VOLUNTARY ANNOUNCEMENT
INCLUSION OF THE COMPANY IN FTSE GLOBAL EQUITY INDEX SERIES

This announcement is published by Seyond Holdings Ltd. (the "**Company**" or "**Seyond**" and, together with its subsidiaries, the "**Group**") on a voluntary basis to inform the shareholders and potential investors of the Company about the latest development of the Group.

The Company is pleased to announce that, based on the FTSE Russell's quarterly review results of the FTSE Global Equity Index Series, the Company has been selected and will be included in the FTSE Global Equity Index Series, including the FTSE Global Micro Cap Index and the FTSE Global Total Cap Index (the "**Inclusion**"). The Inclusion will take effect on June 22, 2026 (Monday).

The FTSE Global Equity Index Series provides a robust global equity index framework with over 19,000 large-, mid-, small- and micro-cap securities across 49 developed and emerging markets globally.

The Company considers that the Inclusion reflects the global capital market's recognition of the Group's business performance and value, which will potentially expand the Company's profile among global institutional investors and analysts, broaden the Company's shareholder base and increase trading liquidity of the Company's shares, resulting in enhancement in investment value and reputation of the Company in the capital market. For further details, please refer to the relevant index notice(s) published on the website of FTSE Russell (https://research.ftserussell.com).

The Company would like to thank its shareholders (the "**Shareholders**") for their continued support to the Company. The Company will continue to strive to develop its business and maximize its value for its Shareholders.

INFORMATION ABOUT THE COMPANY

Seyond, a leading global provider of image-grade LiDAR technology, is listed on the Main Board of The Stock Exchange of Hong Kong Limited. Founded in 2016, the Company has built a comprehensive global R&D and manufacturing ecosystem, committed to building a safer, smarter and more efficient mobility future.

With strong R&D capabilities and profound technological expertise, Seyond continuously develops industry-leading LiDAR products and solutions. It drives the rapid iteration of its product lines including the Falcon Platform, Robin Platform and fully solid-state Hummingbird Platform, while ensuring high performance, reliability and cost competitiveness. Currently, over 600,000 Falcon units are in use, and the product continues to be mass-produced today.

Backed by deep insights into application scenarios and forward-looking product strategy, Seyond's products and solutions are widely deployed in intelligent vehicles, autonomous driving, broad robotics, intelligent transportation, smart ports, intelligent shipping, smart railway, smart mining and other sectors. The Company has established in-depth partnerships with numerous leading enterprises worldwide.

At present, Seyond's LiDAR solutions have achieved large-scale commercial deployment in many countries and regions across the globe. By delivering innovative software and hardware technologies, Seyond continues to empower a safer and smarter future for all.

There is no assurance that any forward-looking statements regarding the potential impact of the Inclusion as set out in this announcement are attainable, will actually occur or be realized or are complete or accurate. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.

By order of the Board
