	Loss reduction compared with the same period of last year: 7.64% to 14.48%	
Basic earnings/loss per share	Loss: RMB0.24 per share to RMB0.23 per share	Loss: RMB0.25 per share

II. COMMUNICATION WITH THE ACCOUNTING FIRM (AUDITOR)

The estimated results have not been pre-audited by an accounting firm (auditor), but the Company has communicated with the accounting firm (auditor) in advance on matters relating to the results estimate, and there is no disagreement between the Company and the accounting firm (auditor) in respect of the results estimate.

III. REASONS FOR THE CHANGE IN THE ESTIMATED RESULTS

During the first half of 2026, the overall loss position of the Company improved compared with the same period in 2025, mainly driven by the rise in metal prices and higher sales adjustment rates for its recycling business, leading to an increase in the gross profit margin year-on-year. Meanwhile, the non-hazardous treatment business of the Company remained under pressure, with a decrease in revenue year-on-year and a continuous decline in gross profit margin. Time will be required for improvement in this segment.

IV. OTHER RELATED EXPLANATIONS

The results estimate set out herein are results of the preliminary estimation conducted by the finance department of the Company. The actual financial information of the Company is subject to the 2026 interim report to be disclosed by the Company by the end of August 2026.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
