PROFIT WARNING

This announcement is made by WK Group (Holdings) Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 (the “**Reporting Period**”) and the information currently available to the Board, the Group is expected to record a net loss of not less than approximately HK\$10.0 million, as compared with a net profit of approximately HK\$10.8 million for the six months ended 30 June 2025. The expected net loss was primarily driven by (i) the decrease in revenue, resulting from a reduction in the contract sum of awarded projects; and (ii) the contraction in gross profit margin, as the Group lowered tender prices to secure construction projects amidst tightened budgets among main contractors during the Reporting Period, alongside costs associated with idle factory resources.

As the Company is in the process of finalising the interim results of the Group for the Reporting Period, the information contained in this announcement is only based on preliminary assessment by the Board with reference to the unaudited consolidated financial information of the Group for the Reporting Period and on the information available for the time being, but not on any data or information audited or reviewed by the auditors and the audit committee of the Company, and shall be subject to adjustments. Therefore, the actual results of the Group for the Reporting Period may differ from the information in this announcement. Shareholders and potential investors should refer to the Group’s interim results announcement, which is expected to be released by the end of August 2026, for further details of the Group’s financial results and performances.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
