SECOND AMENDED AND RESTATED 2019 SHARE INCENTIVE PLAN

1. Purposes of the Plan. The purposes of this Plan are to attract and retain the best available personnel, to provide additional incentives to Eligible Participants and to promote the success of the business of the Company and the Group Members through the awarding of Restricted Share Units and Options.

2. Definitions. The following definitions shall apply as used herein and in the individual Award Agreements except as defined otherwise in an individual Award Agreement. In the event a term is separately defined in an individual Award Agreement, such definition shall to the extent permitted by Applicable Laws supersede the definition contained in this Section 2.

(a) “Administrator” shall have the meaning set forth in Section 4(a)(iii) of this Plan.

(b) “ADS” means an American Depositary Share of the Company, each of which represents five (5) Ordinary Shares and as it may be changed from time to time.

(c) “Applicable Laws” means the legal requirements relating to the Plan and the Awards under applicable provisions of U.S. federal securities laws, state corporate and securities laws, the Code, the laws of the Cayman Islands, the laws of Hong Kong, the laws of the People’s Republic of China, the rules of any applicable stock exchange or national market system (including the Hong Kong Listing Rules), and the rules of any non-U.S. jurisdiction applicable to Awards granted to residents therein.

(d) “Award” means the grant of an Option or Restricted Share Unit under the Plan.

(e) “Award Agreement” means the written agreement evidencing the grant of an Award executed by the Company and the Grantee, including any amendments thereto.

(f) “Board” means the Board of Directors of the Company.

(g) “Code” means the U.S. Internal Revenue Code of 1986, as amended.

(h) “Committee” means any committee composed of members of the Board appointed by the Board to administer the Plan.

(i) “Company” means NetEase, Inc., a corporation formed under the laws of the Cayman Islands, or any successor entity that adopts or assumes the Plan in connection with a Corporate Transaction.

(j) “Consultant” means any natural person (other than an Employee or a Director, solely with respect to rendering services in such person’s capacity as a Director), or any entity, who is engaged by a Group Member to render consulting or advisory services or other services (including contractors, supplier services) to a Group Member and such services are not in connection with the Company’s sale of securities in a capital-raising transaction, and do not directly or indirectly promote or maintain a market for the Company’s securities; provided that with respect to Awards funded by New Shares only, such services from the Consultant are on a continuing or recurring basis in the Group’s ordinary and usual course of business and which are in the interests of the long term growth of the Group, as determined by the Administrator and in accordance with Rule 17.03A(1) of the Hong Kong Listing Rules.

(k) “Continuous Service” means that the provision of services to a Group Member in any capacity of Employee, Director or Consultant is not interrupted or terminated. In jurisdictions requiring notice in advance of an effective termination as an Employee, Director or Consultant, Continuous Service shall be deemed terminated upon the actual cessation of providing services to a Group Member notwithstanding any required notice period that must be fulfilled before a termination as an Employee, Director or Consultant can be effective under Applicable Laws to the fullest extent not in violation of Applicable Laws. A Grantee’s Continuous Service shall be deemed to have terminated either upon an actual termination of Continuous Service or upon the entity for which the Grantee provides services ceasing to be a Group Member (and in the event of ambiguity as to the date of termination/cessation of the Continuous Service, the determination of the Administrator shall be final). Continuous Service shall not be considered interrupted in the case of (i) any approved leave of absence, (ii) transfers among the Company, any Group Member, or any successor, in any capacity of Employee, Director or Consultant, or (iii) any change in status as long as the individual remains in the service of a Group Member in any capacity of Employee, Director or Consultant (except as otherwise provided in the Award Agreement). Notwithstanding the foregoing, in the event of any spin-off of a Group Member, the Administrator may provide that the service as an Employee, Director or Consultant for such Group Member following such spin-off shall be deemed to be Continuous Service for purposes of the Plan and any Award under the Plan. An approved leave of absence shall include sick leave, military leave, or any other authorized personal leave.

Notwithstanding the terms set forth in the preceding paragraph, in the case of a grant of Incentive Share Options, references to “Group Member” shall be changed to “Subsidiary”.

(l) “Corporate Transaction” means any of the following transactions to which the Company is a party, provided, however, that the Administrator shall determine, in its sole and absolute discretion, whether any such transaction or series of related transactions shall be a Corporate Transaction or not, and under (iv) and (v) whether multiple transactions are related, and the Administrator’s determination shall be final, binding and conclusive on all persons having an interest in such determination:

(i) an amalgamation, arrangement, merger, consolidation, scheme of arrangement or comparable transaction in which the Company is not the surviving entity, except for a transaction the principal purpose of which is to change the jurisdiction in which the Company is incorporated or which following such transaction the holders of the Company’s voting securities immediately prior to such transaction own, directly or indirectly, more than fifty percent (50%) of the voting securities of the Company or surviving entity;

(ii) the sale, transfer or other disposition of all or substantially all of the assets of the Company (other than to a Subsidiary);

(iii) the completion of a voluntary or insolvent liquidation or dissolution of the Company;

(iv) either (A) any takeover, reverse takeover, scheme of arrangement, or comparable transaction, or (B) a series of related transactions culminating in a takeover, reverse takeover, scheme of arrangement or comparable transaction (including, but not limited to, a tender offer followed by a takeover or reverse takeover) in which the Company survives but (A) the securities of the Company outstanding immediately prior to such transaction are converted or exchanged by virtue of the transaction into other property, whether in the form of securities, cash or otherwise, or (B) the securities possessing more than fifty percent (50%) of the total combined voting power of the Company's then outstanding securities are transferred to a person or persons different from those who held such securities immediately prior to such transaction culminating in such takeover, reverse takeover, scheme of arrangement or comparable transaction, or (C) the Company issues new voting securities in connection with any such transaction such that holders of the Company's voting securities immediately prior to the transaction no longer hold more than fifty percent (50%) of the voting securities of the Company after the transaction; or

(v) the acquisition in a single or series of related transactions by any person or related group of persons (other than Employees of one or more Group Members or entities established for the benefit of the Employees of one or more Group Members) of (A) control of the Board or the ability to appoint a majority of the members of the Board, or (B) beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of securities possessing more than fifty percent (50%) of the total combined voting power of the Company's then outstanding securities.

