INSIDE INFORMATION – PROFIT WARNING

The announcement is made by Hong Kong ZCloud Technology Construction Limited (the “**Company**”, together with its subsidiaries referred as the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board of Directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review on the unaudited management accounts of the Group for the year ended 31 March 2026 (“**FY2026**”), the Group expects to record a profit attributable to owners of the Company of not less than HK\$6.5 million for FY2026 as compared with the profit of approximately HK\$31.1 million recorded for the year ended 31 March 2025. Such expected decrease in profit is mainly due to the combined effect of (i) the decrease in revenue and gross profit margin derived from provision of building construction services, resulting from the additional costs incurred for additional works performed during the finalisation and maintenance period of certain projects; (ii) the increase in material costs; (iii) the decrease in fair value of financial assets at fair value through profit or loss; (iv) the decrease in share of result of an associate; and (v) the decreases in administrative expenses and impairment losses under expected credit loss model, net of reversal during the year.

The Company is in the process of finalising the annual results of the Group for FY2026. The information contained in this announcement is only based on a preliminary assessment by the Board according to the unaudited management accounts of the Group for FY2026 which have not been reviewed or audited by the auditor of the Company.

Further details of the Group’s financial results and performance will be disclosed in the annual results announcement of the Company for FY2026 which is expected to be announced before the end of June 2026.
