To the Shareholders

Dear Sir or Madam,

PROPOSED SHARE CONSOLIDATION AND NOTICE OF EGM

INTRODUCTION

Reference is made to the Announcements in relation to, among other things, the Share Consolidation. The purpose of this circular is to provide you with, among other things, (i) further details of the Share Consolidation; and (ii) a notice convening the EGM.

LETTER FROM THE BOARD

PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every fifty (50) Existing Shares of par value of USD\$0.01 each in the share capital of the Company will be consolidated into one (1) Consolidated Share of par value of USD\$0.5 each. The Share Consolidation is conditional upon, among other things, the approval by the Shareholders by way of poll at the EGM. As none of the Shareholders or their associates would have a material interest in the Share Consolidation, no Shareholder would be required to abstain from voting in favour of the resolution(s) relating to the Share Consolidation at the EGM.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon:

- (i) the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation at the EGM;
- (ii) the Listing Committee of the Stock Exchange granting the listing of, and the permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
- (iii) the compliance with the relevant procedures and requirements under the laws of the Cayman Islands (where applicable) and the obtaining of all necessary approvals from the regulatory authorities or otherwise as may be required in respect of the Share Consolidation, if any.

As at the Latest Practicable Date, none of the conditions above had been fulfilled. Subject to the fulfilment of the conditions above, the Share Consolidation is expected to become effective on Wednesday, 29 July 2026.

Effects of the Share Consolidation

As at the Latest Practicable Date, the authorised share capital of the Company was USD\$100,000,000 divided into 10,000,000,000 Existing Shares of par value of USD\$0.01 each, of which 2,530,801,012 Existing Shares have been issued and are fully paid or credited as fully paid.

Immediately upon the Share Consolidation becoming effective, and assuming that no further Existing Shares will be issued or repurchased from the date of this announcement up to the effective date of the Share Consolidation, the authorised share capital of the Company shall remain at USD\$100,000,000 but will be divided into 200,000,000 Consolidated Shares of par value of USD\$0.5 each, of which 50,616,020 Consolidated Shares will be in issue and fully paid or credited as fully paid. The Consolidated Shares shall rank *pari passu* in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save that fractional Consolidated Shares (if any) will not be allocated to Shareholders who may otherwise be entitled. The Board believes that the Share Consolidation will not have any material adverse effect on the financial position of the Company.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the Company does not have any other derivatives, options, warrants, other securities or conversion rights or other similar right which are convertible or exchangeable into, any Existing Shares or Consolidated Shares.

NO CHANGE IN BOARD LOT SIZE

The Existing Shares are currently traded on the Stock Exchange in the board lot size of 2,000 Existing Shares. Upon the Share Consolidation becoming effective, the board lot size for trading in the Consolidated Shares will remain unchanged at 2,000 Consolidated Shares per board lot.

Based on the closing price of HK\$0.042 per Existing Share (equivalent to the theoretical closing price of HK\$2.1 per Consolidated Share upon the Share Consolidation becoming effective) as quoted on the Stock Exchange as at the Latest Practicable Date, (i) the value of each board lot of 2,000 Existing Shares is 84; and (ii) the value of each board lot of 2,000 Consolidated Shares, assuming the Share Consolidation had already been effective, would be 4,200.

REASONS FOR THE SHARE CONSOLIDATION

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. Further, the “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by Hong Kong Exchanges and Clearing Limited on 28 November 2008 and last updated in June 2026 states that (i) market price of the Shares at a level less than HK\$0.1 will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected board lot value per board lot should be greater than HK\$1,000.

Taking into account the closing price of HK\$0.042 per Existing Share as at the Latest Practicable Date and the value per board lot as at the Latest Practicable Date was less than HK\$1,000, the Share Consolidation would enable the Company to comply with the trading requirements under the Listing Rules.

