PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Shares are traded on the Stock Exchange in the board lot size of 4,000 Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 4,000 Shares to 10,000 Shares with effect from 9:00 a.m. on Monday, 29 June 2026. The Company will arrange odd lot matching services in order to facilitate the trading of odd lots.

PROPOSED RIGHTS ISSUE

The Company proposes to raise not more than HK\$24.99 million before expenses by way of the Rights Issue to the Shareholders (on the basis that no Shares are issued or repurchased on or before the Record Date). The Rights Issue is not underwritten and involves the issue of up to 131,548,114 Rights Shares (on the basis that no Shares are issued or repurchased on or before the Record Date) at the Subscription Price of HK\$0.19 per Rights Share on the basis of one (1) Rights Share for every two (2) existing Shares in issue on the Record Date.

LISTING RULES IMPLICATIONS

As the Company has not conducted any rights issue, open offer and/or specific mandate placing within the 12-month period immediately preceding this announcement, and the Rights Issue will not increase the number of issued Shares or the market capitalisation of the Company by more than 50%, the Rights Issue is not subject to the approval of the Shareholders pursuant to Rule 7.19A(1) of the Listing Rules.

CLOSURE OF REGISTER OF MEMBERS

The register of members of the Company will be closed from Wednesday, 17 June 2026 to Wednesday, 24 June 2026 (both dates inclusive) for determining the entitlements to the Rights Issue. No transfer of Shares will be registered during this period.

GENERAL

The Prospectus Documents containing, among other things, the Prospectus setting out details of the Rights Issue and the PAL will be despatched to the Qualifying Shareholders on Thursday, 25 June 2026. A copy of the Prospectus will also be made available on the websites of the Company (<https://gaodiholdings.com>) and the Stock Exchange (www.hkexnews.hk). Subject to the advice of the Company's legal advisers in the relevant jurisdictions and to the extent reasonably practicable, the Company will send copies of the Prospectus to the Non-Qualifying Shareholders (if any) for their information only, but will not send any PAL to them.

WARNING OF THE RISKS OF DEALING IN THE EXISTING SHARES AND NIL-PAID RIGHTS SHARES

The Rights Issue is subject to the fulfilment of conditions including, amongst other things, the Stock Exchange granting the listing of, and permission to deal in, the Rights Shares in their nil-paid and fully-paid forms. Please refer to the section headed “Conditions of the Rights Issue” in this announcement. Shareholders and potential investors of the Company should note that if the conditions to the Rights Issue are not satisfied, the Rights Issue will not proceed.

Any dealings in the Shares from the date of this announcement up to the date on which all the conditions of the Rights Issue are fulfilled, and any Shareholders dealing in the Rights Shares in nil-paid form will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed.

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares.

Shareholders and potential investors of the Company contemplating any dealings in the Shares and/or Rights Shares in their nil-paid form are advised to exercise caution and recommended to consult their professional advisers.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Shares are traded on the Stock Exchange in the board lot size of 4,000 Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 4,000 Shares to 10,000 Shares with effect from 9:00 a.m. on Monday, 29 June 2026. The Company will arrange odd lot matching services in order to facilitate the trading of odd lots.

REASONS FOR AND BENEFITS OF THE CHANGE IN BOARD LOT SIZE

The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and last updated in September 2024 has stated that, among others, taking into account the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

As at the date of this announcement, based on the closing price per Share of HK\$0.217, the market value of each existing board lot of 4,000 Shares is HK\$868, which is below the HK\$2,000 threshold. With a view to enable the Company to comply with the trading requirements under the Listing Rules, namely, the expected value per board lot should be greater than HK\$2,000, each board lot shall increase from 4,000 Shares to 10,000 Shares. Upon the Change in Board Lot Size becoming effective, and based on the closing price per Share of HK\$0.217 as at the date of this announcement, the market value of each board lot of 10,000 Shares is calculated to be HK\$2,170. Shareholders should note that Shareholders’ approval is not required for the Change in Board Lot Size.

