POSITIVE PROFIT ALERT

This announcement is made by Envision Greenwise Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the latest unaudited consolidated management accounts of the Group for the year ended 31 March 2026 (the “**Relevant Year**”) and other currently available information of the Group, it is expected that the Group will achieve a turnaround to record a net profit of approximately HK\$58.0 million to HK\$63.0 million for the Relevant Year as compared to a net loss of approximately HK\$15.7 million for the year ended 31 March 2025 (the “**Corresponding Year**”).

The Board considers that the turnaround and increase in net profit was mainly attributable to the combined effects of: (i) an increase in revenue by over HK\$1,500.0 million for the Relevant Year, primarily driven by substantial growth in the reverse supply chain management and environmental-related service segment; (ii) an increase in selling and distribution expenses by over HK\$26.0 million, which was in line with the growth in business volume; and (iii) a decrease in equity-settled share-based payment expenses by over HK\$35.0 million compared to the Corresponding Year.

As at the date of this announcement, the Company is still in the process of finalising the unaudited consolidated financial statements for the Relevant Year. The information contained in this announcement is only a preliminary assessment by the Board based on the latest information currently available, and is not based on any data or information which is finalized or reviewed by the audit committee of the Company. Actual financial results of the Group may be different from what is disclosed in this announcement. Shareholders and potential investors are advised to refer to the results of the Group for the Relevant Year, which is expected to be published on 25 June 2026.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