(m) “Director” means a member of the Board or the board of directors of any Group Member.

(n) “Disability” means that the Grantee is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment; provided, however, for purposes of determining the term of an Incentive Share Option pursuant to Section 7(b) hereof, the term Disability shall have the meaning ascribed to it under Section 22(e)(3) of the Code. The determination of whether an individual has a Disability shall be determined under procedures established by the Administrator. Except in situations where the Administrator is determining Disability for purposes of the term of an Incentive Share Option pursuant to Section 7(b) hereof within the meaning of Section 22(e)(3) of the Code, the Administrator may rely on any determination that a Grantee is disabled for purposes of benefits under any long-term disability plan maintained by the Company or any Subsidiary in which a Grantee participates.

(o) “Dividend Equivalent Right” means a right entitling the Grantee to compensation measured by dividends paid with respect to Ordinary Shares. (ii) If the Shares are regularly quoted on an automated quotation system (including the OTC Bulletin Board) or by a recognized securities dealer, its Fair Market Value shall be the closing sales price for such Shares as quoted on such system or by such securities dealer on the date of determination, but if selling prices are not reported, the Fair Market Value of a Share shall be the mean between the high bid and low asked prices for the Shares on the date of determination (or, if no such prices were reported on that date, on the last date such prices were reported), as reported on the automated quotation system or such other source as the Administrator deems reliable; or

(iii) In the absence of an established market for the Shares of the type described in (i) and (ii), above, the Fair Market Value thereof shall be determined by the Administrator in good faith.

For purposes of the Plan, any corporation or other entity in or of which the Company or a Subsidiary owns, directly or indirectly, securities or interests representing twenty percent (20%) or more of its total combined voting power of all classes of securities or interests shall be deemed a “Related Entity” unless the Administrator determines otherwise.

3. Shares Subject to the Plan.

(a) Subject to the provisions of Section 12 below:

The Shares to be issued pursuant to Awards may be authorized, but unissued Shares, treasury Shares or reacquired Shares; and

(ii) within the Scheme Limit, the maximum aggregate number of New Shares which may be issued pursuant to all Awards to be granted under this Plan to Consultants is 1% of the total number of issued and outstanding Ordinary Shares (excluding Treasury Shares) as at the date of the Shareholder Approval.

(b) For purposes of calculating the number of Ordinary Shares issued under the Plan (and for purposes of calculating any limit set forth herein), the issuance of an ADS shall be deemed to be equal to a number of Ordinary Shares determined by multiplying (i) the number of ADSs issued by (ii) the ADS Multiplier. For purposes of the previous sentence, "ADS Multiplier" means the number of Ordinary Shares corresponding to one (1) ADS.

(c) For purposes of Section 3(a):

(i) New Shares covered by an Award that is cancelled shall, where required under the Hong Kong Listing Rules, be counted as used and shall not return back to the Scheme Limit (or the Sublimit). For the avoidance of doubt, New Shares covered by an Award that is forfeited or has lapsed (including under Section 9(e)) shall not be counted as used and may return back to the Scheme Limit (or the Sublimit).

(ii) Existing Shares covered by an Award shall only be counted as used to the extent they are actually issued and delivered to a Grantee (or such Grantee's permitted transferees as described in the Plan) pursuant to the Plan. In addition, if Shares are issued subject to conditions which may result in the forfeiture, cancellation or return of such Shares to the Company, any portion of the Shares forfeited, cancelled or returned shall be treated as not issued pursuant to the Plan.

(iii) To the extent not prohibited by Applicable Law, Shares delivered by the Grantee or withheld by the Company upon the exercise of any Award under the Plan, in payment of the exercise price thereof or tax withholding thereon, may again be granted or awarded hereunder, subject to the limitations of Section 3(a). Notwithstanding the provisions of this Section 3(c), no Shares may again be granted or awarded if such action would cause an Incentive Share Option to fail to qualify as an incentive stock option under Section 422 of the Code.

4. Administration of the Plan.

(a) Plan Administrator.

(i) Administration with Respect to Directors and Officers. With respect to grants of Awards to (x) Directors or (y) Employees who are also Officers (including members of senior management as named in the annual report of the Company from time to time) or Directors of the Company, to the extent required under the Hong Kong Listing Rules and as otherwise additionally required by the Board, the Plan shall be administered by (A) the Board or (B) a Committee designated by the Board, which Committee shall be constituted in such a manner as to satisfy the Applicable Laws. Once appointed, such Committee shall continue to serve in its designated capacity until otherwise directed by the Board.

(ii) Administration With Respect to Consultants and Other Employees. With respect to grants of Awards to Employees or Consultants who are neither Directors nor Officers of the Company, the Plan shall be administered by (A) the Board or (B) a Committee designated by the Board, which Committee shall be constituted in such a manner as to satisfy the Applicable Laws. Once appointed, such Committee shall continue to serve in its designated capacity until otherwise directed by the Board. The Board may authorize one or more Officers to grant such Awards and may limit such authority as required by Applicable Laws and as the Board determines from time to time.

(iii) The Administrator. The Board, a Committee or an Officer or Officers acting in accordance with the preceding provisions of this Section 4(a) shall be referred to herein as the “Administrator.” The Board shall at all times retain the authority to act as the Administrator and to amend, alter, change or revoke any authority previously granted to a Committee or to an Officer or Officers to act as the Administrator.

(iv) Administration Errors. In the event an Award is granted in a manner inconsistent with the provisions of this subsection (a), such Award shall be presumptively valid as of its grant date to the extent permitted by the Applicable Laws.

