VOLUNTARY ANNOUNCEMENT PROPOSED FURTHER PURCHASE OF H SHARES ON THE MARKET PURSUANT TO THE H SHARE INCENTIVE SCHEME

This announcement is made by OneRobotics (Shenzhen) Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

Reference is made to the announcements of the Company dated March 24, 2026, March 27, 2026, April 2, 2026, April 22, 2026, June 11, 2026 and June 16, 2026 (the “**Announcements**”) and the circular of the Company dated April 2, 2026 (the “**Circular**”) in relation to the adoption of the H Share Incentive Scheme (the “**Scheme**”) and the purchase of H Shares. Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the Announcements and the Circular.

The Company has appointed the Trustee to manage the Scheme and to purchase H Shares on the market from time to time in accordance with the scheme rules of the Scheme (the “**Share Purchase**”), for use in future grants of Award Shares.

The Board is full of confidence in the Group’s operating performance, long-term development prospects and the investment value of the H Shares, and considers that the Company’s H Shares are currently undervalued and that the current market price does not fully reflect the Company’s fundamentals and long-term growth potential. The current time therefore represents an appropriate opportunity to further build up a pool of Award Shares pursuant to the Scheme. The Company currently expects to conduct further Share Purchase for a total consideration of not more than HK\$500 million.

Should the Company’s share price continue to be undervalued in the future, the Company may, after taking into account all relevant circumstances, allocate additional funds for further Share Purchase to support the future implementation of the Scheme.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares of the Company.

By order of the Board
OneRobotics (Shenzhen) Co., Ltd.
