The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2026 (the “**Year**”) and the latest information on the Group currently available to the Board, the Group is expected to record a profit attributable to owners of the Company of approximately HK\$50 million to HK\$60 million during the Year, as compared to a profit attributable to owners of the Company of approximately HK\$1 million for the year ended 31 March 2025 (the “**Corresponding Year**”).

The aforesaid expected increase in the Group’s profit for the Year comparing with the Corresponding Year was mainly attributable to the combined effect of (i) an increase in gross profit margin of properties completed and delivered during the Year due to a change of product mix; and (ii) a reduction in selling and administrative expenses after implementing lean management during the Year.
