3. The estimated results for the current period have not been audited by the certified accountants.

II. RESULTS FOR THE CORRESPONDING PERIOD LAST YEAR

(I) The net loss attributable to the shareholders of the Company: RMB448.98 million. The net loss attributable to the shareholders of the Company after deducting non-recurring profit or loss: RMB458.67 million.

(II) Basic loss per share: RMB0.70.

III. MAIN REASONS FOR THE CHANGE IN RESULTS FOR THE CURRENT PERIOD

During the reporting period, the photovoltaic glass market faces a challenging landscape featuring weak demand and bottoming prices. Photovoltaic glass prices remain under sustained pressure and have lingered at low levels for a prolonged period.

At the same time, in accordance with the principle of prudence, the Company recognized impairment provisions for assets exhibiting impairment indicators.

IV. RISK WARNING

There are no significant uncertainties of the Company which may affect the accuracy of the estimated results.

V. OTHER INFORMATION

The above estimated figures are preliminary accounting data only. Investors should refer to the 2026 interim report to be formally announced by the Company for specific and accurate financial data of the Company. Investors are advised to exercise caution when dealing in the shares of the Company.
