Listing Rules implications

Under the June Award Grant and the June Option Grant, 30,000 Award Shares were granted to Dr. Hansen Xu, a non-executive Director. Pursuant to Rule 17.04(1) of the Listing Rules, such grant to Dr. Hansen Xu has been approved by the independent non-executive Directors. Dr. Hansen Xu had abstained from voting on the resolutions relating to the grant to himself and had not been counted towards the quorum of the Board meeting in respect of such resolutions.

Save as disclosed above, under the June Award Grant and the June Option Grant, (i) none of the Award Grantees or Option Grantees is a Director, chief executive or substantial shareholder of the Company, or any of their respective associates (as defined under the Listing Rules); (ii) none of the Award Grantees or Option Grantees is a participant with options and share awards granted and to be granted exceeding the 1% individual limit under Rule 17.03D(1) of the Listing Rules; (iii) none of the Award Grantees or Option Grantee is a related entity participant or a service provider (as defined under the Listing Rules); and (iv) no financial assistance has been provided by the Group to the Award Grantees or Option Grantees for the purchase of Shares under the Share Incentive Scheme.

Reason for and benefits of the June Award Grant and June Option Grant

The reasons for the grants of Award Shares and Options are to provide incentives for the Award Grantees and the Option Grantees to exert maximum efforts and reward continued efforts for the success of the Company and its affiliates, and to provide a means by which the Award Grantees and the Option Grantees may be given an opportunity to benefit from increases in value of the Shares through the granting of the Award Shares and Options.

In relation to the Award Shares granted to Dr. Hansen Xu under the June Award Grant, such grants form part of his remuneration and have been approved by the Remuneration Committee. Such grants will encourage him to work towards enhancing the value of the Company and the Shares for the benefits of the Company and Shareholders as a whole by providing his independent opinion and judgment to the Board in building the strategy and long-term development of the Company.

In view of the foregoing, the June Award Grant and the June Option Grant to the Employee Participant (including one Director) are thus made with the view to aligning their interests with those of the Group through ownership of Shares, dividends and other distributions paid on Shares and/or the increase in value of the Shares, and to encouraging and retaining him/her to make contributions to the long-term growth and profits of the Group.

Number of Shares available for future grant

The number of Shares available for future grant after the June Award Grant and June Option Grant under (i) the Scheme Mandate Limit will be 926,990 Shares; and (ii) the service provider sublimit of the Share Incentive Scheme will be 926,990 Shares (service provider sublimit being subject to the Scheme Mandate Limit).
