## **VOLUNTARY ANNOUNCEMENT**

This announcement is made voluntarily by BYD Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”).

The Company noted that the U.S. Department of Defense published the Notice of Availability of Designation of Chinese Military Companies on 8 June 2026 (U.S. time). Pursuant to the Notice, the U.S. Department of Defense has included the Company into the list of Chinese Military Companies (the “**CMC List**”).

As the Group is neither a Chinese military company nor a military-civil fusion contributor to the Chinese defense industrial base, the Company considers that there is no justification for the Company’s inclusion in the CMC List.

The CMC List is not a sanctions list and inclusion in the CMC List will not affect the normal business operations of the Group and will not prohibit any persons (other than the U.S. Department of Defense) from business dealings with the Group. The U.S. government procurement limitations tied to the CMC list will not impact the business of the Company, and the CMC List does not restrict transacting in the securities of the Company.

Should the Company subsequently initiate review procedures or, where necessary, undertake legal proceedings to seek the removal of the Company from the CMC List, the Company will make further announcement(s) as and when appropriate.