To facilitate the trading of odd lots of Shares which will arise upon the Change in Board Lot Size, the Company will procure an arrangement with an agent to stand in the market to provide matching services for the sale and purchase of odd lots of Shares on a best effort basis. Further details in respect of the odd lot arrangement will be set out in the Prospectus. Holders of Shares in odd lots should note that the matching services mentioned above are on a “best effort” basis only and successful matching of the sale and purchase of odd lots of Shares is not guaranteed and will depend on there being adequate amount of odd lots of Shares available for matching. Any Shareholder who is in any doubt about the odd lots arrangements is recommended to consult his/her/its/their own professional advisers.

All existing share certificates in board lot of 4,000 shares will remain good evidence of the legal title to the Shares and continue to be valid for delivery, transfer, trading and settlement purposes. No new share certificates for existing Shareholders will be issued as a result of the change in the board lot size, and therefore no arrangement for free exchange of existing share certificates in board lot size 4,000 shares to new share certificate in board lot size of 10,000 shares is necessary. The Change in Board Lot Size will not affect any of the relative rights of the Shareholders. The Board considers that the Change in Board Lot Size is in the interest of the Company and the Shareholders as a whole.

PROPOSED RIGHTS ISSUE

The Board proposed the Rights Issue, details of which are summarised below:

Issue statistics

Basis of the Rights Issue:	One (1) Rights Share for every two (2) existing Shares held on the Record Date
Subscription Price:	HK\$0.19 per Rights Share
Number of the existing Shares in issue as at the date of this announcement:	263,096,228 Shares
Number of Rights Shares to be issued under the Rights Issue:	Up to 131,548,114 Rights Shares (assuming no new Shares are issued or repurchased on or before the Record Date)
Aggregate nominal value of the Rights Shares:	Up to HK\$13,154,811.4 (assuming no change in the number of Shares in issue on or before the Record Date)
Maximum enlarged issued share capital upon completion of the Rights Issue:	394,644,342 Shares (assuming no Shares are issued (other than the Rights Shares) or repurchased on or before the completion of the Rights Issue)
Maximum proceeds to be raised under the Rights Issue before expenses:	HK\$24.99 million (assuming no Shares are issued or repurchased on or before the Record Date)

As at the date of this announcement, the Company has no other outstanding convertible bonds, options, derivatives, warrants, conversion rights or other similar rights entitling holders thereof to subscribe for or convert into or exchange for new Shares.

Assuming no Shares are issued or repurchased on or before the Record Date, the maximum number of 131,548,114 Rights Shares to be issued pursuant to the terms of the Rights Issue represents 50.0% of the total number of the existing issued Shares as at the date of this announcement and 33.3% of the total number of the issued Shares as enlarged by the allotment and issue of the Rights Shares immediately upon completion of the Rights Issue.

The Company has not conducted any rights issue, open offer and/or specific mandate placing within the 12-month period immediately preceding the date of this announcement, or prior to such 12-month period where dealing in respect of the Shares issued pursuant thereto commenced within such 12-month period, nor has it issued any bonus securities, warrants or other convertible securities as part of such rights issue, open offers and/or specific mandate placings within such 12-month period. The Rights Issue does not result in a theoretical dilution effect of 25% or more on its own.

Non-underwritten basis

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptances of the provisionally allotted Rights Shares. In the event the Rights Issue is not fully subscribed, any Rights Shares not taken up by the Qualifying Shareholders and the NQS Unsold Rights Shares will be placed to independent places under the Compensatory Arrangements. Any Unsubscribed Rights Shares or NQS Unsold Rights Shares remain not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly. There is no minimum amount to be raised under the Rights Issue.

As the Rights Issue will proceed on a non-underwritten basis, the Qualifying Shareholder who applies to take up all or part of his/her/its entitlement under the Provisional Allotment Letter may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. The application of any Shareholder for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which does not (a) result in any non-compliance with the public float requirements under Rule 8.08(1) of the Listing Rules on the part of the Company; and (b) trigger an obligation on the part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance to the note to Rule 7.19(5)(b) of the Listing Rules. To the best of the Directors' knowledge, information and belief after considering the allotment results of the Rights Issue, the Company is not aware of any application for Rights Shares by any Qualifying Shareholder which would result in either any non-compliance with the public float requirements under Rule 8.08(1) of the Listing Rules or the triggering of a general offer obligation under the Takeovers Code. Accordingly, the scaling-down mechanism has not been triggered and all the applications for Rights Shares are not required to be scaled-down by the Company.

