ARTICLES OF THE COMPANY

Part B of Appendix 13 (now repealed) and Appendix 3 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**HKEX Listing Rules**") stated that the articles of association or equivalent document must conform with the provisions set out in such appendices (the "**Articles Requirements**"). As at the listing of our Shares on the Main Board ("**Listing**"), our articles of association ("**Articles**") did not comply with some of the Articles Requirements. The Company has applied for, and The Stock Exchange of Hong Kong Limited ("**HKEX**") has granted, a waiver from strict compliance with the following Articles Requirements, subject to the conditions that:

(a) we put forth resolutions to amend our Articles as described in our prospectus dated July 30, 2018 (the "**Prospectus**")[1] with respect to the requirements set out in paragraph 4(3) of Appendix 3 of the HKEX Listing Rules and paragraphs 5(1), 3(1) and 5(4) of Part B of Appendix 13 of the HKEX Listing Rules at the next general meeting of our Company following the Listing, which we have undertaken to convene within four months of the Listing;

(b) we remain listed on the Nasdaq; and

(c) we seek irrevocable undertakings from shareholders prior to the Listing to vote in favor of the proposed resolutions outlined below with a view to ensuring that there may be adequate votes in favor of such resolutions.

We also put forth a resolution at such general meeting to amend our Articles such that (i) holders of one-tenth (1/10) of voting rights of our issued share capital may requisition a general meeting of shareholders, compared to the simple majority requirement set out in our Articles, (ii) the shareholders requisitioning the general meeting of shareholders may put forward resolutions to appoint or remove directors, and (iii) at that meeting so convened the affirmative vote of a majority of the then outstanding shares be sufficient to approve the election or removal of directors. In many cases, an Articles Requirement may not strictly be met but are covered by a broadly commensurate provision in the Articles, a comparable law or rule that the Company is already subject to by virtue of being listed on the Nasdaq, or the Company has undertaken to put alternative measures in place to otherwise comply with the obligations underlying the relevant Articles Requirement.

[1] Capitalised terms not defined herein shall have the same meanings as assigned in the Prospectus.

As regards special resolutions

Paragraph 1 of Part B of Appendix 13 (now repealed) defined a special resolution to be a resolution passed by members holding three-fourths of the voting rights of those present and voting in person or by proxy at a meeting of members. Our Articles provide that a special resolution is a resolution passed by members holding two-thirds of the voting rights of those present and voting in person or by proxy at a meeting of members, which is consistent with the requirements applicable for Nasdaq-listed companies. In addition, the Company does not have a controlling shareholder capable of either passing a resolution by itself or blocking the passing of a resolution by itself. Therefore, we believe that our Articles provide substantively the same level of protection to shareholders as provided under the HKEX Listing Rules. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 1 of Part B of Appendix 13 for the reasons set out above.

*Note: Following the effectiveness of the Company's continuation to Switzerland as a stock corporation under the laws of Switzerland ("**Swiss law**") on May 27, 2025 (Swiss time) (the "**Continuation**") and thus the new Articles (the "**New Articles**"), introduction of new share classes, amendments of the rights of existing share classes and the voluntary dissolution of the Company can only be passed with a majority of two-thirds of the votes present or represented at the general meeting. Under Swiss law, certain matters (as particularly set out under the section headed "D. Laws and regulations – As regards variation of class rights, amendment of constitutional documents and voluntary winding up") can only be passed by shareholders at a general meeting by at least a majority of two-thirds of the votes and a majority of the par value of shares, each as represented at the general meeting.*

We have therefore consulted with, and the HKEX has agreed with our view that, our New Articles complies with paragraph 15, 16 and 21 of Appendix A1 regarding a super-majority vote requirement of the issuer's members or members of the relevant class in a general meeting to approve changes to rights to a class of shares, changes to constitutional documents, and voluntary winding up.

As regards share capital

Paragraph 2(1) of Part B of Appendix 13 (now repealed) provided that if at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may be varied only with the consent in writing of the holders of three-fourths in nominal value of the issued shares of the class in question or with the sanction of a resolution passed at a separate general meeting of the holders of the shares of that class by members holding shares representing three-fourths in nominal value of the shares present in person or by proxy and voting at such meeting. Our Articles provide that class rights may only be varied with the written consent of the holders of two-thirds in nominal value of the issued shares of the class in question or a corresponding resolution. Furthermore, we currently only have one class of shares (being our ordinary shares). We therefore believe that our Articles provide substantively the same level of protection to shareholders as provided under the HKEX Listing Rules. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 2(1) of Part B of Appendix 13 for the reasons set out above.

Note: Following the effectiveness of the Continuation and thus the New Articles, introduction of new share classes and amendments of the rights of existing share classes and the voluntary dissolution of the Company can only be passed with a majority of two-thirds of the votes present or represented at the general meeting. Please also refer to the section headed "A. Waivers and Exemptions Articles of the Company – As regards special resolutions" above and "D. Laws and regulations – As regards variation of class rights, amendment of constitutional documents and voluntary winding up".

As regards share certificates

Paragraph 2(1) of Appendix 3 provided (now repealed) that all certificates for capital must be under seal, which may only be affixed with the authority of the directors, or be executed under signature of appropriate officials with statutory authority. The Company has undertaken to the HKEX that it will issue share certificates to holders of Hong Kong listed shares (or CCASS holding on their behalf) and on this basis failure to include this provision in its Articles should not materially detract from the rights of the shareholders. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 2(1) of Appendix 3 on the basis that we will put in place alternative arrangements to ensure that all certificates for capital are issued under seal, including by making arrangements with our Hong Kong Share Registrar to ensure that all certificates by them are issued under seal.

As regards directors

Paragraph 4(2) of Appendix 3 provides that any person appointed by the directors to fill a casual vacancy on or as an addition to the board shall hold office only until the next following annual general meeting of the issuer, and shall then be eligible for re-election. Our Articles provide that our Directors shall be subject to re-election every three years, and that our Directors may be removed by the affirmative vote of the holders of at least two-thirds of the votes cast at a shareholder meeting. The Company has undertaken to the HKEX to require Directors appointed to fill a casual vacancy to retire and seek re-election at the next annual general meeting following their appointment. On the basis that we have given an undertaking to the HKEX to put in place alternative measures that will result in the same outcome as required under the relevant provision, we have applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 4(2) of Appendix 3 for the reasons set out above.

Note: Under Swiss law to which the Company is subject following completion of the Continuation, the power of electing a person as a member of the board of directors of a Swiss company lies solely with the shareholders of the Swiss company, and the board of directors has no authority to appoint directors to fill a casual vacancy on or as an addition to the board. The director so appointed by the shareholders shall hold office until the completion of the next general meeting, and shall be eligible for re-election. We have therefore consulted with, and the HKEX has agreed with our view that, the Swiss law complies paragraph 4(2) of Appendix A1 on the appointment of directors. Please also refer to the section headed "D. Laws and regulations – As regards casual vacancy appointments".

Paragraph 4(3) of Appendix 3 and paragraph 5(1) of Part B of Appendix 13 (now repealed) provided that directors may be removed at any time by ordinary resolution of the members. Under our Articles, any director may be removed by a special resolution of the members. The Company had undertaken to the HKEX to put forth a resolution at the next general meeting after Listing to revise the Articles so that an affirmative vote of a majority of the then outstanding shares is required to remove a Director, and to amend an existing provision in the Articles that restricts Shareholders from putting forth resolutions to remove Directors so that there is no such restriction on Shareholders putting forth resolutions to remove Directors. On the basis of this undertaking, and for the reasons set out above, we have applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 4(3) of Appendix 3 and paragraph 5(1) of Part B of Appendix 13. For the avoidance of doubt, the affirmative vote referenced in this paragraph is not the ordinary resolution referred in the Articles of Association of the Company.

Paragraph 5(2) of Part B of Appendix 13 (now repealed) provided that the articles of association shall restrict the making of loans to directors and their close associates and shall import provisions at least equivalent to the provisions of Hong Kong law prevailing at the time of the adoption of the articles of association. Under the Sarbanes-Oxley Act to which our Company is subject, subject to certain limited exceptions, it is unlawful for any public company, directly or indirectly, to extend or maintain credit, or to arrange for the extension of credit, in the form of a personal loan to or for any director or executive officer. These limited exceptions include certain home improvement and home finance loans, extensions of consumer credit, open end credit plans, such as credit cards, charge cards and margin loans by registered broker-dealers, in each case to the extent such loans are made by the public company in the ordinary course of its business on market terms or terms no less favorable than those offered to the general public. These exceptions are not applicable to our Company's business and therefore will not result in our Company's non-compliance with the requirement of paragraph 5(2) of Part B of Appendix 13. Loans in existence on July 30, 2002 are grandfathered so long as there is no material modification to any term of these loans, including any renewal. Comparable protection is therefore provided by this statute. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 5(2) of Part B of Appendix 13 on the condition that if in the future we cease to be listed on the Nasdaq and/or cease to be subject to the provision of the Sarbanes-Oxley Act (or any comparable provisions under applicable laws), we will use our reasonable endeavors to amend our Articles as soon as practicable to comply with this requirement.

Paragraph 5(3) of Part B of Appendix 13 (now repealed) provided that the articles of association shall contain provisions requiring the directors to declare their material interests in any contracts with the issuer at the earliest meeting of the Board of the issuer at which it is practicable for them to do so either specifically or by way of a general notice stating that, by reason of facts specified in the notice, they are to be regarded as interested in any contracts of a specified description which may subsequently be made by the issuer. Under Section 406 of the Sarbanes-Oxley Act, the Company is required to and has adopted a Code of Conduct applicable to directors that requires the disclosure of conflicts of interest promptly, which the Company believes is a higher standard than that provided by the Articles Requirements as it would require Directors to notify the Board of any material interests without delay, irrespective of when the next meeting of the Board may be scheduled. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 5(3) of Part B of Appendix 13 on the condition that if in the future we cease to be listed on the Nasdaq and/or cease to be subject to the provision of the Sarbanes-Oxley Act (or any comparable provisions under applicable laws), we will use our reasonable endeavors to amend our Articles as soon as practicable to comply with this requirement.

Paragraph 5(4) of Part B of Appendix 13 (now repealed) provided that the articles of association shall stipulate that the issuer in general meeting must approve the payment to any director or past director of any sum by way of compensation for loss of office or as consideration or in connection with his retirement from office (not being a payment to which the director is contractually entitled). Compensation of our directors is approved by our independent Compensation Committee. The Company does not currently provide for retirement payments or benefits for directors. Moreover, comparable protection is provided by Nasdaq Rule 5630(a) "Review of Related Party Transactions" which requires the Company to conduct an appropriate review and oversight of all related party transactions for potential conflict of interest situations on an ongoing basis by our Audit Committee or another independent body of our Board. The Company will also be subject to the requirements of Chapter 14A with respect to transactions with directors. Therefore, a comparable level of protection will be provided. We have applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 5(4) of Part B of Appendix 13 for the reasons set out above, and on the basis that the Company has undertaken to the HKEX to put forth a resolution at the next general meeting after Listing to revise the Articles so that any compensation for loss of office or as consideration in connection with their retirement (not being a payment to which they are contractually entitled) is subject to the approval of our Shareholders in general meeting.

Paragraphs 4(4) and 4(5) of Appendix 3 (now repealed) provide that the minimum length of the period, during which notice to the issuer of the intention to propose a person for election as a director and during which notice to the issuer by such person of his willingness to be elected may be given, will be at least 7 days and the period for lodgment of the notices referred to above will commence no earlier than the day after the despatch of the notice of the meeting appointed for such election and end no later than 7 days prior to the date of such meeting.

Comparable protection is provided as disclosed on page 31 of the Company's Definitive Proxy Statement filed with the SEC on April 30, 2018. As disclosed therein, any shareholder wishing to recommend a director candidate for consideration by the Nominating and Corporate Governance Committee should provide the following information within the timeframe set forth by the Articles and Regulation 14A of the SEC rules and regulations: (a) the name and address of record of the shareholder; (b) a representation that the shareholder is a record holder of the Company's securities or, if the shareholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Exchange Act; (c) the candidate's name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the past five years; (d) a description of the qualifications and background of the candidate that addresses the criteria for board membership approved by the Company's board of directors; (e) a description of all arrangements or understandings between the shareholder and the candidate; (f) the consent of the candidate (i) to be named in the proxy statement for the Company's next shareholder meeting and (ii) to serve as a director if elected at that meeting; and (g) and any other information regarding the candidate that is required to be included in a proxy statement filed pursuant to SEC rules and regulations. The Nominating and Corporate Governance Committee may seek further information from or about the shareholder making the recommendation, the candidate, or any such other beneficial owner, including information about all business and other relationships between the candidate and the shareholder and between the candidate and any such other beneficial owner. Rule 14a-11 requires shareholders to submit nominees no later than 120 days before the anniversary date of the mailing of the company's proxy statement for the prior year, far longer than the seven day requirement in the Articles Requirements. The Company is also prepared to undertake to amend its Articles to reflect the Articles Requirements should it cease to be subject to section 14A of the Exchange Act and the corresponding SEC rules and regulations.

As regards accounts

Paragraph 5 of Appendix 3 (now repealed) provided that a copy of either (a) the directors' report, accompanied by the balance sheet (including every document required by law to be annexed thereto) and profit and loss account or income and expenditure account, or (b) the summary financial report shall, at least 21 days before the date of the general meeting, be delivered or sent by post to the registered address of every member. Paragraph 4(2) of Part B of Appendix 13 (now repealed) provides that the articles of association shall require the issuer to keep proper books of account necessary to give a true and fair view of the issuer's affairs, and shall provide that accounts shall be audited and shall be laid before members at the annual general meeting which must be held in each year; not more than 15 months (or such longer period as the Exchange may authorise) may elapse between the date of one annual general meeting and the next.

The Company is required under the Exchange Act and corresponding SEC rules and regulations to deliver a copy of its audited financial statements, together with a copy of the Audit Committee Report, with the proxy statement for its annual general meeting of shareholders each year. The Company is a U.S. reporting company and publicly files its financial information on the SEC's EDGAR system subject to the SEC reporting timeline. The Company is a Large Accelerated Filer and is required by the SEC rules and regulations to file its annual financials within 60 days after its fiscal year end. This is more than 21 days before the annual meeting. Moreover, as a practical matter, given that the Company's securities are publicly listed on the Nasdaq, in order to have sufficient time to solicit proxies for the annual general meeting each year the Company must deliver the annual report and proxy materials at least 21 days prior to the meeting. Our Directors are permitted to allow the shareholders to inspect the accounts and the shareholders can also request inspection by ordinary resolution. Nasdaq Rule 5620(a), "Meetings of Shareholders", requires the Company to hold an annual meeting of shareholders no later than one year after the end of the Company's fiscal year-end. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 5 of Appendix 3 and Paragraph 4(2) of Part B of Appendix 13 on the condition that if in the future we cease to be listed on the Nasdaq and/or cease to be subject to the Exchange Act and corresponding SEC rules and regulations (or any comparable provisions under applicable laws), we will use our reasonable endeavors to amend our Articles as soon as practicable to comply with this requirement.

As regards redeemable shares

Paragraph 8 of Appendix 3 (now repealed) provided that where the issuer has the power to purchase for redemption a redeemable share, purchases not made through the market or by tender shall be limited to a maximum price and if purchases are by tender, tenders shall be available to all shareholders alike. Under our Articles, subject to applicable law, the Company may, by agreement with the relevant shareholder, repurchase its shares of the Company (including any redeemable shares) provided that the manner and terms of such purchase have been approved by our directors or by ordinary resolution (provided further that no repurchase may be made contrary to the terms or manner recommended by our directors). As a publicly listed company on the Nasdaq, the Company is subject to the tender offer rules under the Exchange Act and corresponding SEC rules and regulations that provide a similar level of protection. Repurchase is made by the agreement between the Company and the relevant shareholder to ensure shareholder protection. As a company with a primary listing on the HKEX, the Company will also be subject to the Codes on Takeovers and Mergers and Share Repurchases, which will limit the on-market and off-market share repurchases that the Company may make. A comparable level of protection will therefore be available to its shareholders. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 8 of Appendix 3 for the reasons set out above.

As regards proxies

Paragraph 11(1) of Appendix 3 (now repealed) provided that where provision is made in the articles as to the form of proxy, this must be so worded as not to preclude the use of the two-way form. Although the Articles do not provide for this, the Company will in any event be subject to the requirements of Rule 13.38 of the HKEX Listing Rules to send a two-way voting form to shareholders, so absence of this provision in its Articles should not detract from the level of shareholder protection. We have therefore applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 11(1) of Appendix 3 for the reasons set out above.

As regards voting

Paragraph 14 of Appendix 3 (currently reflected under paragraph 14(3)(b) and 14(4) of Appendix A1) provides that where any shareholder is, under HKEX Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such shareholder in contravention of such requirement or restriction shall not be counted. To the extent that a transaction would require a shareholder to abstain from voting pursuant to the HKEX Listing Rules, the Company has undertaken to the HKEX that it will not proceed with a transaction unless the votes required to approve a transaction would have been reached without counting the votes of the shareholder that ought to have been required to abstain. On the basis that we have given an undertaking to the HKEX to put in place alternative measures that will result in the same outcome as required under the relevant provision, and for the reasons set out above, we have applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 14 of Appendix 3.

Note: Following the effectiveness of the Continuation and thus the New Articles, our New Articles require a dual majority threshold for passing resolutions in a general meeting, whereby if any interested shareholder, director, or officer of the Company is required, by the HKEX Listing Rules, to abstain from voting on any particular resolution of the general meeting, or is restricted to voting only for or only against any particular resolution of the general meeting, the relevant majority under our New Articles or applicable laws for a resolution of the general meeting to be passed shall be (a) the default majority under applicable law or the provisions of our New Articles, and (b) the majority of the votes cast by the disinterested shareholders.

We have therefore consulted with, and the HKEX has agreed with our view that, our New Articles complies paragraph 14(3)(b) and 14(4) of Appendix A1 on the restriction on voting by interested shareholder. Please also refer to the section headed "A. Waivers and Exemptions – Articles of the Company – As regards special resolutions" above and "D. Laws and regulations – As regards right to speak and vote at general meeting and restriction on shareholder voting".

As regards shareholders

Paragraph 3(1) of Part B of Appendix 13 (now repealed) provided that the articles of association shall stipulate that any annual general meeting must be called by notice of at least 21 days, and that any other general meeting (including an extraordinary general meeting) must be called by notice of at least 14 days and the articles of association shall stipulate that the notice convening a meeting shall contain particulars of the resolutions to be considered at that meeting. The note to paragraph 3(1) of Part B of Appendix 13 further provides that the articles of association may provide that issuers may convene a general meeting on shorter notice than required under this provision or the companies' articles of association if it is agreed: (a) in the case of an annual general meeting, by all the members entitled to attend and vote at the meeting; and (b) in any other case, by a majority in number of the members having the right to attend and vote at the meeting, being a majority together representing at least 95% of the total voting rights at the meeting of all the members. The Company has historically provided notice of at least the minimum amounts required by the Articles Requirements, and has undertaken to the HKEX to put forth a resolution at the next general meeting after Listing to revise the Articles so that the notice period for any annual general meeting shall be at least 21 days and the notice period for any other general meeting shall be at least 14 days. On the basis of this undertaking, and for the reasons set out above, we have applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 3(1) of Part B of Appendix 13.

Paragraph 3(2) of Part B of Appendix 13 (now repealed) provided the articles of association shall provide for the branch register of members in Hong Kong to be open for inspection by members but may permit the company to close the register in terms equivalent to section 632 of the Companies Ordinance. Under our Articles, our directors may disclose the information in the register of members to the shareholders providing a comparable level of shareholder protection. The Company has also undertaken to the HKEX to make the Hong Kong Branch Register open for inspection by members and has made arrangements with its Hong Kong Branch Registrar to give effect to this. On the basis that we have given an undertaking to the HKEX to put alternative measures in place that will result in the same outcome as required under the relevant provision, we have applied for, and the HKEX has agreed to grant, a waiver from the requirement set out in Paragraph 3(2) of Part B of Appendix 13 for the reasons set out above.

USE OF US GAAP AND AUDITING STANDARDS

Rules 4.10 and 4.11 of, and note 2.1 to paragraph 2 of the Appendix 16 to, the HKEX Listing Rules require the Company to prepare its financial statements in the prospectus and the subsequent financial reports issued after listing to be in conformity with: (a) Hong Kong Financial Reporting Standards ("**HKFRS**"); (b) IFRS; or (c) China Accounting Standards for Business Enterprises in the case of companies incorporated in China.

As a company listed on the Nasdaq, the Company uses Generally Accepted Accounting Principles in the US ("**US GAAP**") and corresponding audit standards for the filing of its financial statements with the SEC as determined by the United States Public Company Accounting Oversight Board. US GAAP is well recognized and accepted by the international investment community, particularly among biotechnology companies, and significant progress has been made in the convergence between US GAAP and IFRS. Additionally, we note that it might lead to confusion among the Company's investors and shareholders if the Company was required to adopt different accounting standards for its disclosures in Hong Kong from those in the US. Aligning the accountings standards used for disclosures in both markets will alleviate any such confusion.

Our Company has applied to the HKEX for, and the HKEX has granted, a waiver from strict compliance with the requirements of Rules 4.10, 4.11 and note 2.1 to paragraph 2 of the Appendix 16 of the HKEX Listing Rules subject to the following conditions:

(a) the Company will include (i) a description of the relevant key differences between US GAAP and IFRS; (ii) a statement showing the financial effect of any material differences between the financial statements reported under US GAAP and IFRS (the "**Reconciliation Statement**") in the Company's accountants' report of the prospectus and annual financial reports after listing. Such reconciliation statements have to be audited by external accountants;

(b) the Company will include a Reconciliation Statement in the Company's interim reports after listing, to be reviewed by external accountants (at least equivalent to International Standard on Assurance Engagements 3000 or Hong Kong Standard on Assurance Engagements 3000);

(c) the Company will use Hong Kong Financial Reporting Standards or IFRS in the preparation of the Company's financial statements in the event that the Company is no longer listed in the U. S. or has no obligation to make financial disclosure in the U. S.; and

(d) this waiver request will not be applied generally and is based on the specific circumstances of the Company.

EXERCISE PRICE OF OPTIONS UNDER SHARE OPTION SCHEME

The Company has applied for, and HKEX has granted, a waiver from Note 1 to Rule 17.03(9) of the HKEX Listing Rules such that the Company may determine the exercise price of its share options by reference to the higher of: (i) the closing price of the Company's ADSs on the Nasdaq on the date of grant, which must be a Nasdaq trading day; and (ii) the average closing price of the Company's ADSs on the Nasdaq for the five Nasdaq trading days immediately preceding the date of grant.

The Company applied for such waiver, and the waiver was granted, on the bases, among others, that (i) the method for determining the exercise price of options covering ADSs replicates the requirement in Note (1) to Rule 17.03(9) of the HKEX Listing Rules; (ii) the majority of the trading volume in the Company's securities has been on the Nasdaq, (iii) it has been the Company's practice to issue options over ADSs with exercise prices that are denominated in US dollars; and (iv) it would be impracticable for the Company to strictly comply with Note 1 to Rule 17.03(9) of the HKEX Listing Rules.

CONNECTED PERSON PLACING AUTHORIZATION I

As a commercial stage biotechnology company, the Company believes that efficient access to capital on a continuing basis is essential to funding the Company's business plans, and participation in capital raisings by biotech-focused funds with deep industry knowledge (such as the Company's existing shareholders, Baker Bros. Advisors LP and Hillhouse Capital Management, Ltd. and parties affiliated with each of them (the "**Existing Shareholders**")), is often crucial to the success of capital raising transactions. In connection with the Company's listing on the HKEX in August 2018, the Company applied for, and the HKEX granted, a waiver from strict compliance with Rule 13.36(1) of the HKEX Listing Rules and the independent shareholder approval requirements set out in Chapter 14A of the HKEX Listing Rules in respect of the Connected Person Placing Authorization I (as defined below).

In order to give the Company the flexibility to issue ordinary shares and/or ADSs to certain connected persons if and when appropriate and to comply with the HKEX Listing Rules, the Company proposed an ordinary resolution to authorize the Company and its underwriters, at their sole discretion, to, in the Company's securities offerings, allocate to each of the Existing Shareholders, up to a maximum amount of shares in order to maintain the same shareholding percentage of each of the Existing Shareholders (based on then-outstanding share capital of the Company) before and after the allocation of the corresponding securities issued pursuant to an offering conducted pursuant to the general mandate to issue shares for a period of five years, which period will be subject to an extension on a rolling basis each year, subject to the following conditions: (the "**Connected Person Placing Authorization I**")

(1) the Company will put forward the relevant resolutions to its shareholders in the next general meeting following the HKEX listing, which will be convened within four months after its listing;

(2) the Connected Person Placing Authorization I and the shareholder approval of the general mandate to issue shares are not interdependent in that our shareholders may approve the general mandate to issue shares without approving the Connected Person Placing Authorization I;

(3) the Existing Shareholders shall abstain from voting on the Connected Person Placing Authorization I;

(4) the Connected Person Placing Authorization I is only valid to the extent the Existing Shareholders individually hold less than 50% of the then-outstanding share capital of the Company;

(5) any securities issued to the Existing Shareholders in an offering conducted pursuant to the general mandate to issue shares shall be for cash consideration only and not as consideration for any acquisition;

(6) none of the Existing Shareholders shall be entitled to have representatives on the committee of the Board of Directors responsible for determining specific pricing of any offering;

(7) apart from the potential pro rata allocation, the Existing Shareholders will subscribe for securities on the same terms and conditions as all other placees in any offering and neither of the Existing Shareholders shall be entitled to any preferential treatment with respect to any offering conducted;

(8) the Company will put forward the relevant resolutions to its shareholders at each subsequent annual general meeting after its listing on the HKEX; and

(9) the Company remains listed on the Nasdaq.

CONNECTED PERSON PLACING AUTHORIZATION II (AMGEN WAIVER)

To facilitate the allocation of the Company's securities to Amgen Inc. ("**Amgen**") up to a maximum amount of shares in order to allow Amgen to maintain the same shareholding percentage in the Company (based on its then-outstanding issued shares of the Company) before and after a securities offering conducted pursuant to the Company's general mandate, the Company has applied for, and the HKEx has agreed to grant, a waiver from Rule 13.36(1) of the HKEX Listing Rules and the independent shareholder approval requirements set out in Chapter 14A of the HKEX Listing Rules subject to the following conditions:

(a) at the next annual general meeting ("**AGM**"), the Company would put forward the following two resolutions to its shareholders:

  (i) a resolution to approve a general mandate to issue shares within the parameters of Rule 13.36 of the HKEX Listing Rules up to the 2021 AGM of the Company; and

  (ii) a resolution authorizing the Company and its underwriters/placing agents, at their sole discretion, to allocate to Amgen up to a maximum amount of shares in order to allow Amgen to maintain the same shareholding percentage in the Company (based on its then outstanding shareholding percentage) before and after the allocation of the corresponding securities issued pursuant to an offering conducted pursuant to a general mandate for a period of five years, which period will be subject to an extension on a rolling basis each year, conditional on the approval of the independent shareholders;

(b) the resolutions outlined in paragraphs (a)(i) and (a)(ii) are not interdependent in that the Company's shareholders may approve the resolution outlined in paragraph (a)(i) without approving the resolution outlined in paragraph (a)(ii);

(c) Amgen would abstain from voting on the resolutions outlined in paragraphs (a)(ii) above and paragraph (j)(ii) below;

(d) the authorization provided in paragraphs (a)(ii) above and (j)(ii) below would only be valid to the extent Amgen holds less than 50% of the then-outstanding shares of the Company;

(e) any securities issued to Amgen in an offering conducted pursuant to a general mandate shall be for cash consideration only and not as consideration for any acquisition;

(f) Amgen shall not be entitled to have any representatives on the committee of the Board of Directors responsible for determining specific pricing of any offering;

(g) apart from the potential authorized allocation, Amgen will subscribe for securities on the same terms and conditions as all other placees in any offering and shall not be entitled to any preferential treatment with respect to any offering conducted, and shall (among other things) be required to pay the same price for any securities offered as other participants in any offering;

(h) the waiver (or any subsequent renewal thereof) only remains valid for so long as the Company maintains its listing on the Nasdaq;

(i) the Company shall disclose the waiver in its proxy statement and in the proxy statement for each subsequent AGM; and

(j) at each subsequent AGM, the Company would put forward the following two resolutions to its shareholders;

(i) a resolution to approve a general mandate to issue shares within the parameters of Rule 13.36 of the HKEX Listing Rules up to the next AGM of the Company; and

(ii) a resolution authorizing the Company and its underwriters/placing agents, at their sole discretion, to allocate to Amgen up to a maximum amount of shares in order to allow Amgen to maintain the same shareholding percentage in the Company (based on its then-outstanding shareholding percentage) before and after the allocation of the corresponding securities issued pursuant to an offering conducted pursuant to the general mandate for an additional one year period beyond the initial five year period approved at the AGM.

COLLABORATION AGREEMENT

A Collaboration Agreement (the "**Collaboration Agreement**") dated October 31, 2019 was entered into by and among the Company, BeiGene Switzerland GmbH and Amgen in respect of the parties' collaboration (the "**Collaboration**") on the commercialization of Amgen's oncology products XGEVA® (denosumab), KYPROLIS® (carfilzomib) and BLINCYTO® (blinatumomab) (the "**In-Line Products**") in China and the development and commercialization of a series of Amgen's oncology pipeline products (the "**Pipeline Products**", together with the In-Line Products, the "**Products**", and will continue in effect on a product-by-product basis unless terminated by either party pursuant to its terms. The Collaboration Agreement may be terminated by mutual written consent of the parties, or by either party upon the other party's uncured material breach, insolvency, failure to comply with specified compliance provisions, or subject to a specified negotiation mechanism, certain adverse economic impacts or the failure to meet commercial objectives. In addition, Amgen may terminate the Collaboration Agreement with respect to a Pipeline Product in the event it suspends development of such Pipeline Product worldwide outside of China on specified terms, subject to the parties determining whether to continue development of the Pipeline Product in China.

Collaboration Agreement – Not setting fixed term

Under Rule 14A.52 of the HKEX Listing Rules, the period of an agreement for a continuing connected transaction must be fixed. However, the term of the Collaboration Agreement is for an unspecified term as it will, unless terminated in accordance with its terms, remain in effect.

As the Company believes that it is a market practice in the biotechnology industry for similar collaboration agreements to be entered into for a long term or for an indefinite term, due (among other things) to the substantial amount of time and capital committed by the collaboration parties and the risks involved in developing and commercializing oncology drugs, the Company has applied for, and the HKEx has agreed to grant, a waiver from strict compliance with Rule 14A.52 of the HKEX Listing Rules.

Collaboration Agreement – Not setting monetary caps

As the In-Line Products have limited commercialization history in China or have not previously been commercialized in China and the Pipeline Products are currently at clinical- and late-pre-clinical stage, there are no historical amounts for the following transaction amounts under the Collaboration Agreement: (i) the costs of developing the Pipeline Products; (ii) the costs and revenues of the commercialization of the Products; and (iii) the royalties to be received by the Company. The Company believes that strict compliance with the requirements of Rule 14A.53(1) of the HKEX Listing Rules for setting monetary caps in relation to the costs and revenues of the commercialization of the Products and the royalties to be received by the Company as contemplated under the Collaboration Agreement is impractical and not in the best interests of shareholders for the following reasons:

(a) it is impractical for the Company to accurately estimate the amount of profits to be made on the sales of the Products because the sales are driven by market demand that hinges, in turn, on various factors, including clinical efficacy and safety of the Products, availability of competitive products, acceptance by the medical community, patient access, drug pricing and reimbursement. These factors may vary by geography;

(b) the In-Line Products have limited commercialization history in China or have not previously been sold in the China market so it is difficult to predict the expected profits with any precision. Similarly, as the Pipeline Products are still under development and are likely at least a few years away from commercialization, there is no reliable information (including but not limited to historical sales figures) for accurately estimating future sales volumes;

(c) adopting fixed monetary caps will impose an arbitrary ceiling on the profits that the Company could derive from the development and commercialization of the Products. Monetary caps would also be contrary to the purpose of entering into the Collaboration Agreement, which is intended to incentivize the parties to perform their very best; and

(d) it would be highly impracticable to set meaningful monetary caps given the long-term nature of the Collaboration Agreement.

The Company has therefore applied for, and the HKEx has agreed to grant, a waiver from the monetary cap requirements under the HKEX Listing Rules.

The waiver from strict compliance with Rules 14A.52 and 14A.53(1) of the HKEX Listing Rules that require a fixed term and annual monetary caps, respectively, for continuing connected transactions is subject to the following conditions:

(a) the Company will comply with the announcement, circular and independent shareholders' approval requirements under Chapter 14A of the HKEX Listing Rules if there are any material changes to the terms of the Collaboration Agreement;

(b) the Company's independent non-executive directors from time to time will ensure that the transactions in relation to the Collaboration Agreement are undertaken in accordance with the terms of the relevant Collaboration Agreement;

(c) the Senior Vice President, General Counsel of the Company will use his best endeavours to supervise the compliance with the terms of the Collaboration Agreements and applicable HKEX Listing Rules requirements to the extent not waived by the HKEx on a regular basis;

(d) the independent non-executive directors and the auditors of the Company will review the transactions in relation to the Collaboration Agreement on an annual basis and confirm in the Company's annual reports the matters set out in Rules 14A.55 and 14A.56 of the HKEX Listing Rules, respectively; and

(e) in the event of any future amendments to the HKEX Listing Rules imposing more stringent requirements than those as at the date of the announcement published by the Company on November 1, 2019 via the HKEX, the Company will take immediate steps to ensure compliance with such new requirements.

Collaboration Agreement – Documents on display

Under Paragraph 43 of Appendix 1 Part B to the HKEX Listing Rules, a full, un-redacted copy of the Collaboration Agreement is required to be made available for public inspection for a reasonable period of time (being not less than 14 days) at a place in Hong Kong. As certain commercial terms of the Collaboration Agreement are highly confidential and commercially sensitive and the Company is required to file with the SEC a copy of the Collaboration Agreement but is permitted to redact certain commercial terms thereunder, the Company has applied for, and the HKEX has agreed to grant, a waiver from strict compliance with Paragraph 43 of Appendix 1 Part B to the HKEX Listing Rules to permit the Company to make available for public inspection for not less than 14 days at a place in Hong Kong a copy of the Collaboration Agreement with certain commercial terms thereunder redacted and/or replaced with other appropriate references set out in the Company's proxy statement.

DIRECT PURCHASE OPTION GRANTED TO AMGEN

In order to account for periodic dilution from the issuance of its shares under the Company's equity incentive plans, on March 17, 2020, the Company entered into a second amendment of a share purchase agreement dated October 31, 2019 ("**Share Purchase Agreement**") entered into between the Company and Amgen in respect of Amgen's subscription of the Company's shares, which was restated on September 24, 2020 ("**Restated Second Amendment**"). Pursuant to the Restated Second Amendment, Amgen will have a direct purchase option ("**Direct Purchase Option**") to subscribe for additional shares ("**Additional Shares**") in an amount necessary to enable it to increase (and subsequently maintain) its ownership at approximately 20.6% of the Company's outstanding share capital (the "**Maintenance Threshold**"). The Direct Purchase Option is exercisable on a monthly basis but only if Amgen's interest in the outstanding share capital of the Company at the monthly reference date is less than 20.4% as a result of the issuance of new shares pursuant to the Company's equity incentive plans. The monthly reference date is the day on which the Company's ADSs are trading on Nasdaq immediately preceding the first day of each calendar month during the term of the Direct Purchase Option. There are no other circumstances in which the Direct Purchase Option will be exercisable. The purpose of the increase in the Maintenance Threshold from 20.5% to 20.6% is to create an additional buffer for Amgen to maintain equity method accounting. The aggregate number of Additional Shares that may be purchased pursuant to the Direct Purchase Option shall not exceed 75,000,000 ordinary shares (subject to appropriate adjustment in the event of any share dividend, share split, combination or other similar recapitalization with respect to the shares of the Company) during the term of the Direct Purchase Option.

