On 29 May 2026, the Offeror notified the Offeree Company that it has firm intention to make the Partial Offer (in compliance with the Takeovers Code) to acquire up to 220,000,000 Offer Shares (representing approximately 16.11% of the Offeree Company's issued share capital as at the date of this announcement) at the Offer Price of HK\$0.25 per Offer Share. The making of the Partial Offer is subject to the satisfaction of the Pre-Conditions.

As at the date of this announcement, the Offeror and parties acting in concert with it are not interested directly or indirectly in any voting rights or rights over any Shares, convertible securities, warrants or options of the Offeree Company or any derivatives in respect of such securities.

As the Partial Offer could not result in the Offeror holding Shares carrying 30% or more of the voting rights in the Offeree Company, no comparable offer will be made for the outstanding Options to the holders of the relevant Options.

Pre-Conditions to the Partial Offer

The making of the Partial Offer is subject to:

- (i) the obtaining of consent from the Executive in respect of the Partial Offer pursuant to Rule 28.1 of the Takeovers Code; and
- (ii) the obtaining of a waiver from requirement under Rule 28.7 of the Takeovers Code from the Executive in connection with the making of the Partial Offer for a maximum number (rather than a precise number) of Offer Shares.

An application has been made to the Executive in relation to the Pre-Conditions.

Principal terms of the Partial Offer

Subject to the satisfaction of the Pre-Conditions, the Partial Offer will be made by Lego Securities, for and on behalf of the Offeror, in compliance with the Takeovers Code on the basis set out below:

For each Offer Share HK\$0.25 in cash

The Partial Offer will be extended to all Qualifying Shareholders in accordance with the requirements of the Takeovers Code.

Unconditional Partial Offer

The Partial Offer, once made, shall be unconditional in all respects. For the avoidance of doubt, the Partial Offer, once made, is not conditional on the level of acceptances.

Total value of the Partial Offer

Based on the Offer Price of HK\$0.25 per Offer Share, and assuming full valid acceptances of the Partial Offer for all 220,000,000 Offer Shares are tendered by the Qualifying Shareholders, the total cash consideration payable by the Offeror to purchase the 220,000,000 Offer Shares from the Qualifying Shareholders under the Partial Offer will be HK\$55,000,000.

Financial resources available to the Offeror

The Offeror will finance the consideration payable under the Partial Offer by its internal resources.

Lego Corporate Finance has been appointed as the financial adviser to the Offeror in respect of the Partial Offer, and is satisfied that sufficient financial resources are available to the Offeror to satisfy the consideration payable by the Offeror upon full acceptance of the Partial Offer.

DESPATCH OF THE OFFER DOCUMENT

Subject to the satisfaction of the Pre-Conditions, the Offeror is required to despatch the Offer Document containing, among others, the terms and conditions of the Partial Offer and the Form of Acceptance, to the Shareholders within 21 days of the date of this announcement in accordance with Rule 8.2 of the Takeovers Code. Further announcement(s) regarding despatch of the Offer Document will be made by the Offeror in due course.

Shareholders, holders of Options and potential investors of the Offeree Company should note that as the making of the Partial Offer is subject to the satisfaction of the Pre-Conditions, the Partial Offer may or may not proceed. Shareholders, holders of Options and potential investors of the Offeree Company are advised to exercise caution when dealing in the securities of the Offeree Company. Persons who are in doubt as to the action they should take should consult their licensed securities dealers or registered institutions in securities, bank managers, solicitors, professional accountants or other professional advisers.

PRE-CONDITIONAL VOLUNTARY CASH PARTIAL OFFER

On 29 May 2026, the Offeror notified the Offeree Company that it has firm intention to make the Partial Offer (in compliance with the Takeovers Code) to acquire up to 220,000,000 Offer Shares (representing approximately 16.11% of the Offeree Company's issued share capital as at the date of this announcement) at the Offer Price of HK\$0.25 per Offer Share. The making of the Partial Offer is subject to the satisfaction of the Pre-Conditions.

As at the date of this announcement, the Offeror and parties acting in concert with it are not interested directly or indirectly in any voting rights or rights over any Shares, convertible securities, warrants or options of the Offeree Company or any derivatives in respect of such securities.

