**VOLUNTARY ANNOUNCEMENT
BUSINESS UPDATE
LAUNCH OF ARTIFICIAL INTELLIGENCE AND
COMPUTING POWER SERVICE PLATFORM “Novax AI”**

This announcement is made by WellCell Holdings Co., Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to provide shareholders of the Company and potential investors with information on the latest business development of the Group.

Reference is made to the announcement of the Company dated 15 May 2026 in relation to the Group’s initiation of an artificial intelligence (AI) strategy upgrade to extend its business into the computing power service sector of AI infrastructure.

Launch of Artificial Intelligence and Computing Power Service Platform “Novax AI”

The board (the “**Board**”) of directors of the Company is pleased to announce to the shareholders and potential investors that the Group has recently officially launched the artificial intelligence and computing power service platform, “Novax AI”, with the official website address www.novaxinno.ai. This marks the formal implementation of the Group’s AI strategy upgrade related plans. Novax AI is an infrastructure service platform for enterprise-grade AI applications, focusing on cloud GPU computing resource leasing and dispatching services, compute optimization services, model gateway and AI intelligent operations. By integrating global computing resources, unified access and AI-driven operations capabilities, it helps enterprises and developers conduct model training, deploy inference tasks, schedule cross-regional computing resources, and achieve reliable and scalable operation of applications.

In parallel, Novax AI's PaaS products, including the computing power dispatch engine and the Token Router product, are progressing as planned and are expected to be launched in the third quarter of this year.

The Board considers that the launch of the www.novaxinno.ai website aligns with the existing businesses of the Group and enables the Group to explore further business opportunities that are beneficial to the Company and its shareholders as a whole.
