VOLUNTARY ANNOUNCEMENT BUSINESS DEVELOPMENT LATEST UPDATE CT VESSEL ENTERING INTO COOPERATION ARRANGEMENT WITH COOPERATION PARTNERS

This announcement is made by China Strategic Technology Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to inform the shareholders and potential investors of the Company of the latest updates on the business development of the Group in relation to its new energy intelligent vessels business.

ENTERING INTO COOPERATION ARRANGEMENT

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company is pleased to announce that, on 20 June 2026, China Technology Vessel Holdings Limited (“**CT Vessel**”), a non-wholly owned subsidiary of the Company, held a signing ceremony and entered into agreements and/or memorandum of understanding with cooperation partners (the “**Cooperation Arrangement**”).

COOPERATION PARTNERS AND PRINCIPAL TERMS OF COOPERATION

The cooperation partners are multiple companies from the United States of America, Malaysia, Africa and the People’s Republic of China (the “**PRC**”), including China-Africa Economic and Trade Investment Promotion Association, Tokheim Hengshan Technology (Guangzhou) Co., Ltd., Namin Trading Sdn. Bhd., Guangxi Beihai Chaoyang Real Estate Development Co., Ltd.* (廣西北海朝陽房地產開發公司), Guangxi Tongtonglai Business Information Consulting Co., Ltd.* (廣西通通來商務信息諮詢有限公司), Shenzhen Wosai Life Data Technology Co., Ltd.* (深圳沃嚶生活數據科技有限公司), Guangxi Tianwei Jing

Shipping Co., Ltd., Guangxi Nuoxun Trading Co., Ltd.* (廣西諾訊貿易有限公司) and Gongneng Zongbu Technology (Guangdong) Co., Ltd.* (共能總部科技(廣東)有限公司). Pursuant to the Cooperation Arrangement, the Group will cooperate with the cooperation partners on technical development cooperation, agent cooperation, distribution cooperation, CT Vessel new energy intelligent vessels sales and service (6S) stores, and involves new energy intelligent vessels market promotion and channel cooperation arrangements.

REASONS FOR AND BENEFITS OF ENTERING INTO THE COOPERATION

The Board believes that the Cooperation Arrangement will assist CT Vessel in further expanding its sales channels, service network and regional market coverage for new energy intelligent vessels, and will promote the establishment of 6S stores, agent and distributor systems.

The Cooperation Arrangement will also help the Group explore overseas market and localised manufacturing cooperation opportunities, and strengthen its channel implementation, end-user sales and service capability building in key water transport regions in Guangxi Zhuang Autonomous Region, the PRC.

INFORMATION ABOUT THE GROUP

The Group is a technology-based group of companies centered on aerospace technology, deeply integrating aerospace, precision manufacturing, and energy industries. It is engaged in sectors: 1) CT Aerospace (Aerospace business), comprising (A) aerospace titanium alloy material manufacturing, (B) aerospace satellite component manufacturing, and (C) digital applications for aerospace satellites, (D) small unmanned spacecraft research and development and manufacturing, and 2) CT Precision Manufacturing (Precision manufacturing), comprising (A) electronic manufacturing services (EMS), components of printed circuit boards and fully assembled electronic products (PCBA), (B) energy management and manufacturing services, intelligent control systems and chips management, thermal management and electronic control systems, and (C) sensor manufacturing services, automatic medium- and micro-pressure sensors for industrial use, medium- and micro-pressure sensors for electronic equipment.

Meanwhile, beyond its established businesses, the Group is actively expanding and focusing on the following sectors:

- 1) CT Vessel (New energy vessel): promoting research and development, manufacturing and sales of new energy small commercial and civilian vessels. The Group strives to achieve deep integration with aerospace technology, energy storage processes and

precision manufacturing to manufacture practical and market-competitive green and environmentally friendly new energy vessels, thereby driving the transformation of traditional fuel-powered small vessels into new energy vessels; and

- 2) CT Biotechnology (Biotechnology): the Group dedicated to the research, development, and application of biotechnology and related technologies, including but not limited to life engineering and biomedicine.

The Group is committed to integrating its aerospace, intelligent manufacturing, shipbuilding, and biotechnology businesses to foster synergistic development, thereby driving diversification and ensuring sustainable growth.

INFORMATION ABOUT CT VESSEL

CT Vessel is a company with limited liability incorporated under the laws of the British Virgin Islands and is a non-wholly owned subsidiary of the Company, primarily engaged in the research and development, manufacturing, sales, and service of new energy intelligent vessels.

GENERAL

The specific cooperation contents, implementation progress and final outcomes under the Cooperation Arrangement still depend on subsequent negotiations, market conditions and the fulfillment of relevant conditions. The matters set out in this announcement may not necessarily have a material impact on the Group's short-term financial performance. **Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**

By Order of the Board
