VOLUNTARY ANNOUNCEMENT MAY 2026 DELIVERY UPDATE

This is a voluntary announcement issued by VOYAH Automotive Technology Co., Ltd. (the “**Company**” or “**VOYAH**”).

The Company delivered 13,003 vehicles in May 2026, an increase of 30% year-on-year. The Company's year-to-date deliveries reached 62,041, an increase of 35% year-on-year.

The Company continues to advance the coordinated development of technological innovation and industrial innovation, and has jointly established Hubei's first academician workstation for new energy vehicles with the team led by Academician Wang Guodong of the Chinese Academy of Engineering. Both parties will collaborate to tackle key technologies for next-generation automotive new materials, further enhance vehicle safety, lightweighting and low-carbon performance, and develop highly competitive automotive new material products.

Recently, the registered trademark “VOYAH” and its figurative mark of the Company have both been awarded the highest-level certification in China's automotive industry, as part of the first batch of “AAA-rated Well-known Trademark Brands”, reflecting authoritative industry recognition of the Company's trademark management and intangible asset value.

About VOYAH

VOYAH is the premium intelligent new energy vehicle brand under Dongfeng Motor Corporation, committed to providing customers with products and services rooted in Chinese cultural heritage. As a user-oriented technology enterprise with the full value chain covering design, research and development, manufacturing, supply chain, sales and services, the Company has built end-to-end in-house R&D capabilities and leading-edge innovation strength. It has developed five models:

VOYAH FREE, Dream, Passion, Courage and Taishan, with a product portfolio fully covering the three segments of sedans, SUVs and MPVs. VOYAH is the first premium new energy vehicle brand under China's central state-owned enterprises to achieve cumulative deliveries of 300,000 units.