Undertakings

The board of directors of the Company has not received any information or irrevocable undertaking from any substantial shareholder of the Company of any intention in relation to the Rights Shares to be provisionally allotted to that Shareholder under the Rights Issue as at the date of this announcement.

Subscription Price

The Subscription Price of HK\$0.19 per Rights Share is payable in full when a Qualifying Shareholder accepts his/her/its provisional allotment under the Rights Issue or when a transferee of Nil Paid Rights accepts the provisional allotment of the Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately 12.44% to the closing price of HK\$0.217 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a discount of approximately 12.44% to the average of the closing prices per Share as quoted on the Stock Exchange for the five previous consecutive trading days up to and including the Last Trading Day of approximately HK\$0.217;
- (iii) a discount of approximately 11.38% to the average of the closing prices per Share as quoted on the Stock Exchange for the ten previous consecutive trading days up to and including the Last Trading Day of approximately HK\$0.2144;
- (iv) a discount of approximately 9.00% to the theoretical ex-rights price of approximately HK\$0.2088 per Share based on the closing price of HK\$0.217 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (v) a discount of approximately 51.9% to the audited consolidated net asset value attributable to the Shareholders as at 30 June 2025 as extracted from the annual results of the Company for the year ended 30 June 2025 of approximately HK\$0.395 per Share; and
- (vi) The theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) as there is a discount of approximately 4.31%, represented by the theoretical diluted price of approximately HK\$0.2088 per Share to the benchmarked price of approximately HK\$0.2182 per Share (as defined under Rule 7.27B of the Listing Rules, taking into account the higher of (i) the closing price of the Shares as quoted on the Stock Exchange on the Last Trading Day; and (ii) the average of the closing prices of the Shares as quoted on the Stock Exchange for the five (5) previous consecutive trading days prior to the date of this announcement).

The Subscription Price was determined with reference to, among other things, the recent market prices of the Shares, the current market conditions, the financial position of the Group and the reasons and benefits of the Rights Issue as discussed in the section headed “Reasons for the Rights Issue” in this announcement.

In view of the above, and having considered that all the Qualifying Shareholders will be offered equal opportunity to subscribe for the Rights Shares by way of provisional allotment, the Directors (including the independent non-executive Directors) consider that the terms of the Rights Issue and the Placing Agreement, including the Subscription Price, are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The theoretical dilution price and the benchmarked price for the Rights Issue are approximately HK\$0.2088 per Share and HK\$0.2182 per Share, respectively. The Rights Issue does not result in a theoretical dilution effect of 25% or more on its own. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

Status of the Rights Shares

The Rights Shares (when allotted, issued and fully paid) will rank *pari passu* in all respects with the existing Shares in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid with a record date falling after the date of allotment and issue of the Rights Shares in their fully-paid form.

Qualifying Shareholders

To qualify for the Rights Issue, a Qualifying Shareholder must be registered as a member of the Company on the Record Date and not being a Non-Qualifying Shareholder. In order to be registered as members of the Company on the Record Date, all transfers of Shares (together with the relevant share certificate(s)) must be lodged with the Registrar by not later than 4:30 p.m. on Tuesday, 16 June 2026. It is expected that the last day of dealings in the Shares on a cum-rights basis is Friday, 12 June 2026 and the Shares will be dealt with on an ex-rights basis from Monday, 15 June 2026.

The Company will despatch the Prospectus Documents to the Qualifying Shareholders on the Posting Date.

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by completing the Provisional Allotment Letter and lodging the same with a cheque or banker's cashier order for the Rights Shares being applied for with the Registrar on or before 4:00 p.m. on the Latest Acceptance Date.