As at the date of this announcement, the Offeree Company has 1,366,000,000 Shares in issue. Pursuant to the monthly return for the month ended 30 April 2026 published by the Offeree Company on 4 May 2026, there were 15,026,000 Options outstanding as at 30 April 2026, each entitling the holder thereof to subscribe for one Share at an exercise price of HK\$0.935 per Share.

Save as disclosed above, the Offeree Company does not have any outstanding options, derivatives, warrants or relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code) which are convertible or exchangeable into Shares, nor has it entered into any agreement for the issue of such options, derivatives, warrants or securities which are convertible or exchangeable into Shares.

As the Partial Offer could not result in the Offeror holding Shares carrying 30% or more of the voting rights in the Offeree Company, no comparable offer will be made for the outstanding Options to the holders of the relevant Options.

Pre-Conditions to the Partial Offer

The making of the Partial Offer is subject to:

- (i) the obtaining of consent from the Executive in respect of the Partial Offer pursuant to Rule 28.1 of the Takeovers Code; and
- (ii) the obtaining of a waiver from requirement under Rule 28.7 of the Takeovers Code from the Executive in connection with the making of the Partial Offer for a maximum number (rather than a precise number) of Offer Shares.

An application has been made to the Executive in relation to the Pre-Conditions.

The waiver from requirement under Rule 28.7 of the Takeovers Code, if granted, is subject to the condition that the final closing date of the Partial Offer shall not be later than 28 days after the date of the Offer Document without the Executive's prior consent.

The Pre-Conditions are not waivable by the Offeror. If the Pre-Conditions are not satisfied by 30 June 2026 (or such later date as may be determined by the Offeror at its own discretion and as permitted by the Executive), the Partial Offer will not be made. The Offeror will issue a further announcement as soon as practicable after the Pre-Conditions have been satisfied.

Principal terms of the Partial Offer

Subject to the satisfaction of the Pre-Conditions, the Partial Offer will be made by Lego Securities, for and on behalf of the Offerors in compliance with the Takeovers Code on the basis set out below:

For each Offer ShareHK\$0.25 in cash

The Offer Price of HK\$0.25 per Share was determined after taking into account, among other things, the historical closing prices of the Shares prior to the Trading Suspension and the progress of the Trading Suspension.

The Partial Offer will be extended to all Qualifying Shareholders in accordance with the requirements of the Takeovers Code.

Unconditional Partial Offer

The Partial Offer, once made, shall be unconditional in all respects. For the avoidance of doubt, the Partial Offer, once made, is not conditional on the level of acceptances.

Pursuant to Rule 15.1 of the Takeovers Code, where the offeree board circular is posted after the date of the Offer Document, the Partial Offer must be initially open for acceptance for at least 28 days following the Despatch Date.

Should there be any revision, extension, lapse or withdrawal of the Partial Offer, an announcement will be made in accordance with the Takeovers Code and the Listing Rules.

Total value of the Partial Offer

Based on the Offer Price of HK\$0.25 per Offer Share, and assuming full valid acceptances of the Partial Offer for all 220,000,000 Offer Shares are tendered by the Qualifying Shareholders, the total cash consideration payable by the Offeror to purchase the 220,000,000 Offer Shares from the Qualifying Shareholders under the Partial Offer will be HK\$55,000,000.

Financial resources available to the Offeror

The Offeror will finance the consideration payable under the Partial Offer by its internal resources.

Lego Corporate Finance has been appointed as the financial adviser to the Offeror in respect of the Partial Offer, and is satisfied that sufficient financial resources are available to the Offeror to satisfy the consideration payable by the Offeror upon full acceptance of the Partial Offer.

Acceptance of the Partial Offer

Qualifying Shareholders may accept the Partial Offer in respect of some or all of the Shares held by them. If (i) valid acceptances are received for 220,000,000 Offer Shares or fewer, all Offer Shares validly accepted will be taken up by the Offeror; and (ii) valid acceptances are received for more than 220,000,000 Offer Shares, the total number of Offer Shares to be taken up by the Offeror from each accepting Qualifying Shareholder will be determined by the total number of Offer Shares tendered for acceptance in accordance with the following formula (the “**Formula**”):

$$\frac{A}{B} \times C$$

- A = the maximum number of Offer Shares under the Partial Offer (i.e. 220,000,000 Offer Shares)
- B = the total number of Offer Shares validly tendered for acceptance by all Qualifying Shareholders under the Partial Offer
- C = the number of Offer Shares tendered for acceptance by the relevant individual Qualifying Shareholder under the Partial Offer

Partial nature of the Partial Offer and effect of fractions

It is possible that, if a Qualifying Shareholder tenders all his/her Shares for acceptance under the Partial Offer, not all of such Shares will be taken up.

