UPDATE ON THE STATUS OF THE PUBLIC FLOAT

References are made to (i) the announcement jointly issued by Tian Ge Interactive Holdings Limited (the "**Company**") and Truesense Trading Limited ("**Truesense**") dated 8 January 2026 in relation to, among others, the results of the mandatory unconditional cash offer made by Astrum Capital Management Limited on behalf of Truesense as offeror to acquire all the issued shares of the Company (the "**Shares**")(other than those already beneficially owned or to be acquired by Truesense, Ms. Hong Yan, Mr. Fu Zhengjun and Blueberry Worldwide Holdings Limited); (ii) the offer document issued by Sina Hong Kong Limited ("**Sina**") relating to the pre-conditional voluntary cash partial offer made by Yu Ming Investment Management Limited for and on behalf of Sina to acquire 32,500,000 Shares (the "**Partial Offer**") dated 11 February 2026 (the "**Offer Document**"); (iii) the response document issued by the Company dated 25 February 2026 (the "**Response Document**"); (iv) the announcement of Sina dated 30 March 2026 in relation to the level of acceptance on the First Closing Date (as defined in the Offer Document) and the extension of the Partial Offer; (v) the announcement of Sina dated 13 April 2026 in relation to the lapse of the Partial Offer; and (vi) the announcement of the Company dated 20 May 2026 in relation to the grant of waiver from strict compliance with the minimum public float requirement (the "**20 May Announcement**"). Unless the context otherwise requires, capitalised terms used herein shall have the same meanings as those defined in the Offer Document and the Response Document.

To the best knowledge, information and belief of the Company and based on the information publicly available to the Company, as at the date of this announcement, the public float of the Company is approximately 20.85%, which is below the minimum public float requirement as set out in Rule 13.32B(1) of the Listing Rules, and the alternative threshold as set out in Rule 13.32B(2) of the Listing Rules is not satisfied.

As disclosed in the 20 May Announcement, the Stock Exchange has granted to the Company a temporary waiver from strict compliance with Rule 13.32B of the Listing Rules for the period from 8 January 2026 to 30 June 2026.

In accordance with the Company's incentive plan, the Company intends to grant awards under the 2024 Share Scheme adopted by the Company on 28 June 2024 to certain employee participants (the "**Eligible Participant(s)**") from various business segments and operations of the Group with a view to incentivize such Eligible Participants and to secure their long term commitment towards the continuous growth and development of the Group. Based on the current incentive plan, each Eligible Participant will be granted awards of no more than 1% of the Shares in issue. The share awards to be granted by the Company will represent in aggregate approximately 5.20% of the issued share capital of the Company as at the date of this announcement. The Company plans to settle all the share awards by utilising part of the 61,881,197 issued Shares currently held by Xinshow Limited, the nominee to the trustee of the 2024 Share Scheme.

Pursuant to the Note to Rule 8.24 of the Listing Rules, such share awards once granted will count towards the public float and will make up the current public float shortfall of the Company, thereby fulfilling the public float requirement under Rule 13.32B(1) of the Listing Rules.

Taking into account the time required by the Company to complete its relevant internal procedures, the Company expects that the share awards will be granted on or before 30 June 2026. Accordingly, the Company's public float is also expected to be restored on or before 30 June 2026.

The Company will make further announcement(s) on the status of restoration of the public float as and when appropriate in compliance with the Listing Rules.
