VOLUNTARY ANNOUNCEMENT
SHARE REPURCHASE PLAN

This is a voluntary announcement made by Mobvista Inc. (the "**Company**") to provide its shareholders (the "**Shareholders**") and potential investors with information in relation to the latest developments regarding the Company.

The Board wishes to announce that on 17 July 2026, a new share repurchase plan (the "**Share Repurchase Plan**") has been approved, pursuant to which the Company intends to further use up to HK$300 million to repurchase Shares in the open market from time to time under the general mandate (the "**Share Repurchase Mandate**") granted to the Directors by the Shareholders at the Company's annual general meeting held on 12 June 2026 (the "**2026 AGM**").

Pursuant to the Share Repurchase Mandate, the Directors were authorised to repurchase Shares not exceeding 10% of the total number of the issued Shares as at the date of the 2026 AGM (i.e. not exceeding 162,161,418 Shares). Such mandate will expire upon whichever is the earliest of: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the articles of association of the Company to be held; and (c) the revocation or variation of the authority given under the ordinary resolution approving the Share Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting.

The Company would conduct the Share Repurchase Plan in compliance with the memorandum and articles of association of the Company, the Rules Governing the Listing of Securities on the Stock Exchange, the Codes on Takeovers and Mergers and Share Buy-backs, the Companies Law of the Cayman Islands and all applicable laws and regulations to which the Company is subject.

The Board considers that the Share Repurchase Plan reflects the confidence of the Board and the management team of the Company in the current and long-term business outlook and growth of the Company. The Board believes that the current financial resources of the Company would enable it to implement the Share Repurchase Plan while maintaining a solid financial position, and would, ultimately, benefit the Company and create value to the Shareholders.

Shareholders and potential investors should note that any repurchase may be done subject to market conditions and at the Board's absolute discretion. There is no assurance of the timing, quantity or price of any repurchase. Shareholders and potential investors should therefore exercise caution when dealing in the securities of the Company.
