DISCLOSEABLE TRANSACTION
DISPOSAL OF SHARES IN FUTURE DATA

THE DISPOSAL

The Board is pleased to announce that during the period from 4 June 2026 to 8 June 2026, the Vendors disposed of an aggregate of 18,300,000 Future Data Shares on the open market through the Stock Exchange at an aggregate consideration of approximately HK$8.78 million (excluding stamp duty and related expenses). The average selling price of each Future Data Share is approximately HK$0.48. The aggregate consideration of the Disposal represented the prevailing market price of the Future Data Shares at the time of the Disposal.

LISTING RULES IMPLICATIONS

A series of transactions from 4 June 2026 to 8 June 2026 in relation to the Disposal were conducted within a 12-month period, and were therefore aggregated pursuant to Rule 14.22 of the Listing Rules.

As the highest applicable percentage ratio under Chapter 14 of the Listing Rules in relation to the Disposal, when calculated on an aggregated basis, is more than 5%, but all applicable percentage ratios are less than 25%, the Disposal constitutes a discloseable transaction for the Company and is therefore subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

THE DISPOSAL

The Board is pleased to announce that during the period from 4 June 2026 to 8 June 2026, the Vendors disposed of an aggregate of 18,300,000 Future Data Shares on the open market through the Stock Exchange at an aggregate consideration of approximately HK$8.78 million (excluding stamp duty and related expenses). The average selling price of each Future Data Share is approximately HK$0.48. The aggregate consideration of the Disposal represented the prevailing market price of the Future Data Shares at the time of the Disposal.

As the Disposal was made through the Stock Exchange, the Company is not aware of the identities of the purchaser(s) of the Sale Shares. To the best of the Directors' knowledge, information and belief, and having made all reasonable enquiries, each of the purchaser(s) of the Sale Shares and their respective ultimate beneficial owners is an Independent Third Party.

Assets Disposed

The Company, through the Vendors, has disposed of an aggregate of 18,300,000 Future Data Shares, representing approximately 3.32% of the total issued share capital of Future Data (based on the total number of 550,680,000 Future Data Shares in issue according to the monthly return of Future Data for the month ended 31 May 2026).

Consideration

The aggregate consideration of the Disposal was approximately HK$8.78 million (excluding stamp duty and related expenses), and the average price was approximately HK$0.48 per Sale Share. The consideration, which had been settled in cash in accordance with the standard market practice, represented the then prevailing market prices of the Sale Shares at the time of the Disposal.

Completion

Completion of the Disposal has taken place in accordance with the standard market practice on the second trading day after the orders regarding the relevant Disposal have been made.

Financial Information of the Future Data Group

According to the annual report of Future Data for the year ended 31 December 2025:

(a) the audited net loss before and after tax (from continuing operations) of Future Data for each of the two years ended 31 December 2024 and 2025 were as follows:

	Year ended 31 December	
	2024	**2025**
	HK'000	*HK'000*
Net loss before tax	20,927	39,905
Net loss after tax	21,045	39,677

(b) as at 31 December 2025, the audited consolidated net assets of Future Data Group were approximately HK$117.9 million.

REASONS FOR AND BENEFITS OF THE DISPOSAL

The Directors are of the view that it is a good opportunity for the Group to exit its investment in the Sale Shares and to realize the gain on the investment. The Vendors are not subject to any lock-up period in respect of the Sale Shares.

Given the Disposal was conducted in the open market of the Stock Exchange, the Sale Shares were sold at the then prevailing market prices. The Directors believe that the Disposal was on normal commercial terms and the terms of the Disposal were fair and reasonable and in the interests of the Company and the Shareholders as a whole.

FINANCIAL EFFECT OF THE DISPOSAL

The Directors estimated that the Company will realize a gain from the Disposal of approximately HK$260,000, which represents the difference between the net proceeds from the Disposal of approximately HK$8.77 million and the purchase cost of approximately HK$8.51 million. Shareholders should note that the actual amount of gain on the Disposal to be recorded by the Company will be subject to review by the auditors of the Company.

USE OF PROCEEDS

The Directors expect that the net proceeds from the Disposal of approximately HK$8.77 million will be used for general working capital of the Group.

LISTING RULES IMPLICATIONS

A series of transactions from 4 June 2026 to 8 June 2026 in relation to the Disposal were conducted within a 12-month period, and were therefore aggregated pursuant to Rule 14.22 of the Listing Rules.

As the highest applicable percentage ratio under Chapter 14 of the Listing Rules in relation to the Disposal, when calculated on an aggregated basis, is more than 5%, but all applicable percentage ratios are less than 25%, the Disposal constitutes a discloseable transaction for the Company and is therefore subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.