(b) Powers of the Administrator. Subject to Applicable Laws and the provisions of the Plan (including any other powers given to the Administrator hereunder), and except as otherwise provided by the Board, the Administrator shall have the authority, in its discretion:

- (i) to select the Eligible Participants to whom Awards may be granted from time to time hereunder;
- (ii) to determine whether and to what extent Awards are granted hereunder;
- (iii) to determine the number of Shares or the amount of other consideration to be covered by each Award granted hereunder and the exercise price;
- (iv) to approve forms of Award Agreements for use under the Plan;
- (v) to determine the terms and conditions of any Award granted hereunder;
- (vi) to amend the terms of any outstanding Award granted under the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Administrator in its sole discretion determines; provided that any amendment that would materially adversely affect the Grantee’s rights under an outstanding Award shall not be made without the Grantee’s written consent;
- (vii) to construe and interpret the terms of the Plan and Awards, including without limitation, any notice of award or Award Agreement, granted pursuant to the Plan;

(viii) to grant Awards to Eligible Participants employed in different countries on such terms and conditions different from those specified in the Plan as may, in the judgment of the Administrator, be necessary or desirable to further the purpose of the Plan;

(ix) to determine whether, to what extent, and pursuant to what circumstances an Award may be settled in (including whether an Award may be funded by or settled in New Shares, Existing Shares, cash, or a combination thereof), or the exercise price or purchase price of an Award may be paid in, cash, Shares, other Awards, or other property, or an Award may be cancelled, lapsed, forfeited, or surrendered;

(x) to reduce the exercise price per Share subject to an Option (subject to Section 7(a)(i));

(xi) to determine whether each Option is to be an Incentive Share Option or a Non-qualified Share Option;

(xii) establish a Trust, appoint a Trustee, approve the terms of any Trust Deed, give instructions to the Trustee, and make such other arrangements, for the implementation and administration of the Plan as they see fit pursuant to Section 4(d);

(xiii) allot and issue Shares or instruct the Trustee to deal in the Shares or ADSs on-market or transfer Shares (or equivalent in another form) for the purpose of settling Awards or pursuant to Section 4(d)(iv); and

(xiv) to take such other action, not inconsistent with the terms of the Plan, as the Administrator deems appropriate.

The express grant in the Plan of any specific power to the Administrator shall not be construed as limiting any power or authority of the Administrator; provided that any Administrator that is not the Board may not exercise any right or power reserved to the Board. Any decision made, or action taken, by the Administrator or in connection with the administration of this Plan shall be final, conclusive and binding on all persons having an interest in the Plan.

(c) Indemnification. In addition to such other rights of indemnification as they may have as members of the Board or as Officers or Employees of the Company or any other Group Member, members of the Board and any Officers or Employees of the Company or any other Group Member to whom authority to act for the Board, the Administrator or the Company is delegated shall be defended and indemnified by the Company to the extent permitted by law on an after-tax basis against all reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any claim, investigation, action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, or any Award granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by the Company) or paid by them in satisfaction of a judgment in any such claim, investigation, action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such claim, investigation, action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct; provided, however, that within thirty (30) days after the institution of such claim, investigation, action, suit or proceeding, such person shall offer to the Company, in writing, the opportunity at the Company's expense to defend the same.

(d) Trust. Notwithstanding the other provisions in this Section 4, the Company may establish a Trust and appoint a Trustee to hold and deal in the Shares, ADSs and other trust property under the Trust for the purposes of, or in connection with, implementing and administering the Plan. For the avoidance of doubt, and without limiting the generality of the trust property that may be held in a Trust, a Trust may hold New Shares or Existing Shares.

(i) The administration and operation of the Trust shall be governed by the Trust Deed and other additional documents instructed by the Company to the Trustee (where applicable).

(ii) Unless otherwise agreed between the Company and any Trustee, the Administrator shall act on behalf of the Company to give instructions to and direct the Trustee, including under this Section 4(d).

(iii) The Company may, among other matters, and in connection with administering and implementing the Plan: (A) allot and issue or transfer to the Trustee, on terms and at issue prices (including at par value) determined by the Board, the relevant number of Shares issuable or transferrable in respect of any Awards to be held by the Trustee on the terms of the Trust Deed and reserved for Eligible Participants; (B) transfer to the Trustee other trust property (including cash) to fund the Trust; (C) give instructions to the Trustee to deal in or transfer the Shares or ADSs (including making purchases on-market) in accordance with Applicable Laws.

(iv) Subject to the Trust Deed, the Company may give instructions to the Trustee to, among other actions, transfer back to the Company (or such other transferee as directed by the Company), or to withhold, any portion of the trust property (including but not limited to Shares, ADSs and cash) in the following circumstances: (A) in accordance with Sections 9(f) (*Clawback*), 10 (*Taxes*), 12 (*Capitalization*), 13 (*Corporate Transaction*); (B) with respect to trust property that relate to Awards that are unvested or have lapsed, forfeited or been cancelled; and (C) in accordance with a resolution of the Board.

(v) A Trustee shall not exercise any voting rights in respect of any Shares underlying unvested Awards held by it, unless otherwise permitted by law to vote in accordance with the beneficial owner's direction (or where this has been granted to the Administrator or another person, in accordance with the direction of the Administrator or such other person) and such a direction is given.

5. Eligibility. Subject to Section 7(b), Awards may be granted to the Eligible Participants. An Eligible Participant who has been granted an Award may, if otherwise eligible, be granted additional Awards.

6. Restrictions on Grants.

(a) The Company shall not make grants of the following Awards during the following restricted periods:

Company's shareholders' approval at general meeting. <i>The participant and his/her close associates (or, if the participant is a connected person, his/her associates), as defined in the Hong Kong Listing Rules, must abstain from voting.</i>

Company's shareholders' approval at general meeting. <i>The participant and his/her associates, and all core connected persons of the Company, as defined in the Hong Kong Listing Rules, must abstain from voting.</i>

7. Options.

- (a) General. The Administrator is authorized to grant Options to Grantees on the following terms and conditions:
- (i) Exercise Price (New Shares). The exercise price per Share subject to an Option funded by New Shares shall be determined by the Administrator and set forth in the Award Agreement; provided, however that the exercise price per Share shall not be lower than:

Options exercisable into Shares and/or ADSs	Minimum Exercise Price
Options exercisable into Shares (which may be denominated in Hong Kong dollars or U.S. dollars, at the Company's discretion)	The higher of: (x) the closing price of the Shares as stated in the Hong Kong Stock Exchange's daily quotations sheet on the date of grant, which must be a business day in Hong Kong; and (y) the average closing price of the Shares as stated in the Hong Kong Stock Exchange's daily quotations sheets for the five business days immediately preceding the date of grant (the " HKD Minimum Exercise Price ").
Options exercisable into ADSs	The higher of: (x) the closing price of ADSs on the Nasdaq on the date of grant; and (y) the average closing price of the ADSs on the Nasdaq for the five Nasdaq trading days immediately preceding the date of grant (the " USD Minimum Exercise Price ").

