VOLUNTARY ANNOUNCEMENT
LAUNCH OF PROJECT FOR PRODUCTION OF ULTRA-FINE GRAIN
RODS FOR PRINTED CIRCUIT BOARD (“PCB”) USE

This is a voluntary announcement made by Tiangong International Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”).

ULTRA-FINE GRAIN RODS FOR PCB USE

The board of directors (the “**Board**”) of the Company is pleased to announce that Jiangsu Tiangong Carbide Technology Company Limited* (江蘇天工硬質合金科技有限公司), an indirectly owned subsidiary of the Company, launched a project titled “Expansion of Annual Production Capacity for 300 Tons of Ultra-fine Grain PCB Cutting Tools Rods” (the “**Project**”).

REASONS AND BENEFIT OF THE PROJECT

In line with the strategic direction of high-end manufacturing and intelligent development, and to accelerate the digitalisation, intelligentisation, and green transformation of the high-end precision PCB cutting tools industry chain, the Group decided to launch the Project, thereby powerfully driving the Group's industrial upgrading and scale expansion in the high-end precision cutting tools sector.

Given that the development of AI computing infrastructure and server upgrades has driven a surge in demand for PCBs, the Board considers that the Project can proactively secure the Group's supply chain advantages in high-end and cutting-edge downstream sectors, thereby enhancing the Group's profitability. In view of the above, the Board is of the view that launching of the Project is in the interest of the Company and its shareholders as a whole.

GENERAL

To the best of the knowledge, information and belief of the Board having made all reasonable enquiries, the business partners (“**Business Partners**”) and the ultimate beneficial owners of the Business Partners are third parties independent of the Company and the connected persons of the Company.

This announcement is a voluntary announcement made by the Company to keep the shareholders and potential investors informed of the latest business development of the Group. The Company will make appropriate disclosure from time to time on the progress of the development of the Project.
