This announcement is made by Freotech Road Recycling Technology (Holdings) Limited (the “**Company**”) and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

Following a preliminary review of the currently available information, the board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is anticipated to record a loss attributable to owners of the Company (the “**Net Loss**”) of approximately HK\$35.0 million for the six months ended 30 June 2026 as compared to the Net Loss of approximately HK\$9.4 million for the six months ended 30 June 2025.

The expected Net Loss for the six months ended 30 June 2026 is mainly attributable to delays in certain asphalt pavement maintenance (“APM”) service and equipment projects of the Group. The Company is still in the process of finalising the Group’s unaudited consolidated results for the six months ended 30 June 2026. The information contained in this announcement is only a preliminary assessment by the Board based on the information currently available to the Board, which has not yet been audited or reviewed by the auditor of the Company or reviewed by the audit committee of the Board and therefore, may be subject to adjustments. The unaudited consolidated interim results announcement of the Company for the six months ended 30 June 2026 is expected to be released in around August 2026.
