The terms of the Finance Lease Contracts, including the purchase consideration for the Leased Items of the Transaction, lease principals, lease interest and other expenses under the Finance Lease Contracts were determined upon arm's length negotiation between the Lessee and the Lessor with reference to the purchase price of the Leased Items of the Transaction and the prevailing market prices of the same category of finance lease products in the PRC.

Pursuant to the Finance Lease Contracts, whether before or after the signing of the Finance Lease Contracts, their risks shall be borne by the Lessee as all the costs arising from the damage or loss of the Leased Items of the Transaction shall be solely undertaken by the Lessee regardless of whether the Lessee is in possession of the Leased Items of the Transaction. The Lessee shall not revoke the Finance Lease Contracts for reason of such damage or loss and its obligation of lease payment and all other obligations under the Finance Lease Contracts shall remain unchanged. As of the last day of the lease period, if the Lessee has no breach of contract or the breach is fully remedied, the Lessee may exercise the right to purchase, renew or return the Leased Items of the Transaction in accordance with the Finance Lease Contracts. If the Lessee chooses to purchase the Leased Items of the Transaction, the purchase price for each of the leased items under the Finance Lease Contracts will be RMB100.