Fractions of Offer Shares will not be taken up under the Partial Offer and, accordingly, the number of Offer Shares that the Offeror will take up from each Qualifying Shareholder in accordance with the above Formula will be rounded up or down to the nearest whole number at the discretion of the Offeror, and in any event, the total number of Offer Shares to be taken up by the Offeror will not exceed 220,000,000 Offer Shares.

Odd lots matching

Qualifying Shareholders should note that their acceptance of the Partial Offer may result in holding odd lots of Shares. Accordingly, it is intended that a designated broker will be appointed by the Offeror to match sales and purchases of odd lot holdings of Shares in the market for a reasonable time period following the close of the Partial Offer to enable such Qualifying Shareholders to dispose of their odd lots or to top up their odd lots to whole board lots. Details of such arrangement will be disclosed in the Offer Document.

Effect of accepting the Partial Offer

Acceptance of the Partial Offer by any Qualifying Shareholder will constitute a warranty by such Qualifying Shareholder to the Offeror that the Shares sold by it to the Offeror under the Partial Offer are fully paid, free from all liens, charges, encumbrances, rights of pre-emption and any other third party rights of any nature and together with all rights and benefits at any time accruing and attaching thereto, including all rights to any dividend or other distributions the record date of which falls on or after the Closing Date.

If, after the date of this announcement and up to the Closing Date, any dividend or other distribution is declared in respect of the Offer Shares and the record date of which falls on or before the Closing Date, the Offeror reserves the right to reduce the Offer Price by an amount equal to the amount of such dividend or distribution declared, made or paid in respect of each Offer Share, in which case any reference in this announcement, the Offer Document or any other announcement or document to the Offer Price will be deemed to be a reference to the Offer Price as so reduced.

Based on the published information of the Offeree Company available to the public, as at the date of this announcement, there has been no dividend or distribution declared by the Offeree Company for the financial year ended 31 December 2023 and up to the date of this announcement. As at the date of this announcement, the Offeree Company has not declared any dividends or other distributions which remain unpaid.

Acceptance of the Partial Offer shall be irrevocable and shall not be capable of being withdrawn, except as permitted under the Takeovers Code.

Settlement of consideration

Settlement of the consideration payable by the Offeror in respect of valid acceptances of the Partial Offer will be made as soon as possible but, in any event, no later than seven (7) business days after the Closing Date. Further details regarding the timing of settlement of the consideration payable by the Offeror in respect of acceptance of the Partial Offer will be set out in the Offer Document.

No fractions of a cent will be payable and the amount of cash consideration payable to any Qualifying Shareholder who accepts the Partial Offer will be rounded up to the nearest cent.

Hong Kong stamp duty

The seller's Hong Kong ad valorem stamp duty arising in connection with acceptance of the Partial Offer will be payable by the Qualifying Shareholders who accept the Partial Offer at a rate of 0.1% of (i) the consideration payable by the Offeror in respect of the relevant acceptance of the Partial Offer; or (ii) the market value of the Offer Shares, whichever is higher, and such stamp duty will be deducted from the cash amount payable by the Offeror to such Qualifying Shareholders on acceptance of the Partial Offer.

The Offeror will arrange for payment of the seller's Hong Kong ad valorem stamp duty on behalf of the Qualifying Shareholders who accept the Partial Offer and will pay the buyer's Hong Kong ad valorem stamp duty in connection with the acceptance of the Partial Offer and the transfer of the Offer Shares in accordance with the Stamp Duty Ordinance (Chapter 117 of the Laws of Hong Kong).

Return of documents

If the Partial Offer is withdrawn or lapsed, any share certificate(s) and/or transfer receipt(s) and/or other document(s) of title (and/or any satisfactory indemnity or indemnities required in respect thereof) received by the branch registrar of the Offeree Company in Hong Kong will be returned to persons who have accepted the Partial Offer by ordinary post at his/her own risk as soon as possible but in any event no later than seven (7) business days after the Partial Offer is withdrawn or lapsed.

