VOLUNTARY ANNOUNCEMENT

MEMORANDUM OF UNDERSTANDING

This announcement is made by the board of directors (the “**Board**”) of Chuanglian Holdings Limited (the “**Company**”, together with its subsidiaries, collectively referred to as the “**Group**”) on a voluntary basis, to provide the shareholders and potential investors of the Company with information on the latest business development of the Group.

The Board is pleased to announce that RuiLian Financial Group Company Limited (“**RuiLian**”), a wholly-owned subsidiary of the Company and a corporation licensed by the Securities and Futures Commission of Hong Kong to carry out Type 1, Type 4 and Type 9 regulated activities, has entered into a non-legally binding memorandum of understanding (the “**MOU**”) on 24 June 2026 with a Hong Kong incorporated payment technology firm (the “**Partner**”), who holds card issuing licences and payment processing technology, to explore potential strategic cooperation on the development of digital asset payment methods and real world asset (“**RWA**”) integrated solutions.

Through this MOU, the Group aims to broaden its fintech development into digital asset payment and RWA solutions. This Partner brings proprietary card issuance infrastructure, end-to-end tokenisation systems and established payment network access, which will complement RuiLian’s licensed platform to build compliant digital asset services and products. This partnership is expected to enrich the Group’s financial service portfolio, bolsters its local market competitiveness and adopts a prudent, regulatory-led phased framework to mitigate compliance and investment risks.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