The Qualifying Shareholders who take up their provisional allotment in full will not experience any dilution to their interests in the Company (except in relation to any dilution resulting from the taking up by third parties of any Rights Shares arising from the aggregation of fractional entitlements). **If a Qualifying Shareholder does not take up any of his/her/its entitlement in full under the Rights Issue, his/her/its proportionate shareholding in the Company will be diluted.**

Non-Qualifying Shareholders

The Prospectus Documents will not be registered or filed under the applicable securities legislation of any jurisdiction other than Hong Kong. The Company will send the Prospectus to the Non-Qualifying Shareholders for their information only, but will not send the Provisional Allotment Letter to them. Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

The Board will make enquiry regarding the legal restrictions under the laws of the relevant overseas places and the requirements of the relevant regulatory body or stock exchange pursuant to Rule 13.36(2)(a) of the Listing Rules. If, after making such enquiry and based on legal opinion provided by the legal advisers to the Company, the Board is of the opinion that it would be necessary or expedient not to offer the Rights Shares to any Overseas Shareholders on account either of the legal restrictions under the laws of the relevant place(s) or the requirements of the relevant regulatory body or stock exchange in the relevant place(s), no offer of the Rights Shares will be made to such Overseas Shareholders. Accordingly, the Rights Issue will not be extended to the Non-Qualifying Shareholders.

The Non-Qualifying Shareholders (which are excluded from the Rights Issue) would not have any entitlement under the Rights Issue. However, arrangements will be made for the Rights Shares, which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders in nil-paid form, to be sold as soon as practicable after dealings in the Nil Paid Rights commence. The proceeds of such sale, less expenses and stamp duty, will be paid pro-rata (but rounded down to the nearest cent) to the relevant Non-Qualifying Shareholders to their shareholdings held on the Record Date in Hong Kong Dollars. The Company will retain individual amounts of less than HK\$100 for its own benefit.

Any unsold Rights Shares, which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders in nil-paid form, will be placed by the Placing Agent under the Placing Arrangement together with the Unsubscribed Rights Shares. The proceeds of the sale as described above in the case of being sold by the Placing Agent, less the Subscription Price and expenses, will be paid pro-rata (but rounded down to the nearest cent) to the relevant Non-Qualifying Shareholders to their shareholdings held on the Record Date in Hong Kong Dollars together with the No Action Shareholders on the basis of all NQS Unsold Rights Shares and Unsubscribed Rights Shares. The Company will retain individual amounts of less than HK\$100 for its own benefit. Any Unsubscribed Rights Shares and the NQS Unsold Rights Shares remain not placed after completion of the Placing Arrangement will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

For the Nil Paid Rights that were sold as described above and the buyer of such Nil Paid Rights who will not take up the entitlement, such Unsubscribed Rights Shares will be subject to the Compensatory Arrangements.

The Company reserves the right to treat as invalid any acceptance of or applications for Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Non-Qualifying Shareholders should exercise caution when dealing in the Shares.

Fractional entitlements

The Company will not provisionally allot and will not accept applications for any fractions of the Rights Shares. All fractions of the Rights Shares will be aggregated (and rounded down to the nearest whole number) and all nil-paid Rights Shares arising from such aggregation will be sold in the market and the proceeds will be retained by the Company for its own benefit, if a premium (net of expenses and stamp duty) can be obtained.

Procedures in respect of Rights Shares not subscribed and the NQS Unsold Rights Shares and the Compensatory Arrangements

The Company will make arrangements described in Rule 7.21(1)(b) of the Listing Rules to dispose of the Unsubscribed Rights Shares and the NQS Unsold Rights Shares by offering the Unsubscribed Rights Shares and the NQS Unsold Rights Shares to independent placees for the benefit of Shareholders to whom they were offered by way of the Rights Issue. There will be no excess application arrangements in relation to the Rights Issue.

