III. SPECIAL NOTICE

1. The above disclosure only includes the sales of market hogs and yellow-feathered broilers of the Group, excluding other businesses.

2. Please note that all figures above are unaudited and have not been confirmed by the auditor of the Company and may be subject to adjustment and final confirmation.

3. Due to the continued impact of animal epidemics on the pig and poultry industry, and the significant fluctuations (decline or rise) in the market prices of pig and poultry products, these factors may have a major impact on the Group's operating performance. Moreover, this risk is a systemic risk in the pig and poultry breeding industry and represents an objective, uncontrollable external risk for any pig and poultry producer.

Shareholders and potential investors of the Company are kindly advised to exercise caution when dealing in the shares of the Company and be aware of investment risks.