If part of the Shares tendered by the Qualifying Shareholders are not taken up by the Offeror under the Partial Offer, the share certificate(s) and/or transfer receipt(s) and/or other document(s) of title (and/or any satisfactory indemnity or indemnities required in respect thereof) (if applicable) for the Shares not taken up by the Offeror will be returned to persons who have accepted the Partial Offer by ordinary post at his/her own risk as soon as possible but in any event no later than seven (7) business days following the Closing Date.

Taxation advice

Qualifying Shareholders are recommended to consult their own professional advisers if they are in any doubt as to the taxation implications of accepting or rejecting the Partial Offer. None of the Offeror and parties acting in concert with it, Lego Corporate Finance, Lego Securities, and their respective ultimate beneficial owners, directors, officers, advisers, agents or associates or any other person involved in the Partial Offer accepts responsibility for any taxation effects on, or liabilities of, any persons as a result of their acceptance or rejection of the Partial Offer.

Overseas Shareholders

The Offeror intends to make available the Partial Offer to all Qualifying Shareholders, including those who are residents outside Hong Kong. The making of the Partial Offer to persons who are not residents in Hong Kong or who have registered addresses outside Hong Kong may be prohibited or affected by the applicable laws and regulations of their relevant jurisdictions of residence. In the event that the despatch of the Offer Document to any Overseas Shareholders is prohibited by any relevant law or may only be effected after compliance with conditions or requirements that are unduly burdensome, subject to the Executive's waiver, the Offer Document may not be despatched to such Overseas Shareholders. The Offeror may apply for such waiver(s) pursuant to Note 3 to Rule 8 of the Takeovers Code at such time.

Overseas Shareholders who are citizens, residents or nationals of a jurisdiction outside Hong Kong should satisfy themselves as to the observance of any applicable legal or regulatory requirements in their own jurisdictions and, where necessary, consult their own professional advisers. It is the responsibilities of any such persons who wish to accept the Partial Offer to satisfy themselves as to the full observance of the laws and regulations of the relevant jurisdictions in connection therewith (including the obtaining of any governmental, exchange control or other consents

which may be required or the compliance with other necessary formalities or legal requirements or the payment of any transfer or other taxes due from such persons in respect of such jurisdictions).

Any acceptance of the Partial Offer by any Qualifying Shareholder will be deemed to constitute a representation and warranty from such Qualifying Shareholder to the Offeror that the local laws and requirements have been complied with. The Overseas Shareholders should consult their professional advisers if in doubt.

INFORMATION ON THE OFFEROR

The Offeror is a company incorporated in March 2015 in Hong Kong with limited liability and is principally engaged in investment holding.

The Offeror is a wholly owned subsidiary of Beijing GeoEnviron, which is a solid waste and hazardous waste recycling company in China with comprehensive product portfolios and broad service coverages. As at the date of this announcement, (i) Mr. Li Weiguo, the chairman and an executive director of Beijing GeoEnviron, held 228,485,089 shares in Beijing GeoEnviron, representing approximately 15.00% issued share capital of Beijing GeoEnviron, and (ii) Mr. Ling Jinming, an executive director of Beijing GeoEnviron and the sole director of the Offeror, held 10,749,250 shares in Beijing GeoEnviron, representing approximately 0.71% issued share capital of Beijing GeoEnviron. Save as disclosed in this announcement, there is no other person who is interested in 10% or more of the issued shares in Beijing GeoEnviron as at the date of this announcement.

REASONS FOR THE PARTIAL OFFER

The Offeror is principally engaged in investment holding. The Offeror believes that the Offeree Company's business in tin mining in Tasmania, Australia has long-term development potential.

