QUARTERLY UPDATE ON RESUMPTION PROGRESS; AND CONTINUED SUSPENSION OF TRADING

This announcement is made by Century Entertainment International Holdings Limited (the "**Company**") pursuant to Rules 13.09 and 13.24A of the Listing Rules and the provisions of inside information under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

1. INTRODUCTION

The shares of the Company remain suspended from trading. The Group continues to review and optimize its business plans and overall development direction. This announcement updates shareholders and potential investors on the latest planning and preparatory progress of the Group.

2. OVERVIEW OF EXISTING BUSINESS

The Group focuses on the digital entertainment technology sector, maintains technical service communications with partners, advances project preparation in phases, and conducts preliminary planning for the online entertainment platform. Meanwhile, the Group explores business opportunities in physical businesses such as camellia oil distribution to diversify income sources and enhance operational stability. In daily operations, the Group complies with local regulatory requirements and implements risk control measures to ensure all business preparation is conducted legally and properly.

3. PREPARATION OF PHASE IV ONLINE ENTERTAINMENT PLATFORM IN PROGRESS

The Phase IV online entertainment platform is the core digital business segment of the Group, and all preparatory work is ongoing as projected.

The Group is proceeding with platform construction, system optimization, function testing and other work as planned. In response to stricter global regulation and higher cross-border compliance requirements, the Group has strengthened its Anti-Money Laundering (AML) and Know Your Customer (KYC) management systems, improved user identity verification, fund flow monitoring, risk classification and abnormal transaction alert mechanisms, and enhanced system security, data protection and internal control.

Through compliance optimization, the Group strengthens risk resilience, safeguards shareholders' interests and lays a solid foundation for subsequent business expansion and cross-border layout.

The Group has established a dedicated online project team with technical, operational and compliance personnel, continuously optimizes AML in line with local regulatory standards. The Group will continue to allocate appropriate resources, strengthen internal and external coordination to ensure all preparatory work remains in progress, and disclose material developments in accordance with the Listing Rules.

4. OVERSEAS BUSINESS PLANNING IN VIETNAM AND SOUTH KOREA

The newly appointed Chairman of the Company has officially taken office and oversees the overall development strategy of the Group. The Chairman has industry resources and regional network advantages in Vietnam and South Korea. Under legal and compliant principles, the Group will moderately explore local offline entertainment cooperation opportunities to optimize business portfolio and enhance diversified development capacity. A dedicated overseas business team is responsible for market research, resource liaison and compliance assessment, operating independently and in coordination with the online business segment to ensure orderly progress of all planning.

5. FUTURE OUTLOOK

The Group will maintain dual-track planning for online digital entertainment and overseas businesses, adhere to compliance as the core principle, and strictly comply with applicable laws and the Listing Rules. The Group will continuously optimize AML and risk management systems. Going forward, the Group will continue preparation of the Phase IV online platform and orderly explore overseas markets. Supported by a sound compliance framework and diversified business layout, the Group will pursue industry opportunities and refine operating plans, striving to create long-term value for shareholders. Further business updates will be published in due course.

CONTINUED SUSPENSION OF TRADING

At the request of the Company, trading in the shares of the Company on the Stock Exchange was suspended from 9:00 a.m. on 26 June 2025 and will remain suspended until further notice. Further announcement(s) will be made by the Company as and when appropriate and in accordance with the requirements of the Listing Rules to keep its shareholders and potential investors informed of the latest progress.