The purchase price for the Additional Shares will be the volume-weighted average price of the Company's ADSs on Nasdaq for the 90 days preceding the last trading day of the prior month. The formula for determining the purchase price was determined after arm's length negotiations between the Company and Amgen with reference to, among other things, the prevailing market price of the Company's ADSs, the trading performance of the Company's ADSs and current market conditions. The consideration payable by Amgen for its initial purchase of shares under the Share Purchase Agreement will not be adjusted to take into account the grant of the Direct Purchase Option.

The exercise period of the Direct Purchase Option will commence on the first day of the month following shareholders' approval of the Restated Second Amendment and a specific mandate under which the Additional Shares will be allotted and issued (the "**Specific Mandate**") and will terminate on the earliest of: (a) the date on which Amgen owns less than 20% of the outstanding share capital of the Company as a result of Amgen's sale of shares; (b) at least 60-day advance written notice from either Amgen or the Company that such party wishes to terminate the Direct Purchase Option; or (c) the third anniversary of the date on which the exercise period of the Direct Purchase Option commences. The Direct Purchase Option has no vesting period.

The Company has applied for, and the HKEx has granted, a waiver from Rules 13.36(1)(a) and 14A.36 of the HKEX Listing Rules in respect of the Direct Purchase Option based on the Company's funding need and subject to the following conditions:

(a) the Direct Purchase Option will be exercisable by Amgen solely as a result of dilution arising from issuance of new shares by the Company under its equity incentive plans from time to time;

(b) the Company will seek approval for the Direct Purchase Option from independent shareholders at an extraordinary general meeting and further approvals from independent shareholders at each subsequent annual general meeting during the remaining term of the Restated Second Amendment for issuance of new shares thereunder;

(c) the Company will disclose in the relevant annual general meeting circulars (i) the number of times of Amgen exercised the Direct Purchase Option during the preceding year; (ii) the number of shares acquired by Amgen as a result of such exercises; and (iii) the weighted average price of the shares acquired by Amgen under the Direct Purchase Option during the preceding year; and

(d) the Company will disclose details of this waiver in an announcement and the circular for the extraordinary general meeting convened to consider and, if thought fit, approve the Direct Purchase Option.

ISSUE OF RMB SHARES LISTED ON THE STAR MARKET

The Company issued RMB Shares which are listed and traded on the STAR Market of the Shanghai Stock Exchange in December 2021. Capitalized terms used herein shall have the same meanings as those defined in the announcements dated January 29, 2021, April 20, 2021 and November 30, 2021.

One-off waiver relating to no listing of the RMB Shares on the HKEX

As the RMB Shares will be of the same class as the Offshore Shares but will not be listed on the HKEX, the Company has applied for, and the HKEX has granted, a one-off waiver from strict compliance with Rules 8.20 and 13.26 of the HKEX Listing Rules so that there is no need to seek listing of the RMB Shares to be issued under the Proposed Issue of RMB Shares on the HKEX under Rules 8.20 and 13.26 of the HKEX Listing Rules, subject to the following conditions

(a) Rule 6.11 is modified such that the requirement of obtaining the prior approval of shareholders for voluntary withdrawal of listing on the HKEX by way of an ordinary resolution passed at a duly convened meeting shall apply to holders of Offshore Shares only;

(b) Rule 6.12 is modified such that the requirement of obtaining the prior approval of shareholders for voluntary withdrawal of listing on the HKEX by (i) at least 75% of the votes attaching to any class of listed securities held by holders voting either in person or by proxy at the meeting before voluntarily withdrawing its listing on the HKEX; and (ii) the number of votes cast against the resolution is not more than 10% of the votes attaching to any class of listed securities held by holders permitted under Rule 6.12(1) to vote in person or by proxy at the meeting, shall apply to holders of Offshore Shares only;

(c) Rule 6.15 is modified such that the requirement of fulfilling shareholders' approval requirements under the Takeovers Code for voluntary withdrawal of listing on the HKEX shall apply to holders of Offshore Shares only;

(d) Rule 13.36(2)(b) is modified such that the shareholders (including both holders of Offshore Shares and holders of RMB Shares) can by ordinary resolution in a general meeting give a general mandate to the directors under which (i) the aggregate number of Offshore Shares allotted or agreed to be allotted must not exceed 20% of the number of the issued Offshore Shares as at the date of the resolution granting the general mandate; and (ii) the aggregate number of RMB Shares allotted or agreed to be allotted must not exceed 20% of the number of the issued RMB Shares as at the date of the resolution granting the general mandate; and

(e) Rule 13.36(2)(b) of the HKEX Listing Rules is further modified such that the shareholders (including both holders of Offshore Shares and holders of RMB Shares) can by ordinary resolution in general meeting give a repurchase mandate to the directors under which (i) only the Offshore Shares may be repurchased; and (ii) the maximum number of Offshore Shares repurchased by the Company since the granting of the general mandate will be 10% of the number of the issued Offshore Shares as at the date of the resolution granting the repurchase mandate, and that, for the avoidance of doubt, no consent of shareholders in general meeting is required for any repurchase of the RMB Shares by the Company under the HKEX Listing Rules.

Waiver relating to corporate communications

As (i) the publication of corporate communications, including circulars, on the websites of the SSE and the Company and through other prescribed communication channels such as specified PRC newspapers would constitute effective delivery to the holders of the RMB Shares; and (ii) the Company is not required to (a) seek an express and positive written confirmation from each holder of the RMB Shares that corporate communications may be made available using electronic means; and (b) physically send a circular to the holders of the RMB Shares, the Company has applied for, and the HKEX has granted, a waiver from strict compliance with Rule 2.07A of the HKEX Listing Rules so that the requirements relating to corporate communications under Rule 2.07A of the HKEX Listing Rules will not apply to the holders of RMB Shares.

Waiver relating to the requirements for certification of transfers

As the transfers of RMB Shares on the STAR Market can be conducted by (i) centralized trading transfers (meaning transfers pursuant to transactions conducted between two parties holding the SSE stock accounts through the paperless trading platform of the SSE, which does not involve any certificate, temporary documents or split renounceable documents); and (ii) non-centralized trading transfers (including but not limited to share transfers due to written agreements, inheritance, gift and property division, for which the relevant applicant must submit materials required by the CSDC to complete the transfer, and the CSDC, which will be the Company's share registrar of the RMB Shares and the keeper of the register of holders of the RMB Shares, will provide services of certifying transfers against certificates or temporary documents and splitting renounceable documents with respect to such non-centralized trading transfers of the RMB Shares), the Company has applied for, and the HKEX has granted, a waiver from strict compliance with Rule 13.58 of the HKEX Listing Rules so that the requirements relating to certification of transfers to be completed within certain time frame under Rule 13.58 of the HKEX Listing Rules will not apply to the trading transfers of the RMB Shares. For the avoidance of doubt, such waiver does not apply to the non-trading transfers of the RMB Shares.

Waiver relating to requirements for securities registration services

As the CSDC will provide securities registration services to holders of the RMB Shares, and there is no need for certificate replacement service given that the RMB Shares can be traded electronically on the STAR Market and will not require a share certificate to evidence title, the Company has applied for, and the HKEX has granted, a waiver from strict compliance with Rules 13.59 and 13.60 of the HKEX Listing Rules so that the requirements relating to securities registration services under Rules 13.59 and 13.60 of the HKEX Listing Rules will not apply to the RMB Shares.

Waiver relating to Rule 10b5-1 trading plans of certain directors

Since its listing on the Nasdaq, and consistent with common practice in the U.S., certain of the Company's directors have directly or indirectly entered into Rule 10b5-1 trading plans (the "**Trading Plans**") with trading plan agents, to delegate authority to such agents (which are reputable financial institutions in the U.S. and are independent persons (i.e. not connected persons) of the Company) to execute trades of ADSs of the Company on behalf of the relevant director in compliance with Rule 10b5-1 of the U.S. Securities Exchange Act of 1934, as amended (the "**Exchange Act**").

Under U.S. securities laws, sales and purchases of securities made pursuant to a qualified Rule 10b5-1 trading plan are afforded an affirmative defense to insider trading liability under Section 10(b) and Rule 10b-5 of the Exchange Act.

The Trading Plans are entered into with the Trading Plan agents directly or indirectly through their corporate vehicles or trusts by the directors of the Company. Through such plans, the directors provide execution instructions to the agents, such as the maximum number or value of securities to be sold or purchased per day or in the aggregate during the term of the plan, as well as the minimum or maximum limit price at which the securities may be sold or purchased. The Trading Plan agent will then use its discretion to sell or purchase the relevant securities, taking into account factors such as price, liquidity pool, execution speed and transaction costs, but within the limits of the instructions given by the director as stipulated in each Trading Plan.

In addition, the Trading Plans are only entered into by the directors at a time when they are not in possession of material non-public information ("**MNPI**"), and there is a minimum 90-day period after entering into a Trading Plan before the first trade can commence. There are also similar cooling off periods in relation to the modification or termination of the Trading Plans. For instance, any modification of the Trading Plans can only be made outside of any "blackout periods" set forth in the Company's insider trading policies and is limited to one time in any 12-month period under the Company's policies (provided if this would not result in a breach of applicable law or regulation, including the Model Code for Securities Transactions by Directors of Listed Issuers (the "**Model Code**") under the Hong Kong Listing Rules, such as where such modification or termination is made during the "blackout periods" under the Model Code, or when made while the relevant director is in possession of non-public inside information, and certain conditions may be imposed, such as rejection of the modification if it is made during the Company's blackout period, or requiring a cooling-off period for the modification).

Such plans provide flexibility to listed companies and their insiders, including executives and directors, who have limited windows in which they do not possess MNPI, and allow them to plan and execute future trades with greater certainty.

In this regard, the Model Code sets out certain restrictions in terms of dealing in securities of the Company by its directors. Due to the nature of such Trading Plans whereby a director adopts a Trading Plan outside of the blackout period under the Model Code and when he or she is not in possession of inside information, and delegates authority to the Trading Plan agent to subsequently execute a trade of the Company's securities, the eventual trade of those securities may in certain situations occur during the blackout period stipulated by Rule A.3(a) of Model Code, or occur when the director is in possession of inside information, hence breaching Rule A.1 of the Model Code. To facilitate the operation of such Trading Plans, the Company, on behalf of the relevant directors, sought a waiver from Rules A.1, A.3(a) and B.8 of the Model Code.

On March 6, 2026, the Stock Exchange granted a waiver from Rules A.1, A.3(a) and B.8 of the Model Code in relation to the future trades of securities through a trading plan adopted by Mr. John Oyler (the "**Trading Plan Waiver I**"). Such trading plan was adopted on March 10, 2026 (U.S. Time) and will terminate on July 10, 2027. A maximum of 978,386 ADSs may be sold under Mr. Oyler's trading plan.

On June 4, 2026, the Stock Exchange granted a waiver from Rules A.1, A.3(a) and B.8 of the Model Code in relation to the future trades of securities through a trading plan adopted by Dr. Xiaodong Wang (the "**Trading Plan Waiver II**"). Such trading plan was adopted on June 9, 2026 and will terminate on September 8, 2027. A maximum of 131,370 ADSs may be sold under Dr. Wang's trading plan.

The Trading Plan Waiver I and Trading Plan Waiver II were granted for existing Trading Plans only and are subject to the following conditions:

a) the Company's ADSs remain listed on Nasdaq;

b) the relevant Rule 10b5-1 trading plans comply with the requirements of Rule 10b5-1 of the Exchange Act;

c) before entering into a Rule 10b5-1 trading plan, the relevant director shall notify in writing the designated insider trading compliance officer of the Company; and

d) the Company discloses such waiver in its company information sheet.

For future Trading Plans, the Company may make further waiver applications on an individual basis on behalf of its directors.

EXERCISE PRICE OF OPTIONS TO BE GRANTED PURSUANT TO THE THIRD AMENDED AND RESTATED 2016 SHARE OPTION AND INCENTIVE PLAN

Rule 17.03E of the HKEX Listing Rules, which took effect on January 1, 2023, states that the exercise price of an option must be at least the higher of: (i) the closing price of the shares as stated in HKEX's daily quotations sheet on the date of grant, which must be a business day; and (ii) the average closing price of the shares as stated in the HKEX's daily quotations sheets for the five business days immediately preceding the date of grant.

Since the listing of the Company's ADSs on the Nasdaq, it has been the Company's practice to issue options exercisable into ADSs (which represents underlying ordinary shares) denominated in U.S. dollars under its equity plans and the Company will continue to issue options exercisable into ADSs under the Third Amended and Restated 2016 Share Option and Incentive Plan. By definition, ADSs are denominated in U.S. dollars, and the exercise price for options with respect to ADSs will necessarily be presented in U.S. dollars.

On the basis that: (i) the method for determining the exercise price of options covering ADSs replicates the requirement in Rule 17.03E of the HKEX Listing Rules; (ii) the majority of the trading volume in the Company's securities has been on the Nasdaq, (iii) it has been the Company's practice to issue options over ADSs with exercise prices that are denominated in U.S. dollars; and (iv) it would be impracticable for the Company to strictly comply with Rule 17.03E of the HKEX Listing Rules, the Company has applied for, and the HKEX has granted, a waiver from strict compliance with Rule 17.03E of the HKEX Listing Rules such that the Company will be able to determine the exercise price for options to be granted under its share schemes based on the higher of: (i) the per-share closing price of the Company's ADSs on the Nasdaq on the date of grant, which must be a Nasdaq trading day; and (ii) the average per-share closing price of the Company's ADSs on the Nasdaq for the five Nasdaq trading days immediately preceding the date of grant, on the condition that the Company shall not issue any share options with an exercise price denominated in Hong Kong dollars unless such exercise price complies with Rule 17.03E of the HKEX Listing Rules.

AMENDED AND RESTATED DEPOSIT AGREEMENT

AMENDED AND RESTATED DEPOSIT AGREEMENT, dated as of May 27, 2025, by and among (i) BeOne Medicines Ltd., a company limited by shares incorporated and existing under the laws of Switzerland, and its successors (the "Company"), (ii) CITIBANK, N.A., a national banking association organized under the laws of the United States of America ("Citibank") acting in its capacity as depositary, and any successor depositary hereunder (Citibank in such capacity, the "Depositary"), and (iii) all Holders and Beneficial Owners of American Depositary Shares issued hereunder (all such capitalized terms as hereinafter defined).

WITNESSETH THAT:

WHEREAS, the Company and the Depositary previously entered into a Deposit Agreement, dated as of February 5, 2016, as amended (the "Original Deposit Agreement"); and

WHEREAS, the Company and the Depositary wish to amend and restate the Original Deposit Agreement in its entirety upon the terms and conditions set forth herein in connection with the re-domiciliation of the Company from a company organized under the laws of the Cayman Islands to a company limited by shares incorporated under the laws of Switzerland; and

WHEREAS, the Depositary is willing to continue acting as the Depositary for such ADR facility upon the terms set forth in the Deposit Agreement (as hereinafter defined); and

WHEREAS, any American Depositary Receipts issued pursuant to the terms of the Deposit Agreement are to be substantially in the form of Exhibit A attached hereto, with appropriate insertions, modifications and omissions, as hereinafter provided in the Deposit Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I

DEFINITIONS

All capitalized terms used, but not otherwise defined, herein shall have the meanings set forth below, unless otherwise clearly indicated:

Section 1.1. "**ADS Record Date**" shall have the meaning given to such term in Section 4.9.

Section 1.2. "**Affiliate**" shall have the meaning assigned to such term by the Commission (as hereinafter defined) under Regulation C promulgated under the Securities Act (as hereinafter defined), or under any successor regulation thereto.

Section 1.3. "**American Depositary Receipt(s)**", "**ADR(s)**" and "**Receipt(s)**" shall mean the certificate(s) issued by the Depositary to evidence the American Depositary Shares issued under the terms of the Deposit Agreement in the form of Certificated ADS(s) (as hereinafter defined), as such ADRs may be amended from time to time in accordance with the provisions of the Deposit Agreement. An ADR may evidence any number of ADSs and may, in the case of ADSs held through a central depository such as DTC, be in the form of a "Balance Certificate." Notwithstanding anything else contained herein or therein to the contrary, the American depositary receipts issued and outstanding under the terms of the Original Deposit Agreement shall, from and after the date hereof, be treated as ADRs issued hereunder and shall, from and after the date hereof, be subject to the terms hereof in all respects.

Section 1.4. "**American Depositary Share(s)**" and "**ADS(s)**" shall mean the rights and interests in the Deposited Property (as hereinafter defined) granted to the Holders and Beneficial Owners pursuant to the terms and conditions of the Deposit Agreement and, if issued as Certificated ADS(s) (as hereinafter defined), the ADR(s) issued to evidence such ADSs. ADS(s) may be issued under the terms of the Deposit Agreement in the form of (a) Certificated ADS(s) (as hereinafter defined), in which case the ADS(s) are evidenced by ADR(s), or (b) Uncertificated ADS(s) (as hereinafter defined), in which case the ADS(s) are not evidenced by ADR(s) but are reflected on the direct registration system maintained by the Depositary for such purposes under the terms of Section 2.13. Unless otherwise specified in the Deposit Agreement or in any ADR, or unless the context otherwise requires, any reference to ADS(s) shall include Certificated ADS(s) and Uncertificated ADS(s), individually or collectively, as the context may require. Each ADS shall represent the right to receive, and to exercise the beneficial ownership interests in, the number of Shares specified in the form of ADR attached hereto as Exhibit A (as amended from time to time) that are on deposit with the Depositary and/or the Custodian, subject, in each case, to the terms and conditions of the Deposit Agreement and the applicable ADR (if issued as a Certificated ADS), until there shall occur a distribution upon Deposited Securities referred to in Section 4.2 or a change in Deposited Securities referred to in Section 4.11 with respect to which additional ADSs are not issued, and thereafter each ADS shall represent the right to receive, and to exercise the beneficial ownership interests in, the applicable Deposited Property on deposit with the Depositary and the Custodian determined in accordance with the terms of such Sections, subject, in each case, to the terms and conditions of the Deposit Agreement and the applicable ADR (if issued as a Certificated ADS).

In addition, the ADS(s)-to-Share(s) ratio is subject to amendment as provided in Articles IV and VI of the Deposit Agreement (which may give rise to Depositary fees). American depositary shares outstanding under the Original Deposit Agreement as of the date hereof shall, from and after the date hereof, for all purposes be treated as American Depositary Shares issued and outstanding hereunder and shall, from and after the date hereof, be subject to the terms and conditions of the Deposit Agreement in all respects, except that any amendment of the Original Deposit Agreement effected under the terms of the Deposit Agreement which prejudices any substantial existing right of "Holders" or "Beneficial Owners" (each as defined in the Original Deposit Agreement) shall not become effective as to "Beneficial Owners" and "Holders" of American depositary shares until the expiration of thirty (30) days after notice of the amendments effected by the Deposit Agreement shall have been given to the "Holders" or "Beneficial Owners" of American depositary shares outstanding under the Original Deposit Agreement as of the date hereof.

Section 1.5. "**Articles of Association**" shall mean the articles of association of the Company, as amended or restated and in effect from time to time.

Section 1.6. "**Beneficial Owner**" shall mean, as to any ADS, any person or entity having a beneficial interest deriving from the ownership of such ADS. Notwithstanding anything else contained in the Deposit Agreement, any ADR(s) or any other instruments or agreements relating to the ADSs and the corresponding Deposited Property, the Depositary, the Custodian and their respective nominees are intended to be, and shall at all times during the term of the Deposit Agreement be, the record holders only of the Deposited Property represented by the ADSs for the benefit of the Holders and Beneficial Owners of the corresponding ADSs. The Depositary, on its own behalf and on behalf of the Custodian and their respective nominees, disclaims any beneficial ownership interest in the Deposited Property held on behalf of the Holders and Beneficial Owners of ADSs. The beneficial ownership interests in the Deposited Property are intended to be, and shall at all times during the term of the Deposit Agreement continue to be, vested in the Beneficial Owners of the ADSs representing the Deposited Property. The beneficial ownership interests in the Deposited Property shall, unless otherwise agreed by the Depositary, be exercisable by the Beneficial Owners of the ADSs only through the Holders of such ADSs, by the Holders of the ADSs (on behalf of the applicable Beneficial Owners) only through the Depositary, and by the Depositary (on behalf of the Holders and Beneficial Owners of the corresponding ADSs) directly, or indirectly through the Custodian or their respective nominees, in each case upon the terms of the Deposit Agreement and, if applicable, the terms of the ADR(s) evidencing the ADSs. A Beneficial Owner of ADSs may or may not be the Holder of such ADSs. A Beneficial Owner shall be able to exercise any right or receive any benefit hereunder solely through the person who is the Holder of the ADSs owned by such Beneficial Owner. Unless otherwise identified to the Depositary, a Holder shall be deemed to be the Beneficial Owner of all the ADSs registered in his/her/its name. The manner in which Beneficial Owners own and/or hold ADSs (e.g., in a brokerage account vs. as registered Holders on the ADS register maintained by the Depositary), the type of ADSs held (e.g., freely transferable ADSs vs. Restricted ADSs, and/or Full Entitlement ADSs vs. Partial Entitlement ADSs), the timeframe of issuance and ownership of ADSs (e.g., as of an ADS Record Date vs. before and/or after an ADS Record Date), and the number of ADSs held, may affect the rights and obligations of Beneficial Owners (including, without limitation, the ADS fees payable by Beneficial Owners), and the manner in which, and the extent to which, services are made available to, Beneficial Owners, in each case pursuant to the terms of the Deposit Agreement. Persons who own beneficial interests in the American depositary shares issued under the terms of the Original Deposit Agreement and outstanding as of the date hereof shall, from and after the date hereof, be treated as Beneficial Owners of ADS(s) under the terms hereof.

Section 1.7. "**Certificated ADS(s)**" shall have the meaning set forth in Section 2.13.

Section 1.8. **"Citibank"** shall mean Citibank, N.A., a national banking association organized under the laws of the United States of America, and its successors.

Section 1.10. "**Company**" shall mean BeOne Medicines Ltd., a company limited by shares incorporated and existing under the laws of Switzerland, and formerly known as "BeiGene Ltd.", and its successors.

Section 1.11. "**Custodian**" shall mean (i) as of the date hereof, Citibank, N.A. – Hong Kong, having its principal office at 9/F Citi Tower, One Bay East, 83 Hoi Bun Road, Kwun Tong, Kowloon, Hong Kong, as the custodian of Deposited Property for the purposes of the Deposit Agreement, (ii) Citibank N.A., acting as custodian of Deposited Property pursuant to the Deposit Agreement, and (iii) any other entity that may be appointed by the Depositary pursuant to the terms of Section 5.5 as successor, substitute or additional custodian hereunder. The term "Custodian" shall mean any Custodian individually or all Custodians collectively, as the context requires.

Section 1.12. "**Deliver**" and "**Delivery**" shall mean (x) when used in respect of Shares and other Deposited Securities, either (i) the physical delivery of the certificate(s) representing such securities, or (ii) the book-entry transfer and recordation of such securities on the books of the Share Registrar (as hereinafter defined) or in the applicable book-entry settlement system, if available, and (y) when used in respect of ADSs, either (i) the physical delivery of ADR(s) evidencing the ADSs, or (ii) the book-entry transfer and recordation of ADSs on the books of the Depositary or any book-entry settlement system in which the ADSs are settlement-eligible.

Section 1.13. "**Deposit Agreement**" shall mean this Amended and Restated Deposit Agreement and all exhibits hereto, as the same may from time to time be amended and supplemented from time to time in accordance with the terms of the Deposit Agreement.

All Deposited Property shall be held by the Custodian, the Depositary and their respective nominees for the benefit of the Holders and Beneficial Owners of the ADSs representing the Deposited Property. The Deposited Property is not intended to, and shall not, constitute proprietary assets of the Depositary, the Custodian or their nominees. Beneficial ownership in the Deposited Property is intended to be, and shall at all times during the term of the Deposit Agreement continue to be, vested in the Beneficial Owners of the ADSs representing the Deposited Property. Notwithstanding anything else contained herein, the securities, cash and other property delivered to the Custodian and the Depositary in respect of American depositary shares outstanding as of the date hereof under the Original Deposit Agreement and defined as "Deposited Securities" thereunder shall, for all purposes from and after the date hereof, be considered to be, and treated as, Deposited Property hereunder in all respects.

Section 1.16. "**Deposited Securities**" shall mean the Shares and any other securities held on deposit by the Custodian from time to time in respect of the ADSs under the Deposit Agreement and constituting Deposited Property.

Section 1.19. "**DTC Participant**" shall mean any financial institution (or any nominee of such institution) having one or more participant accounts with DTC for receiving, holding and delivering the securities and cash held in DTC. A DTC Participant may or may not be a Beneficial Owner. If a DTC Participant is not the Beneficial Owner of the ADSs credited to its account at DTC, or of the ADSs in respect of which the DTC Participant is otherwise acting, such DTC Participant shall be deemed, for all purposes hereunder, to have all requisite authority to act on behalf of the Beneficial Owner(s) of the ADSs credited to its account at DTC or in respect of which the DTC Participant is so acting. A DTC Participant, upon acceptance in any one of its DTC accounts of any ADSs (or any interest therein) issued in accordance with the terms and conditions of the Deposit Agreement, or by continuing to hold in any one of its DTC accounts, from and after the date hereof, any American depositary shares issued and outstanding under the Original Deposit Agreement, shall (notwithstanding any explicit or implicit disclosure that it may be acting on behalf of another party) be deemed for all purposes to be a party to, and bound by, the terms of the Deposit Agreement and the applicable ADR(s) to the same extent as, and as if the DTC Participant were, the Holder of such ADSs.

Section 1.20. "**Exchange Act**" shall mean the United States Securities Exchange Act of 1934, as amended from time to time.

Section 1.21. "**Foreign Currency**" shall mean any currency other than Dollars.

Section 1.22. "**Full Entitlement ADR(s)**", "**Full Entitlement ADS(s)**" **and** "**Full Entitlement Share(s)**" shall have the respective meanings set forth in Section 2.12.

The manner in which Holders hold ADSs (e.g., in a brokerage account vs. as registered holders), the type of ADSs held (e.g., freely transferable ADSs vs. Restricted ADSs, and/or Full Entitlement ADSs vs. Partial Entitlement ADSs), the timeframe of issuance and ownership of ADSs (e.g., as of an ADS Record Date vs. before and/or after an ADS Record Date), and the number of ADSs held, may affect the rights and obligations of Holders (including, without limitation, the ADS fees payable by Holders), and the manner in which, and the extent to which, services are made available to, Holders, in each case pursuant to the terms of the Deposit Agreement. The "Holders" or "Beneficial Owners" (each as defined in the Original Deposit Agreement) of American depositary shares issued under the terms of the Original Deposit Agreement and outstanding as of the date hereof shall from and after the date hereof, become Holders under the terms of the Deposit Agreement.

Section 1.24. **"Original Deposit Agreement"** shall mean the deposit agreement, dated as of February 5, 2016, by and among the Company, the Depositary, and the Holders and Beneficial Owners (as defined therein) of American depositary shares, as amended and supplemented prior to the date hereof.

ARTICLE II

APPOINTMENT OF DEPOSITARY; FORM OF RECEIPTS; DEPOSIT OF SHARES; EXECUTION AND DELIVERY, TRANSFER AND SURRENDER OF RECEIPTS

Section 2.1. Appointment of Depositary. The Company hereby appoints the Depositary as depositary for the Deposited Property and hereby authorizes and directs the Depositary to act in accordance with the terms and conditions set forth in the Deposit Agreement and the applicable ADRs. Each Holder and each Beneficial Owner, upon acceptance of any ADSs (or any interest therein) issued in accordance with the terms and conditions of the Deposit Agreement, or by continuing to hold, from and after the date hereof any American depositary shares issued and outstanding under the Original Deposit Agreement, shall be deemed for all purposes to (a) be a party to and bound by the terms of the Deposit Agreement and the applicable ADR(s) (subject to Section 7.11), and (b) appoint the Depositary as its attorney-in-fact, with full power to delegate, to act on its behalf and to take any and all actions contemplated in the Deposit Agreement and the applicable ADR(s), to adopt any and all procedures necessary to comply with applicable law and to take such action as the Depositary in its sole discretion may deem necessary or appropriate to carry out the purposes of the Deposit Agreement and the applicable ADR(s), the taking of such actions to be the conclusive determinant of the necessity and appropriateness thereof.

Section 2.2. Form and Transferability of ADSs.

(a) Form. Certificated ADSs shall be evidenced by definitive ADRs which shall be engraved, printed, lithographed or produced in such other manner as may be agreed upon by the Company and the Depositary. ADRs may be issued under the Deposit Agreement in denominations of any whole number of ADSs. The ADRs shall be substantially in the form set forth in Exhibit A to the Deposit Agreement, with any appropriate insertions, modifications and omissions, in each case as otherwise contemplated in the Deposit Agreement or required by law. ADRs shall be (i) dated, (ii) signed by the manual or facsimile signature of a duly authorized signatory of the Depositary, (iii) countersigned by the manual or facsimile signature of a duly authorized signatory of the Registrar, and (iv) registered in the books maintained by the Registrar for the registration of issuances and transfers of ADSs. No ADR and no Certificated ADS evidenced thereby shall be entitled to any benefits under the Deposit Agreement or be valid or enforceable for any purpose against the Depositary or the Company, unless such ADR shall have been so dated, signed, countersigned and registered (other than an American depositary receipt issued and outstanding as of the date hereof under the terms of the Original Deposit Agreement which from and after the date hereof becomes subject to the terms of the Deposit Agreement in all respects). ADRs bearing the facsimile signature of a duly authorized signatory of the Depositary or the Registrar, who at the time of signature was a duly authorized signatory of the Depositary or the Registrar, as the case may be, shall bind the Depositary, notwithstanding the fact that such signatory has ceased to be so authorized prior to the Delivery of such ADR by the Depositary. The ADRs shall bear a CUSIP number that is different from any CUSIP number that was, is or may be assigned to any depositary receipts previously or subsequently issued pursuant to any other arrangement between the Depositary (or any other depositary) and the Company and which are not ADRs outstanding hereunder.

(b) Legends. The ADRs may be endorsed with, or have incorporated in the text thereof, such legends or recitals not inconsistent with the provisions of the Deposit Agreement as may be (i) necessary to enable the Depositary and the Company to perform their respective obligations hereunder, (ii) required to comply with any applicable laws or regulations, or with the rules and regulations of any securities exchange or market upon which ADSs may be traded, listed or quoted, or to conform with any usage with respect thereto, (iii) necessary to indicate any special limitations or restrictions to which any particular ADRs or ADSs are subject by reason of the date of issuance of the Deposited Securities or otherwise, or (iv) required by any book-entry system in which the ADSs are held. Holders and Beneficial Owners shall be deemed, for all purposes, to have notice of, and to be bound by, the terms and conditions of the legends set forth, in the case of Holders, on the ADR registered in the name of the applicable Holders or, in the case of Beneficial Owners, on the ADR representing the ADSs owned by such Beneficial Owners.

(c) Title. Subject to the limitations contained herein and in the ADR, title to an ADR (and to each Certificated ADS evidenced thereby) shall be transferable upon the same terms as a certificated security under the laws of the State of New York, provided that, in the case of Certificated ADSs, such ADR has been properly endorsed or is accompanied by proper instruments of transfer. Notwithstanding any notice to the contrary, the Depositary and the Company may deem and treat the Holder of an ADS (that is, the person in whose name an ADS is registered on the books of the Depositary) as the absolute owner thereof for all purposes. Neither the Depositary nor the Company shall have any obligation nor be subject to any liability under the Deposit Agreement or any ADR to any holder or any Beneficial Owner unless, in the case of a holder of ADSs, such holder is the Holder registered on the books of the Depositary or, in the case of a Beneficial Owner, such Beneficial Owner, or the Beneficial Owner's representative, is the Holder registered on the books of the Depositary.

(d) Book-Entry Systems. The Depositary shall make arrangements for the acceptance of the ADSs into DTC. All ADSs held through DTC will be registered in the name of the nominee for DTC (currently "Cede & Co."). As such, the nominee for DTC will be the only "Holder" of all ADSs held through DTC. Unless issued by the Depositary as Uncertificated ADSs, the ADSs registered in the name of Cede & Co. will be evidenced by one or more ADR(s) in the form of a "Balance Certificate," which will provide that it represents the aggregate number of ADSs from time to time indicated in the records of the Depositary as being issued hereunder and that the aggregate number of ADSs represented thereby may from time to time be increased or decreased by making adjustments on such records of the Depositary and of DTC or its nominee as hereinafter provided. Citibank, N.A. (or such other entity as is appointed by DTC or its nominee) may hold the "Balance Certificate" as custodian for DTC. Each Beneficial Owner of ADSs held through DTC must rely upon the procedures of DTC and the DTC Participants to exercise or be entitled to any rights attributable to such ADSs. The DTC Participants shall for all purposes be deemed to have all requisite power and authority to act on behalf of the Beneficial Owners of the ADSs held in the DTC Participants' respective accounts in DTC and the Depositary shall for all purposes be authorized to rely upon any instructions and information given to it by DTC Participants. So long as ADSs are held through DTC or unless otherwise required by law, ownership of beneficial interests in the ADSs registered in the name of the nominee for DTC will be shown on, and transfers of such ownership will be effected only through, records maintained by (i) DTC or its nominee (with respect to the interests of DTC Participants), or (ii) DTC Participants or their nominees (with respect to the interests of clients of DTC Participants). Any distributions made, and any notices given, by the Depositary to DTC under the terms of the Deposit Agreement shall (unless otherwise specified by the Depositary) satisfy the Depositary's obligations under the Deposit Agreement to make such distributions, and give such notices, in respect of the ADSs held in DTC (including, for avoidance of doubt, to the DTC Participants holding the ADSs in their DTC accounts and to the Beneficial Owners of such ADSs).

