DETAILS OF THE JUDICIAL MATTERS

The first instance civil judgment underlying this enforcement matter bears Case Reference (2025) Min 0206 Min Chu No. 9846 ((2025) 闽 0206 民初 9846 号), handed down by the People’s Court of Huli District, Xiamen City in connection with a guarantee contract dispute, with XIAMEN GREAT CORPORATION as the claimant and creditor. Relying on the aforementioned judgment, the said creditor instituted enforcement proceedings bearing Case Reference (2026) Min 0206 Zhi No. 5702 ((2026) 闽 0206 执 5702 号)) before the same People’s Court of Huli District, Xiamen City, for an aggregate monetary liability of

Of the approximately RMB166 million total liability stated in the court enforcement notice, roughly RMB136.3 million relating to principal under the underlying purchase contract and RMB29.3 million representing accrued default interest and liquidated damages have been duly recognised and provided for in the Group's consolidated financial statements for the financial year ended 31 December 2025.

The residual nominal balance corresponds to court procedural costs, including preservation application fees, preservation insurance premiums, case acceptance fees and enforcement fees.
