VOLUNTARY ANNOUNCEMENT
BUSINESS UPDATE ON GLOBAL EXPANSION STRATEGY — ATTAINMENT OF MALAYSIAN HALAL CERTIFICATION

This announcement is made by 5100 Xizang Glacier Company Limited (the "**Company**", together with its subsidiaries, the "**Group**") on a voluntary basis to keep the shareholders and potential investors of the Company informed of the latest business development of the Group.

The Group has been exploring opportunities to expand the international presence of its premium glacier mineral water products. Under this strategic direction, the Group has set its sights on several high-end drinking water markets with immense growth potential, such as Southeast Asia and the Middle East, which offer vast opportunities driven by their large consumer bases, rapid economic development and a rising demand for premium beverages.

The board of directors of the Company is pleased to announce that the Group has achieved a milestone in its global expansion strategy with the attainment of Malaysian halal certification for certain water products. Tibet Glacier Mineral Water Co., Ltd., a subsidiary of the Company, has successfully obtained a three-year Halal certificate, issued by Halal Certification Services Chongqing (HCS) and recognized by the Department of Islamic Development Malaysia (JAKIM), covering a total of seven 5100 Tibet Spring Glacier Mineral Water products. Following the certification, these products may be marketed as halal in Malaysia.

The attainment of Malaysian halal certification represents the first milestone in the Group's global expansion strategy. Building on this initial success, the Group will continue to capture overseas opportunities, advance overseas expansion steadily, enhance the brand's global influence, and gradually establish a business framework featuring dual domestic and international circulation.

By order of the Board