In addition, the Board considers that the Share Consolidation would reduce the number of Existing Shares currently in issue and increase the nominal value of the Shares, and bring about a corresponding upward adjustment in the trading price per Consolidated Share on the Stock Exchange, thus maintaining the trading amount for each board lot at a reasonable level in order to attract more investors and to broaden the shareholder base of the Company. It is also hoped that the Share Consolidation will make investing in the Shares more attractive to a broader range of investors, in particular to institutional investors whose house rules might otherwise prohibit or restrict trading in securities that are priced below a prescribed floor. The Directors also believe that the Share Consolidation will provide greater opportunity for, and more flexibility in, the Company’s possible equity fund raising in the future. Furthermore, the Share Consolidation would reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot, since most of the banks or securities houses will charge a minimum transaction costs for each securities trade.

The Board considers that the Share Consolidation is essential to achieve the abovementioned purpose. Taking into account the potential benefits and the insignificant amount of costs to be incurred, the Board is of the view that the Share Consolidation is in the best interest of the Company and the Shareholders as a whole.

LETTER FROM THE BOARD

OTHER ARRANGEMENTS

Fractional entitlement to the Consolidated Shares

Fractional Consolidated Shares arising from the Share Consolidation, if any, will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Shareholders concerned about losing out on any fractional entitlement are recommended to consult their licensed securities dealer, bank manager, solicitor, professional accountant or other professional adviser and may wish to consider the possibility of buying or selling Existing Shares in a number sufficient to make up an entitlement to receive a whole number of Consolidated Shares.

Odd lots arrangement and matching services

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a designated broker to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Holders of odd lots of the Consolidated Shares should note that successful matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Any Shareholder, who is in any doubt about the odd lots arrangement, is recommended to consult his/her/its own professional advisers. The Company has appointed Aristo Securities Limited as an agent to provide matching services on a best-efforts basis regarding the sale and purchase of odd lots of the Consolidated Shares from 9.00 a.m. on Wednesday, 12 August 2026 to 4:00 p.m. on Tuesday, 1 September 2026 (both days inclusive). Shareholders who wish to take advantage of this service should contact Mr. YUEN Hang Ka (阮幸家先生) of Aristo Securities Limited at telephone number (+852) 3622 1770 during office hours of such period.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Shareholders or potential investors should note that (i) odd lots will be created after the Share Consolidation; (ii) odd lots arrangements do not guarantee successful matching of all odd lots at the relevant market price; and (iii) odd lots might be sold below the market price.

Exchange of share certificates for the Consolidated Shares

Subject to the Share Consolidation becoming effective, Shareholders may, on or after Wednesday, 29 July 2026 until Thursday, 3 September 2026 (both days inclusive), between 9:00 a.m. and 4:00 p.m. on any Business Day, submit share certificates for the Existing Shares (in light yellow colour) to the Company's branch share registrar, Boardroom Share Registrars (HK) Limited, at 2103B, 21/F., 148 Electric Road, North Point, Hong Kong at the expense of the Company, for new share certificates of the Consolidated Shares (in golden yellow colour) (on the basis of fifty (50) Existing Shares for one (1) Consolidated Share).

LETTER FROM THE BOARD

Thereafter, certificates of the Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever the number of certificates cancelled/issued is higher.

After 4:10 p.m. on Tuesday, 1 September 2026, existing share certificates for the Existing Shares will only remain effective as documents of title and may be exchanged for certificates for Consolidated Shares at any time but will not be accepted for delivery, trading and settlement purposes.

Listing Application

An application will be made by the Company to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

OTHER CORPORATE ACTIONS AND FUND-RAISING ACTIVITIES IN THE NEXT TWELVE MONTHS

The Company is considering certain corporate actions to raise funds (such as placing) if market conditions are favourable and supportive. As these contemplations are in a premature stage and no firm intentions to proceed have been made at the Latest Practicable Date, the Company is unable to provide further details regarding such potential actions. The Company will make further announcement(s) on such corporation actions as and when appropriate.

Due to the preliminary nature of these corporate actions, the Company has not taken them into account in determining the ratio of the Share Consolidation.

As at the Latest Practicable Date, save as disclosed above, the Company has no plan or intention to carry out any further corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Consolidation. Nevertheless, the Board cannot rule out the possibility that the Company will conduct debt and/or equity fund raising exercises when suitable fund-raising opportunities arise to support future development of the Group. The Company will make further announcement in this regard in accordance with the Listing Rules as and when appropriate.