The Company therefore appointed the Placing Agent to place the Unsubscribed Rights Shares and the NQS Unsold Rights Shares after the latest time for acceptance of the Rights Shares to be allotted and issued under the Rights Issue to independent placees on a best effort basis. Any premium over, the aggregate amount of (i) the Subscription Price for those Rights Shares; and (ii) the expenses of the Placing Agent (including any other related expenses/fees), that is realised will be paid to the No Action Shareholders and the Non-Qualifying Shareholders on a pro-rata basis. The Placing Agent will on a best effort basis, procure, by not later than 4:00 p.m., on Thursday, 30 July 2026, acquirers for all (or as many as possible) of those Unsubscribed Rights Shares and the NQS Unsold Rights Shares. Any Unsubscribed Rights Shares and the NQS Unsold Rights Shares remain not placed after completion of the Placing Arrangement will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

Net Gain (if any) will be paid (without interest) on pro-rata basis (on the basis of all Unsubscribed Rights Shares and NQS Unsold Rights Shares) to the No Action Shareholders (but rounded down to the nearest cent) as set out below:

- A. the Qualifying Shareholders who did not subscribe for the Rights Shares (whether partially or fully) under the PALs and their renounees;
- B. such persons who hold any nil-paid rights at the time such nil-paid rights are lapsed; and
- C. the Non-Qualifying Shareholders in respect of the NQS Unsold Rights Shares.

For Net Gain (if any) to Non-Qualifying Shareholders, please refer to the section headed “*Non-Qualifying Shareholders*” above.

It is proposed that Net Gain to any of the No Action Shareholder(s) mentioned in “A” to “C” of HK\$100 or more will be paid to them in Hong Kong Dollars only and the Company will retain individual amounts of less than HK\$100 for its own benefit. Shareholders are reminded that Net Gain may or may not be realised, and accordingly the No Action Shareholders and the Non-Qualifying Shareholders may or may not receive any Net Gain.

Odd lots arrangements and matching services

To alleviate the difficulties in trading odd lots of the Shares arising from the Rights Issue, a designated broker will be appointed to provide matching services to the Shareholders who wish to top up or sell their holdings of odd lots of the Shares during the period from 9:00 a.m. on Monday, 29 June 2026 to 4:00 p.m. on Monday, 20 July 2026 (both days inclusive). Holders of the Shares in odd lots should note that successful matching of the sale and purchase of odd lots of the Shares is not guaranteed. The Shareholders are recommended to consult their professional advisers if they are in doubt about the above facility. Further details in respect of the odd lots arrangement will be set out in the Prospectus.

Placing Arrangement for the Unsubscribed Rights Shares and the NQS Unsold Rights Shares

On 5 June 2026 (after trading hours), the Company and the Placing Agent entered into the Placing Agreement, pursuant to which the Placing Agent has conditionally agreed to procure independent placee(s), on a best effort basis, to subscribe for the Unsubscribed Rights Shares and NQS Unsold Rights Shares.

Details of the Placing Arrangement are as follows:

- Date : 5 June 2026 (after trading hours of the Stock Exchange)
- Placing Agent : KGI Asia Limited, was appointed as the Placing Agent to procure, on a best efforts basis, Placees to subscribe for the Unsubscribed Rights Shares and the NQS Unsold Rights Share.
- The Placing Agent confirmed that each of it and its ultimate beneficial owner(s) is independent of and not connected with the Company and its connected persons or any of their respective associates.
- Placing fee : 0.75% of the aggregate placing price of the Unsubscribed Rights Shares and the NQS Unsold Rights Shares successfully placed by or on behalf of the Placing Agent.
- Placing price : The placing price of each of the Unsubscribed Rights Shares and/or the NQS Unsold Rights Shares (as the case may be) shall be not less than the Subscription Price.
- The determination of the final price is dependent on the demand and market conditions for the Unsubscribed Rights Shares and/or the NQS Unsold Rights Shares during the process of Placing.
- Placees : The Unsubscribed Rights Shares and the NQS Unsold Rights Shares are expected to be placed to the Placee(s) who and whose ultimate beneficial owner(s) shall be the Independent Third Party(ies).

