II. COMMUNICATION WITH THE ACCOUNTING FIRM

The financial information contained in this announcement represents preliminary calculations by the Company's Finance Department and has not been audited by the accounting firm.

III. THE MAIN REASONS FOR THE CHANGES IN RESULTS FOR THE REPORTING PERIOD

During the Reporting Period, the Company witnessed rising demand for its principal products driven by growing market demand within the electronic component and optical communication industries. For the Company's MLCC products, improved customer recognition alongside a booming industry enabled price adjustments for certain sizes, restoring their original reasonable value, and drove a substantial year-on-year output quantities and sales increase. Meanwhile, accelerated global data center construction sustained robust market demand for optical components, leading to year-on-year sales growth of the Company's ferrules, sleeves and other related optical communication products.

IV. OTHER EXPLANATORY MATTERS

(I) The estimated performance figures contained in this announcement are based on preliminary calculations conducted by the Company's Finance Department and have not been audited by the accounting firm.

(II) The specific financial information for the first half of 2026 shall be subject to full disclosure in the Company's 2026 Interim Report.

(III) All investors are advised to exercise caution when making investment decisions and be mindful of investment risks.