Options may be exercisable into Shares and/or ADSs. Where options are exercisable into Shares, the exercise price of those options shall comply with the HKD Minimum Exercise Price but may be denominated in Hong Kong dollars or U.S. dollars, at the Company's discretion. The exercise price of options exercisable into ADSs will comply with the USD Minimum Exercise Price and be denominated in U.S. dollars.

- (ii) Exercise Price (Existing Shares). The exercise price per Share subject to an Option funded by Existing Shares shall be determined by the Administrator and set forth in the Award Agreement, which may be a fixed or variable price related to the Fair Market Value of the Shares. The exercise price per Share subject to an Option may be adjusted in the absolute discretion of the Administrator, the determination of which shall be final, binding and conclusive. For the avoidance of doubt, to the extent not prohibited by Applicable Law, a re-pricing of Options mentioned in the preceding sentence shall be effective without the approval of the Company's shareholders or the approval of the Grantees. Notwithstanding the foregoing, the following rules shall apply: (1) the exercise price per Share for an Option granted to a Grantee who is subject to taxation under the Code shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option, (2) the exercise price per Share for an Option granted to a Grantee that is designated as an Incentive Share Option shall comply with the provisions of Section 7(b)(iii) below, and (3) the exercise price per Share subject to an Option under an Award Agreement shall not be increased without the approval of the relevant Grantees.

- (iii) Option Period. The Administrator shall determine the time or times at which an Option may be exercised in whole or in part, including exercise prior to vesting; provided that the term of any Option granted under the Plan shall not exceed ten years from the date of grant of the Option. The Administrator shall also determine any conditions, if any, that must be satisfied before all or part of an Option may be exercised, including setting any performance objectives or other vesting criteria.
- (iv) Payment. The Administrator shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation (1) cash or check denominated in U.S. Dollars, (2) cash or check in Chinese Renminbi, (3) cash or check denominated in any other local currency as approved by the Administrator, (4) Shares held for such period of time as may be required by the Administrator in order to avoid adverse financial accounting consequences and having a Fair Market Value on the date of delivery equal to the aggregate exercise price of the Option or exercised portion thereof, (5) the delivery of a notice that the Grantee has placed a market sell order with a broker with respect to Shares then issuable upon exercise of the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the Option exercise price; provided that payment of such proceeds is then made to the Company upon settlement of such sale, and the methods by which Shares shall be delivered or deemed to be delivered to Grantees, (6) the withholding of Shares otherwise issuable under an Award having a Fair Market Value equal to the Taxes being withheld by the Company, (7) other property acceptable to the Administrator with a Fair Market Value equal to the exercise price, or (8) any combination of the foregoing. Notwithstanding any other provision of the Plan to the contrary, no Grantee who is a member of the Board or an "executive officer" of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to pay the exercise price of an Option in any method which would violate Section 13(k) of the Exchange Act.
- (v) Type of Option. All Options shall be separately designated as Incentive Share Options or Non-qualified Share Options at the time of grant. Notwithstanding the foregoing, the Company shall have no liability to any Grantee or any other person if an Option designated as an Incentive Share Option fails to qualify as such at any time or if an Option is determined to constitute "nonqualified deferred compensation" within the meaning of Section 409A of the Code and the terms of such Option do not satisfy the requirements of Section 409A of the Code. To the extent that all or a portion of an Option is designated as an Incentive Share Option but fails to satisfy all of the applicable requirements to be treated as an Incentive Share Option, it shall be treated as a Non-qualified Share Option.
- (vi) Evidence of Grant. All Options shall be evidenced by an Award Agreement between the Company and the Grantee. The Award Agreement shall include such additional provisions as may be specified by the Administrator.
- (b) Incentive Share Options. Incentive Share Options shall be granted only to Employees of the Company or a Subsidiary of the Company. The terms of any Incentive Share Options granted pursuant to the Plan, in addition to the requirements of Section 7(a), must comply with the following additional provisions of this Section 7(b):

- (i) Expiration of Option. An Incentive Share Option may not be exercised to any extent by anyone after the first to occur of the following events, provided that an earlier time may be set forth in the Award Agreement:
- a. Ten years from the date it is granted, provided, however, that in the case of an Incentive Share Option granted to a Grantee who, at the time the Option is granted, owns Shares possessing more than ten percent of the total combined voting power of all classes of shares of the Company or any Parent or Subsidiary of the Company within the meaning of Section 422(b)(6) of the Code and the regulations promulgated thereunder, the term of the Incentive Share Option shall be five years from the date of grant thereof or such shorter term as set forth in the Award Agreement;
 - b. Three months after the Grantee's termination of employment as an Employee; and
 - c. One year after the date of the Grantee's termination of employment or service on account of Disability or death. Upon the Grantee's Disability or death, any Incentive Share Options exercisable at the Grantee's Disability or death may be exercised by the Grantee's legal representative or representatives, by the person or persons entitled to do so pursuant to the Grantee's last will and testament, or, if the Grantee fails to make testamentary disposition of such Incentive Share Option or dies intestate, by the person or persons entitled to receive the Incentive Share Option pursuant to the applicable laws of descent and distribution.
- (ii) Individual Dollar Limitation. The aggregate Fair Market Value (determined as of the time the Option is granted) of all Shares with respect to which Incentive Share Options are first exercisable by a Grantee in any calendar year may not exceed US\$100,000 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Share Options are first exercisable by a Grantee in excess of such limitation, the excess shall be considered Non-Qualified Share Options. For purposes of applying this rule, options shall be taken into account in the order in which they are granted.
- (iii) Exercise Price. The exercise price of an Incentive Share Option shall be equal to the Fair Market Value on the date of grant. However, the exercise price of any Incentive Share Option granted to any individual who, at the date of grant, owns Shares possessing more than ten percent of the total combined voting power of all classes of shares of the Company or any Parent or Subsidiary of the Company may not be less than 110% of Fair Market Value on the date of grant.
- (iv) Transfer Restriction; Notification. An Incentive Share Option shall not be transferable except by will or by the laws of descent and distribution. The Grantee shall give the Company prompt notice of any disposition of Shares acquired by exercise of an Incentive Share Option within (1) two years from the date of grant of such Incentive Share Option or (2) one year after the transfer of such Shares to the Grantee.