- Ranking : Unsubscribed Rights Shares and the NQS Unsold Rights Shares (when placed, allotted, issued and fully paid) shall rank *pari passu* in all respects among themselves and with the Shares then in issue.
- Conditions precedent : The obligations of the Placing Agent and the Company under the Placing Agreement are conditional upon, among others, the following conditions being fulfilled (or being waived by the Placing Agent in writing, if applicable):
- (1) the delivery to the Stock Exchange and registration with the Registrar of Companies in Hong Kong respectively one copy of each of the Prospectus Documents duly certified in compliance with the Companies (Winding Up and Miscellaneous Provisions) Ordinance (and other documents required to be attached thereto) and otherwise complying with the requirements of the Companies (Winding Up and Miscellaneous Provisions) Ordinance, the Companies Ordinance and the Listing Rules;
 - (2) the despatch of the Prospectus Documents to the Qualifying Shareholders and the posting of the Prospectus to the Non-Qualifying Shareholders, if any, for information purpose only;
 - (3) the Listing Committee of the Stock Exchange granting or agreeing to grant and not having withdrawn or revoked the listing of, and permission to deal in, the Rights Shares; and
 - (4) all relevant consents and approvals being obtained from the regulatory authorities, including the Stock Exchange, as the case may require in connection with the Rights Issue by the relevant time that each consent and approval is required.
- Placing completion date : The third Business Day after the Latest Placing Time or such other date as the Company and the Placing Agent may agree in writing.

Termination : If, prior to the Latest Placing Time:

- (1) in the reasonable opinion of the Placing Agent, the success of the Placing would be materially and adversely affected by:
 - (a) the introduction of any new regulation or any change in existing law or regulation (or the judicial interpretation thereof) or other occurrence of any nature whatsoever which may in the reasonable opinion of the Placing Agent materially and adversely affect the business or the financial or trading position or prospects of the Group as a whole or is materially adverse in the context of the Placing; or
 - (b) the occurrence of any local, national or international event or change (whether or not forming part of a series of events or changes occurring or continuing before, and/or after the date hereof), of a political, military, financial, economic or other nature, or in the nature of any local, national or international outbreak or escalation of hostilities or armed conflict, or affecting local securities markets which may, in the reasonable opinion of the Placing Agent, materially and adversely affect the business or the financial or trading position or prospects of the Group as a whole; or
 - (c) any materially adverse change in the business or in the financial or trading position of the Group as a whole; or
 - (d) there occurs or comes into effect the imposition of any moratorium, suspension or material restriction on trading in the Shares generally on the Stock Exchange due to exceptional financial circumstances or otherwise; or

- (2) any material adverse change in market conditions (including, without limitation, a change in fiscal or monetary policy or foreign exchange or currency markets, suspension or restriction of trading in securities, and a change in currency conditions which includes a change in the system under which the value of the Hong Kong currency is pegged with that of the currency of the United States of America) occurs in Hong Kong, the United States of America or the PRC which in the reasonable opinion of the Placing Agent makes it inexpedient or inadvisable to proceed with the Placing,

the Placing Agent shall be entitled, without any liability to the Company, by notice in writing to the Company served prior to the Latest Placing Time, to terminate the Placing Agreement.

The terms of the Placing Agreement (including the placing fee) were determined after arm's length negotiation between the Placing Agent and the Company and are on normal commercial terms. The Directors consider that the placing fee charged by the Placing Agent is no less favourable to the Company than the market rate in recent placing transactions and are therefore of the view that the terms of the Placing Agreement are on normal commercial terms.

The Placing Agent shall ensure that the Placing Shares are placed (i) only to institutional, corporate or individual investors who and whose ultimate beneficial owners shall be Independent Third Parties; (ii) such that the Placing will not have any implication under the Takeovers Code and no Shareholder will be under any obligation to make a general offer under the Takeovers Code as a result of the Placing; and (iii) such that the Placing will not result in the Company incapable of complying with the Public Float Requirement under the Listing Rules immediately following the Placing. The Company will continue to comply with the Public Float Requirement under Rule 8.08 of the Listing Rules and the Placing will not have any implication under the Takeovers Code and no Shareholder will be under any obligation to make a general offer under the Takeovers Code as a result of the Placing.

