HK$105,406,080 will arise as a result of the Capital Reduction. It is proposed that the credit arising from the Capital Reduction will be credited to the distributable reserve account of the Company, which will be utilised by the Company in such manner as the Board may deem fit and permitted under all applicable laws, the memorandum and articles of association of the Company.

Assuming that there is no change in the number of issued Shares from the date of this announcement up to and including the date on which the Share Consolidation, the Capital Reduction and the Share Sub-division becoming effective, the share capital structure of the Company will be as follows:

	As at the date of this announcement	**Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective**	**Immediately upon the Capital Reduction and the Share Sub-division becoming effective**
Par value per Share	HK$0.01 per Existing Share	HK$0.20 per Consolidated Share	HK$0.01 per New Share
Authorised share capital

Issued share capital			
Number of issued shares	11,095,376,835 Existing Shares	554,768,841 Consolidated Shares	554,768,841 New Shares

Amount of unissued share capital	HK$89,046,232	HK$89,046,232	HK$194,452,312

Other than the expenses to be incurred in relation to the Capital Reduction and Share Sub-division, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save for any fractional New Shares will not be allocated to the Shareholders who may otherwise be entitled. The Directors are of the view that the Capital Reduction and the Share Sub-division will not have any material adverse effect on the financial position of the Group and are in the interest of the Company and the Shareholders as a whole.

Conditions of the Capital Reorganisation

The Capital Reduction and the Share Sub-division are conditional upon the following conditions:

(i) the Share Consolidation has become effective;

(ii) the passing of a special resolution by the Shareholders at the EGM to approve the Capital Reorganisation;

(iii) the Directors shall have made a solvency statement (the "**Solvency Statement**") in relation to the Capital Reduction no more than 30 days before the date on which the special resolution for the Capital Reduction is passed at the EGM;

(iv) the filing of a copy of the Solvency Statement and the minutes stating certain information as required by the Companies Act with respect to the Capital Reduction with the Registrar of Companies in the Cayman Islands within 15 days after the passing of the special resolution for the Capital Reduction at the EGM;

(v) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the New Shares upon the Capital Reduction and the Share Sub-division becoming effective; and

(vi) the compliance with all relevant procedures and requirements under the applicable laws of the Cayman Islands and the Listing Rules to effect the Capital Reorganisation.

The Capital Reorganisation will become effective when the conditions mentioned above are fulfilled. None of the above conditions can be waived. Upon the approval by the Shareholders of the Capital Reorganisation at the EGM, the designated representative of the Company will arrange for the filing with Registrar of Companies in the Cayman Islands.

As at the date of this announcement, none of the above conditions have been fulfilled. The Capital Reorganisation will become effective on the second Business Day after the fulfilment of the above conditions of the Capital Reorganisation, which is expected to be on or about Friday, 3 July 2026.

Application for listing of the New Shares

An application will be made by the Company to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the New Shares upon the Capital Reduction and the Share Sub-division becoming effective.

Subject to the granting of listing of, and permission to deal in, the New Shares on the Stock Exchange upon the Capital Reduction and the Share Sub-division becoming effective, as well as compliance with the stock admission requirements of the HKSCC, the New Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the New Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the New Shares to be admitted into CCASS established and operated by HKSCC.

None of the securities (being equity or debt) are listed or dealt in any other stock exchange other than the Stock Exchange, and at the time the Capital Reduction and the Share Sub-division becoming effective, the New Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Fractional entitlement to the New Shares

Fractional New Shares, if any, will be disregarded and will not be issued to the Shareholders but will be aggregated (rounded down to the nearest whole number) and, if possible, sold for the benefit of the Company. Fractional New Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of existing share certificates held by such holder.

Shareholders concerned about losing out on any fractional entitlement are recommended to consult their own professional advisers such as licensed securities dealer, bank manager, solicitor, professional accountant or other professional adviser and may wish to consider the possibility of buying or selling Shares in a number sufficient to make up an entitlement to receive a whole number of New Shares.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the New Shares arising from the Capital Reorganisation, a designated broker will be appointed by the Company to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the New Shares to make up a full board lot, or to dispose of their holding of odd lots of the New Shares. Details of the matching services will be provided in the circular of the Company to be despatched to the Shareholders.

Holders of odd lots of the New Shares should note that successful matching of the sale and purchase of odd lots of the New Shares is not guaranteed. Any Shareholder, who is in any doubt about the odd lots trading arrangement, is recommended to consult his/her/its own professional advisers.

Shareholders or potential investors of the Company should note that (i) odd lots will be created after the Capital Reorganisation; (ii) odd lots arrangements do not guarantee successful matching of all odd lots at the relevant market price; and (iii) odd lots might be sold below the market price in the market.

Other securities of the Company

As at the date of this announcement, the Company does not have any other derivatives, options, warrants, other securities or conversion rights or other similar rights which are convertible or exchangeable into, any Existing Shares or Consolidated Shares or New Shares, as the case may be.

Exchange of share certificates

Subject to the Capital Reorganisation having become effective, Shareholders may, during the specified period expected to be from Friday, 3 July 2026 to Monday, 10 August 2026 (both days inclusive), submit share certificates for Existing Shares to the Registrar, to exchange, at the expense of the Company, for new share certificates for the New Shares.

Thereafter, share certificates for Existing Shares will be accepted for exchange only on payment of a fee of HK$2.50 (or such other amount as may be allowed by the Stock Exchange from time to time) by Shareholders for each share certificate for Existing Shares submitted for cancellation or each new share certificate issued for New Shares, whichever number of share certificates cancelled/issued is higher.

The existing share certificates will only be valid for delivery, trading and settlement purposes for the period up to 4:10 p.m. on Thursday, 6 August 2026, and thereafter will not be accepted for delivery, trading and settlement purposes. However, the existing share certificates will continue to be good evidence of title to the Consolidated Shares on the basis of twenty (20) Existing Shares for one (1) New Share. The new share certificates for the New Shares will be issued in blue colour in order to distinguish them from the share certificates for the Existing Shares which are in green colour.

REASONS FOR THE CAPITAL REDUCTION AND SHARE SUB-DIVISION

Pursuant to the memorandum and articles of association of the Company, a company may not issue shares at a discount to the nominal value of such shares. Immediately after completion of the Share Consolidation but before implementation of the Capital Reduction and the Share Sub-division, the nominal or par value of the Consolidated Shares will be HK$0.20 per Consolidated Share. The Capital Reduction and the Share Sub-division will keep the nominal or par value of the New Shares at a lower level of HK$0.01 per New Share, which allows greater flexibility in the pricing for any issue of new Shares in the future. The credit in the distributable reserve account arising from the Capital Reduction will enable the Company to set off its accumulated loss and may be applied in future for distribution to the Shareholders or in any manner permitted by applicable laws, and the memorandum and articles of association of the Company. The Board considers that the Capital Reduction and the Share Sub-division are beneficial to and in the interests of the Company and the Shareholders as a whole.

The Company intends to carry out future fund raising activity to improve its financial position. As at the date of this announcement, the Company is exploring fund raising opportunities with a view to strengthen the financial position of the Company but does not currently have any concrete plan. The Company will make further announcement(s) in this regard in accordance with the Listing Rules as and when appropriate.

WARNING

Shareholders should take note that the Capital Reorganisation and the Change in Board Lot Size are conditional upon the fulfilment of certain conditions set out in the paragraph headed "Conditions of the Capital Reorganisation". Therefore, the Capital Reorganisation and the Change in Board Lot Size may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company, and if they are in any doubt about their position, they should consult their professional advisers.