- (v) Right to Exercise. During a Grantee's lifetime, an Incentive Share Option may be exercised only by the Grantee.
- (vi) Shareholder Approval. The Company's shareholders must have approved the Plan within twelve (12) months before or after the Effective Date in order for the Incentive Share Options to be granted.
- (vii) Time Limit for Grants. No grant of Incentive Share Options may be made at or after the 10th anniversary of the Effective Date.

8. Restricted Share Units.

- (a) Grant of Restricted Share Units. Subject to Section 6, the Administrator, at any time and from time to time, may grant Restricted Share Units to Grantees as the Administrator, in its sole discretion, shall determine. The Administrator, in its sole discretion, shall determine the number of Restricted Share Units to be granted to each Grantee.
- (b) Restricted Share Units Award Agreement. Each Award of Restricted Share Units shall be evidenced by an Award Agreement that shall specify any vesting conditions, the number of Restricted Share Units granted, and such other terms and conditions (including the purchase price payable by the Grantee for the receipt of a Share or ADS under the Restricted Share Unit, if any) as the Administrator, in its sole discretion, shall determine.
- (c) Form and Timing of Payment of Restricted Share Units. At the time of grant, the Administrator shall specify the date or dates on which the Restricted Share Units shall become fully vested and nonforfeitable. Upon vesting, the Administrator, in its sole discretion, may pay Restricted Share Units in the form of cash, in Shares or in a combination thereof.
- (d) Forfeiture/Repurchase. Except as otherwise determined by the Administrator at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Share Units that are at that time unvested shall be forfeited or repurchased in accordance with the Award Agreement; provided, however, the Administrator may (a) provide in any Restricted Share Unit Award Agreement that restrictions or forfeiture and repurchase conditions relating to Restricted Share Units will be waived in whole or in part in the event of terminations resulting from specified causes, and (b) in other cases waive in whole or in part restrictions or forfeiture and repurchase conditions relating to Restricted Share Units.

9. Terms and Conditions of Awards.

(a) Conditions of Award. Subject to the terms of the Plan, the Administrator shall determine the provisions, terms, and conditions of each Award including, but not limited to, the Award vesting schedule, forfeiture provisions, form of payment (cash, New Shares, Existing Shares, or other consideration, or a combination thereof) to fund an Award or upon settlement of the Award, payment contingencies, and satisfaction of any performance criteria. The performance criteria established by the Administrator may be based on any one of, or combination of, the following: (i) increase in share price, (ii) earnings per share, (iii) total shareholder return, (iv) operating margin, (v) gross margin, (vi) return on equity, (vii) return on assets, (viii) return on investment, (ix) operating income, (x) net operating income, (xi) pre-tax profit, (xii) cash flow, (xiii) revenue, (xiv) expenses, (xv) earnings before interest, taxes and depreciation, (xvi) economic value added, (xvii) market share, or (xviii) such other performance criteria determined by the Administrator. The performance criteria may be applicable to the Company, any other Group Member and/or any individual business units of the Company or any other Group Member. Partial achievement of the specified criteria may result in a payment or vesting corresponding to the degree of achievement as specified in the Award Agreement. In addition, the performance criteria shall be calculated in accordance with generally accepted accounting principles, but excluding the effect (whether positive or negative) of any change in accounting standards and any extraordinary, unusual or nonrecurring item, as determined by the Administrator, occurring after the establishment of the performance criteria applicable to the Award.

(b) Grant Price. Unless otherwise specified in the Award Agreement, the consideration payable by the Grantee for accepting a grant of Awards shall be nil by default.

(c) Vesting Period. With respect to Awards funded by New Shares, the overall vesting period for each grant shall not be less than 12 months from the grant date, except as permitted under Applicable Laws. For the avoidance of doubt:

(i) a portion of the Restricted Share Units under the grant may vest within 12 months of the grant date provided that the overall vesting period for all the Restricted Share Units under the grant is not less than 12 months or as otherwise permitted.

(ii) for Awards funded by New Shares granted to Employees, the overall vesting period for a particular grant may be shorter than 12 months from the grant date in the following circumstances and any other circumstance that may be permitted by the HK Exchange under FAQ13 – No. 12 (as may be amended from time to time):

- a. grants of “make whole” the Awards to a new Employee to replace share awards such Employee forfeited when leaving their previous employer;
- b. grants to an Employee whose employment is terminated due to death or disability or occurrence of any out of control event;
- c. grants of Awards which are subject to the fulfilment of performance targets;
- d. grants of Awards that are made in batches during a year for administrative and/or compliance requirements, in which case the overall vesting period may be adjusted to take account of the time from which the Awards would have been granted if not for such administrative or compliance requirements;
- e. grants of Awards with a mixed or accelerated vesting schedule such that the Awards vest evenly over a period of 12 months; or
- f. grants of Awards with a total vesting and holding period of more than 12 months.

(d) Cancellation of Awards. The Administrator may cancel any Award granted but not vested from time to time; provided that with respect to Awards funded by New Shares, a grant of new Awards to the same Grantee whose Awards have been cancelled may only be made if there are unissued Awards available under the Scheme Limit (excluding the Awards of the relevant Grantee cancelled) and in compliance with the terms of the Plan.

(e) Lapse of Awards. Without prejudice to the authority of the Administrator to provide additional situations in which an Award shall lapse in the terms of the Award Agreement, an Award shall lapse automatically (to the extent not already vested and, where relevant, exercised) on the earliest of:

- (i) the grant of the Award has not been accepted by the Grantee in the manner prescribed;
- (ii) any Awards scheduled to vest at the end of that vesting period but that did not vest due to, for example, the Grantee does not satisfy the performance criteria, shall lapse in such number and manner as specified in the Award Agreement.
- (iii) the expiry of any applicable exercise period for an Option;
- (iv) when the clawback mechanism under Section 9(f) has been triggered;
- (v) following a determination by the Board of such lapse; and
- (vi) the Grantee transfers the Award in breach of the transferability provisions specified under Section 9(l).

