In relation to the resolutions No.12 to No.13:

Pursuant to the articles of association of the Company, the decision of proposals from No.12 to No.13 shall be made by way of cumulative voting. The total number of votes entitled for each share held by you shall be equivalent to the number of directors to be elected under the group of proposal. For example, in respect of resolution No. 12 above, if you hold 100 shares, and the number of directors to be elected is 5, the total number of shares for which you have the voting rights under resolution No. 12 will be 500 shares (i.e. 100 shares x 5=500 shares). You may cast your votes on one candidate or on different candidates in any combination. The same goes for resolutions No. 13.

Please note with particular attention that, when the total number of votes cast by you on some candidates of directors or supervisors exceeds the total number of votes to which you are entitled, all the votes cast by you shall be invalid and you shall be deemed to have forfeited from voting; when the total number of votes cast by you for some candidates of directors or supervisors are less than the total number of votes to which you are entitled, the votes cast by you shall be valid and the votes not cast shall be deemed to have been waived by you.

If you do not indicate how you wish your proxy to vote, your proxy will be entitled to exercise his discretion. Your proxy will also be entitled to vote at his/her discretion on any resolution properly put to the AGM other than those referred to in the notice convening the AGM.

6.
