PROFIT ALERT – REDUCTION IN LOSS

This announcement is made by Integrated Waste Solutions Group Holdings Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the "**Board**") wishes to inform shareholders of the Company ("**Shareholders**") and potential investors that, based on the preliminary assessment by the Company's management according to the Group's latest unaudited consolidated management accounts and the other information currently available, it is expected that the loss attributable to Shareholders for the year ended 31 March 2026 ("**FY2026**") will be reduced by approximately 64% to 66% as compared to a loss attributable to Shareholders of approximately HK$490.1 million for the year ended 31 March 2025. The reduction in net loss was mainly attributable to, among others, (i) reduction in impairment losses on property, plant and equipment and right-of-use assets in respect of the Group's headquarters located at Tseung Kwan O; (ii) significantly lower in depreciation and amortisation charges following the write-down of the land and building to their recoverable amount at 31 March 2025; and (iii) the absence of share of losses from an associate engaging in hazardous waste treatment projects in Chinese Mainland in which the Group's interest was fully impaired at 31 March 2025.

The Company is currently finalizing the consolidated financial results of the Group for FY2026. The contents contained in this announcement are only based on the information currently available to the Company and such information has not been audited by the Company's auditor.