The Administrator shall have the power to decide whether an Award shall lapse and its decision shall be binding and conclusive on the Grantee. The Company shall not owe any liability to any Grantee for the lapse of any Award under the Plan.

(f) Clawback. In the event that:

- (i) a Grantee ceases to be an Eligible Participant by reason of the termination of the Grantee's employment or direct/indirect contractual engagement with the Group or a Related Entity for cause or without notice or with payment in lieu of notice;
- (ii) a Grantee has been charged, penalized or convicted of a civil or criminal offence involving the Grantee's integrity or honesty;
- (iii) in the reasonable opinion of the Board or the Administrator, a Grantee has engaged in serious misconduct, including with respect to a policy or code of or other agreement with the Group, or breaches the terms of the Plan in any material respect; or
- (iv) in the reasonable opinion of the Board or the Administrator, the grant of an Award to the Grantee is no longer determined to be appropriate and aligned with the purpose of the Plan,

the Administrator may make a determination at its absolute discretion that: (A) any Awards granted to that Grantee but not yet exercised or transferred shall immediately lapse, regardless of whether such Awards have vested or not, (B) with respect to any Award Shares delivered to that Grantee or amount paid to that Grantee, the Grantee shall be required to transfer back to the Company or its nominee (1) the equivalent number of Shares, (2) an amount in cash equal to the market value of such Shares or amount paid, or (3) a combination of (1) and (2), and/or (C) with respect to any Shares held by the Trustee for the benefit of the Grantee, those Shares shall no longer be held on trust for nor inure to the benefit of the Grantee.

(g) Acquisitions and Other Transactions. The Administrator may issue Awards under the Plan in settlement, assumption or substitution for, outstanding awards or obligations to grant future awards in connection with any Group Member acquiring another entity, an interest in another entity or an additional interest in a Related Entity whether by merger, stock purchase, asset purchase or other form of transaction ("Substitute Awards"). Substitute Awards funded by Existing Shares shall not be charged against the limitation provided for in Section 3(a).

(h) Deferral of Award Payment. Subject to the terms of the Plan, the Administrator may establish one or more programs under the Plan to permit selected Grantees the opportunity to elect to defer receipt of consideration upon satisfaction of performance criteria or other event that absent the election would entitle the Grantee to payment or receipt of Shares or other consideration under an Award. The Administrator may establish the election procedures, the timing of such elections, the mechanisms for payments of, and accrual of interest or other earnings, if any, on amounts, Shares or other consideration so deferred, and such other terms, conditions, rules and procedures that the Administrator deems advisable for the administration of any such deferral program.

(i) Separate Programs. Subject to the terms of the Plan, the Administrator may establish one or more separate programs under the Plan for the purpose of issuing Awards to one or more classes of Grantees on such terms and conditions as determined by the Administrator from time to time.

(j) Deferral. If the vesting or receipt of Shares under an Award is deferred to a later date, any amount (whether denominated in Shares or cash) paid in addition to the original number of Shares subject to such Award will not be treated as an increase in the number of Shares subject to the Award if the additional amount is based either on a reasonable rate of interest or on one or more predetermined actual investments such that the amount payable by the Company at the later date will be based on the actual rate of return of a specific investment (including any decrease as well as any increase in the value of an investment).

(k) Entitlements Attached to Awards. Unvested Awards do not carry any right to vote at general meetings of the Company, nor any right to dividends or declarations, transfer or other rights (including those arising on a liquidation of the Company); this includes unvested Awards that are held by a Trustee holding Awards or Shares on behalf of Eligible Participants. No Grantee shall enjoy any of the rights of a Shareholder by virtue of the grant of an Award unless and until the Shares or ADSs underlying the Award are issued or transferred to the Grantee pursuant to the vesting and exercise (if applicable) of such Award. Where Shares or ADSs underlying an Award are held on Trust for the Grantee, unless the Grantee otherwise gives instructions to the Administrator, the Grantee shall be taken to have designated the Administrator to instruct the relevant Trustee to exercise the voting rights in respect of those Shares or ADSs underlying the vested Awards pursuant to, and to the extent permitted by, the relevant Trust Deed.

(l) Transferability of Awards.

(i) Subject to Section 9(l)(ii), Awards shall be transferable (A) by will and by the laws of descent and distribution and (B) during the lifetime of the Grantee, to the extent and in the manner authorized by the Administrator and subject to the terms of the Plan. Notwithstanding the foregoing, the Grantee may designate one or more beneficiaries of the Grantee's Award in the event of the Grantee's death on a beneficiary designation form provided by the Administrator, and such beneficiary or beneficiaries, in the event of the death of the Grantee, shall thereafter be entitled to exercise any Option granted to such Grantee.

(ii) Awards funded by New Shares shall be personal to the Grantee and shall not be assignable or transferable, except in circumstances where the written consent of the Company has been obtained and a waiver has been granted by the Hong Kong Stock Exchange for such transfer under the circumstances set out in the note to Rule 17.03(17) of the Hong Kong Listing Rules in compliance with the requirements of the Hong Kong Listing Rules and provided that any such transferee agrees to be bound by the terms of the Plan and the Award Agreement (where relevant) as if the transferee were the Grantee.

(m) Time of Granting Awards. Subject to Section 6(a), the date of grant of an Award shall for all purposes be the date on which the Administrator makes the determination to grant such Award, or such other later date as is determined by the Administrator.

(n) Paperless Administration. Subject to Applicable Laws, the Administrator may make Awards, provide applicable disclosure and procedures for exercise of Awards by an internet website or interactive voice response system for the paperless administration of Awards.

(o) Foreign Currency. A Grantee may be required to provide evidence that any currency used to pay the exercise price of any Award was acquired and taken out of the jurisdiction in which the Grantee resides in accordance with Applicable Laws, including foreign exchange control laws and regulations. In the event the exercise price for an Award is paid in Chinese Renminbi or other foreign currency, as permitted by the Administrator, the amount payable will be determined by conversion from U.S. dollars at the official rate promulgated by the People's Bank of China for Chinese Renminbi, or for jurisdictions other than the PRC, the exchange rate as selected by the Administrator on the date of exercise.

