Based on the preliminary review on the unaudited consolidated management accounts of the Group and other information currently available, the board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (“**Shareholders**”) and potential investors that the Group is expected to record an unaudited consolidated profit attributable to Shareholders of approximately HK\$238 million to HK\$322 million for the six months ending 30 June 2026 (the “**Relevant Period**”), representing an increase of approximately 57% to 112% as compared to the consolidated profit attributable to Shareholders of approximately HK\$152 million for the corresponding period of last year.