Given that the Compensatory Arrangements would provide (1) a distribution channel of the Unsubscribed Rights Shares and the NQS Unsold Rights Shares to the Company; (2) channel of participation in the Rights Issue for independent investors; and (3) a compensatory mechanism for No Action Shareholders, the Board considered that the Compensatory Arrangements are fair and reasonable and would provide adequate safeguard to protect the interest of the Company's minority Shareholders.

Application for listing

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms. Nil Paid Rights are expected to be traded in same board lot size as the Shares, i.e., 10,000 shares in one board lot. No part of the securities of the Company in issue or for which listing or permission to deal is being or is proposed to be sought is listed or dealt in or on any other stock exchange.

The Rights Issue is conditional on each of the following conditions being fulfilled:

- (1) the delivery to the Stock Exchange and registration with the Registrar of Companies in Hong Kong respectively one copy of each of the Prospectus Documents duly certified in compliance with the Companies (Winding Up and Miscellaneous Provisions) Ordinance (and other documents required to be attached thereto) and otherwise complying with the requirements of the Companies (Winding Up and Miscellaneous Provisions) Ordinance, the Companies Ordinance and the Listing Rules;
- (2) the despatch of the Prospectus Documents to the Qualifying Shareholders and the posting of the Prospectus to the Non-Qualifying Shareholders, if any, for information purpose only;
- (3) the Listing Committee of the Stock Exchange granting or agreeing to grant and not having withdrawn or revoked the listing of, and permission to deal in, the Rights Shares;
- (4) all relevant consents and approvals being obtained from the regulatory authorities, including the Stock Exchange, as the case may require in connection with the Rights Issue by the relevant time that each consent and approval is required; and
- (5) the Placing Agreement not being terminated.

All of the conditions are incapable of being waived. If the conditions above are not satisfied on or before the Long Stop Date, the Rights Issue shall be terminated.

As at the date of this announcement, none of the conditions precedent has been fulfilled.

Rights Shares will be eligible for admission into CCASS

Subject to the granting of listing of, and permission to deal in, the Rights Shares in both nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Rights Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter.

All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their licensed securities dealer(s) or other professional adviser(s) for details of those settlement arrangements and how such arrangements will affect their rights and interests.

SHAREHOLDING STRUCTURE

Assuming there is no change in the number of Shares in issue from the date of this announcement and up to and including the date of completion of the Rights Issue, the table below sets out the shareholding structure of the Company immediately before and after the completion of the Rights Issue:

- (ii) in force in Hong Kong at any local time between 12:00 noon and 4:00 p.m. on the Latest Acceptance Date. Instead the latest time of acceptance of and payment for the Rights Shares will be rescheduled to 4:00 p.m. on the following Business Day which does not have either of those warnings in force at any time between 9:00 a.m. and 4:00 p.m.

If the latest time for acceptance of and payment for the Rights Shares does not take place on the Latest Acceptance Date, the dates mentioned in the section headed “Expected timetable for the Rights Issue” may be affected. The Company will notify the Shareholders by way of announcement(s) of any change to the expected timetable as soon as practicable.

REASONS FOR THE RIGHTS ISSUE

The Group is principally engaged in sales of food products and the provision of food and beverage services in the PRC.

The estimated net proceeds of the Rights Issue (after deduction of expenses) if the Rights Issue is subscribed in full is expected to amount to approximately HK\$24.26 million (assuming no change in the number of Shares in issue on or before the Record Date).

The Group’s policy is to regularly monitor current and expected liquidity requirements to ensure that it maintains sufficient reserves of cash to meet its liquidity as well as operational requirements in the short and longer term. Since 2020, the Group’s existing food business has been suffering from the weakened domestic demand and fierce competition of the food market in the PRC and have accumulated losses of over RMB380 million, with cash and cash equivalents significantly reduced from RMB213 million as of 31 December 2020 to RMB6.8 million as of 30 June 2025. The Group has put endless effort to maintain such business and seek for opportunity to improve the Group’s financial performance and position. In 2024, we launched our food and beverage business to diversify the Group’s business and such business have started to make positive contributions to the Group. Therefore, funding is necessary to satisfy the Group’s liquidity and operational requirements.