Trading of the Shares has been suspended with effect from 9:00 a.m. on 2 September 2024. The Offeror noted from various announcements of the Offeree Company dated 21 November 2024, 28 February 2025, 30 May 2025, 29 August 2025, 8 September 2025, 1 December 2025 and 27 February 2026 that the Offeree Company shall meet all the guidance for the resumption of trading in the Shares issued by the Stock Exchange (the “**Resumption Guidance**”), requiring the Offeree Company to, among others, (i) publish all outstanding financial results required under the Listing Rules and address any audit modifications; and (ii) demonstrate the Offeree Company’s compliance with Rule 13.24 of the Listing Rules. The Offeree Company must meet the Resumption Guidance, remedy the issues causing the Trading Suspension and fully comply with the Listing Rules to the Stock Exchange’s satisfaction before trading in its securities is allowed to resume. Under Rule 6.01A(1) of the Listing Rules, the Stock Exchange may cancel the listing of any securities that have been suspended from trading for a continuous period of 18 months. As disclosed in the announcements of the Offeree Company dated 21 April 2026 and 27 April 2026, (i) the Listing Committee of the Stock Exchange (the “**Listing Committee**”) considered the Offeree Company’s resumption and listing status on 16 April 2026 and the Listing Committee decided to cancel the Offeree Company’s listing under Rule 6.01A of the Listing Rules because the Offeree Company had not fulfilled all the Resumption Guidance and trading in the Shares had remained suspended (the “**Decision**”); and (ii) the Offeree Company lodged a written request with the Listing Review Committee of the Stock Exchange on 27 April 2026, requesting the Decision be referred to the Listing Review Committee for the review pursuant to Rule 2B.06 of the Listing Rules (the “**Review of the Decision**”). Having considered the requirements under the Resumption Guidance, the resumption progress of the Offeree Company and the Decision, there are uncertainties on (i) whether the Resumption Guidance can be fulfilled; (ii) if so, time required for the Offeree Company to meet all Resumption Guidance; and (iii) the result of the Review of the Decision, thus, the Shares may be subject to risk of prolonged trading suspension or even delisting. Notwithstanding the Shares may be subject to risk of prolonged trading suspension or even delisting, the Offeror is prepared to hold unlisted investment if the Shares are delisted in the worst scenario.

BENEFITS OF THE PARTIAL OFFER TO QUALIFYING SHAREHOLDERS

The Offeror is of the view that the Partial Offer is beneficial to the Qualifying Shareholders given that (i) the Partial Offer would offer an opportunity to Qualifying Shareholders who wish to realise all or part of their investment amid the Trading Suspension, while Qualifying Shareholders should note that when the Trading Suspension continues to take place, it is impossible for them to dispose of their investment in the open market; and (ii) the Partial Offer, once made, shall be unconditional in all respects.

PUBLIC FLOAT OF THE OFFEREE COMPANY

As at the date of this announcement, the Offeree Company has a public float of approximately 45.35% of the Shares in issue. Assuming (i) full acceptances of the number of the Offer Shares under the Partial Offer by the Qualifying Shareholders; and (ii) that there are no changes to the issued share capital of the Offeree Company between the date of this announcement and up to the Closing Date, the Offeree Company will have a public float in excess of 25% of the Shares in issue immediately following the close of the Partial Offer. Accordingly, the number of Shares in public hands will continue to meet the 25% minimum public float requirement under Rule 8.08 of the Listing Rules.

DESPATCH OF THE OFFER DOCUMENT

Subject to the satisfaction of the Pre-Conditions, the Offeror is required to despatch the Offer Document containing, among others, the terms and conditions of the Partial Offer and the Form of Acceptance, to the Shareholders within 21 days of the date of this announcement in accordance with Rule 8.2 of the Takeovers Code. Further announcement(s) regarding despatch of the Offer Document will be made by the Offeror in due course.

DISCLOSURE IN DEALINGS

In accordance with Rule 3.8 of the Takeovers Code, the associates (as defined under the Takeovers Code and including persons holding 5% or more of a class of relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code)) of the Offeree Company and the Offeror are hereby reminded to disclose their dealings in the relevant securities of the Offeree Company pursuant to Rule 22 of the Takeovers Code.

In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates of an offeror or the offeree company and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7-day period is less than \$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”

WARNING

Shareholders, holders of Options and potential investors of the Offeree Company should note that as the making of the Partial Offer is subject to the satisfaction of the Pre-Conditions, the Partial Offer may or may not proceed. Shareholders, holders of Options and potential investors of the Offeree Company are advised to exercise caution when dealing in the securities of the Offeree Company. Persons who are in doubt as to the action they should take should consult their licensed securities dealers or registered institutions in securities, bank managers, solicitors, professional accountants or other professional advisers.