10. Taxes. The Company shall have the power and the right to deduct from any amount otherwise due to the Grantee, or withhold, or require a Grantee to remit to the Company, an amount sufficient to satisfy federal, state, provincial and local income, employment or other related taxes, in any jurisdiction, required by Applicable Law to be withheld with respect to any taxable event arising as a result of this Plan and any Award. With respect to withholding required in connection with any Award, the Company may require, or the Administrator may permit a Grantee to elect, that the withholding requirement be satisfied, in whole or in part, by having the Company withhold from Shares to be issued pursuant to such Award a number of Shares having an aggregate Fair Market Value on the date of withholding that would satisfy the withholding amount due; provided, however, that the amount withheld does not exceed the maximum statutory tax rates in such Grantee's applicable jurisdiction for federal, state, provincial or local, employment or other related tax purposes that are applicable to such taxable income. Any election by a Grantee shall be irrevocable, made in writing, and shall be subject to any restrictions or limitations that the Administrator, in its sole discretion, deems appropriate. For purposes of Share withholding, the Fair Market Value of the withheld Shares shall be determined consistent with the applicable provisions of the applicable tax requirements, including without limitation the Code (as applicable), together with the regulations and official guidance promulgated thereunder.

11. Conditions Upon Issuance of Shares. If at any time the Administrator determines that the delivery of Shares pursuant to the exercise, vesting or any other provision of an Award is or may be unlawful under Applicable Laws, the exercise, vesting or right to otherwise receive Shares pursuant to the terms of an Award shall be suspended until the Administrator determines that such delivery is lawful and shall be further subject to the approval of counsel for the Company with respect to such compliance. The Company shall have no obligation to effect any registration or qualification of the Shares under any Applicable Laws.

12. Adjustments Upon Changes in Capitalization. Subject to any required action by the shareholders of the Company and Section 13 hereof, the number of Shares covered by each outstanding Award, the exercise price of each Award, and the number of Shares which have been authorized for issuance under the Plan but as to which no Awards have yet been granted or which have been returned to the Plan shall be proportionately adjusted for a capitalization issue, rights issue, sub-division or consolidation of shares or reduction of capital (collectively “adjustments”). Any such adjustments to outstanding Awards will be effected in a manner that precludes the enlargement of rights and benefits under such Awards. In connection with the foregoing adjustments, the Administrator may, in its discretion, prohibit the issuance of Shares, cash or other consideration pursuant to Awards during certain periods of time. Except as the Administrator determines, no issuance by the Company of shares of any class, or securities convertible into shares of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the number or price of Shares subject to an Award. In the case of adjustments made pursuant to this Section 12, unless the Administrator specifically determines that such adjustment is in the best interests of the Company or its Subsidiaries, the Administrator shall, in the case of Incentive Share Options, ensure that any adjustments under this Section 12 will not constitute a modification, extension or renewal of the Incentive Share Options within the meaning of Section 424(h)(3) of the Code and in the case of Non-qualified Share Options, ensure that any adjustments under this Section 12 will not constitute a modification of such Non-qualified Share Options within the meaning of Section 409A of the Code.

Unless otherwise determined by the Administrator, the following default rules would apply with respect to Awards funded by New Shares:

- (a) any adjustment should give each Grantee the same proportion of the equity capital of the Company, rounded to the nearest whole Share, as that to which that Grantee was previously entitled prior to such adjustments.
- (b) for adjustments made under this Section 12, other than any made on a capitalisation issue, an independent financial adviser or the auditor of the Company must confirm to the Directors in writing that the adjustments satisfy the relevant requirements under the Chapter 17 of the Hong Kong Listing Rules.
- (c) no such adjustments shall be made which would result in a Share being issued at less than its nominal value.
- (d) any adjustments for the purposes of this Section 12, to the extent not otherwise determined by the Administrator (subject to compliance with the requirements of Applicable Laws), shall be made in accordance with the formulae set out in the Appendix to the Plan.

- (e) any Shares distributed pursuant to an Award shall be identical to all existing issued Shares and shall be distributed subject to all the provisions of the articles of association of the Company for the time being in force and will rank pari passu with the other fully paid Shares in issue on the date the name of the Eligible Participant is registered on the register of members of the Company, subject to Applicable Laws.

13. Corporate Transaction. Except as may otherwise be provided in any Award Agreement or any other written agreement entered into by and between the Company and a Grantee, if a Corporate Transaction occurs, the Company as determined in the sole discretion of the Administrator and without the consent of the Grantee may take one or more of the following actions, including but not limited to with respect to a single Award:

- (a) accelerate the vesting, in whole or in part, of any Award;
- (b) purchase any Award for an amount of cash or Shares equal to the value that could have been attained upon the realization of the Grantee's rights had such Award been currently fully vested (and, for the avoidance of doubt, if as of such date the Administrator determines in good faith that no amount would have been attained upon the realization of the Grantee's rights, then such Award may be terminated by the Company without payment); or
- (c) provide for the assumption, conversion or replacement of any Award by the successor corporation or a parent or subsidiary of the successor corporation with other rights (including cash) or property selected by the Administrator in its sole discretion or the assumption or substitution of such Award by the successor or surviving corporation, or a parent or subsidiary thereof, with such appropriate adjustments as to the number and kind of Shares and exercise price as the Administrator deems, in its sole discretion, reasonable, equitable and appropriate. In the event the successor corporation refuses to assume, convert or replace outstanding Awards, the Awards shall fully vest and the Grantee shall have the right to receive payment as to all of the Shares subject to the Award.

14. Effective Date and Term of Plan. The Plan is effective from February 2023 and shall continue in effect for a term of ten years unless sooner terminated. For the avoidance of doubt, the Plan shall be effective until the end of February 2033 unless sooner terminated.