Apart from the Rights Issue, the Directors have considered other debt or equity fundraising alternatives such as bank borrowings, placing or an open offer. The Directors note that bank borrowings, if available, carry additional interest costs and create pressure to the liquidity of the Company, and placing of new shares dilutes the interests of existing Shareholders without giving them the opportunity to take part in the exercise. As opposed to an open offer, the Rights Issue enables the Shareholders to sell the Nil-Paid Rights in the market. The Rights Issue will give the Qualifying Shareholders the opportunity to maintain their respective pro-rata shareholding interests in the Company and to continue to participate in the future development of the Group. Having considered the above alternatives, the Directors are of the view that the Rights Issue is in the best interests of the Company and the Shareholders as a whole and that the Rights Issue is an appropriate fundraising method to strengthen the capital base of the Company, which in turn will support the Company’s continuing development and business growth, while allowing the Qualifying Shareholders to maintain their proportional shareholdings in the Company.

PROPOSED USE OF PROCEEDS

The estimated maximum net proceeds from the Rights Issue (after deducting the expenses) are approximately HK\$24.26 million. Assuming the Rights Issue is fully subscribed, the Company intends to apply the net proceeds from the Rights Issue as follows:

- (i) approximately 40% of the net proceeds will be allocated to support the sustainable operation and restructuring of the Group’s food business segment. The proceeds will be used as transitional financial support to fund critical working capital requirements including

inventory purchases (e.g. dried seafood and other food products), staff costs and marketing expenses for the existing food business in order to ensure uninterrupted and continued business operations, preserving existing customer relationships and laying a solid foundation for future operational improvement and turnaround;

- (ii) approximately 40% of the net proceeds will be allocated to support the existing operations and expansion of the Group's food and beverage business. The proceeds will be used for (i) working capital for existing bar and restaurant operations (including food and beverage purchases, staff costs and marketing and promotion expenses such as advertising, marketing campaigns, marketing personnel salaries and online promotion costs); (ii) initial costs for new restaurant projects, including decoration, equipment purchases and marketing expenses; and (iii) corporate development and compliance costs for the food and beverage business, including compliance expenses and salaries for administrative and business development personnel; and
- (iii) approximately 20% of the net proceeds would be applied towards the general working capital of the Group.

In the event that there is an undersubscription of the Rights Issue, the use of proceeds raised from the Rights Issue will be allocated on a pro-rata basis for the purposes disclosed above. Further details of the use of proceeds will be disclosed by the Company in the announcement of results of the Rights Issue.

The estimated expenses of the Rights Issue (including advisory fees for the professional parties, printing, registration, translation, legal, accounting and documentation charges) are estimated to be approximately HK\$0.74 million and will be payable by the Company. The net subscription price per Rights Share upon full acceptance of the relevant provisional allotment of Rights Shares are expected to be approximately HK\$0.184.

Before the net proceeds are actually put into use for their original intended purpose, the Company intends to deposit the net proceeds from the rights issue that have not been used for the time being in a demand deposit account or short-term interest-bearing deposit in a bank. All deposit arrangements are short-term, low-risk, and highly liquid, designed to improve the efficiency of idle funds without affecting the intended use of proceeds. Idle funds will not be used for high-risk purposes such as securities investments, derivatives trading, or entrusted loans. The Company will use the net proceeds in phases according to:

- 1) for the food business, it is expected that the net proceeds will be allocated according to working capital needs to make payments for the purposes stated above within 6 months after the rights issue is completed;
- 2) for the food and beverage business, it is expected that the net proceeds will be allocated according to working capital needs to make payments for the purposes stated above within 12 months after the rights issue is completed;
- 3) for the Group's general working capital, it is expected to be used on a rolling basis according to the Group's daily operating needs. The Company will continue to disclose the progress of the usage of the proceeds and the management of unused portions in the up coming interim and/or annual reports.