Section 2.3. Deposit of Shares. Subject to the terms and conditions of the Deposit Agreement and applicable law, Shares or evidence of rights to receive Shares (other than Restricted Securities) may be deposited by any person (including the Depositary in its individual capacity but subject, however, in the case of the Company or any Affiliate of the Company, to Section 5.7) at any time, whether or not the transfer books of the Company or the Share Registrar, if any, are closed, by Delivery of the Shares to the Custodian. Every deposit of Shares shall be accompanied by the following: (A) (i) in the case of Shares represented by certificates issued in registered form, appropriate instruments of transfer or endorsement, in a form satisfactory to the Custodian, (ii) in the case of Shares represented by certificates in bearer form, the requisite coupons and talons pertaining thereto, and (iii) in the case of Shares delivered by book-entry transfer and recordation, confirmation of such book-entry transfer and recordation in the books of the Share Registrar or of the applicable book-entry settlement entity, as applicable, to the Custodian or that irrevocable instructions have been given to cause such Shares to be so transferred and recorded, (B) such certifications and payments (including, without limitation, the Depositary's fees and related charges) and evidence of such payments (including, without limitation, stamping or otherwise marking such Shares by way of receipt) as may reasonably be required by the Depositary or the Custodian in accordance with the provisions of the Deposit Agreement and applicable law, (C) if the Depositary so requires, a written order directing the Depositary to issue and deliver to, or upon the written order of, the person(s) stated in such order the number of ADSs representing the Shares so deposited, (D) evidence reasonably satisfactory to the Depositary (which may be an opinion of counsel) that all necessary approvals have been granted by, or there has been compliance with the rules and regulations of, any applicable governmental agency in Switzerland, and (E) if the Depositary so requires, (i) an agreement, assignment or instrument reasonably satisfactory to the Depositary or the Custodian which provides for the prompt transfer by any person in whose name the Shares are or have been recorded to the Custodian of any distribution, or right to subscribe for additional Shares or to receive other property in respect of any such deposited Shares or, in lieu thereof, such indemnity or other agreement as shall be reasonably satisfactory to the Depositary or the Custodian and (ii) if the Shares are registered in the name of the person on whose behalf they are presented for deposit, a proxy or proxies entitling the Custodian to exercise voting rights in respect of the Shares for any and all purposes until the Shares so deposited are registered in the name of the Depositary, the Custodian or any nominee.

Without limiting any other provision of the Deposit Agreement, the Depositary shall instruct the Custodian not to, and the Depositary shall not knowingly, accept for deposit (a) any Restricted Securities (except as contemplated by Section 2.14) nor (b) any fractional Shares or fractional Deposited Securities nor (c) a number of Shares or Deposited Securities which upon application of the ADS to Shares ratio would give rise to fractional ADSs. No Shares shall be accepted for deposit unless accompanied by evidence, if any is required by the Depositary, that is reasonably satisfactory to the Depositary or the Custodian that all conditions to such deposit have been satisfied by the person depositing such Shares under the laws and regulations of Switzerland and any necessary approval has been granted by any applicable governmental body in Switzerland, if any. The Depositary may issue ADSs against evidence of rights to receive Shares from the Company, any agent of the Company or any custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the Shares. Such evidence of rights shall consist of written blanket or specific guarantees of ownership of Shares furnished by the Company or any such custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the Shares.

Without limitation of the foregoing, the Depositary shall not knowingly accept for deposit under the Deposit Agreement (A) any Shares or other securities required to be registered under the provisions of the Securities Act, unless (i) a registration statement is in effect as to such Shares or other securities or (ii) the deposit is made upon terms contemplated in Section 2.14, or (B) any Shares or other securities the deposit of which would violate any provisions of the Articles of Association unless the Company has furnished the Depositary with a written opinion of Swiss counsel (reasonably satisfactory to the Depositary) stating that such deposit does not violate the Articles of Association. For purposes of the foregoing sentence, the Depositary shall be entitled to rely upon representations and warranties made or deemed made pursuant to the Deposit Agreement and shall not be required to make any further investigation. The Depositary will comply with written instructions of the Company (received by the Depositary reasonably in advance) not to accept for deposit hereunder any Shares identified in such instructions at such times and under such circumstances as may reasonably be specified in such instructions in order to facilitate the Company's compliance with the securities laws of the United States.

Section 2.4. Registration and Safekeeping of Deposited Securities. The Depositary shall instruct the Custodian upon each Delivery of registered Shares being deposited hereunder with the Custodian (or other Deposited Securities pursuant to Article IV hereof), together with the other documents above specified, to present such Shares, together with the appropriate instrument(s) of transfer or endorsement, duly stamped, to the Share Registrar for transfer and registration of the Shares (as soon as transfer and registration can be accomplished and at the expense of the person for whom the deposit is made) in the name of the Depositary, the Custodian or a nominee of either. Deposited Securities shall be held by the Depositary, or by a Custodian for the account and to the order of the Depositary or a nominee of the Depositary, in each case, on behalf of the Holders and Beneficial Owners, at such place(s) as the Depositary or the Custodian shall determine. Notwithstanding anything else contained in the Deposit Agreement, any ADR(s), or any other instruments or agreements relating to the ADSs and the corresponding Deposited Property, the registration of the Deposited Securities in the name of the Depositary, the Custodian or any of their respective nominees, shall, to the maximum extent permitted by applicable law, vest in the Depositary, the Custodian or the applicable nominee the record ownership in the applicable Deposited Securities with the beneficial ownership rights and interests in such Deposited Securities being at all times vested with the Beneficial Owners of the ADSs representing the Deposited Securities. Notwithstanding the foregoing, the Depositary, the Custodian and the applicable nominee shall at all times be entitled to exercise the beneficial ownership rights in all Deposited Property, in each case only on behalf of the Holders and Beneficial Owners of the ADSs representing the Deposited Property, upon the terms set forth in the Deposit Agreement and, if applicable, the ADR(s) representing the ADSs. The Depositary, the Custodian and their respective nominees shall for all purposes be deemed to have all requisite power and authority to act in respect of Deposited Property on behalf of the Holders and Beneficial Owners of ADSs representing the Deposited Property, and upon making payments to, or acting upon instructions from, or information provided by, the Depositary, the Custodian or their respective nominees all persons shall be authorized to rely upon such power and authority.

Section 2.5. Issuance of ADSs. The Depositary has made arrangements with the Custodian for the Custodian to confirm to the Depositary upon receipt of a deposit of Shares (i) that a deposit of Shares has been made pursuant to Section 2.3, (ii) that such Deposited Securities have been recorded in the name of the Depositary, the Custodian or a nominee of either on the shareholders' register maintained by or on behalf of the Company by the Share Registrar or on the books of the applicable book-entry settlement entity, (iii) that all required documents have been received, and (iv) the person(s) to whom or upon whose order ADSs are deliverable in respect thereof and the number of ADSs to be so delivered. Such notification may be made by letter, cable, telex, SWIFT message or, at the risk and expense of the person making the deposit, by facsimile or other means of electronic transmission. Upon receiving such notice from the Custodian, the Depositary, subject to the terms and conditions of the Deposit Agreement and applicable law, shall issue the ADSs representing the Shares so deposited to or upon the order of the person(s) named in the notice delivered to the Depositary and, if applicable, shall execute and deliver at its Principal Office Receipt(s) registered in the name(s) requested by such person(s) and evidencing the aggregate number of ADSs to which such person(s) is/are entitled, but, in each case, only upon payment to the Depositary of the ADS fees and charges of the Depositary for accepting a deposit of Shares and issuing ADSs (as set forth in Section 5.9 and Exhibit B hereto) and all taxes and governmental charges and fees payable in connection with such deposit and the transfer of the Shares and the issuance of the ADS(s). Upon receipt of satisfactory instructions from ADS Holders and payment of applicable taxes and the ADS fees and charges of the Depositary for the issuance, cancellation and conversion of ADSs (as set forth in Section 5.9 and Exhibit B hereto), the Depositary shall also, subject to the applicable terms and conditions of, and contemplated in, the Deposit Agreement and applicable law, issue new ADSs in connection with the conversion of existing ADSs of one series for ADSs of another series (e.g. in connection with the conversion of Restricted ADSs into freely transferable ADSs and the conversion of Partial Entitlement ADSs into Full Entitlement ADSs), in which case the Depositary shall (i) only issue such number of new ADSs of one series as equals the number of existing ADSs cancelled of the corresponding series, and (ii) only process such ADS conversion to the extent the Depositary has to the extent applicable instructed the Custodian to transfer the corresponding Shares from and into the applicable custody accounts maintained for the applicable ADS series. The Depositary shall only issue ADSs in whole numbers and deliver, if applicable, ADR(s) evidencing whole numbers of ADSs.

Section 2.6. Transfer, Combination and Split-up of ADRs.

(a) Transfer. The Registrar shall as promptly as commercially practicable register the transfer of ADRs (and of the ADSs represented thereby) on the books maintained for such purpose and the Depositary shall as promptly as commercially practicable (x) cancel such ADRs and execute new ADRs evidencing the same aggregate number of ADSs as those evidenced by the ADRs canceled by the Depositary, (y) cause the Registrar to countersign such new ADRs and (z) Deliver such new ADRs to or upon the order of the person entitled thereto, if each of the following conditions has been satisfied: (i) the ADRs have been duly Delivered by the Holder (or by a duly authorized attorney of the Holder) to the Depositary at its Principal Office for the purpose of effecting a transfer thereof, (ii) the surrendered ADRs have been properly endorsed or are accompanied by proper instruments of transfer (including signature guarantees in accordance with standard securities industry practice), (iii) the surrendered ADRs have been duly stamped (if required by the laws of the State of New York or of the United States), and (iv) all applicable fees and charges of, and expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 and Exhibit B hereto) have been paid, subject, however, in each case, to the terms and conditions of the applicable ADRs, of the Deposit Agreement and of applicable law, in each case as in effect at the time thereof.

(b) Combination & Split-Up. The Registrar shall as promptly as commercially practicable register the split-up or combination of ADRs (and of the ADSs represented thereby) on the books maintained for such purpose and the Depositary shall as promptly as commercially practicable (x) cancel such ADRs and execute new ADRs for the number of ADSs requested, but in the aggregate not exceeding the number of ADSs evidenced by the ADRs canceled by the Depositary, (y) cause the Registrar to countersign such new ADRs and (z) Deliver such new ADRs to or upon the order of the Holder thereof, if each of the following conditions has been satisfied: (i) the ADRs have been duly Delivered by the Holder (or by a duly authorized attorney of the Holder) to the Depositary at its Principal Office for the purpose of effecting a split-up or combination thereof, and (ii) all applicable fees and charges of, and expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 and Exhibit B hereto) have been paid, subject, however, in each case, to the terms and conditions of the applicable ADRs, of the Deposit Agreement and of applicable law, in each case as in effect at the time thereof.

Section 2.7. Surrender of ADSs and Withdrawal of Deposited Securities. The Holder of ADSs shall be entitled to Delivery (at the Custodian's designated office) of the Deposited Securities at the time represented by the ADSs upon satisfaction of each of the following conditions: (i) the Holder (or a duly-authorized attorney of the Holder) has duly Delivered ADSs to the Depositary at its Principal Office (and if applicable, the ADRs evidencing such ADSs) for the purpose of withdrawal of the Deposited Securities represented thereby, (ii) if applicable and so required by the Depositary, the ADRs Delivered to the Depositary for such purpose have been properly endorsed in blank or are accompanied by proper instruments of transfer in blank (including signature guarantees in accordance with standard securities industry practice), (iii) if so required by the Depositary, the Holder of the ADSs has executed and delivered to the Depositary a written order directing the Depositary to cause the Deposited Securities being withdrawn to be Delivered to or upon the written order of the person(s) designated in such order, and (iv) all applicable ADS fees and charges of, and expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 and Exhibit B) have been paid, subject, however, in each case, to the terms and conditions of the ADRs evidencing the surrendered ADSs, of the Deposit Agreement, of the Articles of Association, and of any applicable laws and the rules of the applicable book-entry settlement entity, and to any provisions of or governing the Deposited Securities, in each case as in effect at the time thereof.

Upon satisfaction of each of the conditions specified above, the Depositary (i) shall as promptly as commercially practicable cancel the ADSs Delivered to it (and, if applicable, the ADR(s) evidencing the ADSs so Delivered), (ii) shall direct the Registrar to record the cancellation of the ADSs so Delivered on the books maintained for such purpose, and (iii) shall direct the Custodian to Deliver, or cause the Delivery of, in each case, without unreasonable delay, the Deposited Securities represented by the ADSs so canceled together with any certificate or other document of title for the Deposited Securities, or evidence of the electronic transfer thereof (if available), as the case may be, to or upon the written order of the person(s) designated in the order delivered to the Depositary for such purpose, subject however, in each case, to the terms and conditions of the Deposit Agreement, of the ADRs evidencing the ADSs so canceled, of the Articles of Association, of any applicable laws and of the rules of the applicable book-entry settlement entity, and to the terms and conditions of or governing the Deposited Securities, in each case as in effect at the time thereof.

The Depositary shall not accept for surrender ADSs representing less than one (1) Share. In the case of Delivery to it of ADSs representing a number other than a whole number of Shares, the Depositary shall cause ownership of the appropriate whole number of Shares to be Delivered in accordance with the terms hereof, and shall, at the discretion of the Depositary, either (i) return to the person surrendering such ADSs the number of ADSs representing any remaining fractional Share, or (ii) sell or cause to be sold the fractional Share represented by the ADSs so surrendered and remit the proceeds of such sale (net of (a) applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes required to be withheld as a result of such sale) to the person surrendering the ADSs.

Upon receipt of satisfactory instructions from ADS Holders and payment of applicable taxes and the ADS fees and charges of the Depositary for the issuance, cancellation, and conversion of ADSs (as set forth in Section 5.9 and Exhibit B hereto), the Depositary shall also, subject to the applicable terms and conditions of, and contemplated in, the Deposit Agreement and applicable law, cancel ADSs in connection with the conversion of ADSs of one series for ADSs of another series (e.g., in connection with the conversion of Restricted ADSs into freely transferable ADSs and the conversion of Partial Entitlement ADSs into Full Entitlement ADSs), in which case, (i) the number of ADSs of one series so cancelled shall equal the number of ADSs issued of the corresponding series, and (ii) the Depositary shall to the extent applicable direct the Custodian to transfer the corresponding Shares from and into the applicable custody accounts maintained for the applicable ADS series.

Notwithstanding anything else contained in any ADR or the Deposit Agreement, the Depositary may make delivery at the Principal Office of the Depositary of Deposited Property consisting of (i) any cash dividends or cash distributions, or (ii) any proceeds from the sale of any non-cash distributions, which are at the time held by the Depositary in respect of the Deposited Securities represented by the ADSs surrendered for cancellation and withdrawal. At the request, risk and expense of any Holder so surrendering ADSs, and for the account of such Holder, the Depositary shall direct the Custodian to forward (to the extent permitted by law) any Deposited Property (other than Deposited Securities) held by the Custodian in respect of such ADSs to the Depositary for delivery at the Principal Office of the Depositary. Such direction shall be given by letter or, at the request, risk and expense of such Holder, by cable, telex or facsimile transmission.

Section 2.8. Limitations on Execution and Delivery, Transfer, etc. of ADSs; Suspension of Delivery, Transfer, etc.

(a) Additional Requirements. As a condition precedent to the execution and Delivery, the registration of issuance, transfer, split-up, combination or surrender, of any ADS, the delivery of any distribution thereon, or the withdrawal of any Deposited Property, the Depositary or the Custodian may require (i) payment from the depositor of Shares or presenter of ADSs or of an ADR of a sum sufficient to reimburse it for any tax or other governmental charge and any stock transfer or registration fee with respect thereto (including any such tax or charge and fee with respect to Shares being deposited or withdrawn) and payment of any applicable fees and charges of the Depositary as provided in Section 5.9 and Exhibit B, (ii) the production of proof reasonably satisfactory to it as to the identity and genuineness of any signature or any other matter contemplated by Section 3.1, and (iii) compliance with (A) any laws or governmental regulations relating to the execution and Delivery of ADRs or ADSs or to the withdrawal of Deposited Securities and (B) such reasonable regulations as the Depositary and the Company may establish consistent with the provisions of the representative ADR, if applicable, the Deposit Agreement and applicable law.

(b) Additional Limitations. The issuance of ADSs against deposits of Shares generally or against deposits of particular Shares may be suspended, or the deposit of particular Shares may be refused, or the registration of transfer of ADSs in particular instances may be refused, or the registration of transfers of ADSs generally may be suspended, during any period when the transfer books of the Company, the Depositary, a Registrar or the Share Registrar are closed or if any such action is deemed necessary or advisable by the Depositary (whereupon the Depositary shall notify the Company) or the Company, in good faith, at any time or from time to time because of any requirement of law or regulation, any government or governmental body or commission or any securities exchange on which the ADSs or Shares are listed, or under any provision of the Deposit Agreement or the representative ADR(s), if applicable, or under any provision of, or governing, the Deposited Securities, or because of a meeting of shareholders of the Company or for any other reason, subject, in all cases, to Section 7.8(a).

(c) Regulatory Restrictions. Notwithstanding any provision of the Deposit Agreement or any ADR(s) to the contrary, Holders are entitled to surrender outstanding ADSs to withdraw the Deposited Securities associated herewith at any time subject only to (i) temporary delays caused by closing the transfer books of the Depositary or the Company or the deposit of Shares in connection with voting at a shareholders' meeting or the payment of dividends, (ii) the payment of fees, taxes and similar charges, (iii) compliance with any U.S. or foreign laws or governmental regulations relating to the ADSs or to the withdrawal of the Deposited Securities, and (iv) other circumstances specifically contemplated by Instruction I.A.(l) of the General Instructions to Form F-6 (as such General Instructions may be amended from time to time).

Section 2.9. Lost ADRs, etc. In case any ADR shall be mutilated, destroyed, lost, or stolen, the Depositary shall execute and deliver a new ADR of like tenor at the expense of the Holder (a) *in the case of a mutilated ADR*, in exchange of and substitution for such mutilated ADR upon cancellation thereof, or (b) *in the case of a destroyed, lost or stolen ADR*, in lieu of and in substitution for such destroyed, lost, or stolen ADR, after the Holder thereof (i) has submitted to the Depositary a written request for such exchange and substitution before the Depositary has notice that the ADR has been acquired by a bona fide purchaser, (ii) has provided such security or indemnity (including an indemnity bond) as may be required by the Depositary to save it and any of its agents harmless, and (iii) has satisfied any other reasonable requirements imposed by the Depositary, including, without limitation, evidence reasonably satisfactory to the Depositary of such destruction, loss or theft of such ADR, the authenticity thereof and the Holder's ownership thereof.

Section 2.10. Cancellation and Destruction of Surrendered ADRs; Maintenance of Records. All ADRs surrendered to the Depositary shall be canceled by the Depositary. Canceled ADRs shall not be entitled to any benefits under the Deposit Agreement or be valid or enforceable against the Depositary or the Company for any purpose. The Depositary is authorized to destroy ADRs so canceled, provided the Depositary maintains a record of all destroyed ADRs. Any ADSs held in book-entry form (e.g., through accounts at DTC) shall be deemed canceled when the Depositary causes the number of ADSs evidenced by the Balance Certificate to be reduced by the number of ADSs surrendered (without the need to physically destroy the Balance Certificate).

Section 2.11. Escheatment. In the event any unclaimed property relating to the ADSs, for any reason, is in the possession of the Depositary and has not been claimed by the Holder thereof or cannot be delivered to the Holder thereof through usual channels, the Depositary shall, upon expiration of any applicable statutory period relating to abandoned property laws, escheat such unclaimed property to the relevant authorities in accordance with the laws of each of the relevant States of the United States.

Section 2.12. Partial Entitlement ADSs. In the event any Shares are deposited which (i) entitle the holders thereof to receive a per-share distribution or other entitlement in an amount different from the Shares then on deposit or (ii) are not fully fungible (including, without limitation, as to settlement or trading) with the Shares then on deposit (the Shares then on deposit collectively, "Full Entitlement Shares" and the Shares with different entitlement, "Partial Entitlement Shares"), the Depositary shall (i) cause the Custodian to hold Partial Entitlement Shares separate and distinct from Full Entitlement Shares, and (ii) subject to the terms of the Deposit Agreement, issue ADSs representing Partial Entitlement Shares which are separate and distinct from the ADSs representing Full Entitlement Shares, by means of separate CUSIP numbering and legending (if necessary) and, if applicable, by issuing ADRs evidencing such ADSs with applicable notations thereon ("Partial Entitlement ADSs/ADRs" and "Full Entitlement ADSs/ADRs", respectively). If and when Partial Entitlement Shares become Full Entitlement Shares, the Depositary shall convert the Partial Entitlement ADSs for Full Entitlement ADSs only upon receipt of applicable and satisfactory instructions from ADS Holders (to the extent ADS Holder instructions are deemed necessary and appropriate by the Depositary) and payment of applicable taxes and the ADS fees and charges of the Depositary (as set forth in Section 5.9 and Exhibit B hereto) for each of the issuance, cancellation, transfer and conversion processes undertaken in connection with the removal of distinctions between the Partial Entitlement ADRs, the Partial Entitlement ADSs and/or the Partial Entitlement Shares (on the one hand) and the Full Entitlement ADRs, the Full Entitlement ADSs and/or the Full Entitlement Shares (on the other hand), and subject to the applicable terms and conditions of, and contemplated in, the Deposit Agreement and applicable law, by (a) giving notice thereof to Holders of Partial Entitlement ADSs and giving Holders of Partial Entitlement ADRs the opportunity to exchange such Partial Entitlement ADRs for Full Entitlement ADRs, (b) causing the Custodian to transfer the Partial Entitlement Shares into the account of the Full Entitlement Shares, and (c) taking such actions as are necessary to convert the Partial Entitlement ADRs and ADSs, for the corresponding Full Entitlement ADRs and ADSs on the other, in which case, the number of Full Entitlement ADSs issued shall equal the number of Partial Entitlement ADSs cancelled. Holders and Beneficial Owners of Partial Entitlement ADSs shall only be entitled to the entitlements of Partial Entitlement Shares. Holders and Beneficial Owners of Full Entitlement ADSs shall be entitled only to the entitlements of Full Entitlement Shares. All provisions and conditions of the Deposit Agreement shall apply to Partial Entitlement ADRs and ADSs to the same extent as Full Entitlement ADRs and ADSs, except as contemplated by this Section 2.12. The Depositary is authorized to take any and all other actions as may be necessary (including, without limitation, making the necessary notations on ADRs) to give effect to the terms of this Section 2.12. The Company agrees to give timely written notice to the Depositary if any Shares issued or to be issued are Partial Entitlement Shares and shall assist the Depositary with the establishment of procedures enabling the identification of Partial Entitlement Shares upon Delivery to the Custodian.

Section 2.13. Certificated/Uncertificated ADSs. Notwithstanding any other provision of the Deposit Agreement, the Depositary may, at any time and from time to time, issue ADSs that are not evidenced by ADRs (such ADSs, the "Uncertificated ADS(s)" and the ADS(s) evidenced by ADR(s), the "Certificated ADS(s)"). When issuing and maintaining Uncertificated ADS(s) under the Deposit Agreement, the Depositary shall at all times be subject to (i) the standards applicable to registrars and transfer agents maintaining direct registration systems for equity securities in New York and issuing uncertificated securities under New York law, and (ii) the terms of New York law applicable to uncertificated equity securities. Uncertificated ADSs shall not be represented by any instruments but shall be evidenced by registration in the books of the Depositary maintained for such purpose. Holders of Uncertificated ADSs, that are not subject to any registered pledges, liens, restrictions or adverse claims of which the Depositary has notice at such time, shall at all times

have the right to exchange the Uncertificated ADS(s) for Certificated ADS(s) of the same type and class, subject in each case to (x) applicable laws and any rules and regulations the Depositary may have established in respect of the Uncertificated ADSs, and (y) the continued availability of Certificated ADSs in the U.S. Holders of Certificated ADSs shall, if the Depositary maintains a direct registration system for the ADSs, have the right to exchange the Certificated ADSs for Uncertificated ADSs upon (i) the due surrender of the Certificated ADS(s) to the Depositary for such purpose and (ii) the presentation of a written request to that effect to the Depositary, subject in each case to (a) all liens and restrictions noted on the ADR evidencing the Certificated ADS(s) and all adverse claims of which the Depositary then has notice, (b) the terms of the Deposit Agreement and the rules and regulations that the Depositary may establish for such purposes hereunder, (c) applicable law, and (d) payment of the Depositary fees and expenses applicable to such exchange of Certificated ADS(s) for Uncertificated ADS(s). Uncertificated ADSs shall in all material respects be identical to Certificated ADS(s) of the same type and class, except that (i) no ADR(s) shall be, or shall need to be, issued to evidence Uncertificated ADS(s), (ii) Uncertificated ADS(s) shall, subject to the terms of the Deposit Agreement, be transferable upon the same terms and conditions as uncertificated securities under New York law, (iii) the ownership of Uncertificated ADS(s) shall be recorded on the books of the Depositary maintained for such purpose and evidence of such ownership shall be reflected in periodic statements provided by the Depositary to the Holder(s) in accordance with applicable New York law, (iv) the Depositary may from time to time, upon notice to the Holders of Uncertificated ADSs affected thereby, establish rules and regulations, and amend or supplement existing rules and regulations, as may be deemed reasonably necessary to maintain Uncertificated ADS(s) on behalf of Holders, provided that (a) such rules and regulations do not conflict with the terms of the Deposit Agreement and applicable law, and (b) the terms of such rules and regulations are readily available to Holders upon request, (v) the Uncertificated ADS(s) shall not be entitled to any benefits under the Deposit Agreement or be valid or enforceable for any purpose against the Depositary or the Company unless such Uncertificated ADS(s) is/are registered on the books of the Depositary maintained for such purpose, (vi) the Depositary may, in connection with any deposit of Shares resulting in the issuance of Uncertificated ADSs and with any transfer, pledge, release and cancellation of Uncertificated ADSs, require the prior receipt of such documentation as the Depositary may deem reasonably appropriate, and (vii) upon termination of the Deposit Agreement, the Depositary shall not require Holders of Uncertificated ADSs to affirmatively instruct the Depositary before remitting proceeds from the sale of the Deposited Property represented by such Holders' Uncertificated ADSs under the terms of Section 6.2 of the Deposit Agreement. When issuing ADSs under the terms of the Deposit Agreement, including, without limitation, issuances pursuant to Sections 2.5, 4.2, 4.3, 4.4, 4.5 and 4.11, the Depositary may in its discretion determine to issue Uncertificated ADSs rather than Certificated ADSs, unless otherwise specifically instructed by the applicable Holder to issue Certificated ADSs. All provisions and conditions of the Deposit Agreement shall apply to Uncertificated ADSs to the same extent as to Certificated ADSs, except as contemplated by this Section 2.13. The Depositary is authorized and directed to take any and all actions and establish any and all procedures deemed reasonably necessary to give effect to the terms of this Section 2.13. Any references in the Deposit Agreement or any ADR(s) to the terms "American Depositary Share(s)" or "ADS(s)" shall, unless the context otherwise requires, include Certificated ADS(s) and Uncertificated ADS(s). Except as set forth in this Section 2.13 and except as required by applicable law, the Uncertificated ADSs shall be treated as ADSs issued and outstanding under the terms of the Deposit Agreement. In the event that, in determining the rights and obligations of parties hereto with respect to any Uncertificated ADSs, any conflict arises between (a) the terms of the Deposit Agreement (other than this Section 2.13) and (b) the terms of this Section 2.13, the terms and conditions set forth in this Section 2.13 shall be controlling and shall govern the rights and obligations of the parties to the Deposit Agreement pertaining to the Uncertificated ADSs.

Section 2.14. Restricted ADSs. The Depositary shall, at the request and expense of the Company, establish procedures enabling the deposit hereunder of Shares that are Restricted Securities in order to enable the holder of such Shares to hold its ownership interests in such Restricted Securities in the form of ADSs issued under the terms hereof (such Shares, "Restricted Shares"). Upon receipt of a written request from the Company to accept Restricted Shares for deposit hereunder, the Depositary agrees to establish procedures permitting the deposit of such Restricted Shares and the issuance of ADSs representing the right to receive, subject to the terms of the Deposit Agreement and the applicable ADR (if issued as a Certificated ADS), such deposited Restricted Shares (such ADSs, the "Restricted ADSs," and the ADRs evidencing such Restricted ADSs, the "Restricted ADRs"). Notwithstanding anything contained in this Section 2.14, the Depositary and the Company may, to the extent not prohibited by law, agree to issue the Restricted ADSs in uncertificated form ("Uncertificated Restricted ADSs") upon such terms and conditions as the Company and the Depositary may deem necessary and appropriate. The Company shall assist the Depositary in the establishment of such procedures and agrees that it shall take all steps necessary and reasonably satisfactory to the Depositary to ensure that the establishment of such procedures does not violate the provisions of the Securities Act or any other applicable laws. The depositors of such Restricted Shares and the Holders of the Restricted ADSs may be required prior to the deposit of such Restricted Shares, the transfer of the Restricted ADRs and Restricted ADSs or the withdrawal of the Restricted Shares represented by Restricted ADSs to provide such written certifications or agreements as the Depositary or the Company may require. The Company shall provide to the Depositary in writing the legend(s) to be affixed to the Restricted ADRs (if the Restricted ADSs are to be issued as Certificated ADSs), or to be included in the statements issued from time to time to Holders of Uncertificated ADSs (if issued as Uncertificated Restricted ADSs), which legends shall (i) be in a form reasonably satisfactory to the Depositary and (ii) contain the specific circumstances under which the Restricted ADSs, and, if applicable, the Restricted ADRs evidencing the Restricted ADSs, may be transferred or the Restricted Shares withdrawn. The Restricted ADSs issued upon the deposit of Restricted Shares shall be separately identified on the books of the Depositary and the Restricted Shares so deposited shall, to the extent required by law, be held separate and distinct from the other Deposited Securities held hereunder. The Restricted ADSs shall not be eligible for inclusion in any book-entry settlement system, including, without limitation, DTC (unless (x) otherwise agreed by the Company and the Depositary, (y) the inclusion of Restricted ADSs is acceptable to the applicable clearing system, and (z) the terms of such inclusion are generally accepted by the Commission for Restricted Securities of that type), and shall not in any way be fungible with the ADSs issued under the terms hereof that are not Restricted ADSs. The Restricted ADSs, and, if applicable, the Restricted ADRs evidencing the Restricted ADSs, shall be transferable only by the Holder thereof upon delivery to the Depositary of (i) all documentation otherwise contemplated by the Deposit Agreement and (ii) an opinion of counsel reasonably satisfactory to the Depositary setting forth, *inter alia*, the conditions upon which the Restricted ADSs presented, and, if applicable, the Restricted ADRs evidencing the Restricted ADSs, are transferable by the Holder thereof under applicable securities laws and the transfer restrictions contained in the legend applicable to the Restricted ADSs presented for transfer. Except as set forth in this Section 2.14 and except as required by applicable law, the Restricted ADSs and the Restricted ADRs evidencing Restricted ADSs shall be treated as ADSs and ADRs issued and outstanding under the terms of the Deposit Agreement. In the event that, in determining the rights and obligations of parties hereto with respect to any Restricted ADSs, any conflict arises between (a) the terms of the Deposit Agreement (other than this Section 2.14) and (b) the terms of (i) this Section 2.14 or (ii) the applicable Restricted ADR, the terms and conditions set forth in this Section 2.14 and of the Restricted ADR shall be controlling and shall govern the rights and obligations of the parties to the Deposit Agreement pertaining to the deposited Restricted Shares, the Restricted ADSs and Restricted ADRs.

If the Restricted ADRs, the Restricted ADSs and the Restricted Shares cease to be Restricted Securities, the Depositary, upon receipt of (x) an opinion of counsel reasonably satisfactory to the Depositary setting forth, *inter alia*, that the Restricted ADRs, the Restricted ADSs and the Restricted Shares are not as of such time, or in connection with a transaction, Restricted Securities, (y) instructions from the Company and/or the applicable ADS Holder to remove the restrictions applicable to the Restricted ADRs, the Restricted ADSs and the Restricted Shares, and (z) payment of applicable taxes and the ADS fees and charges of the Depositary (as set forth in Section 5.9 and Exhibit B hereto) for each of the issuance, cancellation, transfer and conversion processes undertaken in connection with the removal of the restrictions applicable to the Restricted ADRs, Restricted ADSs and/or Restricted Shares (as the case may be), shall (i) eliminate the distinctions and separations that may have been established between the applicable Restricted Shares held on deposit under this Section 2.14 and the other Shares held on deposit under the terms of the Deposit Agreement that are not Restricted Shares by converting the Restricted ADSs into freely transferable ADSs (which shall entail, *inter alia*, the cancellation of the Restricted ADSs and the issuance of the corresponding freely transferable ADSs, and instructing the Custodian to transfer the corresponding Shares from and into the applicable custody accounts maintained for the applicable ADS series), (ii) treat the newly unrestricted ADRs and ADSs on the same terms as, and fully fungible with, the other ADRs and ADSs issued and outstanding under the terms of the Deposit Agreement that are not Restricted ADRs or Restricted ADSs, and (iii) take all actions necessary to remove any distinctions, limitations and restrictions previously existing under this Section 2.14 between the applicable Restricted ADRs and Restricted ADSs, respectively, on the one hand, and the other ADRs and ADSs that are not Restricted ADRs or Restricted ADSs, respectively, on the other hand, including, without limitation, by making the newly-unrestricted ADSs eligible for inclusion in the applicable book-entry settlement systems.

ARTICLE III

CERTAIN OBLIGATIONS OF HOLDERS AND BENEFICIAL OWNERS OF ADSs

Section 3.1. Proofs, Certificates and Other Information. Any person presenting Shares for deposit, any Holder and any Beneficial Owner may be required, and every Holder and Beneficial Owner agrees, from time to time to provide to the Depositary and the Custodian such proof of citizenship or residence, taxpayer status, payment of all applicable taxes or other governmental charges, exchange control approval, legal or beneficial ownership of ADSs and Deposited Property, compliance with applicable laws, the terms of the Deposit Agreement or the ADR(s) evidencing the ADSs and the provisions of, or governing, the Deposited Property, to execute such certifications and to make such representations and warranties, and to provide such other information and documentation (or, in the case of Shares in registered form presented for deposit, such information relating to the registration on the books of the Company or of the Share Registrar) as the Depositary or the Custodian may deem necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations under the Deposit Agreement and the applicable ADR(s). The Depositary and the Registrar, as applicable, may, and at the request of the Company, shall, to the extent practicable, withhold the execution or delivery or registration of transfer of any ADR or ADS or the distribution or sale of any dividend or distribution of rights or of the proceeds thereof or, to the extent not limited by the terms of Section 7.8(a), the delivery of any Deposited Property until such proof or other information is filed or such certifications are executed, or such representations and warranties are made, or such other documentation or information provided, in each case to the Depositary's, the Registrar's and the Company's satisfaction. The Depositary shall provide the Company, in a timely manner, with copies or originals if necessary and appropriate of (i) any such proofs of citizenship or residence, taxpayer status, or exchange control approval or copies of written representations and warranties which it receives from Holders and Beneficial Owners, and (ii) any other information or documents which the Company may reasonably request and which the Depositary shall request and receive from any Holder or Beneficial Owner or any person presenting Shares for deposit or ADSs for cancellation, transfer or withdrawal. Nothing herein shall obligate the Depositary to (i) obtain any information for the Company if not provided by the Holders or Beneficial Owners, or (ii) verify or vouch for the accuracy of the information so provided by the Holders or Beneficial Owners.