15. Amendment, Suspension or Termination of the Plan.

(a) The Board may at any time amend, suspend or terminate the Plan; provided, however, that no such amendment shall be made in contravention of Chapter 17 of the Hong Kong Listing Rules or without the approval of the Company's shareholders to the extent such approval is required by Applicable Laws, which with respect to Awards funded by New Shares includes:

- (i) a refreshment of the limits under Section 3(a)(i) or Section 3(a)(ii), in accordance with and as required under Rule 17.03C of the Hong Kong Listing Rules. For purposes of this Section 15(a)(i), Awards already granted under the Plan and any other share schemes of the Company (including those exercised, outstanding, cancelled or lapsed in accordance with its terms) prior to such refreshment shall not be counted for the purpose of calculating the number of New Shares that may be issued under the Scheme Limit as refreshed;

(ii) an alteration to the terms of the Plan which are of a material nature and any alteration to the provisions relating to the matters set out in Rule 17.03 of the Hong Kong Listing Rules to the advantage of participants; and

(iii) any change to the authority of the Directors or the Administrator to alter the terms of the Plan.

(b) Any alteration to the terms of any Award the grant of which was subject to the approval of a particular body (such as the Board or any committee thereof, the independent non-executive directors of the Company, or the shareholders of the Company in general meeting) shall be subject to approval by that same body, provided that this requirement does not apply where the relevant alteration takes effect automatically under the Plan.

(c) In addition, in order to assure the viability of Awards granted to Grantees employed in various jurisdictions, the Administrator may, in its sole discretion, provide for such special terms as it may consider necessary or appropriate to accommodate differences in local law, tax policy or custom applicable in the jurisdiction in which the Grantee resides or is employed. Moreover, the Administrator may approve such supplements to, amendments, restatements, or alternative versions of the Plan as it may consider necessary or appropriate for such purposes without thereby affecting the terms of the Plan as in effect for any other purpose. Notwithstanding the foregoing, the Administrator may not take any actions hereunder, and no Awards shall be granted that would violate any Applicable Laws.

(d) No Award may be granted during any suspension of the Plan or after termination of the Plan.

(e) No suspension or termination of the Plan (including termination of the Plan under Section 13 above) shall adversely affect any rights under Awards already granted to a Grantee.

16. Reservation of Shares.

(a) The Company, during the term of the Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

(b) The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

17. No Effect on Terms of Employment/Consulting Relationship. The Plan shall not confer upon any Grantee any right with respect to the Grantee's Continuous Service, nor shall it interfere in any way with his or her right or the right of a Group member to terminate the Grantee's Continuous Service at any time, with or without cause, and with or without notice.

18. No Effect on Retirement and Other Benefit Plans. Except as specifically provided in a retirement or other benefit plan of the Company or any other Group Member, Awards shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or any other Group Member, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a "Pension Plan" or "Welfare Plan" under the U.S. Employee Retirement Income Security Act of 1974, as amended.

19. Unfunded Obligation. Grantees shall have the status of general unsecured creditors of the Company. Any amounts payable to Grantees pursuant to the Plan shall be unfunded and unsecured obligations for all purposes, including, without limitation, Title I of the Employee Retirement Income Security Act of 1974, as amended. Neither the Company nor any other Group Member shall be required to segregate any monies from its general funds, or to create any trusts, or establish any special accounts with respect to such obligations. The Company shall retain at all times beneficial ownership of any investments, including trust investments, which the Company may make to fulfill its payment obligations hereunder. Any investments or the creation or maintenance of any trust or any Grantee account shall not create or constitute a trust or fiduciary relationship between the Administrator, the Company or any other Group Member and a Grantee, or otherwise create any vested or beneficial interest in any Grantee or the Grantee's creditors in any assets of the Company or any other Group Member. The Grantees shall have no claim against the Company or any other Group Member for any changes in the value of any assets that may be invested or reinvested by a Group Member with respect to the Plan.

Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. 21. Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board, the submission of the Plan to the shareholders of the Company for approval, nor any provision of the Plan will be construed as creating any limitations on the power of the Board to adopt such additional compensation arrangements as it may deem desirable, including, without limitation, the granting of Awards otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

22. Code Section 409A Compliance. To the extent applicable, it is intended that the Plan and any grants hereunder comply with the requirements of Section 409A of the Code. The invalidity or unenforceability of any provision of the Plan or an Award Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of the Plan or Award Agreement, as applicable, in such jurisdiction or the validity, legality or enforceability of any provision of the Plan or Award Agreement, as applicable, in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by Applicable Law.

Appendix
Formulae for calculating adjustments pursuant to Section 12

In the case of adjustments made by the Administrator pursuant to Section 12 for (i) capitalization issue or bonus issue and rights issue or open offer of Shares or (ii) Share consolidation or subdivision:

- (a) Adjustments to the number of Shares in each Award shall be determined in accordance with the formula:

$$\text{Adjusted number of Award Shares} = \text{Existing Number of Award Shares} \times F$$

- (b) Adjustments to the exercise price of any Option or any purchase price of any Restricted Share Unit shall be determined in accordance with the formula:

$$\text{Adjusted Exercise Price/Purchase Price} = \text{Existing Exercise Price/Purchase Price} \div F$$

Where “F” represents:

- (i) In the case of adjustment for capitalization issue or bonus issue and rights issue or open offer of Shares:

$$F = \text{CUM} \div \text{TEEP}$$

CUM = Closing price as shown in the Daily Quotation Sheet of the Hong Kong Stock Exchange (or the Nasdaq) on the last trading day before going ex-entitlement to the offer (i.e., the Cum-rights Price)

$$\text{TEEP} = \frac{\text{CUM} + (\text{M} \times \text{R})}{1 + \text{M}} \text{ (i.e., the Theoretical Ex-entitlement Price)}$$

M = Entitlement ratio per existing Share under the capitalization issue, bonus issue, rights issue or open offer

R = Subscription price per Share under the rights issue or open offer (or 0 in the case of a capitalization issue or bonus issue)

- (ii) In the case of adjustment for Share consolidation or subdivision:

$$F = \text{the ratio of Share consolidation or subdivision}$$

In applying the above formulae, the Administrator may have reference to Appendix 1 to Frequently Asked Questions FAQ13 issued by the Hong Kong Stock Exchange.
