VOLUNTARY ANNOUNCEMENT

VEHICLE DELIVERY RESULTS FOR APRIL 2026

The board of directors of XPeng Inc. (the “**Company**” or “**XPENG**”) is pleased to announce its vehicle delivery results for April 2026.

In April 2026, XPENG delivered a total of 31,011 vehicles, representing a 13% increase from the prior month.

Furthermore, following the official rollout of VLA 2.0 in March 2026, test-drive satisfaction rates at XPENG retail stores recorded a significant increase by the end of April 2026. The average time customers take to make a purchase decision after a test drive also decreased by 44.7% month-over-month, reinforcing intelligent driving as a key driver of sales growth.

On April 15, 2026, the Company unveiled the XPENG GX, marking the debut of its first full-sized flagship SUV built around its most advanced cross-domain technologies.

On April 7, 2026, XPENG and its European production partner Magna marked the roll-off of the first locally produced P7+ from the production line at Magna’s plant in Graz, Austria. This is the third model to be locally manufactured in Austria, following the G6 and G9, deepening XPENG’s manufacturing footprint in Europe through its partnerships.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