Section 3.2. Liability for Taxes and Other Charges. Any tax or other governmental charge payable by the Custodian or by the Depositary with respect to any Deposited Property, ADSs or ADRs shall be payable by the Holders and Beneficial Owners to the Depositary. The Company, the Custodian and/or the Depositary may withhold or deduct from any distributions made in respect of Deposited Property held on behalf of such Holder and/or Beneficial Owner, and may sell for the account of a Holder and/or Beneficial Owner any or all of such Deposited Property and apply such distributions and sale proceeds in payment of, any taxes (including applicable interest and penalties) or charges that are or may be payable by Holders or Beneficial Owners in respect of the ADSs, Deposited Property and ADRs, the Holder and the Beneficial Owner remaining liable for any deficiency. The Custodian may refuse the deposit of Shares and the Depositary may refuse to issue ADSs, to deliver ADRs, register the transfer of ADSs, register the split up or combination of ADRs and (subject to Section 7.8(a)) the withdrawal of Deposited Property until payment in full of such tax, charge, penalty or interest is received. Every Holder and Beneficial Owner agrees to indemnify the Depositary, the Company, the Custodian, and any of their agents, directors, officers, employees and Affiliates for, and to hold each of them harmless from, any claims with respect to taxes (including applicable interest and penalties thereon) arising from (i) any ADSs held by such Holder and/or owned by such Beneficial Owner, (ii) the Deposited Property represented by the ADSs, and (iii) any transaction entered into by such Holder and/or Beneficial Owner in respect of the ADSs and/or the Deposited Property represented thereby. Notwithstanding anything to the contrary contained in the Deposit Agreement or any ADR, the obligations of Holders and Beneficial Owners under this Section 3.2 shall survive any transfer of ADSs, any cancellation of ADSs and withdrawal of Deposited Securities, and the termination of the Deposit Agreement.

Section 3.3. Representations and Warranties on Deposit of Shares. Each person depositing Shares under the Deposit Agreement shall be deemed thereby to represent and warrant that (i) such Shares and the certificates therefor are duly authorized, validly issued, fully paid, non assessable and legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such Shares have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the Shares presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim, (v) the Shares presented for deposit are not, and the ADSs issuable upon such deposit will not be, Restricted Securities (except as contemplated in Section 2.14), (vi) the Shares presented for deposit have not been stripped of any rights or entitlements, and (vii) the deposit of the Shares do not violate any provision of applicable law. Such representations and warranties shall survive the deposit and withdrawal of Shares, the issuance and cancellation of ADSs in respect thereof and the transfer of such ADSs. If any such representations or warranties are false in any way, the Company and the Depositary shall be authorized, at the cost and expense of the person depositing Shares, to take any and all actions necessary to correct the consequences thereof.

Section 3.4. Compliance with Information Requests. Notwithstanding any other provision of the Deposit Agreement or any ADR(s), each Holder and Beneficial Owner agrees to comply with requests from the Company pursuant to applicable law, the rules and requirements of any stock exchange on which the Shares or ADSs are, or will be, registered, traded or listed or the Articles of Association, which are made to provide information, *inter alia*, as to the capacity in which such Holder or Beneficial Owner owns ADSs (and Shares as the case may be) and regarding the identity of any other person(s) interested in such ADSs and the nature of such interest and various other matters, whether or not they are Holders and/or Beneficial Owners at the time of such request. The Depositary agrees to use its reasonable efforts to forward, upon the request of the Company and at the Company's expense, any such request from the Company, as promptly as practicable, to the Holders and to forward to the Company any such responses to such requests received by the Depositary.

Section 3.5. Ownership Restrictions. Notwithstanding any other provision contained in the Deposit Agreement or any ADR(s) to the contrary, the Company may restrict transfers of the Shares where such transfer might result in ownership of Shares exceeding limits imposed by applicable law or the Articles of Association. The Company may also restrict, in such manner as it deems appropriate, transfers of the ADSs where such transfer may result in the total number of Shares represented by the ADSs owned by a single Holder or Beneficial Owner to exceed any such limits. The Company may, in its sole discretion but subject to applicable law, instruct the Depositary to take action with respect to the ownership interest of any Holder or Beneficial Owner in excess of the limits set forth in the preceding sentence, including, but not limited to, the imposition of restrictions on the transfer of ADSs, the removal or limitation of voting rights or the mandatory sale or disposition on behalf of a Holder or Beneficial Owner of the Shares represented by the ADSs held by such Holder or Beneficial Owner in excess of such limitations, if and to the extent such disposition is permitted by applicable law and the Articles of Association. Nothing herein shall be interpreted as obligating the Depositary or the Company to ensure compliance with the ownership restrictions described in this Section 3.5.

Section 3.6. Reporting Obligations and Regulatory Approvals. Applicable laws and regulations may require holders and beneficial owners of Shares, including the Holders and Beneficial Owners of ADSs, to satisfy reporting requirements and obtain regulatory approvals in certain circumstances. Holders and Beneficial Owners of ADSs are solely responsible for determining and complying with such reporting requirements and obtaining such approvals. Each Holder and each Beneficial Owner hereby agrees to make such determination, file such reports, and obtain such approvals to the extent and in the form required by applicable laws and regulations as in effect from time to time. Neither the Depositary, the Custodian, the Company or any of their respective agents or affiliates shall be required to take any actions whatsoever on behalf of Holders or Beneficial Owners to determine or satisfy such reporting requirements or obtain such regulatory approvals under applicable laws and regulations.

ARTICLE IV

THE DEPOSITED SECURITIES

Section 4.1. Cash Distributions. Whenever the Company intends to make a distribution of a cash dividend or other cash distribution in respect of any Deposited Securities, the Company shall give notice thereof to the Depositary at least twenty (20) days prior to the proposed distribution specifying, *inter alia*, the record date applicable for determining the holders of Deposited Securities entitled to receive such distribution. Upon the timely receipt of such notice, the Depositary shall establish the ADS Record Date upon the terms described in Section 4.9. Upon confirmation of the receipt of (x) any cash dividend or other cash distribution in respect of any Deposited Property (whether from the Company or otherwise), or (y) proceeds from the sale of any Deposited Property held in respect of the ADSs under the terms hereof, the Depositary will (i) if any amounts are received in a Foreign Currency, promptly convert or cause to be converted such cash dividend, distribution or proceeds into Dollars (subject to the terms and conditions of Section 4.8), (ii) if applicable and unless previously established, establish the ADS Record Date upon the terms described in Section 4.9, and (iii) distribute promptly the amount thus received (net of (a) the applicable fees and charges set forth in the Fee Schedule attached hereto as Exhibit B, and (b) applicable taxes withheld) to the Holders entitled thereto as of the ADS Record Date in proportion to the number of ADSs held as of the ADS Record Date. The Depositary shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent, and any balance not so distributed shall be held by the Depositary (without liability for interest thereon) and shall be added to and become part of the next sum received by the Depositary for distribution to Holders of ADSs outstanding at the time of the next distribution. If the Company, the Custodian or the Depositary is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities, or from any cash proceeds from the sales of Deposited Property, an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders on the ADSs shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company, the Custodian or the Depositary to the relevant governmental authority. Evidence of payment thereof by the Company shall be forwarded by the Company to the Depositary upon request. The Depositary will hold any cash amounts it is unable to distribute in a non-interest bearing account for the benefit of the applicable Holders and Beneficial Owners of ADSs until the distribution can be effected or the funds that the Depositary holds must be escheated as unclaimed property in accordance with the laws of the relevant states of the United States. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed distribution provided for in this Section 4.1, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in this Section 4.1, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in this Section 4.1 where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

Section 4.2. Distribution in Shares. Whenever the Company intends to make a distribution that consists of a dividend in, or free distribution of, Shares, the Company shall give notice thereof to the Depositary at least twenty (20) days prior to the proposed distribution, specifying, *inter alia*, the record date applicable to holders of Deposited Securities entitled to receive such distribution. Upon the timely receipt of such notice from the Company, the Depositary shall establish the ADS Record Date upon the terms described in Section 4.9. Upon receipt of confirmation from the Custodian of the receipt of the Shares so distributed by the Company, the Depositary shall either (i) subject to Section 5.9, distribute to the Holders as of the ADS Record Date in proportion to the number of ADSs held as of the ADS Record Date, additional ADSs, which represent in the aggregate the number of Shares received as such dividend, or free distribution, subject to the other terms of the Deposit Agreement (including, without limitation, (a) the applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes), or (ii) if additional ADSs are not so distributed, take all actions necessary so that each ADS issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interests in the additional integral number of Shares distributed upon the Deposited Securities represented thereby (net of (a) the applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes). In lieu of delivering fractional ADSs, the Depositary shall sell the number of Shares or ADSs, as the case may be, represented by the aggregate of such fractions and distribute the net proceeds upon the terms described in Section 4.1.

In the event that the Depositary determines that any distribution in property (including Shares) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, or, if the Company in the fulfillment of its obligation under Section 5.7, has furnished an opinion of U.S. counsel determining that Shares must be registered under the Securities Act or other laws in order to be distributed to Holders (and no such registration statement has been declared effective), the Depositary may, after consultation with the Company to the extent reasonably practicable, dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable, and the Depositary shall distribute the net proceeds of any such sale (after deduction of (a) taxes and (b) fees and charges of, and expenses incurred by, the Depositary) to Holders entitled thereto upon the terms described in Section 4.1. The Depositary shall hold and/or distribute any unsold balance of such property in accordance with the provisions of the Deposit Agreement. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed distribution provided for in this Section 4.2, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in this Section 4.2, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in this Section 4.2 where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

Section 4.3. Elective Distributions in Cash or Shares. Whenever the Company intends to make a distribution payable at the election of the holders of Deposited Securities in cash or in additional Shares, the Company shall give notice thereof to the Depositary at least forty-five (45) days prior to the proposed distribution specifying, *inter alia*, the record date applicable to holders of Deposited Securities entitled to receive such elective distribution and whether or not it wishes such elective distribution to be made available to Holders of ADSs. Upon the timely receipt of a notice indicating that the Company wishes such elective distribution to be made available to Holders of ADSs, the Depositary shall consult with the Company to determine, and the Company shall assist the Depositary in its determination, whether it is lawful and reasonably practicable to make such elective distribution available to the Holders of ADSs. The Depositary shall make such elective distribution available to Holders only if (i) the Company shall have timely requested that the elective distribution be made available to Holders, (ii) the Depositary shall have determined that such distribution is reasonably practicable and (iii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7. If the above conditions are not satisfied or if the Company requests such elective distribution not to be made available to Holders of ADSs, the Depositary shall establish the ADS Record Date on the terms described in Section 4.9 and, to the extent permitted by law, distribute to the Holders, on the basis of the same determination as is made in Switzerland in respect of the Shares for which no election is made, either (x) cash upon the terms described in Section 4.1 or (y) additional ADSs representing such additional Shares upon the terms described in Section 4.2. If the above conditions are satisfied, the Depositary shall establish an ADS Record Date on the terms described in Section 4.9 and establish procedures to enable Holders to elect the receipt of the proposed distribution in cash or in additional ADSs. The Company shall assist the Depositary in establishing such procedures to the extent necessary. If a Holder elects to receive the proposed distribution (x) in cash, the distribution shall be made upon the terms described in Section 4.1, or (y) in ADSs, the distribution shall be made upon the terms described in Section 4.2. Nothing herein shall obligate the Depositary to make available to Holders a method to receive the elective distribution in Shares (rather than ADSs). There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of Shares. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed distribution provided for in this Section 4.3, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in this Section 4.3, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in this Section 4.3 where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

Section 4.4. Distribution of Rights to Purchase Additional ADSs.

(a) Distribution to ADS Holders. Whenever the Company intends to distribute to the holders of the Deposited Securities rights to subscribe for additional Shares, the Company shall give notice thereof to the Depositary at least forty-five (45) days prior to the proposed distribution specifying, *inter alia*, the record date applicable to holders of Deposited Securities entitled to receive such distribution and whether or not it wishes such rights to be made available to Holders of ADSs. Upon the timely receipt of a notice indicating that the Company wishes such rights to be made available to Holders of ADSs, the Depositary shall consult with the Company to determine, and the Company shall assist the Depositary in its determination, whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depositary shall make such rights available to Holders only if (i) the Company shall have timely requested that such rights be made available to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7, and (iii) the Depositary shall have determined that such distribution of rights is reasonably practicable. In the event any of the conditions set forth above are not satisfied or if the Company requests that the rights not be made available to Holders of ADSs, the Depositary shall proceed with the sale of the rights as contemplated in Section 4.4(b) below. In the event all conditions set forth above are satisfied, the Depositary shall establish the ADS Record Date (upon the terms described in Section 4.9) and establish procedures to (x) distribute rights to purchase additional ADSs (by means of warrants or otherwise), (y) enable the Holders to exercise such rights (upon payment of the subscription price and of the applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes), and (z) deliver ADSs upon the valid exercise of such rights. The Company shall assist the Depositary to the extent necessary in establishing such procedures. Nothing herein shall obligate the Depositary to make available to the Holders a method to exercise rights to subscribe for Shares (rather than ADSs).

(b) Sale of Rights. If (i) the Company does not timely request the Depositary to make the rights available to Holders or requests that the rights not be made available to Holders, (ii) the Depositary fails to receive satisfactory documentation within the terms of Section 5.7, or determines it is not reasonably practicable to make the rights available to Holders, or (iii) any rights made available are not exercised and appear to be about to lapse, the Depositary shall determine whether it is lawful and reasonably practicable to sell such rights, in a riskless principal capacity, at such place and upon such terms (including public or private sale) as it may deem practicable. The Company shall assist the Depositary to the extent necessary to determine such legality and practicability. The Depositary shall, upon such sale, convert and distribute proceeds of such sale (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes) upon the terms set forth in Section 4.1.

(c) Lapse of Rights. If the Depositary is unable to make any rights available to Holders upon the terms described in Section 4.4(a) or to arrange for the sale of the rights upon the terms described in Section 4.4(b), the Depositary shall allow such rights to lapse.

The Depositary shall not be liable for (i) any failure to accurately determine whether it may be lawful or practicable to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or exercise, or (iii) the content of any materials forwarded to the Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything to the contrary in this Section 4.4, if registration (under the Securities Act or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration statement under the Securities Act (or other applicable law) covering such offering is in effect or (ii) unless the Company furnishes the Depositary opinion(s) of counsel for the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case reasonably satisfactory to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws.

In the event that the Company, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of Deposited Property (including rights) an amount on account of taxes or other governmental charges, the amount distributed to the Holders of ADSs shall be reduced accordingly. In the event that the Depositary reasonably determines that any distribution of Deposited Property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such Deposited Property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes or charges.

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to receive or exercise rights on the same terms and conditions as the holders of Shares or be able to exercise such rights. Nothing herein shall obligate the Company to file any registration statement in respect of any rights or Shares or other securities to be acquired upon the exercise of such rights.

Section 4.5. Distributions Other Than Cash, Shares or Rights to Purchase Shares.

(a) Whenever the Company intends to distribute to the holders of Deposited Securities property other than cash, Shares or rights to purchase additional Shares, the Company shall give timely notice thereof to the Depositary and shall indicate whether or not it wishes such distribution to be made to Holders of ADSs. Upon receipt of a notice indicating that the Company wishes such distribution to be made to Holders of ADSs, the Depositary shall consult with the Company, and the Company shall assist the Depositary, to determine whether such distribution to Holders is lawful and reasonably practicable. The Depositary shall not make such distribution unless (i) the Company shall have requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7, and (iii) the Depositary shall have determined that such distribution is reasonably practicable.

(b) Upon receipt of satisfactory documentation and the request of the Company to distribute property to Holders of ADSs and after making the requisite determinations set forth in (a) above, the Depositary shall distribute the property so received to the Holders of record, as of the ADS Record Date, in proportion to the number of ADSs held by them respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and expenses incurred by, the Depositary, and (ii) net of any taxes required to be withheld. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) or other governmental charges applicable to the distribution.

(c) If (i) the Company does not request the Depositary to make such distribution to Holders or requests the Depositary not to make such distribution to Holders, (ii) the Depositary does not receive satisfactory documentation within the terms of Section 5.7, or (iii) the Depositary determines that all or a portion of such distribution is not reasonably practicable, the Depositary shall sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem practicable and shall (i) cause the proceeds of such sale, if any, to be converted into Dollars and (ii) distribute the proceeds of such conversion received by the Depositary (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes) to the Holders as of the ADS Record Date upon the terms of Section 4.1. If the Depositary is unable to sell such property, the Depositary may dispose of such property for the account of the Holders in any way it deems reasonably practicable under the circumstances.

(d) Neither the Depositary nor the Company shall be liable for (i) any failure to accurately determine whether it is lawful or reasonably practicable to make the property described in this Section 4.5 available to Holders in general or any Holders in particular, nor (ii) any loss incurred in connection with the sale or disposal of such property.

Section 4.6. Distributions with Respect to Deposited Securities in Bearer Form. Subject to the terms of this Article IV, distributions in respect of Deposited Securities that are held by the Depositary or the Custodian in bearer form shall be made to the Depositary for the account of the respective Holders of ADS(s) with respect to which any such distribution is made upon due presentation by the Depositary or the Custodian to the Company of any relevant coupons, talons, or certificates. The Company shall promptly notify the Depositary of such distributions. The Depositary or the Custodian shall promptly present such coupons, talons or certificates, as the case may be, in connection with any such distribution.

Section 4.7. Redemption. If the Company intends to exercise any right of redemption in respect of any of the Deposited Securities, the Company shall give notice thereof to the Depositary at least forty-five (45) days prior to the intended date of redemption which notice shall set forth the particulars of the proposed redemption. Upon timely receipt of (i) such notice and (ii) satisfactory documentation given by the Company to the Depositary within the terms of Section 5.7, and only if, after consultation between the Depositary and the Company, the Depositary shall have determined that such proposed redemption is practicable, the Depositary shall provide to each Holder a notice setting forth the intended exercise by the Company of the redemption rights and any other particulars set forth in the Company's notice to the Depositary after consultation of the Depositary with the Company. The Depositary shall instruct the Custodian to present to the Company the Deposited Securities in respect of which redemption rights are being exercised against payment of the applicable redemption price. Upon receipt of confirmation from the Custodian that the redemption has taken place and that funds representing the redemption price have been received, the Depositary shall convert, transfer, and distribute the proceeds (net of applicable (a) fees and charges of, and the expenses incurred by, the Depositary, and (b) taxes), retire ADSs and cancel ADRs, if applicable, upon delivery of such ADSs by Holders thereof and the terms set forth in Sections 4.1 and 6.2. If less than all outstanding Deposited Securities are redeemed, the ADSs to be retired will be selected by lot or on a pro rata basis, as may be determined by the Depositary after consultation with the Company. The redemption price per ADS shall be the dollar equivalent of the per share amount received by the Depositary (adjusted to reflect the ADS(s)-to-Share(s) ratio) upon the redemption of the Deposited Securities represented by ADSs (subject to the terms of Section 4.8 and the applicable fees and charges of, and expenses incurred by, the Depositary, and taxes) multiplied by the number of Deposited Securities represented by each ADS redeemed.

Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed redemption provided for in this Section 4.7, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in this Section 4.7, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in this Section 4.7 where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

Section 4.8. Conversion of Foreign Currency. Whenever the Depositary or the Custodian shall receive Foreign Currency, by way of dividends or other distributions or the net proceeds from the sale of Deposited Property, which in the judgment of the Depositary can at such time be converted on a practicable basis, by sale or in any other manner that it may determine in accordance with applicable law, into Dollars transferable to the United States and distributable to the Holders entitled thereto, the Depositary shall convert or cause to be converted, by sale or in any other manner that it may reasonably determine, such Foreign Currency into Dollars, and shall distribute such Dollars (net of the fees and charges set forth in the Fee Schedule attached hereto as Exhibit B, and applicable taxes withheld) in accordance with the terms of the applicable sections of the Deposit Agreement. The Depositary and/or its agent (which may be a division, branch or Affiliate of the Depositary) may act as principal for any conversion of Foreign Currency. If the Depositary shall have distributed warrants or other instruments that entitle the holders thereof to such Dollars, the Depositary shall distribute such Dollars to the holders of such warrants and/or instruments upon surrender thereof for cancellation, in either case without liability for interest thereon. Such distribution may be made upon an averaged or other practicable basis without regard to any distinctions among Holders on account of any application of exchange restrictions or otherwise.

If such conversion or distribution generally or with regard to a particular Holder can be effected only with the approval or license of any government or agency thereof, the Depositary shall have authority to file such application for approval or license, if any, as it may deem desirable. In no event, however, shall the Depositary be obligated to make such a filing.

If at any time the Depositary shall determine that in its judgment the conversion of any Foreign Currency and the transfer and distribution of proceeds of such conversion received by the Depositary is not practicable or lawful, or if any approval or license of any governmental authority or agency thereof that is required for such conversion, transfer and distribution is denied or, in the opinion of the Depositary, not obtainable at a reasonable cost or within a reasonable period, the Depositary may, in its reasonable discretion, (i) make such conversion and distribution in Dollars to the Holders for whom such conversion, transfer and distribution is lawful and practicable, (ii) distribute the Foreign Currency (or an appropriate document evidencing the right to receive such Foreign Currency) to Holders for whom this is lawful and practicable, or (iii) hold (or cause the Custodian to hold) such Foreign Currency (without liability for interest thereon) for the respective accounts of the Holders entitled to receive the same.

Section 4.9. Fixing of ADS Record Date. Whenever (a) the Depositary shall receive notice of the fixing of a record date by the Company for the determination of holders of Deposited Securities entitled to receive any distribution (whether in cash, Shares, rights, or other distribution), (b) for any reason the Depositary causes a change in the number of Shares that are represented by each ADS, (c) the Depositary shall receive notice of any meeting of, or solicitation of consents or proxies of, holders of Shares or other Deposited Securities, or (d) the Depositary shall find it necessary or convenient in connection with the giving of any notice, solicitation of any consent or any other matter, the Depositary, after consultation with the Company, shall fix the record date (the "ADS Record Date") for the determination of the Holders of ADS(s) who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, to give or withhold such consent, to receive such notice or solicitation or to otherwise take action, or to exercise the rights of Holders with respect to such changed number of Shares represented by each ADS. The Depositary shall make reasonable efforts to establish the ADS Record Date as closely as practicable to the applicable record date for the Deposited Securities (if any) set by the Company in Switzerland and Hong Kong and shall not announce the establishment of any ADS Record Date prior to the relevant corporate action having been made public by the Company (if such corporate action affects the Deposited Securities). Subject to applicable law and the provisions of Section 4.1 through 4.8 and to the other terms and conditions of the Deposit Agreement, only the Holders of ADSs at the close of business in New York on such ADS Record Date shall be entitled to receive such distribution, to give such voting instructions, to receive such notice or solicitation, or otherwise take action.

Section 4.10. Voting of Deposited Securities. As soon as practicable after receipt of notice of any meeting at which the holders of Deposited Securities are entitled to vote, or of solicitation of consents or proxies from holders of Deposited Securities, the Depositary shall fix the ADS Record Date in respect of such meeting or solicitation of consent or proxy in accordance with Section 4.9. The Depositary shall, as soon as practicable after receipt of notice of any meeting at which the holders of Deposited Securities are entitled to vote, or solicitation of consents or proxies from holders of Deposited Securities, if requested by the Company in writing in a timely manner (the Depositary having no obligation to take any further action if the request shall not have been received by the Depositary at least thirty (30) days prior to the date of such vote or meeting), at the Company's expense and provided no U.S. legal prohibitions exist, distribute as soon as practicable after receipt therefore to Holders as of the ADS Record Date: (a) such notice of meeting or solicitation of consent or proxy, (b) a statement that the Holders at the close of business on the ADS Record Date and, if so required by the Company, who also hold the ADSs as of the applicable share record date, will be entitled, subject to any applicable law, the provisions of the Deposit Agreement, the Articles of Association and the provisions of or governing the Deposited Securities (which provisions, if any, shall be summarized in pertinent part by the Company), to instruct the Depositary as to the exercise of the voting rights, if any, pertaining to the Deposited Securities represented by such Holder's ADSs, and (c) a brief statement as to the manner and timing (such timing to be determined after consultation with the Company) in which such voting instructions may be given to the Depositary or in which voting instructions may be deemed to have been given in accordance with this Section 4.10 if no instructions are received prior to the deadline set for such purposes to the Depositary. For the sake of clarity, all of the materials described in (a)-(c) of the previous sentence which shall be distributed to the Holders shall be in a form approved by the Company. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to timely request that the Depositary distribute the information as provided for in this Section 4.10, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in this Section 4.10, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in this Section 4.10 where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

Notwithstanding anything contained in the Deposit Agreement or any ADR, the Depositary may, to the extent not prohibited by law or regulations, or by the requirements of the stock exchange on which the ADSs are listed, and after consultation with the Company, in lieu of distribution of the materials provided to the Depositary in connection with any meeting of, or solicitation of consents or proxies from, holders of Deposited Securities, distribute to the Holders a notice that provides Holders with, or otherwise publicizes to Holders, instructions on how to retrieve such materials or receive such materials upon request (*i.e.*, by reference to a website containing the materials for retrieval or a contact for requesting copies of the materials).

For the sake of clarity, all of the notices and other publications described in this paragraph shall be in a form approved by the Company.

Voting instructions may be given only in respect of a number of ADSs representing an integral number of Deposited Securities. Upon the timely receipt from a Holder of ADSs as of the ADS Record Date (and, if so required by the Company, who also hold the ADSs as of the applicable share record date) of voting instructions in the manner specified by the Depositary, the Depositary shall endeavor, insofar as practicable and permitted under applicable law and the provisions of the Deposit Agreement, the Articles of Association and the Deposited Securities, to vote, or cause the Custodian to vote, the Deposited Securities (in person or by proxy) represented by such Holder's ADSs by instructing the Company's independent voting rights representative elected by the Company's shareholders at a general meeting of shareholders of the Company in accordance with the voting instructions received from the Holders of ADSs. If the Depositary (i) does not receive instructions from a Holder as of the ADS Record Date on or before the date established by the Depositary for such purpose, or (ii) receives instructions from the Holder as of the ADS Record Date on or before the date established by the Depositary for such purpose but such voting instructions fail to specify the manner in which the Depositary is to vote, such Holder shall be deemed, and the Depositary shall (unless otherwise specified in the notice distributed to Holders) deem such Holder, to have instructed the Depositary to instruct the Custodian to instruct the Company's independent voting rights representative elected by the Company's shareholders at a general meeting of shareholders of the Company in accordance with the voting recommendations of the Company's Board of Directors (the "Board") as specified in the applicable proxy statement and the proxy card for the general meeting provided for; provided, however, that no such voting instructions shall be given by the Depositary or the Custodian to the Company's independent voting rights representative elected by the Company's shareholders at a general meeting of shareholders of the Company (x) if the Company has not provided to the Depositary the applicable proxy statement for such general meeting of shareholders containing the Board's voting recommendations, or (y) to which the Company informs the Depositary that (A) the Company does not wish such proxy to be given, (B) substantial opposition exists, or (C) the rights of holders of Deposited Securities may be materially adversely affected.

Neither the Depositary nor the Custodian shall under any circumstances exercise any discretion as to voting and neither the Depositary nor the Custodian shall vote, attempt to exercise the right to vote, or in any way make use of, for purposes of establishing a quorum or otherwise, the Deposited Securities represented by ADSs, except pursuant to and in accordance with the voting instructions timely received from Holders or as otherwise contemplated herein. Notwithstanding anything else contained herein, the Depositary shall represent all Deposited Securities (whether or not voting instructions have been received in respect of such Deposited Securities from Holders as of the ADS Record Date) for the sole purpose of establishing quorum at a meeting of shareholders.

Notwithstanding anything else contained in the Deposit Agreement or any ADR, the Depositary shall not have any obligation to take any action with respect to any meeting, or solicitation of consents or proxies, of holders of Deposited Securities if the taking of such action would violate U.S. laws. The Company agrees to take any and all actions reasonably necessary and as required by Swiss law to enable Holders and Beneficial Owners to exercise the voting rights accruing to the Deposited Securities and to deliver to the Depositary an opinion of U.S. counsel addressing any actions requested to be taken if so reasonably requested by the Depositary.

There can be no assurance that Holders generally or any Holder in particular will receive the notice described above with sufficient time to enable the Holder to return voting instructions to the Depositary, or otherwise take action, in a timely manner.

The Depositary agrees, upon the request of the Company, to provide to the Company copies of the voting instructions it receives (in the case of voting instructions received from Holders by any electronic means, a tabulation of such voting instructions) as promptly as practicable, and at the latest three (3) business days prior to any upcoming meeting date, upon receipt thereof.

Notwithstanding anything else contained in the Deposit Agreement or any Receipt to the contrary, and to the extent not prohibited by law or regulations, the Depositary and the Company may, by agreement between them, with notice to the Holders, modify, amend or adopt additional voting procedures from time to time as they determine may be necessary or appropriate (subject, in each case, to the terms of Sections 6.1 and 7.8).

Section 4.11. Changes Affecting Deposited Securities. Upon any change in nominal or par value, split up, cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger, consolidation or sale of assets affecting the Company or to which it is a party, any property which shall be received by the Depositary or the Custodian in exchange for, or in conversion of, or replacement of, or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Property under the Deposit Agreement, and the ADSs shall, subject to the provisions of the Deposit Agreement, any ADR(s) evidencing such ADSs and applicable law, represent the right to receive such additional or replacement Deposited Property. In giving effect to such change, split-up, cancellation, consolidation or other reclassification of Deposited Securities, recapitalization, reorganization, merger, consolidation or sale of assets, the Depositary may, with the Company's approval, and shall, if the Company shall so request, subject to the terms of the Deposit Agreement (including, without limitation, (a) the applicable fees and charges of, and expenses, payable to the Depositary pursuant to the Deposit Agreement, and (b) taxes) and receipt of an opinion of counsel to the Company reasonably satisfactory to the Depositary that such actions are not in violation of any applicable laws or regulations, (i) issue and deliver additional ADSs as in the case of a stock dividend on the Shares, (ii) amend the Deposit Agreement and the applicable ADRs, (iii) amend the applicable Registration Statement(s) on Form F-6 as filed with the Commission in respect of the ADSs, (iv) call for the surrender of outstanding ADRs to be exchanged for new ADRs, and (v) take such other actions as are appropriate to reflect the transaction with respect to the ADSs. The Company agrees to, jointly with the Depositary, amend the Registration Statement on Form F-6 as filed with the Commission to permit the issuance of such new form of ADRs. Notwithstanding the foregoing, in the event that any Deposited Property so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall, if the Company requests, subject to receipt of an opinion of Company's counsel reasonably satisfactory to the Depositary that such action is not in violation of any applicable laws or regulations, sell such Deposited Property at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of (a) fees and charges of, and expenses incurred by, the Depositary and (b) applicable taxes) for the account of the Holders otherwise entitled to such Deposited Property upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to Section 4.1. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or practicable to make such Deposited Property available to Holders in general or to any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or (iii) any liability to the purchaser of such Deposited Property.

Section 4.12. Available Information. The Company is subject to the periodic reporting requirements of the Exchange Act and, accordingly, is required to file or furnish certain reports with the Commission. These reports can be retrieved from the Commission's website (www.sec.gov) and can be inspected and copied at the public reference facilities maintained by the Commission located (as of the date of the Deposit Agreement) at 100 F Street, N.E., Washington D.C., 20549.

Section 4.13. Reports. The Depositary shall make available for inspection by Holders at its Principal Office, as promptly as practicable after receipt thereof, any reports and communications, including any proxy soliciting materials, received from the Company which are both (a) received by the Depositary, the Custodian, or the nominee of either of them as the holder of the Deposited Property and (b) made generally available to the holders of such Deposited Property by the Company. The Depositary shall also provide or make available to Holders copies of such reports when furnished by the Company pursuant to Section 5.6.

Section 4.14. List of Holders. Promptly upon written request by the Company, the Depositary shall furnish to it a list, as of a recent date, of the names, addresses and holdings of ADSs of all Holders.

Section 4.15. Taxation. The Depositary will, and will instruct the Custodian to, forward to the Company or its agents such information from its records as the Company may reasonably request to enable the Company or its agents to file the necessary tax reports with governmental authorities or agencies. The Depositary, the Custodian or the Company and its agents may file such reports as are necessary to reduce or eliminate applicable taxes on dividends and on other distributions in respect of Deposited Property under applicable tax treaties or laws for the Holders and Beneficial Owners. In accordance with instructions from the Company and to the extent practicable, the Depositary or the Custodian will take reasonable administrative actions to obtain tax refunds, reduced withholding of tax at source on dividends and other benefits under applicable tax treaties or laws with respect to dividends and other distributions on the Deposited Property. As a condition to receiving such benefits, Holders and Beneficial Owners of ADSs may be required from time to time, and in a timely manner, to file such proof of taxpayer status, residence and beneficial ownership (as applicable), to execute such certificates and to make such representations and warranties, or to provide any other information or documents, as the Depositary or the Custodian may deem necessary or proper to fulfill the Depositary's or the Custodian's obligations under applicable law. The Depositary and the Company shall have no obligation or liability to any person if any Holder or Beneficial Owner fails to provide such information or if such information does not reach the relevant tax authorities in time for any Holder or Beneficial Owner to obtain the benefits of any tax treatment. The Holders and Beneficial Owners shall indemnify the Depositary, the Company, the Custodian and any of their respective directors, officers, employees, agents and Affiliates against, and hold each of them harmless from, any claims by any governmental authority with respect to taxes, additions to tax, penalties or interest arising out of any refund of taxes, reduced rate of withholding at source or other tax benefit obtained.

If the Company (or any of its agents) withholds from any distribution any amount on account of taxes or governmental charges, or pays any other tax in respect of such distribution (e.g., stamp duty tax, capital gains or other similar tax), the Company shall (and shall cause such agent to) remit promptly to the Depositary information about such taxes or governmental charges withheld or paid, and, if so requested, the tax receipt (or other proof of payment to the applicable governmental authority) therefor, in each case, in a form reasonably satisfactory to the Depositary. The Depositary shall, to the extent required by U.S. law, report to Holders any taxes withheld by it or the Custodian, and, if such information is provided to it by the Company, any taxes withheld by the Company. The Depositary and the Custodian shall not be required to provide the Holders with any evidence of the remittance by the Company (or its agents) of any taxes withheld, or of the payment of taxes by the Company, except to the extent the evidence is provided by the Company to the Depositary or the Custodian, as applicable. None of the Company, the Depositary or the Custodian shall be liable for the failure by any Holder or Beneficial Owner to obtain the benefits of credits on the basis of non U.S. tax paid against such Holder's or Beneficial Owner's income tax liability.

The Depositary is under no obligation to provide the Holders and Beneficial Owners with any information about the tax status of the Company, except to the extent that the Company provides such information to the Depositary for distribution to the Holders and Beneficial Owners. Neither the Company nor the Depositary shall incur any liability for any tax consequences that may be incurred by Holders and Beneficial Owners on account of their ownership of the ADSs, including without limitation, tax consequences resulting from the Company (or any of its subsidiaries) being treated as a "Passive Foreign Investment Company" (in each case as defined in the U.S. Internal Revenue Code and the regulations issued thereunder) or otherwise.

ARTICLE V

THE DEPOSITARY, THE CUSTODIAN AND THE COMPANY

Section 5.1. Maintenance of Office and Transfer Books by the Registrar. Until termination of the Deposit Agreement in accordance with its terms, the Registrar shall maintain in the Borough of Manhattan, the City of New York, an office and facilities for the issuance and delivery of ADSs, the acceptance for surrender of ADS(s) for the purpose of withdrawal of Deposited Securities, the registration of issuances, cancellations, transfers, combinations and split ups of ADS(s) and, if applicable, to countersign ADRs evidencing the ADSs so issued, transferred, combined or split-up, in each case in accordance with the provisions of the Deposit Agreement.

The Registrar shall keep books for the registration of ADSs which at all reasonable times shall be open for inspection by the Company and by the Holders of such ADSs, provided that such inspection shall not be, to the Registrar's knowledge, for the purpose of communicating with Holders of such ADSs in the interest of a business or object other than the business of the Company or other than a matter related to the Deposit Agreement or the ADSs.

