This announcement is made by the board (the “**Board**”) of directors of Fosun International Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary assessment of the information available to the Company and the latest unaudited consolidated management accounts for the six months ended 30 June 2026 (the “**First Half of 2026**”), the profit attributable to owners of the parent of the Company for the First Half of 2026 is expected to be approximately RMB1.5 billion to RMB1.8 billion, representing an increase of approximately 127% to 172% (for the six months ended 30 June 2025: approximately RMB0.66 billion). The Board considers that the increase is mainly due to the strong resilience demonstrated by the Company’s core industries in the First Half of 2026, the steady improvement in operating quality, and the substantial increase in profit from industrial operations as compared with the corresponding period of the last year.
