VOLUNTARY ANNOUNCEMENT
LAUNCH OF GLM-5.2

This announcement is made by Knowledge Atlas Technology Joint Stock Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that the Company has launched its latest-generation flagship model, GLM-5.2. The model supports long context lengths of up to 1 million tokens and continues to lead the field in long-horizon tasks; it will be released as open-source under the MIT licence. It is anticipated that this model will contribute to an increase in call volumes for the Company’s open platform and API services going forward. The Company strictly adheres to the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and market practices. The Company welcomes public oversight and scrutiny.

As at the date of this announcement, the Company is not aware of any information which must be announced to avoid a false market in the Company’s securities or of any inside information that needs to be disclosed under Rule 13.09(2) of the Listing Rules and Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
