POSITIVE PROFIT ALERT

This announcement is made by Jiaxin International Resources Investment Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group and the information currently available to the management, the Group is expected to record a net profit attributable to equity holders of the Company in the range of approximately HK$1.45 billion to HK$1.55 billion for the six months ended 30 June 2026 (the "**Relevant Period**"), representing a turnaround compared to the net loss attributable to equity holders of the Company of approximately HK$6 million for the corresponding period in 2025.

Based on the information currently available, the profit for the Relevant Period is primarily attributable to the Group's commercial extraction and production of tungsten concentrates during the Relevant Period. The significant increase in net profit attributable to equity holders for the Relevant Period was mainly due to the following two reasons: (1) the Group commenced commercial production in April 2025. During the corresponding period in 2025, the production time was less than two months, whereas the Company achieved a production duration of six months during the Relevant Period; and (2) the average selling price of tungsten concentrates after commercial production increased substantially for the Relevant Period. Currently, the Group is advancing its production and operations in an orderly manner in accordance with its annual plan, and all disclosed matters are progressing steadily.

As at the date of this announcement, the Company is still in the process of preparing and finalizing the interim results of the Group for the Relevant Period. The information contained in this announcement is only a preliminary assessment made by the management of the Group based on the unaudited consolidated management accounts of the Group for the Relevant Period and the information currently available to the management, which have not been audited or reviewed by the Company's auditor or the audit committee of the Company, and may be subject to adjustments. Shareholders and potential investors are advised by the Company to read carefully the interim results announcement of the Company for the Relevant Period, which is expected to be published by the Company on or before 31 August 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
