VOLUNTARY ANNOUNCEMENT
UNAUDITED TOTAL LIDAR SHIPMENTS FOR THE FIRST FIVE MONTHS OF 2026 EXCEEDING THE TOTAL FOR 2025

This announcement is published by Seyond Holdings Ltd. (the "**Company**" or "**Seyond**" and, together with its subsidiaries, the "**Group**") on a voluntary basis to inform the shareholders of the Company and potential investors of the latest business development of the Group.

The Company is pleased to announce that, in the first five months of 2026, total Light Detection and Ranging ("**LiDAR**") product shipments of the Company reached approximately 365,000 units, representing a year-over-year increase of approximately 349%, which exceeded total LiDAR product shipments of the Company in 2025. LiDAR products for Advanced Driver Assistance System ("**ADAS**") contributed approximately 332,700 units, representing an increase of approximately 323% year-over-year, while LiDAR products for robotics, solutions and others contributed approximately 32,300 units, representing an increase of approximately 1,177% year-over-year.

In May 2026, total LiDAR product shipments of the Company reached approximately 100,700 units, representing an increase of approximately 376% as compared with May 2025, which marked the first time that the Company's monthly LiDAR product shipments exceeded 100,000 units. LiDAR products for ADAS contributed approximately 89,500 units, representing an increase of approximately 342% as compared with May 2025, while LiDAR products for robotics, solutions and others contributed approximately 11,200 units, representing an increase of approximately 1,129% as compared with May 2025, marking the first time monthly shipments exceeded 10,000 units.

Supported by the mass production and delivery of designated projects on hand and continuous acquisition of new customers, product shipments of the Company achieved rapid and stable growth. The Company is confident in realizing the business outlook provided in the 2025 annual report that total LiDAR shipments for 2026 will increase by approximately 200% compared to 2025.

While shipments of LiDAR products for ADAS are growing rapidly, the growth of shipments of LiDAR products for robotics, solutions and others have outpaced the growth of the shipments of LiDAR products for ADAS, signifying the rapid expansion of the application of the Company's LiDAR products into other diverse scenarios such as robotics and physical artificial intelligence.

INFORMATION ABOUT THE COMPANY

Seyond, a leading global provider of image-grade LiDAR technology, is listed on the Main Board of The Stock Exchange of Hong Kong Limited. Founded in 2016, the Company has built a comprehensive global R&D and manufacturing ecosystem, committed to building a safer, smarter and more efficient mobility future.

With strong R&D capabilities and profound technological expertise, Seyond continuously develops industry-leading LiDAR products and solutions. It drives the rapid iteration of its product lines including the Falcon Platform, Robin Platform and fully solid-state Hummingbird Platform, while ensuring high performance, reliability and cost competitiveness.

Backed by deep insights into application scenarios and forward-looking product strategy, Seyond's products and solutions are widely deployed in intelligent vehicles, autonomous driving, broad robotics, intelligent transportation, smart ports, intelligent shipping, smart railway, smart mining and other sectors. The Company has established in-depth partnerships with numerous leading enterprises worldwide.

At present, Seyond's LiDAR solutions have achieved large-scale commercial deployment in many countries and regions across the globe. By delivering innovative software and hardware technologies, Seyond continues to empower a safer and smarter future for all.

Please note that the figures disclosed in this announcement are unaudited, have not been confirmed by the Company's auditor, do not constitute, represent or indicate the Group's total revenue or full financial performance and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to review the Group's financial results carefully once they are published, and are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
Seyond Holdings Ltd.
Dr. Bao Junwei
Executive Director, Chairman, President and Chief Executive Officer

Hong Kong, June 10, 2026

As of the date of this announcement, the Board comprises Dr. Bao Junwei (鮑君威) and Dr. Li Yimin (李義民) as executive Directors, and Dr. Chen Changling (陳長齡), Dr. Costas John Spanos and Dr. Maximilian Ibel as independent non-executive Directors.