The Registrar may close the transfer books with respect to the ADSs, at any time or from time to time, when deemed necessary or advisable by it in good faith in connection with the performance of its duties hereunder, or at the reasonable written request of the Company subject, in all cases, to Section 7.8(a).

If any ADSs are listed on one or more stock exchanges or automated quotation systems in the United States, the Depositary shall act as Registrar or, with written notice given as promptly as practicable to the Company, appoint a Registrar or one or more co-registrars for registration of issuances, cancellations, transfers, combinations and split-ups of ADSs and, if applicable, to countersign ADRs evidencing the ADSs so issued, transferred, combined or split-up, in accordance with any requirements of such exchanges or systems. Such Registrar or co-registrars may be removed and a substitute or substitutes appointed by the Depositary, upon written notice given as promptly as practicable to the Company.

Section 5.2. Exoneration. Notwithstanding anything contained in the Deposit Agreement or any ADR, neither the Depositary nor the Company shall be obligated to do or perform any act or thing which is inconsistent with the provisions of the Deposit Agreement or incur any liability (to the extent not limited by Section 7.8(b)) (i) if the Depositary, the Custodian, the Company or their respective agents shall be prevented or forbidden from, hindered or delayed in, doing or performing any act or thing required or contemplated by the terms of the Deposit Agreement, by reason of any provision of any present or future law or regulation of the United States, Switzerland or any other country, or of any other governmental authority or regulatory authority or stock exchange, or on account of potential criminal or civil penalties or restraint, or by reason of any provision, present or future, of the Articles of Association or any provision of or governing any Deposited Securities, or by reason of any act of God or other event or circumstance beyond its control (including, without limitation, fire, flood, earthquake, tornado, hurricane, tsunami, explosion, or other natural disaster, nationalization, expropriation, currency restriction, work stoppage, strikes, civil unrest, act of war (whether declared or not) or terrorism, revolution, rebellion, embargo, computer failure, failure of public infrastructure (including communication or utility failure), failure of common carriers, nuclear, cyber or biochemical incident, any pandemic, epidemic or other prevalent disease or illness with an actual or probable threat to human life, any quarantine order or travel restriction imposed by a governmental authority or other competent public health authority, or the failure or unavailability of the United States Federal Reserve Bank (or other central banking system) or DTC (or other clearing system)), (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in the Deposit Agreement or in the Articles of Association or provisions of or governing Deposited Securities, (iii) for any action or inaction in reliance upon the advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Holder, any Beneficial Owner or authorized representative thereof, or any other person believed by it in good faith to be competent to give such advice or information, (iv) for the inability by a Holder or Beneficial Owner to benefit from any distribution, offering, right or other benefit which is made available to holders of Deposited Securities but is not, under the terms of the Deposit Agreement, made available to Holders of ADSs, (v) for any action or inaction of any clearing or settlement system (and any participant thereof) for the Deposited Property or the ADSs, or (vi) for any consequential or punitive damages (including lost profits) for any breach of the terms of the Deposit Agreement.

The Depositary, its controlling persons, its agents, any Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request or other document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

Section 5.3. Standard of Care. The Company and the Depositary assume no obligation and shall not be subject to any liability under the Deposit Agreement or any ADRs to any Holder(s) or Beneficial Owner(s), except that the Company and the Depositary agree to perform their respective obligations specifically set forth in the Deposit Agreement or the applicable ADRs without negligence or bad faith.

Without limitation of the foregoing, neither the Depositary, nor the Company, nor any of their respective controlling persons, or agents, shall be under any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of any Deposited Property or in respect of the ADSs, which in its reasonable opinion may involve it in expense or liability, unless indemnity satisfactory to it against all expense (including fees and disbursements of counsel) and liability be furnished as often as may be required (and no Custodian shall be under any obligation whatsoever with respect to such proceedings, the responsibility of the Custodian being solely to the Depositary).

The Depositary and its agents shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any vote is cast or the effect of any vote, provided that any such action or omission is in good faith and without negligence and in accordance with the terms of the Deposit Agreement. The Depositary shall not incur any liability for any failure to accurately determine that any distribution or action may be lawful or reasonably practicable, for the content of any information submitted to it by the Company for distribution to the Holders or for any inaccuracy of any translation thereof, for any investment risk associated with acquiring interests in the Deposited Property (or the manner in which such interests are acquired or held), for the validity or worth of the Deposited Property, for the value of any Deposited Property or any distribution thereon, for any interest on Deposited Property, for any financial transaction entered into by any person in respect of the ADSs or any Deposited Property, for any tax consequences that may result from the ownership of, or any transaction involving, ADSs or Deposited Property, for the credit worthiness of any third party, for allowing any rights to lapse upon the terms of the Deposit Agreement, for the failure or timeliness of any notice from the Company, for the manner in which a Holder or Beneficial Owner elects to own and/or hold ADSs (e.g., in a brokerage account vs. as registered Holder on the register of ADSs maintained by the Depositary), the type of ADSs a Holder or Beneficial Owner holds or owns (e.g., freely transferable ADSs vs. Restricted ADSs, and/or Full Entitlement ADSs vs. Partial Entitlement ADSs), the timeframe of issuance and ownership of ADSs (e.g., as of an ADS Record Date vs. before and/or after an ADS Record Date), or for any action of or failure to act by, or any information provided or not provided by, DTC or any DTC Participant.

The Depositary shall not be liable for any acts or omissions made by a successor depositary whether in connection with a previous act or omission of the Depositary or in connection with any matter arising wholly after the removal or resignation of the Depositary, provided that in connection with the issue out of which such potential liability arises the Depositary performed its obligations without negligence or bad faith while it acted as Depositary.

Section 5.4. Resignation and Removal of the Depositary; Appointment of Successor Depositary. The Depositary may at any time resign as Depositary hereunder by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 90th day after delivery thereof to the Company (whereupon the Depositary shall be entitled to take the actions contemplated in Section 6.2), or (ii) the appointment by the Company of a successor depositary and its acceptance of such appointment as hereinafter provided.

The Depositary may at any time be removed by the Company by written notice of such removal, which removal shall be effective on the later of (i) the 90th day after delivery thereof to the Depositary (whereupon the Depositary shall be entitled to take the actions contemplated in Section 6.2), or (ii) upon the appointment by the Company of a successor depositary and its acceptance of such appointment as hereinafter provided.

In case at any time the Depositary acting hereunder shall resign or be removed, the Company shall use its commercially reasonable efforts to appoint a successor depositary, which shall be a bank or trust company having an office in the Borough of Manhattan, the City of New York. Every successor depositary shall be required by the Company to execute and deliver to its predecessor and to the Company an instrument in writing accepting its appointment hereunder, and thereupon such successor depositary, without any further act or deed (except as required by applicable law), shall become fully vested with all the rights, powers, duties and obligations of its predecessor (other than as contemplated in Sections 5.8 and 5.9). The predecessor depositary, upon payment of all sums due it and on the written request of the Company, shall, (i) execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder (other than as contemplated in Sections 5.8 and 5.9), (ii) duly assign, transfer and deliver all of the Depositary's right, title and interest to the Deposited Property to such successor, and (iii) deliver to such successor a list of the Holders of all outstanding ADSs and such other information relating to ADSs and Holders thereof as the successor may reasonably request. Any such successor depositary shall promptly provide notice of its appointment to such Holders.

Any entity into or with which the Depositary may be merged or consolidated shall be the successor of the Depositary without the execution or filing of any document or any further act.

Section 5.5. The Custodian. The Depositary has appointed Citibank, N.A. – Hong Kong as Custodian for the purpose of the Deposit Agreement. The Custodian or its successors in acting hereunder shall be authorized to act as custodian in the jurisdiction where the Deposited Property is custodied with the Custodian and shall be subject at all times and in all respects to the direction of the Depositary for the Deposited Property for which the Custodian acts as custodian and shall be responsible solely to it. If any Custodian resigns or is discharged from its duties hereunder with respect to any Deposited Property and no other Custodian has previously been appointed hereunder, the Depositary shall promptly appoint a substitute custodian. The Depositary shall require such resigning or discharged Custodian to Deliver, or cause the Delivery of, the Deposited Property held by it, together with all such records maintained by it as Custodian with respect to such Deposited Property as the Depositary may request, to the Custodian designated by the Depositary. Whenever the Depositary determines, in its discretion, that it is appropriate to do so, it may appoint an additional custodian with respect to any Deposited Property, or discharge the Custodian with respect to any Deposited Property and appoint a substitute custodian, which shall thereafter be Custodian hereunder with respect to the Deposited Property. Immediately upon any such change, the Depositary shall give notice thereof in writing to all Holders of ADSs, each other Custodian and the Company.

Citibank may at any time act as Custodian of the Deposited Property pursuant to the Deposit Agreement, in which case any reference to Custodian shall mean Citibank solely in its capacity as Custodian pursuant to the Deposit Agreement, and the Depositary shall promptly give notice thereof to the Company. Notwithstanding anything contained in the Deposit Agreement or any ADR to the contrary, the Depositary shall not be obligated to give notice to any Holders of ADSs or any other Custodian of its acting as Custodian pursuant to the Deposit Agreement.

Upon the appointment of any successor depositary, any Custodian then acting hereunder shall, unless otherwise instructed by the Depositary, continue to be the Custodian of the Deposited Property without any further act or writing, and shall be subject to the direction of the successor depositary. The successor depositary so appointed shall, nevertheless, on the written request of any Custodian, execute and deliver to such Custodian all such instruments as may be proper to give to such Custodian full and complete power and authority to act on the direction of such successor depositary.

Section 5.6. Notices and Reports. On or before the first date on which the Company gives notice, by publication or otherwise, of any meeting of holders of Shares or other Deposited Securities, or of any adjourned meeting of such holders, or of the taking of any action by such holders other than at a meeting, or of the taking of any action in respect of any cash or other distributions or the offering of any rights in respect of Deposited Securities, the Company shall transmit to the Depositary and the Custodian a copy of the notice thereof in the English language but otherwise in the form given or to be given to holders of Shares or other Deposited Securities. The Company shall also furnish to the Custodian and the Depositary a summary, in English, of any applicable provisions or proposed provisions of the Articles of Association that may be relevant or pertain to such notice of meeting or be the subject of a vote thereat.

The Company will also transmit to the Depositary (a) an English-language version of the other notices, reports and communications which are made generally available by the Company to holders of its Shares or other Deposited Securities and (b) the English-language versions of the Company's annual reports prepared in accordance with the applicable requirements of the Commission to the extent such notices, reports and communications are not available on the Company's website or are not otherwise publicly available. The Depositary shall arrange, at the request of the Company and at the Company's expense, to provide copies thereof to all Holders or make such notices, reports and other communications available to all Holders on a basis similar to that for holders of Shares or other Deposited Securities or on such other basis as the Company may advise the Depositary or as may be required by any applicable law, regulation or stock exchange requirement. The Company has made available to the Depositary and the Custodian a copy of the Articles of Association along with the provisions of or governing the Shares and any other Deposited Securities issued by the Company in connection with such Shares, and promptly upon any amendment thereto or change therein, the Company shall make available to the Depositary and the Custodian a copy of such amendment thereto or change therein to the extent such notices, reports and communications are not available on the Company's website or are not otherwise publicly available. The Depositary may rely upon such copy for all purposes of the Deposit Agreement.

The Depositary will, at the expense of the Company, make available a copy of any such notices, reports or communications issued by the Company and delivered to the Depositary for inspection by the Holders of the ADSs at the Depositary's Principal Office, at the office of the Custodian and at any other designated transfer office.

Section 5.7. Issuance of Additional Shares, ADSs etc. The Company agrees that in the event it or any of its controlled Affiliates proposes (i) an issuance, sale or distribution of additional Shares, (ii) an offering of rights to subscribe for Shares or other Deposited Securities, (iii) an issuance or assumption of securities convertible into or exchangeable for Shares, (iv) an issuance of rights to subscribe for securities convertible into or exchangeable for Shares, (v) an elective dividend of cash or Shares, (vi) a redemption of Deposited Securities, (vii) a meeting of holders of Deposited Securities, or solicitation of consents or proxies, relating to any reclassification of securities, merger or consolidation or transfer of assets, (viii) any assumption, reclassification, recapitalization, reorganization, merger, consolidation or sale of assets which affects the Deposited Securities, or (ix) a distribution of securities other than Shares, it will obtain U.S. legal advice and take all steps necessary to ensure that the application of the proposed transaction to Holders and Beneficial Owners does not violate the registration provisions of the Securities Act, or any other applicable laws (including, without limitation, the Investment Company Act of 1940, as amended, the Exchange Act and the securities laws of the states of the U.S.). In support of the foregoing, the Company will furnish to the Depositary (a) a written opinion of U.S. counsel (reasonably satisfactory to the Depositary) stating whether such transaction (1) requires a registration statement under the Securities Act to be in effect or (2) is exempt from the registration requirements of the Securities Act and (b) an opinion of Swiss counsel and Hong Kong counsel (so long as the Deposited Property is custodied in Hong Kong) stating that (1) making the transaction available to Holders and Beneficial Owners does not violate the laws or regulations of Switzerland and Hong Kong and (2) all requisite regulatory consents and approvals have been obtained in Switzerland and Hong Kong (so long as the Deposited Property is custodied in Hong Kong), provided, however, that such opinion shall not be required in the event of an issuance of Shares as a bonus or compensation, share split or other similar events. If the filing of a registration statement is required, the Depositary shall not have any obligation to proceed with the transaction unless it shall have received evidence reasonably satisfactory to it that such registration statement has been declared effective. If, being advised by counsel, the Company determines that a transaction is required to

be registered under the Securities Act, the Company will either (i) register such transaction to the extent necessary, (ii) alter the terms of the transaction to avoid the registration requirements of the Securities Act or (iii) direct the Depositary to take specific measures, in each case as contemplated in the Deposit Agreement, to prevent such transaction from violating the registration requirements of the Securities Act. The Company agrees with the Depositary that neither the Company nor any of its controlled Affiliates will at any time (i) deposit any Shares or other Deposited Securities, either upon original issuance or upon a sale of Shares or other Deposited Securities previously issued and reacquired by the Company or by any such controlled Affiliate, or (ii) issue additional Shares, rights to subscribe for such Shares, securities convertible into or exchangeable for Shares or rights to subscribe for such securities or distribute securities other than Shares, unless such transaction and the securities issuable in such transaction do not violate the registration provisions of the Securities Act, or any other applicable laws (including, without limitation, the Investment Company Act of 1940, as amended, the Exchange Act and the securities laws of the states of the U.S.).

Notwithstanding anything else contained in the Deposit Agreement, nothing in the Deposit Agreement shall be deemed to obligate the Company to file any registration statement in respect of any proposed transaction.

Section 5.8. Indemnification. The Depositary agrees to indemnify the Company and its directors, officers, employees, agents and Affiliates against, and hold each of them harmless from, any direct loss, liability, tax, charge or expense of any kind whatsoever (including, but not limited to, the reasonable fees and expenses of counsel) which may arise out of acts performed or omitted by the Depositary under the terms hereof due to the negligence or bad faith of the Depositary.

The Company agrees to indemnify the Depositary, the Custodian and any of their respective directors, officers, employees, agents and Affiliates against, and hold each of them harmless from, any direct loss, liability, tax, charge or expense of any kind whatsoever (including, but not limited to, the reasonable fees and expenses of counsel) that may arise (a) out of, or in connection with, any offer, issuance, sale, resale, transfer, deposit or withdrawal of ADRs, ADSs, the Shares, or other Deposited Securities, as the case may be, (b) out of, or as a result of, any offering documents in respect thereof or (c) out of acts performed or omitted, including, but not limited to, any delivery by the Depositary on behalf of the Company of information regarding the Company, in connection with the Deposit Agreement, any ancillary or supplemental agreement entered into between the Company and the Depositary, the ADRs, the ADSs, the Shares, or any Deposited Property, in any such case (i) by the Depositary, the Custodian or any of their respective directors, officers, employees, agents and Affiliates, except to the extent such loss, liability, tax, charge or expense is due to the negligence or bad faith of any of them, or (ii) by the Company or any of its directors, officers, employees, agents and Affiliates; provided, however, that the Company shall not be liable for any fees, charges or expenses payable by Holders or Beneficial Owners under the Deposit Agreement. The Company shall not indemnify the Depositary, the Custodian or any of their respective directors, officers, employees, agents and Affiliates against any liability or expense arising out of the information relating to the Depositary or such Custodian, as the case may be, furnished in a writing to the Company, by the Depositary or such Custodian expressly for use in any registration statement, prospectus or preliminary prospectus relating to any Deposited Securities represented by the ADSs.

The obligations set forth in this Section shall survive the termination of the Deposit Agreement and the succession or substitution of any party hereto.

Any person seeking indemnification hereunder (an "indemnified person") shall notify the person from whom it is seeking indemnification (the "indemnifying person") of the commencement of any indemnifiable action or claim promptly after such indemnified person becomes aware of such commencement (provided that the failure to make such notification shall not affect such indemnified person's rights to seek indemnification except to the extent the indemnifying person is materially prejudiced by such failure) and shall consult in good faith with the indemnifying person as to the conduct of the defense of such action or claim that may give rise to an indemnity hereunder, which defense shall be reasonable in the circumstances. No indemnified person shall compromise or settle any action or claim that may give rise to an indemnity hereunder without the consent of the indemnifying person, which consent shall not be unreasonably withheld.

Section 5.9. ADS Fees and Charges. The Company, the Holders, the Beneficial Owners, persons depositing Shares or withdrawing Deposited Securities in connection with the issuance and cancellation of ADSs, and persons receiving ADSs upon issuance or whose ADSs are being cancelled shall be required to pay the Depositary's fees and related charges (some of which may be cumulative) identified as payable by them respectively in the Fee Schedule attached hereto as Exhibit B. All ADS fees and charges so payable may be deducted from distributions or must be remitted to the Depositary, or its designee, and may, at any time and from time to time, be changed by agreement between the Depositary and the Company, but, in the case of ADS fees and charges payable by Holders and Beneficial Owners only in the manner contemplated in Section 6.1. The Depositary shall provide, without charge, a copy of its latest ADS fee schedule to anyone upon request.

ADS fees and charges for (i) the issuance of ADSs and (ii) the cancellation of ADSs will be payable by the person for whom the ADSs are so issued by the Depositary (in the case of ADS issuances) and by the person for whom ADSs are being cancelled (in the case of ADS cancellations). In the case of ADSs issued by the Depositary into DTC or presented to the Depositary via DTC, the ADS issuance and cancellation fees and charges will be payable by the DTC Participant(s) receiving the ADSs from the Depositary or the DTC Participant(s) holding the ADSs being cancelled, as the case may be, on behalf of the Beneficial Owner(s) and will be charged by the DTC Participant(s) to the account(s) of the applicable Beneficial Owner(s) in accordance with the procedures and practices of the DTC Participant(s) as in effect at the time. ADS fees and charges in respect of distributions and the ADS service fee are payable by Holders as of the applicable ADS Record Date established by the Depositary. In the case of distributions of cash, the amount of the applicable ADS fees and charges is deducted from the funds being distributed. In the case of (i) distributions other than cash and (ii) the ADS service fee, the applicable Holders as of the ADS Record Date established by the Depositary will be invoiced for the amount of the ADS fees and charges and such ADS fees may be deducted from distributions made to Holders. For ADSs held through DTC, the ADS fees and charges for distributions other than cash and the ADS service fee may be deducted from distributions made through DTC, and may be charged to the DTC Participants in accordance with the procedures and practices prescribed by DTC from time to time and the DTC Participants in turn charge the amount of such ADS fees and charges to the Beneficial Owners for whom they hold ADSs. In the case of (i) registration of ADS transfers, the ADS transfer fee will be payable by the ADS Holder whose ADSs are being transferred or by the person to whom the ADSs are transferred, and (ii) conversion of ADSs of one series for ADSs of another series (which may entail the cancellation, issuance and transfer of ADSs and the conversion of ADSs from one series to another series), the applicable ADS issuance, cancellation, transfer and conversion fees will be payable by the Holder whose ADSs are converted or by the person to whom the converted ADSs are delivered.

The Depositary may reimburse the Company for certain expenses incurred by the Company in respect of the ADR program established pursuant to the Deposit Agreement, by making available a portion of the ADS fees charged in respect of the ADR program or otherwise, upon such terms and conditions as the Company and the Depositary agree from time to time. The Company shall pay to the Depositary such fees and charges, and reimburse the Depositary for such out-of-pocket expenses, as the Depositary and the Company may agree from time to time. Responsibility for payment of such fees, charges and reimbursements may from time to time be changed by agreement between the Company and the Depositary. Any failure by the Company to timely pay any fees, charges and reimbursements of the Depositary for which the Company is responsible pursuant to the Deposit Agreement, or any ancillary agreement between the Depositary and the Company, may suspend the obligation of the Depositary to provide the services contemplated in the Deposit Agreement at the expense of the Company (including services being made available to Holders and Beneficial Owners), and the Depositary shall have no obligation to provide any such services made available at the Company's expense (including services being made available to Holders and Beneficial Owners) unless and until payment has been made in full by the Company. Unless otherwise agreed, the Depositary shall present its statement for such fees, charges and reimbursements to the Company once every three months. The charges and expenses of the Custodian are for the sole account of the Depositary.

The obligations of the Company, Holders and Beneficial Owners to pay ADS fees, charges and reimbursements shall survive the termination of the Deposit Agreement. As to any Depositary, upon the resignation or removal of such Depositary as described in Section 5.4, the right to collect ADS fees and charges shall extend for those ADS fees and charges incurred prior to the effectiveness of such resignation or removal.

Section 5.10. Restricted Securities Owners. The Company agrees to advise in writing each of the persons or entities who, to the knowledge of the Company, holds Restricted Securities that such Restricted Securities are ineligible for deposit hereunder (except under the circumstances contemplated in Section 2.14) and, to the extent practicable, shall require each of such persons to represent in writing that such person will not deposit Restricted Securities hereunder (except under the circumstances contemplated in Section 2.14).

ARTICLE VI

AMENDMENT AND TERMINATION

Section 6.1. Amendment/Supplement. Subject to the terms and conditions of this Section 6.1 and applicable law, the ADRs outstanding at any time, the provisions of the Deposit Agreement and the form of ADR attached hereto and to be issued under the terms hereof may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depositary in any respect which they may deem necessary or desirable without the prior written consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than charges in connection with foreign exchange control regulations, and taxes and other governmental charges, delivery and other such expenses), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding ADSs until the expiration of thirty (30) days after notice of such amendment or supplement shall have been given to the Holders of outstanding ADSs. Notice of any amendment to the Deposit Agreement or any ADR shall not need to describe in detail the specific amendments effectuated thereby, and failure to describe the specific amendments in any such notice shall not render such notice invalid, provided, however, that, in each such case, the notice given to the Holders identifies a means for Holders and Beneficial Owners to retrieve or receive the text of such amendment (e.g., upon retrieval from the Commission's, the Depositary's or the Company's website or upon request from the Depositary). The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depositary) in order for (a) the ADSs to be registered on Form F-6 under the Securities Act or (b) the ADSs to be settled solely in electronic book entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial existing rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such ADSs, to consent and agree to such amendment or supplement and to be bound by the Deposit Agreement and the ADR, if applicable, as amended or supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such ADS and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations which would require an amendment of, or supplement to, the Deposit Agreement to ensure compliance therewith, the Company and the Depositary may amend or supplement the Deposit Agreement and any ADRs at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to the Deposit Agreement and any ADRs in such circumstances may become effective before a notice of such amendment or supplement is given to Holders or within any other period of time as required for compliance with such laws, rules or regulations.

Section 6.2. Termination. The Depositary shall, at any time at the written direction of the Company, terminate the Deposit Agreement by distributing notice of such termination to the Holders of all ADSs then outstanding at least thirty (30) days prior to the date fixed in such notice for such termination. If (i) ninety (90) days shall have expired after the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) ninety (90) days shall have expired after the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and, in either case, a successor depositary shall not have been appointed and accepted its appointment as provided in Section 5.4 of the Deposit Agreement, the Depositary may terminate the Deposit Agreement by distributing notice of such termination to the Holders of all ADSs then outstanding at least thirty (30) days prior to the date fixed in such notice for such termination. The date so fixed for termination of the Deposit Agreement in any termination notice so distributed by the Depositary to the Holders of ADSs is referred to as the "Termination Date". Until the Termination Date, the Depositary shall continue to perform all of its obligations under the Deposit Agreement, and the Holders and Beneficial Owners will be entitled to all of their rights under the Deposit Agreement.

If any ADSs shall remain outstanding after the Termination Date, the Registrar and the Depositary shall not, after the Termination Date, have any obligation to perform any further acts under the Deposit Agreement, except that the Depositary shall, subject, in each case, to the terms and conditions of the Deposit Agreement, continue to (i) collect dividends and other distributions pertaining to Deposited Securities, (ii) sell Deposited Property received in respect of Deposited Securities, (iii) deliver Deposited Securities, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any other Deposited Property, in exchange for ADSs surrendered to the Depositary (after deducting, or charging, as the case may be, in each case, the fees and charges of, and expenses incurred by, the Depositary, and all applicable taxes or governmental charges for the account of the Holders and Beneficial Owners, in each case upon the terms set forth in Section 5.9 of the Deposit Agreement), and (iv) take such actions as may be required under applicable law in connection with its role as Depositary under the Deposit Agreement.

At any time after the Termination Date, the Depositary may sell the Deposited Property then held under the Deposit Agreement and shall after such sale hold un-invested the net proceeds of such sale, together with any other cash then held by it under the Deposit Agreement, in an un-segregated account and without liability for interest, for the pro rata benefit of the Holders whose ADSs have not theretofore been surrendered. After making such sale, the Depositary shall be discharged from all obligations under the Deposit Agreement except (i) to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case, the fees and charges of, and expenses incurred by, the Depositary, and all applicable taxes or governmental charges for the account of the Holders and Beneficial Owners, in each case upon the terms set forth in Section 5.9 of the Deposit Agreement), and (ii) as may be required at law in connection with the termination of the Deposit Agreement.

Notwithstanding anything contained in the Deposit Agreement or any ADR, in connection with the termination of the Deposit Agreement, the Depositary may, independently and without the need for any action by the Company, make available to Holders of ADSs a means to elect to retain their interests in the Deposited Securities represented by their ADSs by means of an elective or mandatory conversion of ADSs for unsponsored American shares issued as part of an unsponsored American depositary shares program to be established by the Depositary in respect of the Deposited Securities, upon such terms and conditions as the Depositary may deem reasonably practicable and appropriate, subject however, in each case, to (x) satisfaction of the applicable registration requirements by the unsponsored American depositary shares program under the Securities Act, (y) the Depositary giving notice of such elective or mandatory conversion to the Holders of ADSs at least thirty (30) days prior to the Termination Date, and (z) receipt by the Depositary of the applicable ADSs for cancellation and payment of the applicable taxes and the ADS fees and charges of, and reimbursement of the applicable expenses incurred by, the Depositary. Upon completion such elective or mandatory conversion of the ADSs, the ADSs to be so converted shall be cancelled by the Depositary (and, if applicable, the ADRs representing such ADSs) and the Depositary shall be discharged from all obligations under the Deposit Agreement except (i) to account for such conversion, and (ii) as may be required at law in connection with the termination of the Deposit Agreement.

After the Termination Date, the Company shall be discharged from all obligations under the Deposit Agreement, except for its obligations to the Depositary under Sections 5.8, 5.9, 6.2, and 7.6 of the Deposit Agreement. The obligations under the terms of the Deposit Agreement of Holders and Beneficial Owners of ADSs outstanding as of the Termination Date shall survive the Termination Date and shall be discharged only when the applicable ADSs are presented by their Holders to the Depositary for cancellation under the terms of the Deposit Agreement (except as specifically provided in the Deposit Agreement).

ARTICLE VII

MISCELLANEOUS

Section 7.1. Counterparts. The Deposit Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of such counterparts together shall constitute one and the same agreement. Copies of the Deposit Agreement shall be maintained with the Depositary and shall be open to inspection by any Holder during business hours.

Section 7.2. No Third Party Beneficiaries/Acknowledgments. The Deposit Agreement is for the exclusive benefit of the parties hereto (and their successors) and shall not be deemed to give any legal or equitable right, remedy or claim whatsoever to any other person, except to the extent specifically set forth in the Deposit Agreement. Nothing in the Deposit Agreement shall be deemed to give rise to a partnership or joint venture among the parties nor establish a fiduciary or similar relationship among the parties. The parties hereto acknowledge and agree that (i) Citibank and its Affiliates may at any time have multiple banking relationships with the Company, the Holders, the Beneficial Owners, and their respective Affiliates, (ii) Citibank and its Affiliates may own and deal in any class of securities of the Company and its Affiliates and in ADSs, and may be engaged at any time in transactions in which parties adverse to the Company, the Holders, the Beneficial Owners or their respective Affiliates may have interests, (iii) the Depositary and its Affiliates may from time to time have in their possession non-public information about the Company, the Holders, the Beneficial Owners, and their respective Affiliates, (iv) nothing contained in the Deposit Agreement shall (a) preclude Citibank or any of its Affiliates from engaging in such transactions or establishing or maintaining such relationships, or (b) obligate Citibank or any of its Affiliates to disclose such information, transactions or relationships, or to account for any profit made or payment received in such transactions or relationships, (v) the Depositary shall not be deemed to have knowledge of any information any other division of Citibank or any of its Affiliates may have about the Company, the Holders, the Beneficial Owners, or any of their respective Affiliates, and (vi) the Company, the Depositary, the Custodian and their respective agents and controlling persons may be subject to the laws and regulations of jurisdictions other than the U.S. and Switzerland, and the authority of courts and regulatory authorities of such other jurisdictions, and, consequently, the requirements and the limitations of such other laws and regulations, and the decisions and orders of such other courts and regulatory authorities, may affect the rights and obligations of the parties to the Deposit Agreement.

Section 7.3. Severability. In case any one or more of the provisions contained in the Deposit Agreement or in the ADRs should be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall in no way be affected, prejudiced or disturbed thereby.

Section 7.4. Holders and Beneficial Owners as Parties; Binding Effect. The Holders and Beneficial Owners from time to time of ADSs issued hereunder shall be parties to the Deposit Agreement and shall be bound by all of the terms and conditions hereof and of any ADR evidencing their ADSs by acceptance thereof or any beneficial interest therein.

Section 7.5. Notices. Any and all notices to be given to the Company shall be deemed to have been duly given if personally delivered or sent by mail, air courier or cable, telex or facsimile transmission, confirmed by letter personally delivered or sent by mail or air courier, addressed to BeOne Medicines Ltd., Aeschengraben 27, 21st Floor, 4051 Basel, Switzerland, Attention: Legal Department, or to any other address which the Company may specify in writing to the Depositary.

Any and all notices to be given to the Depositary shall be deemed to have been duly given if personally delivered or sent by mail, air courier or cable, telex or facsimile transmission, confirmed by letter personally delivered or sent by mail or air courier, addressed to Citibank, N.A., 388 Greenwich Street, New York, New York 10013, U.S.A., Attention: Depositary Receipts Department, or to any other address which the Depositary may specify in writing to the Company.

Any and all notices to be given to any Holder shall be deemed to have been duly given (a) if personally delivered or sent by mail or cable, telex or facsimile transmission, confirmed by letter, addressed to such Holder at the address of such Holder as it appears on the books of the Depositary or, if such Holder shall have filed with the Depositary a request that notices intended for such Holder be mailed to some other address, at the address specified in such request, or (b) if a Holder shall have designated such means of notification as an acceptable means of notification under the terms of the Deposit Agreement, by means of electronic messaging addressed for delivery to the e-mail address designated by the Holder for such purpose. Notice to Holders shall be deemed to be notice to Beneficial Owners for all purposes of the Deposit Agreement. Failure to notify a Holder or any defect in the notification to a Holder shall not affect the sufficiency of notification to other Holders or to the Beneficial Owners of ADSs held by such other Holders. Any notices given to DTC under the terms of the Deposit Agreement shall (unless otherwise specified by the Depositary) constitute notice to the DTC Participants who hold the ADSs in their DTC accounts and to the Beneficial Owners of such ADSs.

Delivery of a notice sent by mail, air courier or cable, telex or facsimile transmission shall be deemed to be effective at the time when a duly addressed letter containing the same (or a confirmation thereof in the case of a cable, telex or facsimile transmission) is deposited, postage prepaid, in a post-office letter box or delivered to an air courier service, without regard for the actual receipt or time of actual receipt thereof by a Holder. The Depositary or the Company may, however, act upon any cable, telex or facsimile transmission received by it from any Holder, the Custodian, the Depositary, or the Company, notwithstanding that such cable, telex or facsimile transmission shall not be subsequently confirmed by letter.

Delivery of a notice by means of electronic messaging shall be deemed to be effective at the time of the initiation of the transmission by the sender (as shown on the sender's records), notwithstanding that the intended recipient retrieves the message at a later date, fails to retrieve such message, or fails to receive such notice on account of its failure to maintain the designated e-mail address, its failure to designate a substitute e-mail address or for any other reason.

Section 7.6. Governing Law and Jurisdiction. The Deposit Agreement, the ADRs and the ADSs shall be interpreted in accordance with, and all rights hereunder and thereunder and provisions hereof and thereof shall be governed by, the laws of the State of New York applicable to contracts made and to be wholly performed in that State without regard to its conflict of laws principles. Notwithstanding anything contained in the Deposit Agreement to the contrary, any ADR or any present or future provisions of the laws of the State of New York, the rights of holders of Shares and of any other Deposited Securities and the obligations and duties of the Company in respect of the holders of Shares and other Deposited Securities, as such, shall be governed by the laws of Switzerland (or, if applicable, such other laws as may govern the Deposited Securities).

Except as set forth in the following paragraph of this Section 7.6, the Company and the Depositary agree that the federal or state courts in the City of New York shall have jurisdiction to hear and determine any suit, action or proceeding and to settle any dispute between them that may arise out of or in connection with the Deposit Agreement and, for such purposes, each irrevocably submits to the non-exclusive jurisdiction of such courts. The Company hereby irrevocably designates, appoints and empowers Cogency Global Inc. (the "Agent") now at 122 East 42nd Street, 18th Floor, New York, New York 10168 as its authorized agent to receive and accept for and on its behalf, and on behalf of its properties, assets and revenues, service by mail of any and all legal process, summons, notices and documents that may be served in any suit, action or proceeding brought against the Company in any federal or state court as described in the preceding sentence or in the next paragraph of this Section 7.6. If for any reason the Agent shall cease to be available to act as such, the Company agrees to designate a new agent in New York on the terms and for the purposes of this Section 7.6 reasonably satisfactory to the Depositary. The Company further hereby irrevocably consents and agrees to the service of any and all legal process, summons, notices and documents in any suit, action or proceeding against the Company, by service by mail of a copy thereof upon the Agent (whether or not the appointment of such Agent shall for any reason prove to be ineffective or such Agent shall fail to accept or acknowledge such service), with a copy mailed to the Company by registered or certified air mail, postage prepaid, to its address provided in Section 7.5. The Company agrees that the failure of the Agent to give any notice of such service to it shall not impair or affect in any way the validity of such service or any judgment rendered in any action or proceeding based thereon.

