POSITIVE PROFIT ALERT

This announcement is made by ClouDr Group Limited (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors of the Company (the "**Directors**") wishes to inform the shareholders (the "**Shareholders**") and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended June 30, 2026 (the "**Reporting Period**"), the Group is expected to record a consolidated net loss ranging between approximately RMB60 million and approximately RMB10 million as compared to a consolidated net loss of approximately RMB642.9 million for the six months ended June 30, 2025, representing a significant decrease in loss of approximately 90.7% to 98.4% period-on-period.

Based on the information currently available, the Board considers that the expected significant decrease in loss was mainly due to: 1) significant decline of negative impact from impairment losses relating to strategic divestment and one-off specific provision which were recognised in 2025; and 2) the sustained development of our AI+P2M core business, which contributed to improved operating performance and a significant narrowing of the Group's net loss, demonstrating the effective delivery of our strategic transformation.

The information contained in this announcement is only based on the Company's preliminary assessment with reference to the information currently available to the Company and the unaudited consolidated management accounts of the Group for the Reporting Period and is not based on the financial data or other information which has been audited or reviewed by the Company's independent auditor or the audit committee of the Board. The above data may therefore be subject to adjustments. The Group's actual financial results for the Reporting Period may be different from the disclosure made in this announcement. The Board and the management of the Company have been working closely with its independent auditor to finalize the Group's interim results announcement for the Reporting Period, which is expected to be published by the end of August 2026 pursuant to the requirements of the Listing Rules.

Shareholders and potential investors are advised not to place undue reliance on the information disclosed herein and are advised to exercise caution when dealing in the securities of the Company. Any Shareholder or potential investor who is in doubt is advised to seek advice from professional advisers.
