VOLUNTARY ANNOUNCEMENT
BUSINESS UPDATE
COMPANY SELECTED AS NATIONAL-LEVEL PILOT UNIT FOR AGENT INTERCONNECTION PROTOCAL

This announcement is made by Inspur Digital Enterprise Technology Limited (the "**Company**" and together with its subsidiaries, the "**Group**") on a voluntary basis to inform its shareholders and potential investors about the latest business development of the Company.

The board (the "**Board**") of directors (the "**Directors**") of the Company are pleased to announce that Inspur Genersoft Co., Ltd.* (浪潮通用軟件有限公司), a wholly-owned subsidiary of the Company has been officially selected as one of the first batch of national-level pilot units for the Agent Interconnection Protocol (AIP), under the Implementation Guidance on the Standardized Application and Innovative Development of Intelligent Agents* (《智能體規範應用與創新發展實施意見》) (the "**Implementation Guidance**") jointly promoted by the Cyberspace Administration of China* (國家互聯網信息辦公室), the National Development and Reform Commission* (國家發展和改革委員會), and the Ministry of Industry and Information Technology* (工業和信息化部).

According to the Implementation Guidance, the AIP pilot programme aims to accelerate the standardisation, scaled deployment and cross-industry adoption of intelligent-body technologies in 19 representative application scenarios. Inspur Genersoft Co., Ltd. was selected based on its accumulated technological capabilities, large-scale enterprise-level deployments, and demonstrated leadership in intelligent-body R&D and industrial practice.

The Board understands that inclusion in the national pilot programme signifies that the Group has reached a leading national position in three dimensions:

(1) enterprise-level agent interconnection technologies;

(2) standardisation and implementation capabilities; and

(3) depth of industry application.

The Board believes that the participation in the national pilot programme will further strengthen the Group's competitiveness in enterprise AI solutions, enhance its role in national intelligent-body standard-setting, and support the scaled commercialisation of AI-driven applications across sectors such as construction, manufacturing, healthcare, energy and public services.

By order of the Board
Inspur Digital Enterprise Technology Limited
Wei Daisen
Chairman

Hong Kong, 28 May 2026

As at the date of this announcement, the Board comprised Mr. Wei Daisen, Mr. Wang Yusen and Mr. Cui Hongzhi as executive Directors, Mr. Xie Bingbing as non-executive Director, and Ms. Zhang Ruijun, Mr. Wong Lit Chor, Alexis, and Mr. Ding Xiangqian as independent non-executive Directors.