Notwithstanding anything in this Section 7.6, the Depositary and the Company unconditionally agree that in the event of any suit, action or proceeding against (a) the Company, (b) the Depositary in its capacity as Depositary under the Deposit Agreement, or (c) against both the Company and the Depositary, in any such case, in any state or federal court of the United States, and the Depositary or the Company have any claim, for indemnification or otherwise, against each other arising out of the subject matter of such suit, action or proceeding, then the Company and the Depositary may pursue such claim against each other in the state or federal court in the United States in which such suit, action, or proceeding is pending and, for such purposes, the Company and the Depositary irrevocably submit to the non-exclusive jurisdiction of such courts. The Company agrees that service of process upon the Agent in the manner set forth in the preceding paragraph shall be effective service upon it for any suit, action or proceeding brought against it as described in this paragraph.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any actions, suits or proceedings brought in any court as provided in this Section 7.6, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

The Company irrevocably and unconditionally waives, to the fullest extent permitted by law, and agrees not to plead or claim, any right of immunity from legal action, suit or proceeding, from setoff or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, from attachment in aid of execution or judgment, from execution of judgment, or from any other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, and consents to such relief and enforcement against it, its assets and its revenues in any jurisdiction, in each case with respect to any matter arising out of, or in connection with, the Deposit Agreement, any ADR or the Deposited Property. Unless the Company consents in writing to the selection of an alternative forum, the federal district courts of New York shall be the sole and exclusive forum for resolving any complaint by an owner of ADSs asserting a cause of action against the Company, its directors and/or officers arising under the Securities Act. Any person or entity purchasing or otherwise acquiring any Share, ADS or other types of securities of the Company shall be deemed to have notice of and consented to the provisions of this Section 7.6.

EACH OF THE PARTIES TO THE DEPOSIT AGREEMENT (INCLUDING, WITHOUT LIMITATION, EACH HOLDER AND BENEFICIAL OWNER) IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING AGAINST THE COMPANY AND/OR THE DEPOSITARY ARISING OUT OF, OR RELATING TO, THE DEPOSIT AGREEMENT, ANY ADR AND ANY TRANSACTIONS CONTEMPLATED THEREIN (WHETHER BASED ON CONTRACT, TORT, COMMON LAW OR OTHERWISE).

The provisions of this Section 7.6 shall survive any termination of the Deposit Agreement, in whole or in part.

Section 7.7. Assignment. Subject to the provisions of Section 5.4, the Deposit Agreement may not be assigned by either the Company or the Depositary.

Section 7.8. Compliance with, and No Disclaimer under, U.S. Securities Laws.

(a) Notwithstanding anything in the Deposit Agreement to the contrary, the withdrawal or delivery of Deposited Securities will not be suspended by the Company or the Depositary except as would be permitted by Instruction I.A.(1) of the General Instructions to Form F-6 Registration Statement, as amended from time to time, under the Securities Act.

(b) Each of the parties to the Deposit Agreement (including, without limitation, each Holder and Beneficial Owner) acknowledges and agrees that no provision of the Deposit Agreement or any ADR shall, or shall be deemed to, disclaim any liability under the Securities Act or the Exchange Act, in each case to the extent established under applicable U.S. laws.

Section 7.9. Swiss Law References. Any summary of the laws and regulations of the Switzerland and of the terms of the Articles of Association set forth in the Deposit Agreement have been provided by the Company solely for the convenience of Holders, Beneficial Owners and the Depositary. While such summaries are believed by the Company to be accurate as of the date of the Deposit Agreement, (i) they are summaries and as such may not include all aspects of the materials summarized applicable to a Holder or Beneficial Owner, and (ii) these laws and regulations and the Articles of Association may change after the date of the Deposit Agreement. Neither the Depositary nor the Company has any obligation under the terms of the Deposit Agreement to update any such summaries.

Section 7.10. Titles and References.

(a) Deposit Agreement. All references in the Deposit Agreement to exhibits, articles, sections, subsections, and other subdivisions refer to the exhibits, articles, sections, subsections and other subdivisions of the Deposit Agreement unless expressly provided otherwise. The words "the Deposit Agreement", "herein", "hereof", "hereby", "hereunder", and words of similar import refer to the Deposit Agreement as a whole as in effect at the relevant time between the Company, the Depositary and the Holders and Beneficial Owners of ADSs and not to any particular subdivision unless expressly so limited. Pronouns in masculine, feminine and neuter gender shall be construed to include any other gender, and words in the singular form shall be construed to include the plural and *vice versa* unless the context otherwise requires. Titles to sections of the Deposit Agreement are included for convenience only and shall be disregarded in construing the language contained in the Deposit Agreement. References to "applicable laws and regulations" shall refer to laws and regulations applicable to the Company, the Depositary, the Custodian, their agents and controlling persons, ADRs, ADSs or Deposited Property as in effect at the relevant time of determination, unless otherwise required by law or regulation.

(b) ADRs. All references in any ADR(s) to paragraphs, exhibits, articles, sections, subsections, and other subdivisions refer to the paragraphs, exhibits, articles, sections, subsections and other subdivisions of the ADR(s) in question unless expressly provided otherwise. The words "the Receipt", "the ADR", "herein", "hereof", "hereby", "hereunder", and words of similar import used in any ADR refer to the ADR as a whole and as in effect at the relevant time, and not to any particular subdivision unless expressly so limited. Pronouns in masculine, feminine and neuter gender in any ADR shall be construed to include any other gender, and words in the singular form shall be construed to include the plural and vice versa unless the context otherwise requires. Titles to paragraphs of any ADR are included for convenience only and shall be disregarded in construing the language contained in the ADR. References to "applicable laws and regulations" shall refer to laws and regulations applicable to the Company, the Depositary, the Custodian, their agents and controlling persons, the ADRs, the ADSs and the Deposited Property as in effect at the relevant time of determination, unless otherwise required by law or regulation.

Section 7.11. Amendment and Restatement. The Depositary shall arrange to have new ADRs printed that reflect the form of ADR attached to the Deposit Agreement. All ADRs issued hereunder after the date hereof, whether upon the deposit of Shares or other Deposited Securities or upon the transfer, combination or split-up of existing ADRs, shall be substantially in the form of the specimen ADR attached as Exhibit A hereto. However, American depositary receipts issued prior to the date hereof under the terms of the Original Deposit Agreement and outstanding as of the date hereof, which do not reflect the form of ADR attached hereto as Exhibit A, do not need to be called in for exchange and may remain outstanding until such time as the Holders thereof choose to surrender them for any reason under the Deposit Agreement. The Depositary is authorized and directed to take any and all actions deemed necessary to effect the foregoing.

The Company hereby instructs the Depositary to (i) promptly send notice of the execution of the Deposit Agreement to all holders of American depositary shares outstanding under the Original Deposit Agreement as of the date hereof and (ii) inform holders of American depositary shares issued as "certificated American depositary shares" and outstanding under the Original Deposit Agreement as of the date hereof that they have the opportunity, but are not required, to exchange their American depositary receipts for one or more ADR(s) issued pursuant to the Deposit Agreement.

Holders and Beneficial Owners of American depositary shares issued pursuant to the Original Deposit Agreement and outstanding as of the date hereof, shall, from and after the date hereof, be deemed Holders and Beneficial Owners of ADSs issued pursuant and be subject to all of the terms and conditions of the Deposit Agreement in all respects, provided, however, that any term of the Deposit Agreement that prejudices any substantial existing right of holders or beneficial owners of American depositary shares issued under the Original Deposit Agreement shall not become effective as to Holders and Beneficial Owners until thirty (30) days after notice of the amendments effectuated by the Deposit Agreement shall have been given to holders of ADSs outstanding as of the date hereof.

BEONE MEDICINES LTD.

(Incorporated under the laws of Switzerland)

CITIBANK, N.A., a national banking association organized and existing under the laws of the United States of America, as depositary (the "Depositary"), hereby certifies that _____ is the owner of _____ American Depositary Shares (hereinafter "ADS") representing deposited ordinary shares, including evidence of rights to receive such ordinary shares (the "Shares"), of BeOne Medicines Ltd., a company limited by shares incorporated under the laws of Switzerland (the "Company"). As of the date of issuance of this ADR, each ADS represents the right to receive thirteen (13) Shares deposited under the Deposit Agreement (as hereinafter defined) with the Custodian, which at the date of issuance of this ADR is Citibank, N.A. – Hong Kong (the "Custodian"). The ADS(s)-to-Share(s) ratio is subject to amendment as provided in Articles IV and VI of the Deposit Agreement. The Depositary's Principal Office is located at 388 Greenwich Street, New York, New York 10013, U.S.A.

(1) **The Deposit Agreement.** This American Depositary Receipt is one of an issue of American Depositary Receipts ("ADRs"), all issued and to be issued upon the terms and conditions set forth in the Amended and Restated Deposit Agreement, dated as of May 27, 2025 (as amended and supplemented from time to time, the "Deposit Agreement"), by and among the Company, the Depositary, and all Holders and Beneficial Owners from time to time of ADSs issued thereunder. The Deposit Agreement sets forth the rights and obligations of Holders and Beneficial Owners of ADSs and the rights and duties of the Depositary in respect of the Shares deposited thereunder and any and all other Deposited Property (as defined in the Deposit Agreement) from time to time received and held on deposit in respect of the ADSs. Copies of the Deposit Agreement are on file at the Principal Office of the Depositary and with the Custodian. Each Holder and each Beneficial Owner, upon acceptance of any ADSs (or any interest therein) issued in accordance with the terms and conditions of the Deposit Agreement, or by continuing to hold, from and after the date hereof any American depositary shares issued and outstanding under the Original Deposit Agreement, shall be deemed for all purposes to (a) be a party to and bound by the terms of the Deposit Agreement and the applicable ADR(s), and (b) appoint the Depositary its attorney in fact, with full power to delegate, to act on its behalf and to take any and all actions contemplated in the Deposit Agreement and the applicable ADR(s), to adopt any and all procedures necessary to comply with applicable law and to take such action as the Depositary in its sole discretion may deem necessary or appropriate to carry out the purposes of the Deposit Agreement and the applicable ADR(s), the taking of such actions to be the conclusive determinant of the necessity and appropriateness thereof.

The manner in which a Beneficial Owner holds ADSs (e.g., in a brokerage account vs. as registered holder) may affect the rights and obligations of, the manner in which, and the extent to which, services are made available to, Beneficial Owners pursuant to the terms of the Deposit Agreement. The statements made on the face and reverse of this ADR are summaries of certain provisions of the Deposit Agreement and the Articles of Association of the Company (as in effect on the date of the signing of the Deposit Agreement) and are qualified by and subject to the detailed provisions of the Deposit Agreement and the Articles of Association, to which reference is hereby made. All capitalized terms not defined herein shall have the meanings ascribed thereto in the Deposit Agreement. The Depositary makes no representation or warranty as to the validity or worth of the Deposited Property. The Depositary has made arrangements for the acceptance of the ADSs into DTC. Each Beneficial Owner of ADSs held through DTC must rely on the procedures of DTC and the DTC Participants to exercise and be entitled to any rights attributable to such ADSs. The Depositary may issue Uncertificated ADSs subject, however, to the terms and conditions of Section 2.13 of the Deposit Agreement.

(2) **Surrender of ADSs and Withdrawal of Deposited Securities.** The Holder of this ADR (and of the ADSs evidenced hereby) shall be entitled to Delivery (at the Custodian's designated office) of the Deposited Securities at the time represented by the ADSs evidenced hereby upon satisfaction of each of the following conditions: (i) the Holder (or a duly-authorized attorney of the Holder) has duly Delivered to the Depositary at its Principal Office the ADSs evidenced hereby (and, if applicable, this ADR evidencing such ADSs) for the purpose of withdrawal of the Deposited Securities represented thereby, (ii) if applicable and so required by the Depositary, this ADR Delivered to the Depositary for such purpose has been properly endorsed in blank or is accompanied by proper instruments of transfer in blank (including signature guarantees in accordance with standard securities industry practice), (iii) if so required by the Depositary, the Holder of the ADSs has executed and delivered to the Depositary a written order directing the Depositary to cause the Deposited Securities being withdrawn to be Delivered to or upon the written order of the person(s) designated in such order, and (iv) all applicable ADS fees and charges of, and expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 of, and Exhibit B to, the Deposit Agreement) have been paid, subject, however, in each case, to the terms and conditions of this ADR evidencing the surrendered ADSs, of the Deposit Agreement, of the Company's Articles of Association and of any applicable laws and the rules of the applicable book-entry settlement entity, and to any provisions of or governing the Deposited Securities, in each case as in effect at the time thereof.

Upon satisfaction of each of the conditions specified above, the Depositary (i) shall as promptly as commercially practicable cancel the ADSs Delivered to it (and, if applicable, this ADR(s) evidencing the ADSs so Delivered), (ii) shall direct the Registrar to record the cancellation of the ADSs so Delivered on the books maintained for such purpose, and (iii) shall direct the Custodian to Deliver, or cause the Delivery of, in each case, without unreasonable delay, the Deposited Securities represented by the ADSs so canceled together with any certificate or other document of title for the Deposited Securities, or evidence of the electronic transfer thereof (if available), as the case may be, to or upon the written order of the person(s) designated in the order delivered to the Depositary for such purpose, subject however, in each case, to the terms and conditions of the Deposit Agreement, of this ADR evidencing the ADS so canceled, of the Articles of Association of the Company, of any applicable laws and of the rules of the applicable book-entry settlement entity, and to the terms and conditions of or governing the Deposited Securities, in each case as in effect at the time thereof.

The Depositary shall not accept for surrender ADSs representing less than one (1) Share. In the case of Delivery to it of ADSs representing a number other than a whole number of Shares, the Depositary shall cause ownership of the appropriate whole number of Shares to be Delivered in accordance with the terms hereof, and shall, at the discretion of the Depositary, either (i) return to the person surrendering such ADSs the number of ADSs representing any remaining fractional Share, or (ii) sell or cause to be sold the fractional Share represented by the ADSs so surrendered and remit the proceeds of such sale (net of (a) applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes required to be withheld as a result of such sale) to the person surrendering the ADSs.

Upon receipt of satisfactory instructions from ADS Holders and payment of applicable taxes and the ADS fees and charges of the Depositary for the issuance, cancellation, and conversion of ADSs (as set forth in Section 5.9 and Exhibit B to the Deposit Agreement and in this ADR), the Depositary shall also, subject to the applicable terms and conditions of, and contemplated in, the Deposit Agreement and applicable law, cancel ADSs in connection with the conversion of ADSs of one series for ADSs of another series (e.g., in connection with the conversion of Restricted ADSs into freely transferable ADSs and the conversion of Partial Entitlement ADSs into Full Entitlement ADSs), in which case, (i) the number of ADSs of one series so cancelled shall equal the number of ADSs issued of the corresponding series, and (ii) the Depositary shall to the extent applicable direct the Custodian to transfer the corresponding Shares from and into the applicable custody accounts maintained for the applicable ADS series.

Notwithstanding anything else contained in this ADR or the Deposit Agreement, the Depositary may make delivery at the Principal Office of the Depositary of Deposited Property consisting of (i) any cash dividends or cash distributions, or (ii) any proceeds from the sale of any non-cash distributions, which are at the time held by the Depositary in respect of the Deposited Securities represented by the ADSs surrendered for cancellation and withdrawal. At the request, risk and expense of any Holder so surrendering ADSs represented by this ADR, and for the account of such Holder, the Depositary shall direct the Custodian to forward (to the extent permitted by law) any Deposited Property (other than Deposited Securities) held by the Custodian in respect of such ADSs to the Depositary for delivery at the Principal Office of the Depositary. Such direction shall be given by letter or, at the request, risk and expense of such Holder, by cable, telex or facsimile transmission.

(3) **Transfer, Combination and Split-up of ADRs.** The Registrar shall as promptly as commercially practicable register the transfer of this ADR (and of the ADSs represented hereby) on the books maintained for such purpose and the Depositary shall as promptly as commercially practicable (x) cancel this ADR and execute new ADRs evidencing the same aggregate number of ADSs as those evidenced by this ADR canceled by the Depositary, (y) cause the Registrar to countersign such new ADRs, and (z) Deliver such new ADRs to or upon the order of the person entitled thereto, if each of the following conditions has been satisfied: (i) this ADR has been duly Delivered by the Holder (or by a duly authorized attorney of the Holder) to the Depositary at its Principal Office for the purpose of effecting a transfer thereof, (ii) this surrendered ADR has been properly endorsed or is accompanied by proper instruments of transfer (including signature guarantees in accordance with standard securities industry practice), (iii) this surrendered ADR has been duly stamped (if required by the laws of the State of New York or of the United States), and (iv) all applicable fees and charges of, and expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 of, and Exhibit B to, the Deposit Agreement) have been paid, *subject, however, in each case*, to the terms and conditions of this ADR, of the Deposit Agreement and of applicable law, in each case as in effect at the time thereof.

The Registrar shall as promptly as commercially practicable register the split-up or combination of this ADR (and of the ADSs represented hereby) on the books maintained for such purpose and the Depositary shall as promptly as commercially practicable (x) cancel this ADR and execute new ADRs for the number of ADSs requested, but in the aggregate not exceeding the number of ADSs evidenced by this ADR canceled by the Depositary, (y) cause the Registrar to countersign such new ADRs, and (z) Deliver such new ADRs to or upon the order of the Holder thereof, if each of the following conditions has been satisfied: (i) this ADR has been duly Delivered by the Holder (or by a duly authorized attorney of the Holder) to the Depositary at its Principal Office for the purpose of effecting a split up or combination hereof, and (ii) all applicable fees and charges of, and expenses incurred by, the Depositary and all applicable taxes and governmental charges (as are set forth in Section 5.9 of, and Exhibit B to, the Deposit Agreement) have been paid, subject, however, in each case, to the terms and conditions of this ADR, of the Deposit Agreement and of applicable law, in each case as in effect at the time thereof.

(4) **Pre-Conditions to Registration, Transfer, Etc.** As a condition precedent to the execution and Delivery, the registration of issuance, transfer, split up, combination or surrender, of any ADS, the delivery of any distribution thereon, or the withdrawal of any Deposited Property, the Depositary or the Custodian may require (i) payment from the depositor of Shares or presenter of ADSs or of this ADR of a sum sufficient to reimburse it for any tax or other governmental charge and any stock transfer or registration fee with respect thereto (including any such tax or charge and fee with respect to Shares being deposited or withdrawn) and payment of any applicable fees and charges of the Depositary as provided in Section 5.9 and Exhibit B to the Deposit Agreement and in this ADR, (ii) the production of proof reasonably satisfactory to it as to the identity and genuineness of any signature or any other matter contemplated by Section 3.1 of the Deposit Agreement, and (iii) compliance with (A) any laws or governmental regulations relating to the execution and Delivery of this ADR or ADSs or to the withdrawal of Deposited Securities and (B) such reasonable regulations as the Depositary and the Company may establish consistent with the provisions of this ADR, if applicable, the Deposit Agreement and applicable law.

The issuance of ADSs against deposits of Shares generally or against deposits of particular Shares may be suspended, or the deposit of particular Shares may be refused, or the registration of transfer of ADSs in particular instances may be refused, or the registration of transfer of ADSs generally may be suspended, during any period when the transfer books of the Company, the Depositary, a Registrar or the Share Registrar are closed or if any such action is deemed necessary or advisable by the Depositary (whereupon the Depositary shall notify the Company) or the Company, in good faith, at any time or from time to time because of any requirement of law or regulation, any government or governmental body or commission or any securities exchange on which the ADSs or Shares are listed, or under any provision of the Deposit Agreement or this ADR, if applicable, or under any provision of, or governing, the Deposited Securities, or because of a meeting of shareholders of the Company or for any other reason, subject, in all cases to Section 7.8 (a) of the Deposit Agreement and paragraph (25) of this ADR. Notwithstanding any provision of the Deposit Agreement or this ADR to the contrary, Holders are entitled to surrender outstanding ADSs to withdraw the Deposited Securities associated therewith at any time subject only to (i) temporary delays caused by closing the transfer books of the Depositary or the Company or the deposit of Shares in connection with voting at a shareholders' meeting or the payment of dividends, (ii) the payment of fees, taxes and similar charges, (iii) compliance with any U.S. or foreign laws or governmental regulations relating to the ADSs or to the withdrawal of the Deposited Securities, and (iv) other circumstances specifically contemplated by Instruction I.A.(l) of the General Instructions to Form F-6 (as such General Instructions may be amended from time to time).

(5) **Compliance With Information Requests.** Notwithstanding any other provision of the Deposit Agreement or this ADR, each Holder and Beneficial Owner of the ADSs represented hereby agrees to comply with requests from the Company pursuant to applicable law, the rules and requirements of any stock exchange on which the Shares or ADSs are, or will be, registered, traded or listed, or the Articles of Association of the Company, which are made to provide information, inter alia, as to the capacity in which such Holder or Beneficial Owner owns ADSs (and the Shares represented by such ADSs, as the case may be) and regarding the identity of any other person(s) interested in such ADSs (and the Shares represented by such ADSs, as the case may be) and the nature of such interest and various other matters, whether or not they are Holders and/or Beneficial Owners at the time of such request.

(6) **Ownership Restrictions.** Notwithstanding any other provision contained in this ADR or of the Deposit Agreement to the contrary, the Company may restrict transfers of the Shares where such transfer might result in ownership of Shares exceeding limits imposed by applicable law or the Articles of Association of the Company. The Company may also restrict, in such manner as it deems appropriate, transfers of the ADSs where such transfer may result in the total number of Shares represented by the ADSs owned by a single Holder or Beneficial Owner to exceed any such limits. The Company may, in its sole discretion but subject to applicable law, instruct the Depositary to take action with respect to the ownership interest of any Holder or Beneficial Owner in excess of the limits set forth in the preceding sentence, including but not limited to, the imposition of restrictions on the transfer of ADSs, the removal or limitation of voting rights or the mandatory sale or disposition on behalf of a Holder or Beneficial Owner of the Shares represented by the ADSs held by such Holder or Beneficial Owner in excess of such limitations, if and to the extent such disposition is permitted by applicable law and the Articles of Association of the Company. Nothing herein or in the Deposit Agreement shall be interpreted as obligating the Depositary or the Company to ensure compliance with the ownership restrictions described herein or in Section 3.5 of the Deposit Agreement.

(7) **Reporting Obligations and Regulatory Approvals.** Applicable laws and regulations may require holders and beneficial owners of Shares, including the Holders and Beneficial Owners of ADSs, to satisfy reporting requirements and obtain regulatory approvals in certain circumstances. Holders and Beneficial Owners of ADSs are solely responsible for determining and complying with such reporting requirements and obtaining such approvals. Each Holder and each Beneficial Owner hereby agrees to make such determination, file such reports, and obtain such approvals to the extent and in the form required by applicable laws and regulations as in effect from time to time. Neither the Depositary, the Custodian, the Company or any of their respective agents or affiliates shall be required to take any actions whatsoever on behalf of Holders or Beneficial Owners to determine or satisfy such reporting requirements or obtain such regulatory approvals under applicable laws and regulations.

(8) **Liability for Taxes and Other Charges.** Any tax or other governmental charge payable by the Custodian or by the Depositary with respect to any Deposited Property, ADSs or this ADR shall be payable by the Holders and Beneficial Owners to the Depositary. The Company, the Custodian and/or the Depositary may withhold or deduct from any distributions made in respect of Deposited Property held on behalf of such Holder and/or Beneficial Owner, and may sell for the account of a Holder and/or Beneficial Owner any or all of such Deposited Property and apply such distributions and sale proceeds in payment of, any taxes (including applicable interest and penalties) or charges that are or may be payable by Holders or Beneficial Owners in respect of the ADSs, Deposited Property and this ADR, the Holder and the Beneficial Owner hereof remaining liable for any deficiency. The Custodian may refuse the deposit of Shares and the Depositary may refuse to issue ADSs, to deliver ADRs, register the transfer of ADSs, register the split-up or combination of ADRs and (subject to paragraph (25) of this ADR and Section 7.8 (a) of the Deposit Agreement) the withdrawal of Deposited Property until payment in full of such tax, charge, penalty or interest is received. Every Holder and Beneficial Owner agrees to indemnify the Depositary, the Company, the Custodian, and any of their agents, directors, officers, employees and Affiliates for, and to hold each of them harmless from, any claims with respect to taxes (including applicable interest and penalties thereon) arising from (i) any ADS held by such Holder and/or owned by such Beneficial Owner, (ii) the Deposited Property represented by the ADSs, and (iii) any transaction entered into by such Holder and/or Beneficial Owner in respect of the ADSs and/or the Deposited Property represented thereby. Notwithstanding anything to the contrary contained in the Deposit Agreement or any ADR, the obligations of Holders and Beneficial Owners under Section 3.2 of the Deposit Agreement shall survive any transfer of ADSs, any cancellation of ADSs and withdrawal of Deposited Securities, and the termination of the Deposit Agreement.

(9) **Representations and Warranties on Deposit of Shares.** Each person depositing Shares under the Deposit Agreement shall be deemed thereby to represent and warrant that (i) such Shares and the certificates therefor are duly authorized, validly issued, fully paid, non-assessable and legally obtained by such person, (ii) all preemptive (and similar) rights, if any, with respect to such Shares have been validly waived or exercised, (iii) the person making such deposit is duly authorized so to do, (iv) the Shares presented for deposit are free and clear of any lien, encumbrance, security interest, charge, mortgage or adverse claim, (v) the Shares presented for deposit are not, and the ADSs issuable upon such deposit will not be, Restricted Securities (except as contemplated in Section 2.14 of the Deposit Agreement), (vi) the Shares presented for deposit have not been stripped of any rights or entitlements, and (viii) the deposit of the Shares do not violate any provision of applicable law. Such representations and warranties shall survive the deposit and withdrawal of Shares, the issuance and cancellation of ADSs in respect thereof and the transfer of such ADSs. If any such representations or warranties are false in any way, the Company and the Depositary shall be authorized, at the cost and expense of the person depositing Shares, to take any and all actions necessary to correct the consequences thereof.

(10) **Proofs, Certificates and Other Information.** Any person presenting Shares for deposit, any Holder and any Beneficial Owner may be required, and every Holder and Beneficial Owner agrees, from time to time to provide to the Depositary and the Custodian such proof of citizenship or residence, taxpayer status, payment of all applicable taxes or other governmental charges, exchange control approval, legal or beneficial ownership of ADSs and Deposited Property, compliance with applicable laws, the terms of the Deposit Agreement or this ADR evidencing the ADSs and the provisions of, or governing, the Deposited Property, to execute such certifications and to make such representations and warranties, and to provide such other information and documentation (or, in the case of Shares in registered form presented for deposit, such information relating to the registration on the books of the Company or of the Share Registrar) as the Depositary or the Custodian may deem necessary or proper or as the Company may reasonably require by written request to the Depositary consistent with its obligations under the Deposit Agreement and this ADR. The Depositary and the Registrar, as applicable, may, and at the request of the Company, shall, to the extent practicable, withhold the execution or delivery or registration of transfer of any ADR or ADS or the distribution or sale of any dividend or distribution of rights or of the proceeds thereof or, to the extent not limited by paragraph (25) and Section 7.8 (a) of the Deposit Agreement, the delivery of any Deposited Property until such proof or other information is filed or such certifications are executed, or such representations and warranties are made or such other documentation or information are provided, in each case to the Depositary's, the Registrar's and the Company's satisfaction. The Depositary shall provide the Company, in a timely manner, with copies or originals if necessary and appropriate of (i) any such proofs of citizenship or residence, taxpayer status, or exchange control approval or copies of written representations and warranties which it receives from Holders and Beneficial Owners, and (ii) any other information or documents which the Company may reasonably request and which the Depositary shall request and receive from any Holder or Beneficial Owner or any person presenting Shares for deposit or ADSs for cancellation, transfer or withdrawal. Nothing herein shall obligate the Depositary to (i) obtain any information for the Company if not provided by the Holders or Beneficial Owners, or (ii) verify or vouch for the accuracy of the information so provided by the Holders or Beneficial Owners.

(11) **ADS Fees and Charges.** The following ADS fees (some of which may be cumulative) are payable under the terms of the Deposit Agreement:

(i) ADS Issuance Fee: by any person for whom ADSs are issued (e.g., an issuance upon a deposit of Shares, upon a change in the ADS(s)-to-Share(s) ratio, ADS conversions, or for any other reason), excluding issuances as a result of distributions described in paragraph (iv) below, a fee not in excess of U.S. $5.00 per 100 ADSs (or fraction thereof) issued under the terms of the Deposit Agreement;

(f) the fees, charges, costs and expenses incurred by the Depositary, the Custodian, or any nominee in connection with the ADR program; and

(g) the amounts payable to the Depositary by any party to the Deposit Agreement pursuant to any ancillary agreement to the Deposit Agreement in respect of the ADR program, the ADSs, and the ADRs.

All ADS fees and charges may, at any time and from time to time, be changed by agreement between the Depositary and Company but, in the case of ADS fees and charges payable by Holders and Beneficial Owners, only in the manner contemplated by paragraph (23) of this ADR and as contemplated in Section 6.1 of the Deposit Agreement. The Depositary shall provide, without charge, a copy of its latest ADS fee schedule to anyone upon request.

ADS fees and charges for (i) the issuance of ADSs and (ii) the cancellation of ADSs will be payable by the person for whom the ADSs are so issued by the Depositary (in the case of ADS issuances) and by the person for whom ADSs are being cancelled (in the case of ADS cancellations). In the case of ADSs issued by the Depositary into DTC or presented to the Depositary via DTC, the ADS issuance and cancellation fees and charges will be payable by the DTC Participant(s) receiving the ADSs from the Depositary or the DTC Participant(s) holding the ADSs being cancelled, as the case may be, on behalf of the Beneficial Owner(s) and will be charged by the DTC Participant(s) to the account(s) of the applicable Beneficial Owner(s) in accordance with the procedures and practices of the DTC Participant(s) as in effect at the time. In the case of (i) registration of ADS transfers, the ADS transfer fee will be payable by the ADS Holder whose ADSs are being transferred or by the person to whom the ADSs are transferred, and (ii) conversion of ADSs of one series for ADSs of another series (which may entail the cancellation, issuance and transfer of ADSs and the conversion of ADSs from one series to another series), the applicable ADS issuance, cancellation, transfer and conversion fees will be payable by the Holder whose ADSs are converted or by the person to whom the converted ADSs are delivered.

The Depositary may reimburse the Company for certain expenses incurred by the Company in respect of the ADR program established pursuant to the Deposit Agreement, by making available a portion of the ADS fees charged in respect of the ADR program or otherwise, upon such terms and conditions as the Company and the Depositary agree from time to time. The Company shall pay to the Depositary such fees and charges, and reimburse the Depositary for such out-of-pocket expenses, as the Depositary and the Company may agree from time to time. Responsibility for payment of such fees, charges and reimbursements may from time to time be changed by agreement between the Company and the Depositary. Any failure by the Company to timely pay any fees, charges and reimbursements of the Depositary for which the Company is responsible pursuant to the Deposit Agreement, or any ancillary agreement between the Depositary and the Company, may suspend the obligation of the Depositary to provide the services contemplated in the Deposit Agreement at the expense of the Company (including services being made available to Holders and Beneficial Owners), and the Depositary shall have no obligation to provide any such services made available at the Company's expense (including services being made available to Holders and Beneficial Owners) unless and until payment has been made in full by the Company. Unless otherwise agreed, the Depositary shall present its statement for such fees, charges and reimbursements to the Company once every three months. The charges and expenses of the Custodian are for the sole account of the Depositary.

The obligations of the Company, Holders and Beneficial Owners to pay ADS fees, charges, and reimbursements shall survive the termination of the Deposit Agreement. As to any Depositary, upon the resignation or removal of such Depositary as described in Section 5.4 of the Deposit Agreement, the right to collect ADS fees and charges shall extend for those ADS fees and charges incurred prior to the effectiveness of such resignation or removal.

(12) **Title to ADRs.** Subject to the limitations contained in the Deposit Agreement and in this ADR, it is a condition of this ADR, and every successive Holder of this ADR by accepting or holding the same consents and agrees, that title to this ADR (and to each Certificated ADS evidenced hereby) shall be transferable upon the same terms as a certificated security under the laws of the State of New York, provided that, in the case of Certificated ADSs, this ADR has been properly endorsed or is accompanied by proper instruments of transfer. Notwithstanding any notice to the contrary, the Depositary and the Company may deem and treat the Holder of this ADR (that is, the person in whose name this ADR is registered on the books of the Depositary) as the absolute owner thereof for all purposes. Neither the Depositary nor the Company shall have any obligation nor be subject to any liability under the Deposit Agreement or this ADR to any holder of this ADR or any Beneficial Owner unless, in the case of a holder of ADSs, such holder is the Holder of this ADR registered on the books of the Depositary or, in the case of a Beneficial Owner, such Beneficial Owner, or the Beneficial Owner's representative, is the Holder registered on the books of the Depositary.

(13) **Validity of ADR.** The Holder(s) of this ADR (and the ADSs represented hereby) shall not be entitled to any benefits under the Deposit Agreement or be valid or enforceable for any purpose against the Depositary or the Company unless this ADR has been (i) dated, (ii) signed by the manual or facsimile signature of a duly-authorized signatory of the Depositary, (iii) countersigned by the manual or facsimile signature of a duly-authorized signatory of the Registrar, and (iv) registered in the books maintained by the Registrar for the registration of issuances and transfers of ADRs. An ADR bearing the facsimile signature of a duly-authorized signatory of the Depositary or the Registrar, who at the time of signature was a duly authorized signatory of the Depositary or the Registrar, as the case may be, shall bind the Depositary, notwithstanding the fact that such signatory has ceased to be so authorized prior to the delivery of such ADR by the Depositary.

(14) **Available Information; Reports; Inspection of Transfer Books.** The Company is subject to the periodic reporting requirements of the Exchange Act and, accordingly, is required to file or furnish certain reports with the Commission. These reports can be retrieved from the Commission's website (www.sec.gov) and can be inspected and copied at the public reference facilities maintained by the Commission located (as of the date of the Deposit Agreement) at 100 F Street, N.E., Washington D.C. 20549. The Depositary shall make available for inspection by Holders at its Principal Office, as promptly as practicable after receipt thereof, any reports and communications, including any proxy soliciting materials, received from the Company which are both (a) received by the Depositary, the Custodian, or the nominee of either of them as the holder of the Deposited Property and (b) made generally available to the holders of such Deposited Property by the Company. The Depositary shall also provide or make available to Holders copies of such reports when furnished by the Company pursuant to Section 5.6 of the Deposit Agreement.

The Registrar shall keep books for the registration of ADSs which at all reasonable times shall be open for inspection by the Company and by the Holders of such ADSs, provided that such inspection shall not be, to the Registrar's knowledge, for the purpose of communicating with Holders of such ADSs in the interest of a business or object other than the business of the Company or other than a matter related to the Deposit Agreement or the ADSs.

The Registrar may close the transfer books with respect to the ADSs, at any time or from time to time, when deemed necessary or advisable by it in good faith in connection with the performance of its duties hereunder, or at the reasonable written request of the Company subject, in all cases, to paragraph (25) and Section 7.8(a) of the Deposit Agreement.

SUMMARY OF CERTAIN ADDITIONAL PROVISIONS

OF THE DEPOSIT AGREEMENT

(15) Dividends and Distributions in Cash, Shares, etc.

