INSIDE INFORMATION
PROFIT WARNING

This announcement is made by Greatview Aseptic Packaging Company Limited (the "**Company**") pursuant to Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors of the Company (the "**Board**") wishes to inform the shareholders and potential investors of the Company that based on information currently available to the Board and preliminary estimates of the unaudited consolidated management accounts of the Company for the six months ended 30 June 2026 (the "**Period**"), it is expected that the Group will record a revenue of approximately RMB731.8 million to RMB990.1 million for the Period (corresponding period in 2025: RMB1,006.7 million), representing a decrease of approximately 1.6% to 27.3% compared to the corresponding period in 2025. It is expected that the Group will record a net profit of approximately RMB3.4 million to RMB10.2 million for the Period (corresponding period in 2025: RMB83.0 million), representing a decrease of approximately 87.7% to 95.9% compared to the corresponding period in 2025.

The decline in revenue for the Period was attributable to lower unit prices from export orders after such orders being progressively first sent to subsidiaries controlled by the International Business and subsequently placed by such subsidiaries with the Company since 2025. At the same time, the overall volume of such orders also declined. The decrease in net profit was attributable to (i) lower revenue and gross margin (relating to International Business) resulting from export orders being placed by subsidiaries controlled by the International Business, rather than directly by third-party customers; (ii) in March 2025, there was a change in the accounting treatment of the investment interest in Greatview Holdings International Limited, and the application to obtain the relevant financial information is still pending before the court, resulting in share of profit of investments being unable to be recognised compared to the corresponding period in 2025.

The information contained in this announcement is only based on a preliminary assessment of the latest unaudited consolidated management accounts of the Group for the Period and the information available at the current time, which have not been reviewed by the audit committee of the Company and maybe subject to adjustments. The Group's unaudited interim results for the Period are proposed to be announced by the end of August 2026.