(a) ***Cash Distributions***: Upon the timely receipt by the Depositary of a notice from the Company that it intends to make a distribution of a cash dividend or other cash distribution, the Depositary shall establish the ADS Record Date upon the terms described in Section 4.9 of the Deposit Agreement. Upon confirmation of the receipt of (x) any cash dividend or other cash distribution in respect of any Deposited Securities (whether from the Company or otherwise), or (y) proceeds from the sale of any Deposited Property held in respect of the ADSs under the terms of the Deposit Agreement, the Depositary will (i) if any amounts are received in a Foreign Currency, promptly convert or cause to be converted such cash dividend, distribution or proceeds into Dollars (subject to the terms and conditions described in Section 4.8 of the Deposit Agreement), (ii) if applicable and unless previously established, establish the ADS Record Date upon the terms described in Section 4.9 of the Deposit Agreement, and (iii) distribute promptly the amount thus received (net of (a) the applicable fees and charges set forth in the Fee Schedule attached as Exhibit B to the Deposit Agreement and (b) applicable taxes withheld) to the Holders entitled thereto as of the ADS Record Date in proportion to the number of ADSs held as of the ADS Record Date. The Depositary shall distribute only such amount, however, as can be distributed without attributing to any Holder a fraction of one cent, and any balance not so distributed shall be held by the Depositary (without liability for interest thereon) and shall be added to and become part of the next sum received by the Depositary for distribution to Holders of ADSs outstanding at the time of the next distribution. If the Company, the Custodian or the Depositary is required to withhold and does withhold from any cash dividend or other cash distribution in respect of any Deposited Securities, or from any cash proceeds from the sales of Deposited Property, an amount on account of taxes, duties or other governmental charges, the amount distributed to Holders on the ADSs shall be reduced accordingly. Such withheld amounts shall be forwarded by the Company, the Custodian or the Depositary to the relevant governmental authority. Evidence of payment thereof by the Company shall be forwarded by the Company to the Depositary upon request. The Depositary will hold any cash amounts it is unable to distribute in a non-interest bearing account for the benefit of the applicable Holders and Beneficial Owners of ADSs until the distribution can be effected or the funds that the Depositary holds must be escheated as unclaimed property in accordance with the laws of the relevant states of the United States. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed distribution provided for above, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in Section 4.1 of the Deposit Agreement, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in Section 4.1 of the Deposit Agreement where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

(b) ***Share Distributions***: Upon the timely receipt by the Depositary of a notice from the Company that it intends to make a distribution that consists of a dividend in, or free distribution of Shares, the Depositary shall establish the ADS Record Date upon the terms described in Section 4.9 of the Deposit Agreement. Upon receipt of confirmation from the Custodian of the receipt of the Shares so distributed by the Company, the Depositary shall either (i) subject to Section 5.9 of the Deposit Agreement, distribute to the Holders as of the ADS Record Date in proportion to the number of ADSs held as of the ADS Record Date, additional ADSs, which represent in the aggregate the number of Shares received as such dividend, or free distribution, subject to the other terms of the Deposit Agreement (including, without limitation, (a) the applicable fees and charges of, and expenses incurred by, the Depositary and (b) taxes), or (ii) if additional ADSs are not so distributed, take all actions necessary so that each ADS issued and outstanding after the ADS Record Date shall, to the extent permissible by law, thenceforth also represent rights and interests in the additional integral number of Shares distributed upon the Deposited Securities represented thereby (net of (a) the applicable fees and charges of, and expenses incurred by, the Depositary, and (b) taxes). In lieu of delivering fractional ADSs, the Depositary shall sell the number of Shares or ADSs, as the case may be, represented by the aggregate of such fractions and distribute the net proceeds upon the terms described in Section 4.1 of the Deposit Agreement.

In the event that the Depositary determines that any distribution in property (including Shares) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, or, if the Company in the fulfillment of its obligations under Section 5.7 of the Deposit Agreement, has furnished an opinion of U.S. counsel determining that Shares must be registered under the Securities Act or other laws in order to be distributed to Holders (and no such registration statement has been declared effective), the Depositary may, after consultation with the Company to the extent reasonably practicable, dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable, and the Depositary shall distribute the net proceeds of any such sale (after deduction of (a) taxes and (b) fees and charges of, and the expenses incurred by, the Depositary) to Holders entitled thereto upon the terms of Section 4.1 of the Deposit Agreement. The Depositary shall hold and/or distribute any unsold balance of such property in accordance with the provisions of the Deposit Agreement. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed distribution provided for above, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in Section 4.2 of the Deposit Agreement, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in Section 4.2 of the Deposit Agreement where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

(c) ***Elective Distributions in Cash or Shares***: Upon the timely receipt of a notice indicating that the Company wishes an elective distribution in cash or Shares to be made available to Holders of ADSs upon the terms described in the Deposit Agreement, the Company and the Depositary shall determine in accordance with the Deposit Agreement whether such distribution is lawful and reasonably practicable. The Depositary shall make such elective distribution available to Holders only if (i) the Company shall have timely requested that the elective distribution be made available to Holders, (ii) the Depositary shall have determined that such distribution is reasonably practicable and (iii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement. If the above conditions are satisfied, the Depositary shall, subject to the terms and conditions of the Deposit Agreement, establish the ADS Record Date upon the terms of Section 4.9 of the Deposit Agreement and establish procedures to enable the Holder hereof to elect to receive the proposed distribution in cash or in additional ADSs. If a Holder elects to receive the distribution in cash, the distribution shall be made as in the case of a distribution in cash. If the Holder hereof elects to receive the distribution in additional ADSs, the distribution shall be made as in the case of a distribution in Shares upon the terms described in the Deposit Agreement. If such elective distribution is not reasonably practicable or if the Depositary did not receive satisfactory documentation set forth in the Deposit Agreement, the Depositary shall establish an ADS Record Date upon the terms of Section 4.9 of the Deposit Agreement and, to the extent permitted by law, distribute to Holders, on the basis of the same determination as is made in Switzerland in respect of the Shares for which no election is made, either (x) cash upon the terms described in Section 4.1 of the Deposit Agreement or (y) additional ADSs representing such additional Shares, in each case, upon the terms described in Section 4.2 of the Deposit Agreement. Nothing herein or in the Deposit Agreement shall obligate the Depositary to make available to the Holder hereof a method to receive the elective distribution in Shares (rather than ADSs). There can be no assurance that the Holder hereof will be given the opportunity to receive elective distributions on the same terms and conditions as the holders of Shares. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed distribution provided for above, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in Section 4.3 of the Deposit Agreement, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in Section 4.3 of the Deposit Agreement where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

(d) ***Distribution of Rights to Purchase Additional ADSs***: Upon the timely receipt by the Depositary of a notice indicating that the Company wishes rights to subscribe for additional Shares to be made available to Holders of ADSs, the Depositary upon consultation with the Company, shall determine, whether it is lawful and reasonably practicable to make such rights available to the Holders. The Depositary shall make such rights available to any Holders only if (i) the Company shall have timely requested that such rights be made available to Holders, (ii) the Depositary shall have received satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement, and (iii) the Depositary shall have determined that such distribution of rights is reasonably practicable. If such conditions are not satisfied or if the Company requests that the rights not be made available to Holders of ADSs, the Depositary shall sell the rights as described below. In the event all conditions set forth above are satisfied, the

Depositary shall establish the ADS Record Date (upon the terms described in Section 4.9 of the Deposit Agreement) and establish procedures to (x) distribute rights to purchase additional ADSs (by means of warrants or otherwise), (y) enable the Holders to exercise such rights (upon payment of the subscription price and of the applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes), and (z) deliver ADSs upon the valid exercise of such rights. The Company shall assist the Depositary to the extent necessary in establishing such procedures. Nothing herein or in the Deposit Agreement shall obligate the Depositary to make available to the Holders a method to exercise rights to subscribe for Shares (rather than ADSs). If (i) the Company does not timely request the Depositary to make the rights available to Holders or requests that the rights not be made available to Holders, (ii) the Depositary fails to receive satisfactory documentation within the terms of Section 5.7 of the Deposit Agreement or determines it is not reasonably practicable to make the rights available to Holders, or (iii) any rights made available are not exercised and appear to be about to lapse, the Depositary shall determine whether it is lawful and reasonably practicable to sell such rights, in a riskless principal capacity, at such place and upon such terms (including public and private sale) as it may deem practicable. The Company shall assist the Depositary to the extent necessary to determine such legality and practicality. The Depositary shall, upon such sale, convert and distribute proceeds of such sale (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes) upon the terms hereof and of Section 4.1 of the Deposit Agreement. If the Depositary is unable to make any rights available to Holders upon the terms described in Section 4.4(a) of the Deposit Agreement or to arrange for the sale of the rights upon the terms described in Section 4.4(b) of the Deposit Agreement, the Depositary shall allow such rights to lapse. The Depositary shall not be liable for (i) any failure to accurately determine whether it may be lawful or practicable to make such rights available to Holders in general or any Holders in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale or exercise, or (iii) the content of any materials forwarded to the Holders on behalf of the Company in connection with the rights distribution.

Notwithstanding anything herein or in the Deposit Agreement to the contrary, if registration (under the Securities Act or any other applicable law) of the rights or the securities to which any rights relate may be required in order for the Company to offer such rights or such securities to Holders and to sell the securities represented by such rights, the Depositary will not distribute such rights to the Holders (i) unless and until a registration statement under the Securities Act (or other applicable law) covering such offering is in effect or (ii) unless the Company furnishes the Depositary opinion(s) of counsel for the Company in the United States and counsel to the Company in any other applicable country in which rights would be distributed, in each case reasonably satisfactory to the Depositary, to the effect that the offering and sale of such securities to Holders and Beneficial Owners are exempt from, or do not require registration under, the provisions of the Securities Act or any other applicable laws. In the event that the Company, the Depositary or the Custodian shall be required to withhold and does withhold from any distribution of Deposited Property (including rights) an amount on account of taxes or other governmental charges, the amount distributed to the Holders of ADSs shall be reduced accordingly. In the event that the Depositary reasonably determines that any distribution of Deposited Property (including Shares and rights to subscribe therefor) is subject to any tax or other governmental charges which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of

such Deposited Property (including Shares and rights to subscribe therefor) in such amounts and in such manner, including by public or private sale, as the Depositary deems necessary and practicable to pay any such taxes or charges.

There can be no assurance that Holders generally, or any Holder in particular, will be given the opportunity to receive or exercise rights on the same terms and conditions as the holders of Shares or be able to exercise such rights. Nothing herein or in the Deposit Agreement shall obligate the Company to file any registration statement in respect of any rights or Shares or other securities to be acquired upon the exercise of such rights.

(e) ***Distributions other than Cash, Shares or Rights to Purchase Shares***: Upon receipt of a notice indicating that the Company wishes property other than cash, Shares or rights to purchase additional Shares to be made to Holders of ADSs, the Depositary shall determine whether such distribution to Holders is lawful and reasonably practicable. The Depositary shall not make such distribution unless (i) the Company shall have requested the Depositary to make such distribution to Holders, (ii) the Depositary shall have received the documentation contemplated in the Deposit Agreement, and (iii) the Depositary shall have determined that such distribution is reasonably practicable. Upon satisfaction of such conditions, the Depositary shall distribute the property so received to the Holders of record, as of the ADS Record Date, in proportion to the number of ADSs held by them respectively and in such manner as the Depositary may deem practicable for accomplishing such distribution (i) upon receipt of payment or net of the applicable fees and charges of, and expenses incurred by, the Depositary, and (ii) net of any taxes required to be withheld. The Depositary may dispose of all or a portion of the property so distributed and deposited, in such amounts and in such manner (including public or private sale) as the Depositary may deem practicable or necessary to satisfy any taxes (including applicable interest and penalties) or other governmental charges applicable to the distribution.

If the conditions above are not satisfied, the Depositary shall sell or cause such property to be sold in a public or private sale, at such place or places and upon such terms as it may deem practicable and shall (i) cause the proceeds of such sale, if any, to be converted into Dollars and (ii) distribute the proceeds of such conversion received by the Depositary (net of applicable (a) fees and charges of, and expenses incurred by, the Depositary and (b) taxes) to the Holders as of the ADS Record Date upon the terms hereof and of the Deposit Agreement. If the Depositary is unable to sell such property, the Depositary may dispose of such property for the account of the Holders in any way it deems reasonably practicable under the circumstances.

Neither the Depositary nor the Company shall be liable for (i) any failure to accurately determine whether it is lawful or reasonably practicable to make the property described in Section 4.5 of the Deposit Agreement available to Holders in general or any Holders in particular, nor (ii) any loss incurred in connection with the sale or disposal of such property.

(16) **Redemption.** Upon timely receipt of notice from the Company that it intends to exercise its right of redemption in respect of any of the Deposited Securities, and satisfactory documentation, and only after consultation between the Depositary and the Company, the Depositary shall have determined that such proposed redemption is practicable, the Depositary shall (to the extent practicable) provide to each Holder a notice setting forth the Company's intention to exercise the redemption rights and any other particulars set forth in the Company's notice to the Depositary after consultation of the Depositary with the Company. The Depositary shall instruct the Custodian to present to the Company the Deposited Securities in respect of which redemption rights are being exercised against payment of the applicable redemption price. Upon receipt of confirmation from the Custodian that the redemption has taken place and that funds representing the redemption price have been received, the Depositary shall convert, transfer, and distribute the proceeds (net of applicable (a) fees and charges of, and the expenses incurred by, the Depositary, and (b) taxes), retire ADSs and cancel ADRs, if applicable, upon delivery of such ADSs by Holders thereof and the terms set forth in Sections 4.1 and 6.2 of the Deposit Agreement. If less than all outstanding Deposited Securities are redeemed, the ADSs to be retired will be selected by lot or on a pro rata basis, as may be determined by the Depositary after consultation with the Company. The redemption price per ADS shall be the dollar equivalent of the per share amount received by the Depositary (adjusted to reflect the ADS(s)-to-Share(s) ratio) upon the redemption of the Deposited Securities represented by ADSs (subject to the terms of Section 4.8 of the Deposit Agreement and the applicable fees and charges of, and expenses incurred by, the Depositary, and taxes) multiplied by the number of Deposited Securities represented by each ADS redeemed. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to give the Depositary timely notice of the proposed redemption provided for above, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in Section 4.7 of the Deposit Agreement, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in Section 4.7 of the Deposit Agreement where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

(17) **Fixing of ADS Record Date.** Whenever (a) the Depositary shall receive notice of the fixing of a record date by the Company for the determination of holders of Deposited Securities entitled to receive any distribution (whether in cash, Shares, rights or other distribution), (b) for any reason the Depositary causes a change in the number of Shares that are represented by each ADS, (c) the Depositary shall receive notice of any meeting of, or solicitation of consents or proxies of, holders of Shares or other Deposited Securities, or (d) the Depositary shall find it necessary or convenient in connection with the giving of any notice, solicitation of any consent or any other matter, the Depositary, after consultation with the Company, shall fix the record date (the "ADS Record Date") for the determination of the Holders of ADS(s) who shall be entitled to receive such distribution, to give instructions for the exercise of voting rights at any such meeting, to give or withhold such consent, to receive such notice or solicitation or to otherwise take action, or to exercise the rights of Holders with respect to such changed number of Shares represented by each ADS. The Depositary shall make reasonable efforts to establish the ADS Record Date as closely as practicable to the applicable record date for the Deposited Securities (if any) set by the Company in Switzerland and Hong Kong and shall not announce the establishment of any ADS Record Date prior to the

relevant corporate action having been made public by the Company (if such corporate action affects the Deposited Securities). Subject to applicable law, the terms and conditions of this ADR and Sections 4.1 through 4.8 of the Deposit Agreement, only the Holders of ADSs at the close of business in New York on such ADS Record Date shall be entitled to receive such distribution, to give such voting instructions, to receive such notice or solicitation, or otherwise take action.

(18) **Voting of Deposited Securities.** As soon as practicable after receipt of notice of any meeting at which the holders of Deposited Securities are entitled to vote, or of solicitation of consents or proxies from holders of Deposited Securities, the Depositary shall fix the ADS Record Date in respect of such meeting or solicitation of consent or proxy in accordance with Section 4.9 of the Deposit Agreement. The Depositary shall, as soon as practicable after receipt of notice of any meeting at which the holders of Deposited Securities are entitled to vote, or solicitation of consents or proxies from holders of Deposited Securities, if requested by the Company in writing in a timely manner (the Depositary having no obligation to take any further action if the request shall not have been received by the Depositary at least thirty (30) days prior to the date of such vote or meeting), at the Company's expense and provided no U.S. legal prohibitions exist, distribute as soon as practicable after receipt therefore to Holders as of the ADS Record Date: (a) such notice of meeting or solicitation of consent or proxy, (b) a statement that the Holders at the close of business on the ADS Record Date and, if so required by the Company, who also hold the ADSs as of the applicable share record date, will be entitled, subject to any applicable law, the provisions of the Deposit Agreement, the Articles of Association and the provisions of or governing the Deposited Securities (which provisions, if any, shall be summarized in pertinent part by the Company), to instruct the Depositary as to the exercise of the voting rights, if any, pertaining to the Deposited Securities represented by such Holder's ADSs, and (c) a brief statement as to the manner and timing (such timing to be determined after consultation with the Company) in which such voting instructions may be given to the Depositary or in which voting instructions may be deemed to have been given in accordance with Section 4.10 of the Deposit Agreement if no instructions are received prior to the deadline set for such purposes to the Depositary. For the sake of clarity, all of the materials described in (a)-(c) of the previous sentence which shall be distributed to the Holders shall be in a form approved by the Company. Notwithstanding anything contained in the Deposit Agreement to the contrary, in the event the Company fails to timely request that the Depositary distribute the information as provided for in Section 4.10 of the Deposit Agreement, the Depositary agrees to use commercially reasonable efforts to perform the actions contemplated in Section 4.10 of the Deposit Agreement, and the Company, the Holders and the Beneficial Owners acknowledge that the Depositary shall have no liability for the Depositary's failure to perform the actions contemplated in Section 4.10 of the Deposit Agreement where such notice has not been so timely given, other than its failure to use commercially reasonable efforts, as provided herein.

Notwithstanding anything contained in the Deposit Agreement or any ADR, the Depositary may, to the extent not prohibited by law or regulations, or by the requirements of the stock exchange on which the ADSs are listed, and after consultation with the Company, in lieu of distribution of the materials provided to the Depositary in connection with any meeting of, or solicitation of consents or proxies from, holders of Deposited Securities, distribute to the Holders a notice that provides Holders with, or otherwise publicizes to Holders, instructions on how to retrieve such materials or receive such materials upon request (i.e., by reference to a website containing the materials for retrieval or a contact for requesting copies of the materials). For the sake of clarity, all of the notices and other publications described in this paragraph shall be in a form approved by the Company.

Voting instructions may be given only in respect of a number of ADSs representing an integral number of Deposited Securities. Upon the timely receipt from a Holder of ADSs as of the ADS Record Date (and, if so required by the Company, who also hold the ADSs as of the applicable share record date) of voting instructions in the manner specified by the Depositary, the Depositary shall endeavor, insofar as practicable and permitted under applicable law and the provisions of the Deposit Agreement, the Articles of Association and the Deposited Securities, to vote, or cause the Custodian to vote, the Deposited Securities (in person or by proxy) represented by such Holder's ADSs by instructing the Company's independent voting rights representative elected by the Company's shareholders at a general meeting of shareholders of the Company in accordance with the voting instructions received from the Holders of ADSs. If the Depositary (i) does not receive instructions from a Holder as of the ADS Record Date on or before the date established by the Depositary for such purpose, or (ii) receives instructions from the Holder as of the ADS Record Date on or before the date established by the Depositary for such purpose but such voting instructions fail to specify the manner in which the Depositary is to vote, such Holder shall be deemed, and the Depositary shall (unless otherwise specified in the notice distributed to Holders) deem such Holder, to have instructed the Depositary to instruct the Custodian to instruct the Company's independent voting rights representative elected by the Company's shareholders at a general meeting of shareholders of the Company in accordance with the voting recommendations of the Company's Board of Directors (the "Board") as specified in the applicable proxy statement and the proxy card for the general meeting provided for; provided, however, that no such voting instructions shall be given by the Depositary or the Custodian to the Company's independent voting rights representative elected by the Company's shareholders at a general meeting of shareholders of the Company (x) if the Company has not provided to the Depositary the applicable proxy statement for such general meeting of shareholders containing the Board's voting recommendations, or (y) to which the Company informs the Depositary that (A) the Company does not wish such proxy to be given, (B) substantial opposition exists, or (C) the rights of holders of Deposited Securities may be materially adversely affected.

Neither the Depositary nor the Custodian shall under any circumstances exercise any discretion as to voting and neither the Depositary nor the Custodian shall vote, attempt to exercise the right to vote, or in any way make use of, for purposes of establishing a quorum or otherwise, the Deposited Securities represented by ADSs, except pursuant to and in accordance with the voting instructions timely received from Holders or as otherwise contemplated herein. Notwithstanding anything else contained herein, the Depositary shall represent all Deposited Securities (whether or not voting instructions have been received in respect of such Deposited Securities from Holders as of the ADS Record Date) for the sole purpose of establishing quorum at a meeting of shareholders.

Notwithstanding anything else contained in the Deposit Agreement or any ADR, the Depositary shall not have any obligation to take any action with respect to any meeting, or solicitation of consents or proxies, of holders of Deposited Securities if the taking of such action would violate U.S. laws. The Company agrees to take any and all actions reasonably necessary and as required by Swiss law to enable Holders and Beneficial Owners to exercise the voting rights accruing to the Deposited Securities and to deliver to the Depositary an opinion of U.S. counsel addressing any actions requested to be taken if so reasonably requested by the Depositary.

(19) **Changes Affecting Deposited Securities.** Upon any change in nominal or par value, split up, cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger, consolidation or sale of assets affecting the Company or to which it is a party, any property which shall be received by the Depositary or the Custodian in exchange for, or in conversion of, or replacement of, or otherwise in respect of, such Deposited Securities shall, to the extent permitted by law, be treated as new Deposited Property under the Deposit Agreement, and this ADR shall, subject to the provisions of the Deposit Agreement, this ADR evidencing such ADSs and applicable law, represent the right to receive such additional or replacement Deposited Property. In giving effect to such change, split-up, cancellation, consolidation or other reclassification of Deposited Securities, recapitalization, reorganization, merger, consolidation or sale of assets, the Depositary may, with the Company's approval, and shall, if the Company shall so request, subject to the terms of the Deposit Agreement (including, without limitation, (a) the applicable fees and charges of, and expenses, payable to the Depositary pursuant to the Deposit Agreement, and (b) taxes) and receipt of an opinion of counsel to the Company reasonably satisfactory to the Depositary that such actions are not in violation of any applicable laws or regulations, (i) issue and deliver additional ADSs as in the case of a stock dividend on the Shares, (ii) amend the Deposit Agreement and the applicable ADRs, (iii) amend the applicable Registration Statement(s) on Form F-6 as filed with the Commission in respect of the ADSs, (iv) call for the surrender of outstanding ADRs to be exchanged for new ADRs, and (v) take such other actions as are appropriate to reflect the transaction with respect to the ADSs. Notwithstanding the foregoing, in the event that any Deposited Property so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall, if the Company requests, subject to receipt of an opinion of Company's counsel reasonably satisfactory to the Depositary that such action is not in violation of any applicable laws or regulations, sell such Deposited Property at public or private sale, at such place or places and upon such terms as it may deem proper and may allocate the net proceeds of such sales (net of (a) fees and charges of, and expenses incurred by, the Depositary and (b) applicable taxes) for the account of the Holders otherwise entitled to such Deposited Property upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash pursuant to Section 4.1 of the Deposit Agreement. The Depositary shall not be responsible for (i) any failure to determine that it may be lawful or practicable to make such Deposited Property available to Holders in general or to any Holder in particular, (ii) any foreign exchange exposure or loss incurred in connection with such sale, or (iii) any liability to the purchaser of such Deposited Property.

(20) **Exoneration.** Notwithstanding anything contained in the Deposit Agreement or any ADR, neither the Depositary nor the Company shall be obligated to do or perform any act which is inconsistent with the provisions of the Deposit Agreement or incur any liability (to the extent not limited by paragraph (25) hereof and Section 7.8(b) of the Deposit Agreement) (i) if the Depositary, the Custodian, the Company or their respective agents shall be prevented or forbidden from, or delayed in, doing or performing any act or thing required or contemplated by the terms of the Deposit Agreement and this ADR, by reason of any provision of any present or future law or regulation of the United States, Switzerland or any other country, or of any other governmental authority or regulatory authority or stock exchange, or on account of potential criminal or civil penalties or restraint, or by reason of any provision, present or future, of the Articles of Association or any provision of or governing any Deposited Securities, or by reason of any act of God or war or other circumstances beyond its control (including, without limitation, fire, flood, earthquake, tornado, hurricane, tsunami, explosion, or other natural disaster, nationalization, expropriation, currency restrictions, work stoppage, strikes, civil unrest, act of war (whether declared or not) or acts of

terrorism, revolution, rebellions, embargo, computer failure, failure of public infrastructure (including communication or utility failure), failure of common carriers, nuclear, cyber or biochemical incident, any pandemic, epidemic or other prevalent disease or illness with an actual or probable threat to human life, any quarantine order or travel restriction imposed by a governmental authority or other competent public health authority, or the failure or unavailability of the United States Federal Reserve Bank (or other central banking system) or DTC (or other clearing system)), (ii) by reason of any exercise of, or failure to exercise, any discretion provided for in the Deposit Agreement or in the Articles of Association or provisions of or governing Deposited Securities, (iii) for any action or inaction in reliance upon the advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Holder, any Beneficial Owner or authorized representative thereof, or any other person believed by it in good faith to be competent to give such advice or information, (iv) for the inability by a Holder or Beneficial Owner to benefit from any distribution, offering, right or other benefit which is made available to holders of Deposited Securities but is not, under the terms of the Deposit Agreement, made available to Holders of ADSs, (v) for any action or inaction of any clearing or settlement system (and any participant thereof) for the Deposited Property or the ADSs, or (vi) for any consequential or punitive damages (including lost profits) for any breach of the terms of the Deposit Agreement.

The Depositary, its controlling persons, its agents, any Custodian and the Company, its controlling persons and its agents may rely and shall be protected in acting upon any written notice, request or other document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

(21) **Standard of Care.** The Company and the Depositary assume no obligation and shall not be subject to any liability under the Deposit Agreement or this ADR to any Holder(s) or Beneficial Owner(s), except that the Company and the Depositary agree to perform their respective obligations specifically set forth in the Deposit Agreement or this ADR without negligence or bad faith. Without limitation of the foregoing, neither the Depositary, nor the Company, nor any of their respective controlling persons, or agents, shall be under any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of any Deposited Property or in respect of the ADSs, which in its reasonable opinion may involve it in expense or liability, unless indemnity satisfactory to it against all expense (including fees and disbursements of counsel) and liability be furnished as often as may be required (and no Custodian shall be under any obligation whatsoever with respect to such proceedings, the responsibility of the Custodian being solely to the Depositary).

The Depositary and its agents shall not be liable for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any vote is cast or the effect of any vote, provided that any such action or omission is in good faith and without negligence and in accordance with the terms of the Deposit Agreement. The Depositary shall not incur any liability for any failure to accurately determine that any distribution or action may be lawful or reasonably practicable, for the content of any information submitted to it by the Company for distribution to the Holders or for any inaccuracy of any translation thereof, for any investment risk associated with acquiring interests in the Deposited Property (or the manner in which such interests are acquired or held), for the validity or worth of the Deposited Property, for the value of any Deposited Property or any distribution thereon, for any interest on Deposited Property, for any financial transaction entered into by any person in respect of the ADSs or any Deposited Property, for any tax consequences that may result from the ownership of, or any transaction involving, ADSs or Deposited Property, for the credit worthiness of any third party, for allowing any rights to lapse upon the terms of the

Deposit Agreement, for the failure or timeliness of any notice from the Company, for the manner in which a Holder or Beneficial Owner elects to own and/or hold ADSs (e.g., in a brokerage account vs. as registered Holder on the register of ADSs maintained by the Depositary), the type of ADS a Holder or Beneficial Owner holds or owns (e.g., freely transferrable ADSs vs. Restricted ADSs, and/or Full Entitlement ADSs vs. Partial Entitlement ADSs), the timeframe of issuance and ownership of ADSs (e.g., as of an ADS Record Date vs. before and/or after an ADS Record Date), or for any action of or failure to act by, or any information provided or not provided by, DTC or any DTC Participant.

The Depositary shall not be liable for any acts or omissions made by a successor depositary whether in connection with a previous act or omission of the Depositary or in connection with any matter arising wholly after the removal or resignation of the Depositary, provided that in connection with the issue out of which such potential liability arises the Depositary performed its obligations without negligence or bad faith while it acted as Depositary.

(22) Resignation and Removal of the Depositary; Appointment of Successor Depositary. The Depositary may at any time resign as Depositary under the Deposit Agreement by written notice of resignation delivered to the Company, such resignation to be effective on the earlier of (i) the 90th day after delivery thereof to the Company (whereupon the Depositary shall be entitled to take the actions contemplated in Section 6.2 of the Deposit Agreement), or (ii) the appointment by the Company of a successor depositary and its acceptance of such appointment as provided in the Deposit Agreement. The Depositary may at any time be removed by the Company by written notice of such removal, which removal shall be effective on the later of (i) the 90th day after delivery thereof to the Depositary (whereupon the Depositary shall be entitled to take the actions contemplated in Section 6.2 of the Deposit Agreement), or (ii) upon the appointment by the Company of a successor depositary and its acceptance of such appointment as provided in the Deposit Agreement. In case at any time the Depositary acting hereunder shall resign or be removed, the Company shall use its commercially reasonable efforts to appoint a successor depositary, which shall be a bank or trust company having an office in the Borough of Manhattan, the City of New York. Every successor depositary shall be required by the Company to execute and deliver to its predecessor and to the Company an instrument in writing accepting its appointment hereunder, and thereupon such successor depositary, without any further act or deed (except as required by applicable law), shall become fully vested with all the rights, powers, duties and obligations of its predecessor (other than as contemplated in Sections 5.8 and 5.9 of the Deposit Agreement). The predecessor depositary, upon payment of all sums due it and on the written request of the Company shall (i) execute and deliver an instrument transferring to such successor all rights and powers of such predecessor hereunder (other than as contemplated in Sections 5.8 and 5.9 of the Deposit Agreement), (ii) duly assign, transfer and deliver all of the Depositary's right, title and interest to the Deposited Property to such successor, and (iii) deliver to such successor a list of the Holders of all outstanding ADSs and such other information relating to ADSs and Holders thereof as the successor may reasonably request. Any such successor depositary shall promptly provide notice of its appointment to such Holders. Any entity into or with which the Depositary may be merged or consolidated shall be the successor of the Depositary without the execution or filing of any document or any further act.

(23) **Amendment/Supplement.** Subject to the terms and conditions of this paragraph 23, and Section 6.1 of the Deposit Agreement and applicable law, this ADR and any provisions of the Deposit Agreement may at any time and from time to time be amended or supplemented by written agreement between the Company and the Depositary in any respect which they may deem necessary or desirable without the prior written consent of the Holders or Beneficial Owners. Any amendment or supplement which shall impose or increase any fees or charges (other than charges in connection with foreign exchange control regulations, and taxes and other governmental charges, delivery and other such expenses), or which shall otherwise materially prejudice any substantial existing right of Holders or Beneficial Owners, shall not, however, become effective as to outstanding ADSs until the expiration of thirty (30) days after notice of such amendment or supplement shall have been given to the Holders of outstanding ADSs. Notice of any amendment to the Deposit Agreement or any ADR shall not need to describe in detail the specific amendments effectuated thereby, and failure to describe the specific amendments in any such notice shall not render such notice invalid, provided, however, that, in each such case, the notice given to the Holders identifies a means for Holders and Beneficial Owners to retrieve or receive the text of such amendment (e.g., upon retrieval from the Commission's, the Depositary's or the Company's website or upon request from the Depositary). The parties hereto agree that any amendments or supplements which (i) are reasonably necessary (as agreed by the Company and the Depositary) in order for (a) the ADSs to be registered on Form F-6 under the Securities Act or (b) the ADSs to be settled solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to materially prejudice any substantial existing rights of Holders or Beneficial Owners. Every Holder and Beneficial Owner at the time any amendment or supplement so becomes effective shall be deemed, by continuing to hold such ADSs, to consent and agree to such amendment or supplement and to be bound by the Deposit Agreement and this ADR, if applicable, as amended or supplemented thereby. In no event shall any amendment or supplement impair the right of the Holder to surrender such ADS and receive therefor the Deposited Securities represented thereby, except in order to comply with mandatory provisions of applicable law. Notwithstanding the foregoing, if any governmental body should adopt new laws, rules or regulations which would require an amendment of, or supplement to, the Deposit Agreement to ensure compliance therewith, the Company and the Depositary may amend or supplement the Deposit Agreement and this ADR at any time in accordance with such changed laws, rules or regulations. Such amendment or supplement to the Deposit Agreement and this ADR in such circumstances may become effective before a notice of such amendment or supplement is given to Holders or within any other period of time as required for compliance with such laws, rules or regulations.

(24) **Termination.** The Depositary shall, at any time at the written direction of the Company, terminate the Deposit Agreement by distributing notice of such termination to the Holders of all ADSs then outstanding at least thirty (30) days prior to the date fixed in such notice for such termination. If (i) ninety (90) days shall have expired after the Depositary shall have delivered to the Company a written notice of its election to resign, or (ii) ninety (90) days shall have expired after the Company shall have delivered to the Depositary a written notice of the removal of the Depositary, and, in either case, a successor depositary shall not have been appointed and accepted its appointment as provided in Section 5.4 of the Deposit Agreement, the Depositary may terminate the Deposit Agreement by distributing notice of such termination to the Holders of all ADSs then outstanding at least thirty (30) days prior to the date fixed in such notice for such termination. The date so fixed for termination of the Deposit Agreement in any termination notice so distributed by the Depositary to the Holders of ADSs is referred to as the "Termination Date". Until the Termination Date, the Depositary shall continue to perform all of its obligations under the Deposit Agreement, and

the Holders and Beneficial Owners will be entitled to all of their rights under the Deposit Agreement. If any ADSs shall remain outstanding after the Termination Date, the Registrar and the Depositary shall not, after the Termination Date, have any obligation to perform any further acts under the Deposit Agreement, except that the Depositary shall, subject, in each case, to the terms and conditions of the Deposit Agreement, continue to (i) collect dividends and other distributions pertaining to Deposited Securities, (ii) sell Deposited Property received in respect of Deposited Securities, (iii) deliver Deposited Securities, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any other Deposited Property, in exchange for ADSs surrendered to the Depositary (after deducting, or charging, as the case may be, in each case, the fees and charges of, and expenses incurred by, the Depositary, and all applicable taxes or governmental charges for the account of the Holders and Beneficial Owners, in each case upon the terms set forth in Section 5.9 of the Deposit Agreement), and (iv) take such actions as may be required under applicable law in connection with its role as Depositary under the Deposit Agreement. At any time after the Termination Date, the Depositary may sell the Deposited Property then held under the Deposit Agreement and shall after such sale hold un-invested the net proceeds of such sale, together with any other cash then held by it under the Deposit Agreement, in an un-segregated account and without liability for interest, for the pro rata benefit of the Holders whose ADSs have not theretofore been surrendered. After making such sale, the Depositary shall be discharged from all obligations under the Deposit Agreement except (i) to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case, the fees and charges of, and expenses incurred by, the Depositary, and all applicable taxes or governmental charges for the account of the Holders and Beneficial Owners, in each case upon the terms set forth in Section 5.9 of the Deposit Agreement), and (ii) as may be required at law in connection with the termination of the Deposit Agreement.

Notwithstanding anything contained in the Deposit Agreement or any ADR, in connection with the termination of the Deposit Agreement, the Depositary may, independently and without the need for any action by the Company, make available to Holders of ADSs a means to elect to retain their interests in the Deposited Securities represented by their ADSs by means of an elective or mandatory conversion of ADSs for unsponsored American shares issued as part of an unsponsored American depositary shares program to be established by the Depositary in respect of the Deposited Securities, upon such terms and conditions as the Depositary may deem reasonably practicable and appropriate, subject however, in each case, to (x) satisfaction of the applicable registration requirements by the unsponsored American depositary shares program under the Securities Act, (y) the Depositary giving notice of such elective or mandatory conversion to the Holders of ADSs at least thirty (30) days prior to the Termination Date, and (z) receipt by the Depositary of the applicable ADSs for cancellation and payment of the applicable taxes and the ADS fees and charges of, and reimbursement of the applicable expenses incurred by, the Depositary. Upon completion such elective or mandatory conversion of the ADSs, the ADSs to be so converted shall be cancelled by the Depositary (and, if applicable, the ADRs representing such ADSs) and the Depositary shall be discharged from all obligations under the Deposit Agreement except (i) to account for such conversion, and (ii) as may be required at law in connection with the termination of the Deposit Agreement.

After the Termination Date, the Company shall be discharged from all obligations under the Deposit Agreement, except for its obligations to the Depositary under Sections 5.8, 5.9, 6.2, and 7.6 of the Deposit Agreement. The obligations under the terms of the Deposit Agreement of Holders and Beneficial Owners of ADSs outstanding as of the Termination Date shall survive the Termination Date and shall be discharged only when the applicable ADSs are presented by their Holders to the Depositary for cancellation under the terms of the Deposit Agreement (except as specifically provided in the Deposit Agreement).

(25) Compliance with, and No Disclaimer under, U.S. Securities Laws.

(a) Notwithstanding any provisions in this ADR or the Deposit Agreement to the contrary, the withdrawal or delivery of Deposited Securities will not be suspended by the Company or the Depositary except as would be permitted by Instruction I.A.(1) of the General Instructions to the Form F-6 Registration Statement, as amended from time to time, under the Securities Act.

(b) Each of the parties to the Deposit Agreement (including, without limitation, each Holder and Beneficial Owner) acknowledges and agrees that no provision of the Deposit Agreement or any ADR shall, or shall be deemed to, disclaim any liability under the Securities Act or the Exchange Act, in each case to the extent established under applicable U.S. laws.

(26) No Third Party Beneficiaries/Acknowledgements. The Deposit Agreement is for the exclusive benefit of the parties hereto (and their successors) and shall not be deemed to give any legal or equitable right, remedy or claim whatsoever to any other person, except to the extent specifically set forth in the Deposit Agreement. Nothing in the Deposit Agreement shall be deemed to give rise to a partnership or joint venture among the parties nor establish a fiduciary or similar relationship among the parties. The parties hereto acknowledge and agree that (i) Citibank and its Affiliates may at any time have multiple banking relationships with the Company, the Holders, the Beneficial Owners, and their respective Affiliates, (ii) Citibank and its Affiliates may own and deal in any class of securities of the Company and its Affiliates and in ADSs, and may be engaged at any time in transactions in which parties adverse to the Company, the Holders, the Beneficial Owners or their respective Affiliates may have interests, (iii) the Depositary and its Affiliates may from time to time have in their possession non-public information about the Company, the Holders, the Beneficial Owners, and their respective Affiliates, (iv) nothing contained in the Deposit Agreement shall (a) preclude Citibank or any of its Affiliates from engaging in such transactions or establishing or maintaining such relationships, or (b) obligate Citibank or any of its Affiliates to disclose such information, transactions or relationships, or to account for any profit made or payment received in such transactions or relationships, (v) the Depositary shall not be deemed to have knowledge of any information any other division of Citibank or any of its Affiliates may have about the Company, the Holders, the Beneficial Owners, or any of their respective Affiliates, and (vi) the Company, the Depositary, the Custodian and their respective agents and controlling persons may be subject to the laws and regulations of jurisdictions other than the U.S. and Switzerland, and the authority of courts and regulatory authorities of such other jurisdictions, and, consequently, the requirements and the limitations of such other laws and regulations, and the decisions and orders of such other courts and regulatory authorities, may affect the rights and obligations of the parties to the Deposit Agreement.

(27) **Governing Law/Waiver of Jury Trial.** The Deposit Agreement, the ADRs and the ADSs shall be interpreted in accordance with, and all rights hereunder and thereunder and provisions hereof and thereof shall be governed by, the laws of the State of New York applicable to contracts made and to be wholly performed in that State without regard to its conflict of laws principles. Notwithstanding anything contained in the Deposit Agreement to the contrary, any ADR or any present or future provisions of the laws of the State of New York, the rights of holders of Shares and of any other Deposited Securities and the obligations and duties of the Company in respect of the holders of Shares and other Deposited Securities, as such, shall be governed by the laws of Switzerland (or, if applicable, such other laws as may govern the Deposited Securities).

EACH OF THE PARTIES TO THE DEPOSIT AGREEMENT (INCLUDING, WITHOUT LIMITATION, EACH HOLDER AND BENEFICIAL OWNER) IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING AGAINST THE COMPANY AND/OR THE DEPOSITARY ARISING OUT OF, OR RELATING TO, THE DEPOSIT AGREEMENT, ANY ADR AND ANY TRANSACTIONS CONTEMPLATED THEREIN (WHETHER BASED ON CONTRACT, TORT, COMMON LAW OR OTHERWISE).

C. TAXATION

*The following is a summary of the material tax consequences relevant to an investment in our shares. Please also refer to the circular of the extraordinary general meetings of the Company filed with The Stock Exchange of Hong Kong Limited on March 10, 2025 ("**Circular**") for further disclosures on taxation that may be applicable to certain investors. The discussion is not intended to be, nor should it be construed as, legal or tax advice to any particular prospective purchaser. You should consult your own tax advisors with respect to the consequences of acquisition, ownership and disposition of our shares. Unless otherwise defined herein, following capitalised terms shall have the same meanings as those defined in the Circular.*

Taxation of Shareholders

Swiss Taxation

Swiss Income Tax on Dividends and Similar Distributions.

Swiss Holders: An individual who is a Swiss resident who receives dividends and similar distributions (including stock dividends and liquidation proceeds in excess of the par value and respectively in excess of the qualifying Paid-in-Capital if certain conditions are met of the shares) from us is required to include such amounts in his/her personal income tax return for federal, cantonal and communal income tax purposes and owes income tax on any taxable income, including these amounts. In the case of Swiss-resident entities, the profit from the shares is included in their income statement to which the corporate income tax applies. Companies and cooperatives or Swiss permanent establishments of non-Swiss companies or cooperatives may, under certain circumstances as outlined in the Circular under "Taxation of BeiGene and its Subsidiaries Subsequent to the Continuation," benefit from a participation relief.

Non-Swiss Holders: A non-Swiss holder will not be subject to Swiss income taxes on dividend income and similar distributions in respect of the Company's shares, unless the shares are attributable to a permanent establishment or a fixed place of business maintained in Switzerland by such non-Swiss holder. However, dividends and similar distributions are subject to Swiss withholding tax. See "—Swiss Withholding Tax — Distributions to Shareholders" below.

Swiss Wealth Tax.

Swiss Holders: The holding of shares by a Swiss resident individual is usually subject to cantonal and communal wealth tax provided that the applicable tax-free allowances are exceeded. No wealth tax is due on federal level.

Non-Swiss Holders: A non-Swiss holder will not be subject to Swiss wealth taxes unless the holder's shares of the Company are attributable to a permanent establishment, or a fixed place of business maintained in Switzerland by such non-Swiss holder.

Swiss Capital Gains Tax upon Disposal of the Company's Shares.

Swiss Holders: A Swiss resident individual who holds shares as part of his private assets will generally not be subject to any Swiss federal, cantonal or communal income taxation on gains realized upon the sale or other disposal of shares. Swiss-resident corporate entities and individuals who hold our shares as part of business assets are required to recognize capital gains or losses on the sale of shares in their income statement and are subject to Swiss corporate income taxation on any net taxable income for such taxation period. This also applies to individuals who, for income tax purposes, are considered to engage in securities trading professionally.

Non-Swiss Holders: A non-Swiss holder will not be subject to Swiss income taxes for capital gains unless the holder's shares are attributable to a permanent establishment, or a fixed place of business maintained in Switzerland by such non-Swiss holder. In such case, the non-Swiss holder is required to recognize capital gains or losses on the sale of such shares, which will be subject to cantonal, communal, and federal income tax.

Swiss Withholding Tax — Distributions to Shareholders. A Swiss withholding tax of 35% is due on dividends and similar distributions to the Company's shareholders from the Company out of available earnings or other non-qualifying reserves for withholding tax purposes, regardless of the place of residency of the shareholder (subject to the exceptions discussed under "—Exemption from Swiss Withholding Tax — Distributions to Shareholders" below). The Company will be required to withhold at such rate and remit on a net basis any payments made to a holder of the Company's shares and pay such withheld amounts to the Swiss Federal Tax Administration. Please see "—Refund of Swiss Withholding Tax on Dividends and Other Distributions" below.

Exemption from Swiss Withholding Tax — Distributions to Shareholders. Distributions to shareholders in relation to a reduction of par value and distributions to shareholders out of qualifying capital contribution reserves recognized by the Swiss Federal Tax Administration are exempt from the Swiss withholding tax. The Company expects to pay distributions out of qualifying capital contribution reserves recognized by the Swiss Federal Tax Administration for the foreseeable future, and as a result, any such distributions to shareholders will be exempt from the Swiss withholding tax. The Company currently has qualifying capital contribution reserves in the amount of approximately US$13.8 billion available for distribution not subject to Swiss withholding tax.

Repurchases of Shares. Repurchases of shares for the purposes of capital reduction are treated as a partial liquidation subject to the 35% Swiss withholding tax. However, for shares repurchased for capital reduction, the portion of the repurchase price attributable to the par value and to the qualifying contribution reserves recognized by the Swiss Federal Tax Administration of the shares repurchased will not be subject to the Swiss withholding tax. The Company would be required to withhold at such rate the tax from the difference between the repurchase price and the related amount of par value and qualifying contribution reserves. The Company would be required to remit on a net basis the purchase price with the Swiss withholding tax deducted to a holder of the Company's shares and pay the withholding tax to the Swiss Federal Tax Administration.

With respect to the refund of Swiss withholding tax from the repurchase of shares, see "— Refund of Swiss Withholding Tax on Dividends and Other Distributions" below.

The repurchase of shares for purposes other than capital reduction, such as to retain as treasury shares for use in connection with equity incentive plans, convertible debt or other instruments within certain periods, will generally not be subject to Swiss withholding tax.

Refund of Swiss Withholding Tax on Dividends and Other Distributions.

Swiss Holders: A Swiss tax resident, corporate or individual, can recover the withholding tax in full if such resident is the beneficial owner of the Company's shares at the time the dividend or other distribution becomes due and provided that such resident reports the gross distribution received on such resident's income tax return, or in the case of an entity, includes the taxable income in such resident's income statement, in accordance with statutory law requirements.

Non-Swiss Holders: If the shareholder that receives a distribution from the Company is not a Swiss tax resident, does not hold the Company's shares in connection with a permanent establishment or a fixed place of business maintained in Switzerland, and resides in a country that has concluded a treaty for the avoidance of double taxation with Switzerland for which the conditions for the application and protection of and by the treaty are met, then the shareholder may be entitled to a full or partial refund of the withholding tax described above. You should note that the procedures for claiming treaty refunds (and the time frame required for obtaining a refund) may differ from country to country.

Switzerland has entered into bilateral treaties for the avoidance of double taxation with respect to income taxes with currently over 100 jurisdictions, including the United States, whereby under certain circumstances all or part of the withholding tax may be refunded or credited against tax paid in the country of residence.

Obtaining a Refund of Swiss Withholding Tax for U.S. Holders

The Swiss-U.S. tax treaty provides that U.S. residents eligible for benefits under the treaty can seek a refund of the Swiss withholding tax on dividends for the portion exceeding 15% (leading to a refund of 20%) or a 100% refund in the case of qualified pension funds. Please refer to the discussion under "—United States Taxation" below for applicability of U.S. foreign tax credits for any net withholding taxes paid.

As a general rule, the refund will be granted under the treaty if the U.S. resident can show evidence of:

- beneficial ownership,
- U.S. residency, and
- meeting the U.S.-Swiss tax treaty's limitation on benefits requirements.

The claim for refund must be filed with the Swiss Federal Tax Administration (Eigerstrasse 65, 3003 Berne, Switzerland), not later than December 31 of the third year following upon the calendar year in which the dividend payments became due. The relevant Swiss tax form is Form 82C for companies, 82E for other entities and 82I for individuals. These forms can be obtained from any Swiss Consulate General in the United States or from the Swiss Federal Tax Administration at the address mentioned above or online. Each form needs to be filled out in triplicate, with each copy duly completed and signed before a notary public in the United States. You must also include evidence that the withholding tax was withheld at the source.

Subject to applicable laws and regulations, this may also apply to other shareholders that are entitled to a dividend withholding tax rate lower than the Swiss withholding tax rate under the tax treaties between the shareholders' own tax residency jurisdictions and Switzerland.

Swiss Transfer Stamp Tax in Relation to the Transfer of the Company's Shares

The purchase or sale of the Company's shares may be subject to Swiss federal stamp taxes on the transfer of securities irrespective of the place of residency of the purchaser or seller if the transaction takes place through or with a Swiss bank or other Swiss securities dealer, as those terms are defined in the Federal Stamp Tax Act of 1973 and no exemption applies in the specific case. If a purchase or sale is not entered into through or with a Swiss bank or other Swiss securities dealer, then no stamp tax will be due. The applicable stamp tax rate is 0.075% for each of the two parties to a transaction and is calculated based on the purchase price or sale proceeds. If the transaction does not involve cash consideration, the transfer stamp duty is computed on the basis of the market value of the consideration. The Swiss banks and securities dealers are responsible for levying such securities transfer tax.

United States Taxation

Taxation of Distributions in the Form of a Repayment of Par Value, Repayment of Qualifying Paid in Capital or Dividend. Subject to the discussions below relating to the potential application of the controlled foreign corporation ("**CFC**") and PFIC rules, the gross amount of a distribution paid with respect to The Company's Listed Shares, including the full amount of any Swiss Withholding Tax thereon, will be a dividend for U.S. federal income tax purposes to the extent of current or accumulated earnings and profits (as determined for United States federal income tax purposes). With respect to non-corporate U.S. Holders, certain dividends from a qualified foreign corporation will be subject to reduced rates of taxation. As a Swiss corporation, the Company will be treated as a qualified foreign corporation and such dividends will constitute qualified dividend income taxed as net capital gain, so long as the Company is not treated as a PFIC. This reduced rate will not be available in all situations, and U.S. Holders should consult their own tax advisors regarding the application of the relevant rules to their particular circumstances.

To the extent that a distribution exceeds the Company's current or accumulated earnings and profits (as determined for U.S. tax purposes), it will be treated as a nontaxable return of capital to the extent of the taxpayer's basis in the stock, and thereafter as capital gain. While dividends paid by the Company generally will be treated as foreign source income, in certain situations a portion of the dividends may be treated as U.S. source income. The Company dividends will not be eligible for the dividends received deduction allowed to corporate shareholders under the Code.

Classification of the Company or its Non-U.S. Subsidiaries as Controlled Foreign Corporation. Each 10% U.S. Shareholder (as defined below) of a non-U.S. corporation that is a CFC and who owns shares in the CFC, directly or indirectly through certain entities, on the last day of the CFC's taxable year, must include in its gross income for U.S. federal income tax purposes its pro rata share of the CFC's "subpart F income," even if the subpart F income is not distributed. A "10% U.S. Shareholder" is a U.S. Person who owns (directly, indirectly through non-U.S. entities or constructively) at least 10% of the total combined voting power of all classes of stock entitled to vote of the non-U.S. corporation. A non-U.S. corporation is considered a CFC if 10% U.S. Shareholders own (directly, indirectly through certain entities or by attribution by application of the constructive ownership rules of section 958(b) of the Code ("**constructively**")) more than 50%

of the total combined voting power of all classes of voting stock of such non-U.S. corporation, or more than 50% of the total value of all stock of such corporation on any day during the taxable year of such corporation. We may presently be or become a CFC or own interests in one in the future. Holders are urged to consult their own tax advisors with respect to our potential CFC status and the consequences thereof.

Recharacterization under Section 1248. Subject to the discussions below relating to the potential application of Code section 1248 and the PFIC rules, holders of Listed Shares generally should recognize capital gain or loss for U.S. federal income tax purposes on the sale, exchange or other disposition of Listed Shares in the same manner as on the sale, exchange or other disposition of any other shares held as capital assets. If the holding period for these Listed Shares exceeds one year, any gain will be subject to tax at a current rate of 21% for corporations and a current maximum marginal tax rate of 20% for individuals. Moreover, any gain generally will be U.S. source gain and generally will constitute "passive income" for foreign tax credit limitation purposes.

Code section 1248 provides that if a U.S. Person sells or exchanges stock in a CFC and such person owned, directly, indirectly through certain entities or constructively, 10% or more of the voting power of the corporation at any time during the five-year period ending on the date of disposition, any gain from the sale or exchange of the shares will be treated as a dividend to the extent of the CFC's earnings and profits (determined under U.S. federal income tax principles) during the period that the shareholder held the shares and while the corporation was a CFC (with certain adjustments). We believe that there may be U.S. Holders of the Company that should be treated as owning (directly, indirectly through certain entities or constructively) 10% of more of the total voting power of the Company and to which Code section 1248 may apply. A 10% U.S. Shareholder may in certain circumstances be required to report a disposition of shares of a CFC by attaching IRS Form 5471 to the U.S. federal income tax or information return that it would normally file for the taxable year in which the disposition occurs. In the event this is determined necessary, the Company will endeavor to provide a completed IRS Form 5471 or the relevant information necessary to complete the Form.

Passive Foreign Investment Companies. In general, a non-U.S. corporation will be a PFIC during a given year if it qualifies as a PFIC under the 75% income test or the 50% asset test (in both cases, as defined above).

If the Company were characterized as a PFIC during a given year, each U.S. Holder holding Listed Shares would be subject to a penalty tax at the time of the sale at a gain of, or receipt of an "excess distribution" with respect to, their Listed Shares, unless such person is a 10% U.S. shareholder (if the Company were also a CFC) or made a "qualified electing fund election" or "mark-to-market" election. It is uncertain that the Company would be able to provide its shareholders with the information necessary for a U.S. Person to make these elections. In addition, if the Company were considered a PFIC, upon the death of any U.S. individual owning Listed Shares, such individual's heirs or estate generally would not be entitled to a "step-up" in the basis of the Listed Shares that might otherwise be available under U.S. federal income tax laws. In general, a shareholder would receive an "excess distribution" if the total amount of the distributions received on the Listed Shares over the taxable year is more than 125% of the average distribution with respect to the Listed Shares during the three preceding taxable years (or shorter period during which the taxpayer held Listed Shares). In general, the penalty tax is equivalent to an interest charge on taxes that are deemed due during the period the shareholder owned the Listed Shares, computed by assuming that

the excess distribution or gain (in the case of a sale) with respect to the Listed Shares was taken in equal portion at the highest applicable tax rate on ordinary income throughout the shareholder's period of ownership. The interest charge is equal to the applicable rate imposed on underpayments of U.S. federal income tax for such period. In addition, a distribution paid by the Company to U.S. Holders that is characterized as a dividend and is not characterized as an excess distribution would not be eligible for reduced rates of tax as qualified dividend income.

Foreign Tax Credit. Subject to complex limitations, Swiss Withholding Tax should be treated for U.S. tax purposes as a foreign tax that may be claimed as a foreign tax credit against the U.S. federal income tax liability of a U.S. Holder. Dividends distributed by the Company will generally be categorized as "passive income" or, in the case of some holders, as "financial services income," for purposes of computing allowable foreign tax credits for U.S. tax purposes. Certain taxpayers may be able to treat financial services income as general category income. The rules relating to the determination of the foreign tax credit are complex, and you should consult your own tax advisors to determine whether and to what extent a credit would be available.

In certain cases, only a portion of the current income inclusions, if any, under the CFC and PFIC rules and of dividends paid by us (including any gain from the sale of shares that is treated as a dividend under section 1248 of the Code) may be treated as foreign source income for purposes of computing a shareholder's U.S. foreign tax credit limitations. We will consider providing shareholders with information regarding the portion of such amounts constituting foreign source income to the extent such information is reasonably available. It is also likely that substantially all of the "subpart F income" and dividends that are foreign source income will constitute either "passive" or "general" income. Thus, it may not be possible for most shareholders to utilize excess foreign tax credits to reduce U.S. tax on such income.

Information Reporting and Backup Withholding on Distributions and Disposition Proceeds. Information returns may be filed with the IRS in connection with distributions of our Listed Shares and the proceeds from a sale or other disposition of our Listed Shares unless the holder of our Listed Shares establishes an exemption from the information reporting rules. A holder of Listed Shares that does not establish such an exemption may be subject to U.S. backup withholding tax on these payments if the holder is not a corporation or non-U.S. Holder or fails to provide its taxpayer identification number or otherwise comply with the backup withholding rules. The amount of any backup withholding from a payment to a U.S. Holder will be allowed as a credit against the U.S. Holder's U.S. federal income tax liability and may entitle the U.S. Holder to a refund, provided that the required information is furnished to the IRS.

Mainland China Taxation

Taxation of Distributions in the Form of a Repayment of Par Value, Repayment of Qualifying Paid in Capital or Dividend. The gross amount of a distribution paid with respect to the Company Listed Shares, including the full amount of any Swiss Withholding Tax thereon, will be a dividend for mainland China EIT and IIT purposes to the extent that such distribution is made from current or accumulated earnings and profits (as determined for mainland China tax purposes).

A distribution in excess of the Company's current or accumulated earnings and profits (as determined for mainland China tax purposes) will be treated as a nontaxable return of capital to the extent that it does not exceed the taxpayer's basis in the stock (as determined for mainland China tax purposes), and thereafter as capital gains.

Foreign Tax Credit. Subject to complex limitations, Swiss Withholding Tax should be treated for mainland China tax purposes as a foreign tax that may be claimed as a foreign tax credit against the EIT or IIT (as applicable) of a China Holder. Dividends distributed by the Company will generally be categorized as investment income or dividend income for purposes of computing allowable foreign tax credits for mainland China tax purposes. The rules relating to the determination of the foreign tax credit are complex, and you should consult your own tax advisors to determine whether and to what extent a credit would be available. In the case where the foreign tax paid exceeds the credit cap as determined under mainland China tax rules, China Holders may carry forward the unused foreign tax credits for up to five years.

Under the Enterprise Income Tax Law ("**EIT Law**"), an enterprise established outside the PRC with a "de facto management body" within the PRC is considered a "resident enterprise," which means that it is treated in a manner similar to a Chinese enterprise for PRC enterprise income tax purposes. The implementation rules of the EIT Law define "de facto management body" as a managing body that exercises substantial and overall management and control over the production and operations, personnel, accounting and properties of an enterprise. In addition, the Notice Regarding the Determination of Chinese-Controlled Offshore Incorporated Enterprise as PRC Tax Resident Enterprises on the Basis of De Facto Management Bodies, or Circular 82, issued by the State Administration of Taxation, which provides guidance on the determination of the tax residence status of a Chinese-controlled offshore incorporated enterprise, defines Chinese-controlled offshore incorporated enterprise as an enterprise that is incorporated under the laws of a foreign country or territory and that has a PRC enterprise or enterprise group as its primary controlling shareholder. Although BeOne Medicines Ltd. does not have a PRC enterprise or enterprise group as our primary controlling shareholder and is therefore not a Chinese-controlled offshore incorporated enterprise within the meaning of Circular 82, in the absence of guidance specifically applicable to us, we have applied the guidance set forth in Circular 82 to evaluate the tax residence status of BeOne Medicines Ltd. and its subsidiaries organized outside the PRC.

According to Circular 82, a Chinese-controlled offshore incorporated enterprise will be regarded as a PRC tax resident by virtue of having a "de facto management body" in China and will be subject to PRC enterprise income tax on its worldwide income only if all of the following criteria are met:

- the primary location of the enterprise's senior executives of the day-to-day operational management and senior management departments performing their duties is in the PRC;

- decisions relating to the enterprise's financial and human resource matters are made or are subject to approval by organizations or personnel in the PRC;

- the enterprise's primary assets, accounting books and records, company seals, and board and shareholder meeting minutes are located or maintained in the PRC; and

- 50% or more of voting board members or senior executives habitually reside in the PRC.

Currently, some of the members of our management team are located in China. However, we do not believe that we meet all of the conditions outlined in the immediately preceding paragraph. BeOne Medicines Ltd. and its offshore subsidiaries are incorporated outside the PRC. As a holding company, our key assets and records, including the resolutions and meeting minutes of our board of directors and the resolutions and meeting minutes of our shareholders, are located and maintained outside the PRC. We are not aware of any offshore holding companies with a corporate structure similar to ours that has been deemed a PRC "resident enterprise" by the PRC tax authorities. Accordingly, we believe that BeOne Medicines Ltd. and its offshore subsidiaries should not be treated as a "resident enterprise" for PRC tax purposes if the criteria for "de facto management body" as set forth in Circular 82 were deemed applicable to us. However, as the tax residency status of an enterprise is subject to determination by the PRC tax authorities and uncertainties remain with respect to the interpretation of the term "de facto management body" as applicable to our offshore entities, we will continue to monitor our tax status.

The implementation rules of the EIT Law provide that, (1) if the enterprise that distributes dividends is domiciled in the PRC or (2) if gains are realized from transferring equity interests of enterprises domiciled in the PRC, then such dividends or capital gains are treated as China-sourced income. It is not clear how "domicile" may be interpreted under the EIT Law, and it may be interpreted as the jurisdiction where the enterprise is a tax resident. Therefore, if we are considered as a PRC tax resident enterprise for PRC tax purposes, any dividends we pay to our overseas shareholders or ADS holders as well as gains realized by such shareholders or ADS holders from the transfer of our shares or ADSs may be regarded as China-sourced income. As a result, dividends paid to non-PRC resident enterprise ADS holders or shareholders may be subject to PRC withholding tax at a rate of up to 10% (or 20% in the case of non-PRC individual ADS holders or shareholders) and gains realized by non-PRC resident enterprise ADS holders or shareholders from the transfer of our ordinary shares or ADSs may be subject to PRC tax at a rate of 10% (or 20% in the case of non-PRC individual ADS holders or shareholders). It is also unclear whether, if we are considered a PRC resident enterprise, holders of our shares or ADSs would be able to claim the benefit of income tax treaties or agreements entered into between China and other countries or areas.

Hong Kong Taxation

In accordance with the Hong Kong tax law, any distributions or gains that a shareholder of the Company derives after the Continuation should continue to be taxed in the same manner as prior to the Continuation. Hong Kong profits tax will not be payable by the shareholders (other than shareholders carrying on a trade, profession or business in Hong Kong) on any gains or profits made on the sale, redemption or other disposal of their Listed Shares of the Company and on dividend income received with respect to their Listed Shares of the Company.

D. LAWS AND REGULATIONS

The following is a summary of the laws and regulations under Swiss law that materially different from the core shareholder protection standard under Appendix A1 as identified under the Explanatory Note for Switzerland-incorporated Company's Compliance with Core Shareholder Protection Standards issued by the HKEX on November 2023 (last updated in December 2023). Please also refer to the Circular for further disclosures on comparison. The discussion is not intended to be, nor should it be construed as, legal or tax advice to any particular prospective purchaser. You should consult your own professional advisors with respect to the consequences of acquisition, ownership and disposition of our shares. Unless otherwise defined herein, following capitalised terms shall have the same meanings as those defined in the Circular.

As to casual vacancy appointments

Paragraph 4(2) of Appendix A1 provides that any person appointed by the directors to fill a casual vacancy on or as an addition to the board shall hold office only until the first annual general meeting of the issuer after his appointment, and shall then be eligible for re-election.

Under Swiss law to which the Company is subject, the power of electing a person as a member of the board of directors of a Swiss company lies solely with the shareholders of the Swiss company, and the board of directors has no authority to appoint directors to fill a casual vacancy on or as an addition to the board. The director so appointed by the shareholders shall hold office until the completion of the next general meeting, and shall be eligible for re-election. Please also refer to the section headed "A. Waivers and Exemptions – Articles of the Company – As regards directors" above.

As regards notice of annual general meeting

Paragraph 14(2) of Appendix A1 provides that an issuer must give its members reasonable written notice of its general meetings, where by a "reasonable written notice" normally means at least 21 days for an annual general meeting and at least 14 days for other general meetings, unless it can be demonstrated that reasonable written notice can be given in less time.

Under Swiss law to which the Company is subject, a Swiss company must give its shareholders at least 20 calendar days' prior notice of a general meeting, but a Swiss company's articles of association may provide for a longer notice period.

Our New Articles requires at least 21 calendar days for holding a general meeting of the Company.

As regards right to speak and vote at general meeting and restriction on shareholder voting

Paragraph 14(3) of Appendix A1 provides that the members must have the right to (a) speak at a general meeting and (b) vote at a general meeting except where a member is required, by the HKEX Listing Rules, to abstain from voting to approve the matter under consideration. Paragraph 14(4) of Appendix A1 also provides that where any shareholder is, under the HKEX Listing Rules, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution, any votes cast by or on behalf of such shareholder in contravention of such requirement or restriction shall not be counted.

The shareholder protection standard under Swiss law, to which the Company is subject, is consistent with Paragraphs 14(3) and 14(4) of Appendix A1 save for the requirement of an interested shareholder to abstain from voting to approve the matter under consideration.

Our New Articles provides for a dual majority threshold for passing resolutions in a general meeting, whereby if any interested shareholder, director, or officer of the Company is required, by the HKEX Listing Rules, to abstain from voting on any particular resolution of the general meeting, or is restricted to voting only for or only against any particular resolution of the general meeting, the relevant majority under our New Articles or applicable laws for a resolution of the general meeting to be passed shall be (a) the default majority under applicable law or the provisions of our New Articles, and (b) the majority of the votes cast by the disinterested shareholders.

We have therefore consulted with, and the HKEX has agreed with our view that, our New Articles complies paragraph 14(3)(b) and 14(4) of Appendix A1 on the restriction on voting by interested shareholder. Please also refer to the section headed "A. Waivers and Exemptions – Articles of the Company – As regards voting" above.

As regards variation of class rights, amendment of constitutional documents and voluntary winding up

Paragraph 15 of Appendix A1 requires a super-majority vote of the issuer's members of the class to which the rights are attached to approve a change to those rights. Paragraph 16 of Appendix A1 requires a super majority of the issuer's members to approve changes to an issuer's constitutional documents. Paragraph 21 of Appendix A1 requires a super-majority vote of the issuer's members to approve a voluntary winding up of an issuer.

A "super majority vote" means at least three-fourths of the voting rights of the members holding shares in that class present and voting in person or by proxy at a separate general meeting of members of the class where the quorum for such meeting shall be holders of at least one third of the issued shares (excluding treasury shares) of the class. This is unless it can be demonstrated that shareholder protection will not be compromised by a lower voting threshold (e.g. simple majority votes in favour of the relevant resolutions with a higher quorum requirement) and in such case a"super-majority vote" is deemed to be achieved.

Under Swiss law to which the Company is subject, certain matters can only be passed by shareholders at a general meeting by at least a majority of two-thirds of the votes and a majority of the par value of shares, each as represented at the general meeting:

(1) any amendment of the company's objects;

(2) the consolidation of shares;

(3) capital increase by way of a conversion of equity capital, in return for contributions in kind or by offset with a claim, and the granting of special privileges;

(4) restriction or cancellation of subscription rights;

(5) introduction of contingent capital or a capital band, or creation of reserve capital;

(6) conversion of participation certificates into shares;

(7) any restriction on the transferability of registered shares;

(8) introduction of shares with preferential voting rights;

(9) any change in the currency of the share capital;

(10) introduction of a casting vote for the person chairing the general meeting;

(11) a provision of the articles of association on holding the general meeting abroad;

(12) delisting of the equity securities of the Company;

(13) relocation of the seat of the Company;

(14) introduction of an arbitration clause in the articles of association;

(15) dispensing with the designation of an independent voting representative for conducting a virtual general meeting for companies whose shares are not listed on a stock exchange; and

(16) dissolution of the Company.

Swiss Laws do not provide for a mandatory attendance quorum for the validity of resolutions adopted at a general meeting.

Our New Articles provides that introduction of new share classes and amendments of the rights of existing share classes and the voluntary dissolution of the Company can only be passed with a majority of two-thirds of the votes present or represented at the general meeting.

We have therefore consulted with, and the HKEX has agreed with our view that, our New Articles complies with paragraph 15, 16 and 21 of Appendix A1 regarding a super-majority vote requirement of the issuer's members or members of the relevant class in a general meeting to approve changes to rights to a class of shares, changes to constitutional documents, and voluntary winding up. Please also refer to the section headed "A. Waivers and Exemptions – Articles of the Company – As regards special resolutions" and "- As regards share capital" above.

As to appointment, removal and remuneration of auditors

Paragraph 17 of Appendix A1 provides that the appointment, removal and remuneration of auditors must be approved by a majority of the issuer's members or other body that is independent of the board of directors.

Under Swiss law to which the Company is subject, the appointment of the statutory auditor must be approved by shareholders at a general meeting, and that the removal of the statutory auditor (which may only occur with cause) requires approval by shareholders at a general meeting. In addition, Swiss Laws do not require the general meeting to approve the remuneration of the statutory auditor.

Our New Articles provides that the appointment and removal of any of the Company's auditors shall be determined by a resolution of the shareholders at a general meeting for the term until the next annual general meeting. The remunerations of any of the Company's auditors shall be determined by way of a resolution of the shareholders; provided that in respect of any particular year, the shareholders may, by adopting a resolution at an annual general meeting or at another general meeting, delegate the authority to determine the remuneration of the auditor to the board of directors.

As to inspection of branch register

Paragraph 20 of Appendix A1 provides that the branch register of members in Hong Kong shall be open for inspection by members but the issuer may be permitted to close the register on terms equivalent to section 632 of the Companies Ordinance.

Under Swiss law to which the Company is subject, a shareholder has the right to inspect the share register with regard to its, his, or her own shares and otherwise to the extent necessary to exercise its, his, or her shareholder rights. No other person has a right to inspect the share register. Between the record date of a general meeting (which may not be more than 20 calendar days prior to the meeting), a Switzerland-incorporated company may close the register. During that period, shareholders can continue to trade in the shares; however, they will not be able to be recorded with voting rights during that period.

Our New Articles provide that any branch register of holders of Shares maintained in Hong Kong shall, during normal business hours (subject to such reasonable restrictions as the Company's board of directors may impose), be open to inspection by a shareholder of record on payment of a fee of such amount not exceeding the maximum amount as may from time to time be permitted under the HKEX Listing Rules as the Company's board of directors may determine for each inspection, provided that the Company may close such register in terms equivalent to section 632 of the Companies Ordinance (Cap. 622) of Hong Kong.
